**Item 2.05 Costs Associated with Exit or Disposal Activities.**

On March 31, 2009, TorreyPines Therapeutics, Inc. (the Company) announced that, effective March 31, 2009, the Company will reduce its work force to three employees. This reduction is intended to further conserve financial resources, providing the Board of Directors additional time to evaluate strategic alternatives, including a possible sale of the Company. The three remaining employees, the Company's Chief Executive Officer, Chief Financial Officer, and Vice President and General Counsel will assist the Board of Directors in assessing and completing any possible strategic transaction. The Company estimates that it will incur a charge of approximately \$0.2 million in the first quarter of 2009 for costs related to severance and continuation of benefits.

**Item 8.01. Other Events**

On March 31, 2009, the Company issued a press release announcing that, effective March 31, 2009, the Company will reduce its work force to three employees. This reduction is intended to further conserve financial resources, providing the Board of Directors additional time to evaluate strategic alternatives, including a possible sale of the Company. The three remaining employees, the Company's Chief Executive Officer, Chief Financial Officer, and Vice President and General Counsel will assist the Board of Directors in assessing and completing any possible strategic transaction. A copy of the press release is attached as Exhibit 99.1.

Statements in this report that are not strictly historical in nature constitute forward-looking statements. Such statements include, but are not limited to, references to the Company's estimated charges resulting from the restructuring. Such forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause TorreyPines' actual results to be materially different from historical results or from any results expressed or implied by such forward-looking statements. TorreyPines' results may be affected by risks related to competition from other biotechnology and pharmaceutical companies, its effectiveness at managing its financial resources, its ability to successfully develop and market products, difficulties or delays in its pre-clinical studies or clinical trials, difficulties or delays in manufacturing its clinical trial materials, the scope and validity of patent protection for its products, regulatory developments involving future products and its ability to obtain additional funding to support its operations. Risk factors that may cause actual results to differ are more fully discussed in TorreyPines' SEC filings, including TorreyPines' Form 10-K for the year ended December 31, 2008. All forward-looking statements are qualified in their entirety by this cautionary statement. TorreyPines is providing this information as of this date and does not undertake any obligation to update any forward-looking statements contained in this report as a result of new information, future events or otherwise.
