ITEM 7.01. REGULATION FD DISCLOSURE

On Monday, March 9, 2009 at 4:00 pm Eastern time, representatives of LKQ Corporation will make a presentation at the Raymond James 30th Annual Institutional Investors Conference, which will be held in Orlando, Florida. A copy of the presentation materials will be available under Presentations in the Investor Relations section of the Company's website, [www.lkqcorp.com](http://www.lkqcorp.com), on March 9, 2009.

The information in this Current Report on Form 8-K shall not be deemed *filed* for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the *Exchange Act*), nor shall it be incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

The financial data contained in the presentation materials includes earnings before interest, taxes, depreciation and amortization (EBITDA) and provides a reconciliation of net income to EBITDA. EBITDA is not a measure of financial performance under generally accepted accounting principles in the United States.

We have presented EBITDA information solely as a supplemental disclosure because we believe it provides a helpful analysis of our operating results. EBITDA should not be construed as an alternative to operating income, net income or net cash provided by (used in) operating activities, as determined in accordance with accounting principles generally accepted in the United States. In addition, not all companies that report EBITDA information calculate EBITDA in the same manner as we do and, accordingly, our calculation is not necessarily comparable to similarly named measures of other companies and may not be an appropriate measure for performance relative to other companies.

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

**LKQ Corporation**
