Dear Stockholder:

You are probably aware that Steel Partners II, L.P., Steel Partners Holdings L.P., Steel Partners LLC, Steel Partners II GP LLC, Warren G. Lichtenstein, Jack L. Howard and John J. Quick (collectively, the Steel Group) have commenced a process to: (i) repeal all bylaw changes made to the Company s bylaws since May 6, 2009; (ii) remove without cause two of the directors on the Board of Directors that you previously elected; and (iii) amend Adaptec, Inc. s Amended and Restated Bylaws (the Bylaws) to reduce the number of directors serving on the Board of Directors, or the Board, of Adaptec, Inc., or the Company, to seven (7). The Steel Group proposes to do this by soliciting your consent to three proposals, each of which is described in this Consent Revocation Statement.

In light of the inherent conflicts involved in responding to the Steel Group Consent Solicitation because of the involvement of the Steel Group on our Board, the Board delegated to the Governance and Nominating Committee, or the Committee, the authority to respond to the Steel Group s Consent Solicitation. If the Steel Group s proposals are adopted, Messrs. Howard and Quicke together with John Mutch, an Adaptec director designated at the request of Steel Partners II, L.P., would give a minority stockholder disproportionate representation on the Board and control of the Company. The Committee, on behalf of the Board, believes that the Steel Group s proposals are intended to reduce the number and influence of unaffiliated independent directors, divert the Company from the continued execution of its business strategy and pursue activities which are not in the best interests of all stockholders.

We believe, for the reasons stated above and described in greater detail in the enclosed document, that the Steel Group s actions are not in the best interests of Adaptec s stockholders. We are committed to acting in the best interests of all of the Company s stockholders. For the reasons stated above and described in greater detail in the enclosed document, we believe that you should oppose the proposals sought by the Steel Group and allow our current Board of Directors and management an opportunity to put into action and achieve the goals set forth in its proposed business plan. Accordingly, we strongly urge you to reject the Steel Group s efforts to disproportionately influence your Board and your Company.

We strongly urge you to reject the Steel Group s proposals. You can reject the Steel Group s proposals in four ways. First, do NOT sign the Steel Group s WHITE consent card. Second, if you have already signed, marked the Consent box(s) and submitted to the Steel Group or MacKenzie Partners, Inc. a WHITE consent card, you may revoke that consent by signing, dating and mailing the enclosed **GOLD** Consent Revocation Card immediately. Third, you may sign, mark the WITHHOLD CONSENT box for each proposal on the Steel Group s WHITE consent card, and submit the WHITE consent card. Finally, if you have not signed the Steel Group s consent card, you can show your support for current management by signing, dating and mailing the enclosed **GOLD** Consent Revocation Card. **REGARDLESS OF THE NUMBER OF SHARES YOU OWN, YOUR REVOCATION OF CONSENT IS IMPORTANT. PLEASE ACT TODAY.** Thank you for your support.

Very truly yours,

CONSENT REVOCATION STATEMENT

BY THE GOVERNANCE AND NOMINATING COMMITTEE OF THE BOARD OF DIRECTORS OF

ADAPTEC, INC. IN OPPOSITION TO

A CONSENT SOLICITATION BY STEEL PARTNERS II, L.P., STEEL PARTNERS HOLDINGS L.P.,

STEEL PARTNERS LLC, STEEL PARTNERS II GP LLC,

WARREN G. LICHTENSTEIN, JACK L. HOWARD AND JOHN J. QUICKE

This Consent Revocation Statement is furnished by the Governance and Nominating Committee, or the Committee, of the Board of Directors, or the Board, of Adaptec, Inc., a Delaware corporation (Adaptec or the Company), to the holders of outstanding shares of the Company s common stock, par value \$0.001 per share in connection with the Committee s opposition to the solicitation of written stockholder consents by Steel Partners II, L.P., Steel Partners Holdings L.P., Steel Partners LLC, Steel Partners II GP LLC, Warren G. Lichtenstein, Jack L. Howard and John J. Quicke, or the Steel Group, which collectively held approximately 10.11% of the outstanding common stock of the Company as of September 3, 2009. Warren G. Lichtenstein is the manager of Steel Partners LLC and the managing member of Steel Partners II GP LLC. Jack L. Howard is the president of Steel Partners LLC. John J. Quicke serves as a managing director and operating partner of Steel Partners LLC. Messrs. Howard and Quicke also serve as directors of Adaptec.

On September 4, 2009, the Steel Group publicly announced their intent to remove two members of the Board without input from the Committee. If the Steel Group s proposals are adopted, Messrs. Howard and Quicke together with John Mutch, an Adaptec director designated at the request of Steel Partners II, L.P. (collectively the Steel Directors), would give a minority stockholder disproportionate representation on the Board and control of the Company.

The Steel Group would like you to believe that the Steel Directors would be able to oversee the Company s business and pursue the best interests of the Company s stockholders free from conflicts of interest. However, the Committee believes that the Company s stockholders should have serious concerns about whether the interests and goals of the Steel Group, a minority stockholder, may diverge significantly from the interests and goals of the entire group of Adaptec stockholders as a whole. This concern may be compounded by the failure of the Steel Group to provide a clear and concrete path as to how the Steel Group intends to realize value for your investment in the Company.

The Committee opposes the solicitation by the Steel Group. The Committee is committed to acting in the best interests of all of the Company s stockholders.

Our Board of Directors has delegated to our Governance and Nominating Committee authority with respect to the Steel Consent and related matters.

This Consent Revocation Statement and the enclosed GOLD Consent Revocation Card are first being mailed to stockholders on or about September , 2009.

THE COMMITTEE URGES YOU NOT TO SIGN ANY WHITE CONSENT CARD SENT TO YOU BY THE STEEL GROUP, BUT INSTEAD TO SIGN AND RETURN THE GOLD CARD INCLUDED WITH THESE MATERIALS.

Edgar Filing: ADAPTEC INC - Form PRER14A

If you have previously signed and returned the white consent card, you have every right to change your mind and revoke your consent. Whether or not you have signed the white consent card, we urge you to mark the **YES, REVOKE MY CONSENT** boxes on the enclosed GOLD Consent Revocation Card and to sign, date and mail the card in the postage-paid envelope provided. Although submitting a consent revocation will not have any legal effect if you have not previously submitted a consent card, it will help us to keep track of the progress of the consent process. Regardless of the number of shares you own, your consent revocation is important. Please act today.

If your shares are held in street name, only your broker or your banker can act with respect to your shares. Please contact the person responsible for your account and instruct him or her to submit a GOLD Consent Revocation Card on your behalf today.

In accordance with Delaware law and the Company's Bylaws, since the first signed written consent was delivered on September 3, 2009, and the Board did not set a record date, September 3, 2009 is the record date (the Record Date) for the determination of the Company's stockholders who are entitled to execute, withhold or revoke consents relating to the Steel Group's Consent Solicitation. Only stockholders of record as of the close of business on September 3, 2009 may execute, withhold or revoke consents with respect to the Steel Group's Consent Solicitation.

If you have any questions about giving your consent revocation or require assistance, please contact:

FORWARD LOOKING STATEMENTS

This Consent Revocation Statement contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. The Company has tried to identify such forward-looking statements by use of such words as expects, intends, hopes, anticipates, believes, could, may, evidences and estimates, and other similar expressions, but these words are not intended as exclusive means of identifying such statements. Such statements include risks detailed from time to time in filings the Company makes with the Securities and Exchange Commission (Commission), including our annual reports on Form 10-K and our quarterly reports on Form 10-Q.

DESCRIPTION OF THE STEEL GROUP S CONSENT SOLICITATION

As set forth in its consent solicitation materials filed with the Commission by the Steel Group, or the Steel Group s Consent Solicitation, the Steel Group is seeking your consent for the following proposals:

- (1) to repeal any provision of the Company s Amended and Restated Bylaws (the Bylaws) in effect at the time this proposal becomes effective that was not included in the Bylaws that became effective on May 6, 2009 and were filed with the Commission on May 12, 2009, or the Bylaw Proposal;
- (2) to remove without cause Subramanian Sundi Sundaresh and Robert J. Loarie as directors of the Company and any other person or persons elected or appointed to the Board of Directors of the Company prior to the effective date of this proposal, or the Removal Proposal; and
- (3) to amend section 2.1 of the Bylaws to fix the number of directors serving on the Board of Directors of the Company at seven (7), or the Board Size Proposal.

The Committee believes that the principal purpose for the Steel Group s proposal is to enable the Steel Group, a minority stockholder, to have disproportionate representation on the Board of Directors and control of the Company and to enable the Steel Group to obtain disproportionate control over the actions, strategy and direction of your Company. The Committee believes that the Removal Proposal and the Board Size Proposal, taken together, are designed to enable the Steel Group to reduce the number and influence of unaffiliated independent directors. The Bylaw Proposal is designed to nullify unspecified provisions of the Company s Bylaws which may be adopted by the Board in its efforts to act in and protect the best interests of the Company and its stockholders. As of the date of this Consent Revocation Statement, the Bylaw Proposal would have the effect of repealing the bylaw amendment approved by the Board of Directors on September 18, 2009 (including Jack Howard, one of the Steel Group s designees) to reduce the size of the board to seven members. In addition, the Committee notes that the Company s 2009 Annual Meeting of Stockholders is presently scheduled for November 10, 2009 and the stockholders will be able to vote for or against the slate of directors (which includes Jack Howard, a Steel Partners designee) the Board of Directors has nominated for consideration by the Company s stockholders.

BACKGROUND OF THE CONSENT SOLICITATION

Steel Partners II, L.P., or Steel Partners II, our largest stockholder, beneficially owned approximately 10.11% of our common stock as of September 3, 2009.

In August 2007, Steel Partners LLC, or Steel Partners, and Steel Partners II launched an election contest to put five directors on the Board.

On October 26, 2007, we entered into a Settlement Agreement, or the Settlement Agreement, with Steel Partners and Steel Partners II (collectively Steel), to end the election contest that was to occur at our 2007 Annual Meeting of Stockholders.

Pursuant to the Settlement Agreement, we agreed:

To increase the size of our Board from eight to nine members prior to the 2007 Annual Meeting of Stockholders;

That Judith M. O'Brien and Charles J. Robel would not stand for re-election at the 2007 Annual Meeting of Stockholders;

To nominate, recommend, support and solicit proxies for each of Jack L. Howard, John J. Quicke and John Mutch, the Steel Nominees, for election to our Board of Directors at the 2007 Annual Meeting of Stockholders;

Following the election of the Steel Nominees to our Board of Directors at the 2007 Annual Meeting of Stockholders to appoint John Mutch to our Audit Committee, John J. Quicke to our Compensation Committee and Jack L. Howard to our Governance and Nominating Committee;

In the event of a vacancy of a Steel Nominee prior to our 2008 Annual Meeting of Stockholders, to allow Steel Partners to designate another person to our Board of Directors to fill the vacancy;

To appoint a Steel Nominee to any committee of our board of directors, if established in the future;

That during the period from the date of the 2007 Annual Meeting of Stockholders to the date of our 2008 Annual Meeting of Stockholders, the size of our Board of Directors would not exceed nine members;

That during the period from October 26, 2007 to immediately following the 2007 Annual Meeting of Stockholders, we would not enter into any binding agreement or arrangement related to any acquisition or purchase of assets or a business that constitutes 20% or more of our net revenues, net income or assets, or 20% or more of any class or series of our securities, unless either (1) the binding agreement or arrangement requires us to obtain the approval of our stockholders to complete the transaction or (2) Steel Partners provides its prior written approval of such transaction;

That following the 2007 Annual Meeting of Stockholders, we and the Steel Nominees would review our business, financial condition, results of operations and outlook and will use commercially reasonable efforts to develop a set of mutually agreeable goals for improving our performance. After we agreed upon these goals, we and the Steel Nominees would use commercially reasonable efforts to engage as soon as reasonably practicable, but no later than 60 days after developing the mutually agreed upon goals, a third-party consultant to assist us in making recommendations to achieve these goals; and

To reimburse Steel up to \$50,000 for expenses that it incurred in connection with its activities relating to the 2007 Annual Meeting of Stockholders, including the Settlement Agreement.

Pursuant to the Settlement Agreement, Steel agreed:

To be present at the 2007 Annual Meeting of Stockholders and to vote all of the shares of our common stock that it beneficially owned at the 2007 Annual Meeting of Stockholders in favor of the election of each of our incumbent directors; and

To refrain from taking certain actions during the period beginning on October 26, 2007 and ending immediately following the 2007 Annual Meeting of Stockholders, including: taking certain actions with respect to tender or exchange offers, business combination transactions and election contests; selling the shares of our common stock that it beneficially owns; and seeking to amend our certificate of incorporation or bylaws.

In December 2007, we held our 2007 Annual Meeting of Stockholders, at which time our stockholders elected nine directors to our Board of Directors, including each of the Steel Nominees. The Settlement Agreement terminated immediately following the 2007 Annual Meeting of Stockholders, except as to specific provisions as set forth in the Settlement Agreement, which provisions did not include any continued right of Steel to designate members of our Board.

Edgar Filing: ADAPTEC INC - Form PRER14A

In meetings of the Board on August 26-27 and September 4, 2009, the Board through proper and valid actions replaced Mr. Howard as chairman of the Board and appointed Joseph S. Kennedy, an independent

director with significant technology experience, as chairman of the Board. Due to Mr. Howard's inexperience in the technology arena and in light of the challenges facing the Company and management in this period of continued economic uncertainty, the Board believed additional oversight was warranted to help management's pursuit and execution of the most effective strategy for the Company and its stockholders. Mr. Kennedy will collaborate with and assist management, on behalf of the Board, in connection with development of the Company's financial and operating plan and the Company's strategic and product plans. Mr. Kennedy's role is consultative and advisory and on behalf of the Board in its oversight role, not executive.

On September 3, 2009, we received a letter from the Steel Group that it would seek stockholder consents for certain proposals if the Board did not waive certain advance notice provisions of the Bylaws related to nominations for the Company's 2009 Annual Meeting of Stockholders and agree that any acquisition by the Company for a purchase price in excess of \$100 million could not proceed without first obtaining stockholder approval. On September 3, 2009, we received a signed written consent from Steel Partners II dated September 3, 2009, consenting to the Bylaw Proposal, Removal Proposal and Board Size Proposal. In addition, on September 3, 2009, in connection with the delivery of the written consent by Steel Partners we received a request from Steel Partners II that the Board fix a record date for the purpose of determining the stockholders of the Company entitled to consent to the Bylaw Proposal, Removal Proposal and Board Size Proposal.

On September 4, 2009, the Steel Group commenced a process to solicit written consents, asking stockholders to consent to the Bylaw Proposal, Removal Proposal and Board Size Proposal. If successful, the Steel Group will be able to exert disproportionate influence over and potentially control the actions, strategy, and direction of your Company.

We have made repeated attempts to negotiate a settlement with the Steel Group pursuant to which the Steel Group would withdraw the consent solicitation, however, we have been unable to achieve a mutually agreeable resolution to the Steel Group's demands. Specifically, from September 9, 2009, through September 22, 2009, Mr. Kennedy and Douglas E. Van Houweling, on behalf of the Governance and Nominating Committee, had multiple telephone conversations with the Steel Group, including Mr. Howard and Warren G. Lichtenstein, to discuss a settlement of this consent solicitation process, but were not able to achieve a mutually agreeable resolution. During the telephone conversations we also proposed a mutually acceptable group of seven nominees to the Board of Directors for the 2009 Annual Meeting of Stockholders as well as the creation of a special committee of the Board of Directors to evaluate the future strategy of the Company. Under the proposal, the Steel Group consent solicitation would be withdrawn and the election of directors at the 2009 Annual Meeting of Stockholders would not be contested by the Steel Group. This proposal has not been acceptable to the Steel Group. During the course of these negotiations, on September 12, 2009, we also made two different proposals in the form of draft settlement agreements. One alternative included: an amendment to the advance notice provision in our Bylaws to allow the Steel Group to make director nominations for our 2009 Annual Meeting of Stockholders; a standstill provision that would enable the Company to conduct its business for 18 months without further interference by actions of the Steel Group (such as another consent solicitation, tender offer or similar actions); and an agreement by the Steel Group to terminate the consent solicitation process. The other alternative included proposed nominations for directors for the 2009 Annual Meeting of Stockholders which the Steel Group would be required to vote for, two non-binding advisory proposals that the Company would include in its proxy statement for the 2009 Annual Meeting of Stockholders regarding the Company undertaking a process of liquidation and adopting a new business plan or the Company continuing to evaluate the strategic direction for the Company in the technology sector, the same standstill provision as included in the first alternative, and an agreement by the Steel Group to terminate the consent solicitation process. The Steel Group initially rejected both alternatives but then on September 14, 2009, sent us revisions to the draft settlement agreement for the first alternative which, among other things, substantially diluted the standstill provision, as well as included a provision that we would reimburse them for their consent solicitation expenses up to \$500,000 and limit the Company's expenses to this amount. On September 15, 2009, we sent a revised draft settlement agreement for alternative one which, among other things, removed the amendment to the Bylaw advance notice provision but provided a waiver for the Steel Group to submit its own slate of directors for election at the 2009 Annual

Meeting of Stockholders, strengthened the standstill provision and deleted the expense reimbursement provision the Steel Group had inserted. In addition, in an effort to allow stockholders to focus on the strategic differences of the views of the Company and the Steel Group rather than being distracted by personal attacks and unsupported accusations, the Company's revised draft settlement agreement included a mutual provision similar to what had been included in earlier versions of the Company's draft settlement agreements whereby the parties agreed not to disparage individuals involved on behalf of the Company or the Steel Group and an acknowledgement that to the knowledge of each party neither the other party, nor the individuals related thereto, had violated any applicable laws, policies, documents or duties. No further draft agreements were exchanged and no settlement was agreed to by the parties.

REASONS TO REJECT THE STEEL GROUP'S CONSENT SOLICITATION PROPOSALS

THE COMMITTEE STRONGLY BELIEVES THAT THE CONSENT SOLICITATION CURRENTLY UNDERTAKEN BY THE STEEL GROUP IS NOT IN THE BEST INTERESTS OF THE COMPANY OR ITS STOCKHOLDERS.

The Committee believes that the proposals of the Steel Group are not in the best interests of the Company or its stockholders. The Bylaw Proposal is designed to nullify an action taken by the Board of Directors on September 18, 2009 (including Jack Howard, one of the Steel Group's designees) to reduce the size of the board to seven members (an identical action to Steel's Board Size Reduction Proposal) as well as unspecified provisions of the Company's Bylaws which may be adopted by the Board in its efforts to act in the best interests of the Company and its stockholders. As of the date of this Consent Revocation Statement, the Bylaw Proposal would have the effect of repealing the bylaw amendment approved by the Board of Directors on September 18, 2009 (including Jack Howard, one of the Steel Group's designees) to reduce the size of the board to seven members. In addition, the Committee notes that the Company's 2009 Annual Meeting of Stockholders is presently scheduled for November 10, 2009 and the stockholders will be able to vote for or against the slate of directors (which includes Jack Howard, a Steel Partners' designee) the Board of Directors has nominated for consideration by the Company's stockholders.

The Board Size Reduction Proposal is contingent upon the approval of the Removal Proposal. If the Removal Proposal is not approved, or is only partially approved (only one of Messrs. Sundaresh or Loarie is removed), then the Board Size Reduction Proposal will not be effected and the Board will continue to have nine members. Because the Committee does not believe the Removal Proposal is in the best interests of the Company or the stockholders for the reasons set forth below and the Board Size Reduction Proposal is contingent on the Removal Proposal, the Committee does not believe the Board Size Reduction Proposal is in the best interests of the Company or the stockholders.

The Committee believes you should not consent to the Removal Proposal or the Board Size Reduction Proposal for several reasons:

The Steel Group Consent Solicitation is an attempt to remove two directors who are acting in the best interests of Adaptec stockholders.

If you do as Steel Group requests, two of your duly elected directors, including the Company's Chief Executive Officer, would be removed and the Steel Directors would then have disproportionate representation on the Board. The Board is predominantly composed of independent and disinterested directors who are committed to enhancing the Company's value for all of its stockholders. Our Chief Executive Officer, Subramanian Sundi Sundaresh, is a member of our Board of Directors. Each of our current non-employee directors, Jon S. Castor, Jack L. Howard, Joseph S. Kennedy, Robert J. Loarie, John Mutch, John J. Quicke, Lawrence J. Ruisi and Douglas E. Van Houweling qualifies as independent in accordance with the rules of The NASDAQ Stock Market. The Committee believes that the interests of Adaptec's stockholders will be best served if the Company's current directors decide what action is in the best interests of the Company's stockholders and to act upon that decision.

The Committee Believes That It Is Not In The Best Interests of Stockholders for the Steel Directors to Have Disproportionate Representation on the Board.

The Steel Group is asking you to consent to the removal of two directors without cause, Messrs. Sundaresh (our Chief Executive Officer) and Loarie. If the Steel Group's proposals are adopted, the Steel Directors, who are designated by a minority stockholder, would have a disproportionate influence on the Board. In return however, you are not being given a clear and concrete path as to how the Steel Group intends to realize value for your investment in the Company. Instead, the Steel Group provides only general statements regarding stockholder oversight and various aspects of the Company's operating and strategic plans. The Committee believes that it is not in the best interests of all stockholders to give a minority stockholder disproportionate influence over the Board and the Company as Steel Partners II, L.P. and its affiliates owned only 10.11% of our outstanding common stock as of September 3, 2009, and may have different interests from, and in conflict with, the best interests of all of the Company's stockholders. We want to emphasize that your Board, however, is firmly committed to acting in the best interests of the Company and all of its stockholders.

Your Board Has and Will Continue to Act in the Best Interests of the Company and All of its Stockholders

Your Board has acted and will continue to act in the best interests of all of the Company's stockholders. The Company has not taken the traditional steps that many public companies take to disable hostile takeovers and consent solicitations, such as implementing a staggered board of directors, prohibiting stockholder action by written consent or prohibiting the removal of directors without cause, precisely because the Company values input from its stockholders. Since September 3, 2009, when the Steel Group told the Company of its intention to commence the consent solicitation, the Board, or the Committee, has met multiple times to discuss the Steel Group Consent Solicitation, the Company's future and what is in the best interests of the Company's stockholders. In determining that the Removal Proposal and Board Size Reduction Proposal are not in the best interests of the Company or its stockholders, the Committee considered the Steel Group's requests set forth in their letter dated September 3, 2009, the experience of and performance by the Steel Directors as well as Messrs. Loarie and Sundaresh, the financial and strategic position of the Company, the potential disproportionate representation Steel Partners II, L.P., as a minority stockholder, would have on the Board, and the timing of the initiation of the Steel Group's consent solicitation, which occurred shortly before we launched our new product, MaxiQtm, and unveiled our strategic vision for developing new and better methods for intelligently routing, optimizing and protecting data as it moves through the I/O path, called the Adaptec Data Conditioning Platform strategy, which has caused potential customers to question whether we would continue to provide these products and vision and whether they should purchase our products.

WE URGE STOCKHOLDERS TO REJECT THE STEEL GROUP'S CONSENT SOLICITATION AND TO IMMEDIATELY REVOKE ANY CONSENT PREVIOUSLY SUBMITTED.

IN ORDER TO ENSURE THAT THE EXISTING BOARD IS ABLE TO ACT IN YOUR BEST INTERESTS, PLEASE MARK, SIGN, DATE, AND RETURN THE ENCLOSED GOLD CONSENT REVOCATION CARD AS SOON AS POSSIBLE. DO NOT DELAY.

QUESTIONS AND ANSWERS ABOUT THIS CONSENT REVOCATION STATEMENT

Q: WHO IS MAKING THIS SOLICITATION?

A: The Governance and Nominating Committee of the Board of Directors, comprised of Jack L. Howard, Joseph S. Kennedy and Douglas E. Van Houweling, as well as Subramanian Sundi Sundaresh, the Company's Chief Executive officer, and Mary Dotz, the Company's Chief Financial Officer, are making this consent revocation solicitation on behalf of the Company. Mr. Howard recused himself from the decision by the Governance and Nominating Committee to make this consent revocation solicitation because of his affiliation with the Steel Group and his participation in the Steel Group Consent Solicitation.

Q: WHAT ARE WE ASKING YOU TO DO?

A: You are being asked to revoke any consent that you may have previously delivered in support of the proposals described in the Steel Group's Consent Solicitation Statement and, by doing so, retain your current Board, which will continue to act in your best interests.

Q: IF I HAVE ALREADY DELIVERED A CONSENT, IS IT TOO LATE FOR ME TO CHANGE MY MIND?

A: No. Until the requisite number of duly executed, unrevoked consents are delivered to the Company in accordance with Delaware law and the Company's organizational documents, the consents will not be effective. At any time prior to the consents becoming effective, you have the right to revoke your consent by delivering a **GOLD** Consent Revocation Card, as discussed in the following question.

Q: WHAT IS THE EFFECT OF DELIVERING A CONSENT REVOCATION CARD?

A: By marking the **YES, REVOKE MY CONSENT** boxes on the enclosed **GOLD** Consent Revocation Card and by signing, dating, and mailing the card in the postage-paid envelope provided, you will revoke any earlier dated consent that you may have delivered to the Steel Group. With respect to Proposal 2, you may revoke any earlier dated consent in whole or only with respect to one of the directors named therein. Even if you have not submitted a consent card, you may submit a Consent Revocation Card as described above. Although submitting a Consent Revocation Card will not have any legal effect if you have not previously submitted a consent card, it will help us keep track of the progress of the consent process.

Q: WHAT SHOULD I DO TO REVOKE MY CONSENT?

A: Mark the **YES, REVOKE MY CONSENT** boxes next to each proposal listed on the **GOLD** Consent Revocation Card. Then sign, date, and return the enclosed **GOLD** Consent Revocation Card today to Georgeson Inc. in the postage-paid envelope provided. It is important that you date the **GOLD** Consent Revocation Card when you sign it.

Q: WHAT HAPPENS IF I DO NOTHING?

A: If you do not return either the **GOLD** Consent Revocation Card or the white consent card you have received, you will effectively be voting **AGAINST** the Steel Group's proposals. If you previously marked, signed, dated and mailed a white consent card, and you do nothing more, then you will be voting **FOR** the Steel Group's proposals.

Q: WHAT HAPPENS IF THE STEEL GROUP'S PROPOSALS PASS?

A: If unrevoked consents representing a majority of our outstanding common stock are delivered to us by November 2, 2009, Subramanian Sundi Sundaresh and Robert J. Loarie will be removed from the Board and the Bylaws will be amended to immediately fix the number of directors serving on the Board at seven (7), which the Committee believes will give the Steel Group disproportionate influence and control over the actions, strategy, and direction of your Company.

Q: WHAT IS THE COMMITTEE'S POSITION WITH RESPECT TO THE STEEL GROUP'S PROPOSALS?

A: Your Board has delegated to the Committee the authority to make independent decisions with respect to the Steel Group's Consent Solicitation Proposals and has determined that the Steel Group's proposals are not in the best interest of the Company's stockholders and that stockholders should reject the proposals. The Committee's reasons and recommendations are contained in the section entitled "Reasons to Reject the Steel Group's Consent Solicitation Proposals."

Q: WHAT DOES THE COMMITTEE RECOMMEND?

A: The Committee strongly believes that the solicitation being undertaken by the Steel Group is not in the best interests of the Company's stockholders. The Committee, on behalf of the Board, opposes the solicitation by the Steel Group and urges stockholders to reject the solicitation and revoke any consent previously submitted.

Q: WHO IS ENTITLED TO CONSENT, WITHHOLD CONSENT OR REVOKE A PREVIOUSLY GIVEN CONSENT WITH RESPECT TO THE STEEL GROUP'S PROPOSAL?

A: Only the stockholders of record of the Company's common stock on the record date are entitled to consent, withhold consent or revoke a previously given consent with respect to the Steel Group's proposals. A record date of September 3, 2009 has been established.

Q: WHO SHOULD I CALL IF I HAVE QUESTIONS ABOUT THE SOLICITATION?

THE CONSENT PROCEDURE

BACKGROUND

In accordance with Delaware law and the Company's organizational documents, since the first signed written consent was delivered on September 3, 2009, and the Board did not set a record date, September 3, 2009 is the record date, or the Record Date, for the determination of the Company's stockholders who are entitled to execute, withhold or revoke consents relating to the Steel Group's Consent Solicitation. As of the Record Date, there were 120,522,797 shares of the Company's common stock outstanding, each entitled to one consent.

Only stockholders of record as of the close of business on the Record Date are eligible to execute, withhold or revoke consents in connection with the Steel Group's proposals. Persons beneficially owning shares of the Company's common stock (but not holders of record), such as persons whose ownership of the Company's common stock is through a broker, bank or other financial institution, should contact such broker, bank or financial institution and instruct such person to execute the **GOLD** Consent Revocation Card on their behalf to withhold or revoke their consents.

EFFECTIVENESS OF CONSENTS

Under Delaware law, unless otherwise provided in a corporation's certificate of incorporation, stockholders may act without a meeting, without prior notice and without a vote, if consents in writing setting forth the action to be taken are signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. The Company's certificate of incorporation does not prohibit stockholder action by written consent. Under Section 228 of the Delaware General Corporation Law, the Steel Group Consent Proposals will become effective if valid, unrevoked consents signed by the holders of a majority of the shares of the common stock of the Company outstanding are delivered to the Company within 60 days of the earliest-dated consent delivered to the Company.

BECAUSE THE STEEL GROUP'S PROPOSALS COULD BECOME EFFECTIVE BEFORE THE EXPIRATION OF THE 60-DAY PERIOD, WE URGE YOU TO ACT PROMPTLY TO RETURN THE **GOLD** CONSENT REVOCATION CARD AS SOON AS POSSIBLE.

EFFECT OF GOLD CONSENT REVOCATION CARD

A stockholder may revoke any previously signed consent by signing, dating, and returning to the Company a **GOLD** Consent Revocation Card. A consent may also be revoked by delivering a written revocation of your consent to the Steel Group. Stockholders are urged, however, to deliver all consent revocations to Georgeson Inc. The Company requests that if a revocation is instead delivered to the Steel Group, a copy of the revocation also be delivered to the Company, c/o Georgeson Inc., at the address or facsimile number set forth above, so that the Company will be aware of all revocations.

Unless you specify otherwise, by signing and delivering the **GOLD** Consent Revocation Card, you will be deemed to have revoked your consent to all of the Steel Group's proposals. With respect to Proposal 2, you may partially revoke your consent by checking the **YES, REVOKE MY CONSENT** box and writing in the name of the director you want to be removed from the Board on the **GOLD** Consent Revocation Card.

Any consent revocation may itself be revoked by marking, signing, dating, and delivering a written revocation of your Consent Revocation Card to the Company or to the Steel Group or by delivering to the Steel Group a subsequently dated white consent card that the Steel Group sent to you.

If any shares of common stock that you owned on the Record Date were held for you in an account with a stock brokerage firm, bank nominee or other similar street name holder, you are not entitled to vote such shares directly, but rather must give instructions to your stock brokerage firm, bank nominee or other similar street name holder to grant or revoke consent for the shares of common stock held in your name. Accordingly, you should contact the person responsible for your account and direct him or her to execute the enclosed **GOLD** Consent Revocation Card on your behalf. You are urged to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to the Company, c/o Georgeson Inc. at the address set forth above so that the Company will be aware of your instructions and can attempt to ensure such instructions are followed.

YOU HAVE THE RIGHT TO REVOKE ANY CONSENT YOU MAY HAVE PREVIOUSLY GIVEN TO THE STEEL GROUP. TO DO SO, YOU NEED ONLY SIGN, DATE, AND RETURN, IN THE ENCLOSED POSTAGE PREPAID ENVELOPE, THE **GOLD CONSENT REVOCATION CARD WITH RESPECT TO THE STEEL GROUP'S CONSENT PROPOSALS. THE CONSENT REVOCATION CARD WILL BE USED IN ACCORDANCE WITH THE BOARD'S RECOMMENDATION TO REVOKE ANY CONSENT WITH RESPECT TO SUCH PROPOSALS.**

The Company has retained Georgeson Inc. to assist it in communicating with stockholders in connection with the Steel Group's Consent Solicitation and to assist in our efforts to obtain consent revocations. If you have any questions about how to complete or submit your **GOLD** Consent Revocation Card or any other questions, Georgeson Inc. will be pleased to assist you. You may call Georgeson Inc. toll free at 1-800-223-2064. You may also contact Georgeson Inc. at adaptinfo@georgeson.com.

You should carefully review this Consent Revocation Statement. YOUR TIMELY RESPONSE IS IMPORTANT. You are urged not to sign any white consent cards. Instead, reject the solicitation efforts of the Steel Group by promptly completing, signing, dating, and mailing the enclosed **GOLD Consent Revocation Card to Georgeson Inc. at 199 Water Street, 26th Floor, New York, NY 10038. Please be aware that if you sign a white card but do not check any of the boxes on the card, you will be deemed to have consented to the Steel Group's proposals.**

RESULTS OF THIS CONSENT REVOCATION SOLICITATION

The Company is in the process of retaining a nationally recognized independent inspector of elections in connection with the Steel Group's solicitation. The Company intends to notify stockholders of the results of the consent revocation solicitation by issuing a press release, which it will also file with the Commission as an exhibit to a Current Report on Form 8-K.

APPRAISAL RIGHTS

Our stockholders are not entitled to appraisal rights in connection with the Steel Group's Consent Solicitation or this Consent Revocation Statement.

DEADLINE FOR SUBMISSION OF STOCKHOLDER PROPOSALS FOR 2009 ANNUAL MEETING OF STOCKHOLDERS

Stockholders are entitled to present proposals for consideration at forthcoming stockholder meetings, provided that they comply with the proxy rules promulgated by the SEC and our bylaws. Stockholders wishing to present a proposal at our 2009 Annual Meeting of Stockholders must have submitted such proposal to us by May 7, 2009 if they wished for it to be eligible for inclusion in the proxy statement and form of proxy relating to that meeting. In addition, under our bylaws, a stockholder wishing to nominate a person to our Board of Directors at the 2009 Annual Meeting of Stockholders (but not include such nomination in the proxy statement) or wishing to make a proposal with respect to any other matter (but not include such proposal in the proxy statement) at the 2009 Annual Meeting of Stockholders, must have submitted the required information to us between July 9, 2009 and August 8, 2009.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16 of the Exchange Act requires our directors and certain of our officers, and persons who own more than 10% of a registered class of our equity securities, to file initial reports of ownership and reports of changes in ownership with the SEC. SEC regulations also require these persons to furnish us with a copy of all Section 16(a) forms they file. Based solely on our review of the copies of the forms furnished to us and written representations from our officers who are required to file Section 16(a) forms and our directors, we believe that all Section 16(a) filing requirements were met during fiscal 2009, except that, according to public records, Steel Partners II, L.P. filed one Form 4 late during fiscal 2009, which covered a total of three open market purchases of shares of our common stock by Steel Partners II, L.P.

DELIVERY OF DOCUMENTS TO STOCKHOLDERS SHARING AN ADDRESS

To reduce the expense of delivering duplicate voting materials to stockholders who may have more than one Adaptec stock account, we have adopted a procedure approved by the Commission called "householding." Under this procedure, certain stockholders of record who have the same address and last name will receive only one copy of this Consent Revocation Statement and any additional proxy soliciting materials sent to stockholders until such time as one or more of these stockholders notifies us that they wish to continue receiving individual copies. This procedure will reduce duplicate mailings and save printing costs and postage fees, as well as natural resources. Stockholders who participate in householding will continue to receive separate proxy cards or voting instruction cards. If you received a householded mailing this year and you would like to have additional copies of the Consent Revocation Statement mailed to you, please submit your request to Georgeson Inc., or call 1-800-223-2064. Beneficial owners sharing an address who are receiving multiple copies of proxy materials and

annual reports and wish to receive a single copy of such materials in the future will need to contact their broker, bank or other nominee to request that only a single copy of each document be mailed to all stockholders at the shared address in the future.

Our certificate of incorporation and bylaws contain provisions that limit the liability of our directors and provide for indemnification of our officers and directors to the full extent permitted under Delaware law. Under our certificate of incorporation, and as permitted under the Delaware General Corporation Law, directors are not liable to the Company or its stockholders for monetary damages arising from a breach of their fiduciary duty of care as directors, including such conduct during a merger or tender offer. In addition, we have entered into separate indemnification agreements with our directors and officers that could require the Company to, among other things, indemnify them against certain liabilities that may arise by reason of their status or service as directors or officers. Such provisions do not, however, affect liability for any breach of a director's duty of loyalty to the Company or its stockholders, liability for acts or omissions not in good faith or involving intentional misconduct or knowing violations of law, liability for transactions in which the director derived an improper personal benefit or liability for the payment of a dividend in violation of Delaware law. Such limitation of liability also does not limit a director's liability for violation of, or otherwise relieve the Company or its directors from the necessity of complying with, federal or state securities laws or affect the availability of equitable remedies such as injunctive relief or rescission.
