RISK FACTORS

You should consider the Risk Factors included under Item 1A. to our Annual Report on Form 10-K for the fiscal year ended December 31, 2008, which is incorporated by reference in this prospectus. The market or trading price of our securities could decline due to any of these risks. In addition, please read Information Regarding Forward-Looking Statements in this prospectus, where we describe additional uncertainties associated with our business and the forward-looking statements included or incorporated by reference in this prospectus. Please note that additional risks not presently known to us or that we currently deem immaterial may also impair our business and operations.

INFORMATION REGARDING FORWARD-LOOKING STATEMENTS

Some of the statements included in this prospectus and the other public filings incorporated by reference herein constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act) and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act). Forward-looking statements are statements of expectations, beliefs, plans, objectives, assumptions or future events or performance. Words or phrases such as may, will, could, anticipate, believe, should, estimate, expect, plan, predict, project, will likely result, will continue, or similar expressions identify forward-looking statements.

Forward-looking statements are not guarantees of future performance and involve risks and uncertainties that could cause actual results or outcomes to differ materially from those expressed. Our expectations, beliefs and projections are expressed in good faith and are believed by us to have a reasonable basis including, without limitation, management's examination of historical operating trends, data contained in records and other data available from third parties, but there can be no assurance that our expectations, beliefs or projections will be achieved or accomplished. In addition to other factors and matters discussed elsewhere in this prospectus or incorporated by reference, some important factors that could cause our actual results or outcomes to differ materially from those discussed in forward-looking statements include:

metals prices and price volatility;

volatility of metals production and costs;

variance in ore grades;

our ability to obtain financing for working capital, construction costs and the repayment of any future maturing debt;

compliance with the terms and conditions of existing or future financings;

mining risks and hazards;

risks inherent in foreign exploration activities and operations;

remediation, reclamation, and environmental costs;

the results or settlements of pending litigation;

cash flow;

currency fluctuations and currency exchange regulations;

new federal, state and local laws that could have adverse effects on operating results;

legal and regulatory proceedings and issues;

the impact of any acquisitions or dispositions of operations, assets, entities, or mining properties; and

employee workforce factors, including strikes, work stoppages and the loss of key executives.

Any forward-looking statement speaks only as of the date on which such statement is made, and, except as required by law, we undertake no obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of unanticipated events. New factors emerge from time to time and it is not possible for management to predict all such factors, nor can it assess the impact of any such factor on the business or the extent to which any factor, or combination of factors, may cause results to differ materially from those contained in any forward-looking statement.

USE OF PROCEEDS

To the extent Series 4 warrants are exercised on a cashless basis, we will receive no proceeds. To the extent the warrants are exercised for cash, we will receive the exercise price for those warrants. Otherwise, the net proceeds from any disposition of the shares covered hereby will be received by the Selling Stockholders. We will not receive any of the proceeds from the sale by the Selling Stockholders of the common stock offered by this prospectus. If all of the warrants covered by this prospectus are exercised in full for cash, we will receive proceeds of approximately \$45 million.

We intend to use any net proceeds from the exercise of the warrants to repay indebtedness under our term loan facility at least to the extent required by the facility if it remains outstanding at the time of such exercise, and to use the remainder for working capital and general corporate purposes. Our term loan facility requires that 75% of the net proceeds of the exercise of our warrants covered by this prospectus be used to reduce indebtedness outstanding under our term loan facility.

The warrants covered by this prospectus are Series 4 warrants we issued on June 4, 2009, when we closed a private placement offering of 17,391,302 shares of common stock and Series 4 warrants to purchase 12,173,913 shares of our common stock. The securities were issued in the form of units (Units), with each Unit consisting of one share of our common stock and seven-tenths of a Series 4 common stock purchase warrant. The Units were sold at a price of \$3.45 per Unit. Each whole warrant is exercisable for a share of our common stock at a price of \$3.68 per share beginning on or about December 7, 2009 (the Initial Exercise Date) and during the 181 day period following the Initial Exercise Date, except as such period may be extended by reason of the unavailability of the registration statement of which this prospectus is a part. See discussion of the Registration Rights Agreement below. Rodman & Renshaw, LLC (Rodman) acted as the placement agent for the private placement offering.

More information concerning the offering of Units can be obtained from our Current Report on Form 8-K filed with the SEC on June 8, 2009, which is incorporated by reference in this prospectus. Please refer to Where You Can Find More Information below for directions on obtaining the document.

Pursuant to the securities purchase agreement (Securities Purchase Agreement), we sold the Units to the Selling Stockholders for aggregate gross proceeds of approximately \$60,000,000 (the Placement). As the Placement Agent for the Placement, Rodman received a cash fee of four percent (4%) of the gross proceeds (\$2,400,000). As part of the Placement, we also entered into a registration rights agreement with the Selling Stockholders (the Registration Rights Agreement), pursuant to which we are required to use our commercially reasonable efforts to file a registration statement with the SEC and to maintain its effectiveness for a period of time, with respect to resales of the shares of common stock and the common stock underlying the warrants we sold in the Placement. This prospectus is part of the registration statement filed in satisfaction of our obligations under the Securities Purchase Agreement and the Registration Rights Agreement, each of which is included as an exhibit to our Current Report on Form 8-K filed with the SEC on June 8, 2009, which is incorporated by reference in this prospectus. Please refer to Where You Can Find More Information below for directions on obtaining those documents.

Table of Contents**SELLING STOCKHOLDERS**

We have prepared this prospectus, in part, to facilitate the sale by the Selling Stockholders, from time to time, of up to 29,565,215 shares of our common stock (including 12,173,913 shares of common stock which they may acquire upon the exercise of Series 4 warrants).

All of the common stock offered by this prospectus may be offered by the Selling Stockholders for their own accounts. We would not receive any proceeds from any such sale of these shares. To the extent any of the Series 4 warrants are exercised for cash, if at all, we will receive the exercise price for those warrants.

December 2008 Registered Direct Sale of Common Stock and Series 1 and Series 2 Warrants

On December 11, 2008, pursuant to a Securities Purchase Agreement dated December 10, 2008, we sold to those Selling Stockholders identified in a footnote to the table below, approximately 10,244,000 shares of our common stock, priced at \$2.05 per share, along with Series 1 warrants to purchase up to 7,682,927 shares of our common stock at an exercise price of \$2.45 per share and Series 2 warrants to purchase up to 7,682,927 shares of our common stock at an exercise price of \$2.35 per share. The Series 2 warrants expired unexercised on February 28, 2009. The Series 1 warrants were exercisable beginning on June 9, 2009 and expire on or about June 9, 2014. Rodman acted as our placement agent for the offering, and received a placement fee equal to \$945,000 as well as Series 1 warrants to purchase 460,976 shares of our common stock at an exercise price of \$2.56 per share. The shares of our common stock and the Series 1 and Series 2 warrants were offered and sold under a base prospectus dated as of September 7, 2007, as supplemented by a prospectus supplement filed with the SEC on December 10, 2008.

Security Holdings of Selling Stockholders

The following table sets forth information with respect to our common stock known to us to be beneficially owned by the Selling Stockholders as of August 11, 2009, including shares obtainable under Series 4 warrants, and being offered under this prospectus. To our knowledge, except as otherwise disclosed herein, each of the Selling Stockholders has sole voting and investment power over the common stock listed in the table below. Except as otherwise disclosed herein (including the documents incorporated herein by reference), no Selling Stockholder has had a material relationship with us during the three years immediately preceding this offering, other than as an owner of our common stock or other securities. We are not able to estimate the amount of shares that will be held by each Selling Stockholder after the completion of this offering because each Selling Stockholder may offer all or some of its shares, and, except as indicated in the following table, there currently are no agreements, arrangements, or understandings with respect to the sale of any of the shares. The following table assumes that all of the shares being registered pursuant to this prospectus, including shares issuable upon exercise of the Series 4 warrants, will be sold in the offering.

PLAN OF DISTRIBUTION

Exercise of the Warrants

Holders of the Series 4 warrants may exercise their respective warrants to purchase shares of our common stock on or before the applicable expiration date by delivering to us (i) notice of exercise, appropriately completed and duly signed, and (ii) if such holder is not utilizing the cashless exercise provisions with respect to the warrants, payment of the exercise price for the number of shares with respect to which the warrant is being exercised. Warrants may be exercised in whole or in part, but only for full shares of common stock, and any portion of a warrant not exercised prior to the expiration date shall be and become void and of no value.

In addition, the holders of the warrants may make a cashless exercise if, at any time after the six month anniversary of the date of the issuance of the Series 4 warrants, there is no effective registration statement registering, or no current prospectus available for, the issuance or resale of the shares of common stock underlying the warrants. This means the holders of the warrants would receive fewer shares of common stock without paying the cash exercise price. The number of shares to be issued would be determined by a formula based on the total number of shares with respect to which the warrant is being exercised, the volume weighted average of the prices per share of our common stock on the trading date immediately prior to the date of exercise and the applicable exercise price of the warrants.

The shares of common stock issuable on exercise of the warrants will be, when issued and paid for in accordance with the respective warrants, duly and validly authorized, issued and fully paid and non-assessable. We will authorize and reserve at least that number of shares of common stock equal to the number of shares of common stock issuable upon exercise of all outstanding Warrants.

As discussed above in Use of Proceeds, each warrant is exercisable on or after the Initial Exercise Date and during the 181 day period following the Initial Exercise Date. However, if we are not current with the public information requirements set forth in Rule 144 under the Securities Act at any time that is required in order for the Selling Stockholders to sell our common stock under Rule 144, then for each trading day that such failure occurs the exercise period shall be extended by one additional trading day.

Resales

Each Selling Stockholder of our common stock and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their shares of common stock covered hereby on the New York Stock Exchange or any other stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or negotiated prices. A Selling Stockholder may use any one or more of the following methods when selling shares:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

settlement of short sales entered into after the effective date of the registration statement of which this prospectus is a part;

in transactions through broker-dealers that agree with the Selling Stockholders to sell a specified number of such shares at a stipulated price per share;

through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;

a combination of any such methods of sale; or

any other method permitted pursuant to applicable law.

The Selling Stockholders may also sell shares under Rule 144, if available, rather than under this prospectus.

Broker-dealers engaged by the Selling Stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this Prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with FINRA IM-2440.

In connection with the sale of the common stock or interests therein, the Selling Stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The Selling Stockholders may also sell shares of the common stock short and deliver these securities to close out their short positions or to return borrowed shares in connection with such short sales, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The Selling Stockholders may also enter into option or other transactions with broker-dealers or other financial institutions

Edgar Filing: HECLA MINING CO/DE/ - Form S-1/A

or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The Selling Stockholders and any broker-dealers or agents that are involved in selling the shares may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Each Selling Stockholder has informed us that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the common stock. In no event shall any broker-dealer receive fees, commissions and markups which, in the aggregate, would exceed eight percent (8%).

We are required to pay certain fees and expenses incurred by us incident to the registration of the shares. We have agreed to indemnify the Selling Stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

The Selling Stockholders will be subject to the prospectus delivery requirements of the Securities Act including Rule 172 thereunder unless an exemption therefrom is available.

The Selling Stockholders have advised us that there is no underwriter or coordinating broker acting in connection with the proposed sale of the resale shares by the Selling Stockholders.

We agreed to keep this prospectus effective until the earlier of (i) the date on which the shares may be resold by the Selling Stockholders without registration and without regard to any volume or manner-of-sale limitations by reason of Rule 144 and without the requirement for us to be in compliance with the current public information under Rule 144 or any other rule of similar effect or (ii) all of the shares have been sold pursuant to this prospectus or Rule 144 or any other rule of similar effect. Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale shares may not simultaneously engage in market making activities with respect to the common stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the Selling Stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of shares of the common stock by the Selling Stockholders or any other person. We will make copies of this prospectus available to the Selling Stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

There can be no assurance that any selling stockholder will sell any or all of the shares of common stock registered pursuant to the registration statement, of which this prospectus forms a part.

ITEM 14. INDEMNIFICATION OF DIRECTORS AND OFFICERS

We are organized under the Delaware General Corporation Law (DGCL) which empowers Delaware corporations to indemnify any director or officer, or former director or officer, who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director or officer of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement, actually and reasonably incurred in connection with such action, suit or proceeding, provided that such director or officer acted in good faith in a manner reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, provided further that such director or officer has no reasonable cause to believe his conduct was unlawful.

The DGCL also empowers Delaware corporations to provide similar indemnity to any director or officer, or former director or officer, for expenses, including attorneys' fees, actually and reasonably incurred by the person in connection with the defense or settlement of actions or suits by or in the right of the corporation if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the interests of the corporation, except in respect of any claim, issue or matter as to which such director or officer shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all of the circumstances of the case, such director or officer is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

The DGCL further provides that (i) to the extent a present or former director or officer of a corporation has been successful in the defense of any action, suit or proceeding described above or in the defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person, in connection therewith; and (ii) indemnification and advancement of expenses provided for, by, or granted pursuant to, the DGCL shall not be deemed exclusive of any other rights to which the indemnified party may be entitled.

The DGCL permits a Delaware corporation to purchase and maintain on behalf of any director or officer, insurance against liabilities incurred in such capacities. The DGCL also permits a corporation to pay expenses incurred by a director or officer in advance of the final disposition of an action, suit or proceeding, upon receipt of an undertaking by the director or officer to repay such amount if it is determined that such person is not entitled to indemnification.

The DGCL further permits a corporation, in its original certificate of incorporation or an amendment thereto, to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for violations of the director's fiduciary duty except: (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

Table of Contents

Our certificate of incorporation, as amended, eliminates the personal liability of directors to us or our stockholders for monetary damages for breach of fiduciary duty to the extent permitted by Delaware law. Our certificate of incorporation, as amended, and by-laws, as amended, provide that we will indemnify our officers and directors to the fullest extent permitted by Delaware law.

In addition, we have entered into an Indemnification Agreement with each of our officers and directors, which states that if the officer or director that is a party to the agreement was, is, or becomes a party to or witness or other participant in, or is threatened to be made a party to, or witness or other participant in, any threatened, pending, or completed action, suit, or proceeding or any inquiry or investigation, whether conducted by us or any other party, by reason of (or arising in part out of) any event or occurrence related to the fact that the officer or director is or was our director, officer, employee, agent, or fiduciary or is or was serving at our request as a director, officer, employee, trustee, agent, or fiduciary of another corporation, partnership, joint venture, employee benefit plan, trust, or other enterprise or by reason of anything done or not done by the officer or director that is a party to the agreement in any such capacity, we shall indemnify such officer or director to the fullest extent permitted by law and New York Stock Exchange requirements against any and all attorneys' fees and all other costs, expenses, and obligations paid or incurred in connection with investigating, defending, being a witness in, or participating in any claim described above, and judgments, fines, penalties, and amounts paid in settlement of any claim described above, provided that a member or members of our board of directors has not concluded upon review of the claim that the director or officer party to the agreement would not be permitted to be indemnified under applicable law. Prior to our change in control, as defined in the agreement, the director or officer who is a party to the agreement will not be entitled to indemnification in connection with any claim described above by such officer or director against us or any of our other directors or officers except under certain circumstances. In the event of a change in control, as defined in the agreement, other than a change in control which has been approved by a majority of our board of directors who were directors immediately prior to such change in control, then with respect to all matters thereafter arising concerning the rights of the director or officer party to the agreement to indemnity payments, we are required to seek legal advice only from special, independent counsel selected by such officer or director and approved by us.

The foregoing statements are subject to the detailed provisions of the DGCL and our certificate of incorporation, as amended and our bylaws, as amended.
