(e) On April 23, 2008, the Compensation Committee (the Committee) of the Board of Directors of Hudson Highland Group, Inc. (the Company) approved an amendment to the Hudson Highland Group, Inc. 2008 Incentive Compensation Program. The amendment provides that, for purposes of determining the Company's earnings before income tax (EBIT) to determine whether bonus performance targets have been met, EBIT will be calculated in accordance with generally accepted accounting principles, but, unless otherwise determined by the Committee, will exclude the effects of (i) gains or losses on the disposition of a business, (ii) changes in tax or accounting regulations or laws, (iii) changes in the value of individual balance sheet items in excess of \$1 million that impact the income statement, and (iv) mergers or acquisitions, that in all of the foregoing the Company identifies in its audited financial statements, including footnotes, or the Management's Discussion and Analysis section of the Company's annual report. The impact of these exclusions on the bonuses for the Company's named executive officers is not determinable at this time.
