**QUESTIONS AND ANSWERS ABOUT VOTING AND THE SHAREHOLDER MEETING**

**Q: Why did I receive the proxy materials?**

A: We have made the proxy materials available to you over the internet or, in some cases, mailed you paper copies of these materials because the Board is soliciting your proxy to vote your shares of our common stock and our common stock equivalent securities at the annual meeting to be held on Tuesday, April 20, 2010 or at any adjournments or postponements of this meeting.

**Q: What is a proxy?**

A: The Board is asking you to give us your proxy. Giving us your proxy means that you authorize another person or persons to vote your shares of our common stock at the annual meeting in the manner you direct. The written document you complete to designate someone as your proxy is usually called a proxy card or a voting instruction form depending on how the ownership of your shares is reflected in our records. If you are the record holder of your shares, a proxy card is the document used to designate your proxy to vote your shares. If you hold your shares in street name, a voting instruction form is the document used to designate your proxy to vote your shares. If you participate in the Umpqua Bank 401(k) and Profit Sharing Plan or Supplemental Retirement Plan, then you will receive a voting instruction form and proxy card to designate your proxy to vote your shares. In this proxy statement, the term proxy card means the proxy card, voting instruction form, and the voting instruction form and proxy card unless otherwise indicated.

**Q: Why did I receive a Notice of Internet Availability of Proxy Materials (Notice and Access Card) instead of paper copies of the proxy materials?**

A: This year, we are again using the Securities and Exchange Commission (SEC) notice and access rule that allows us to furnish our proxy materials over the internet to our stockholders instead of mailing paper copies of those materials to each stockholder. As a result, beginning on or about March 11, 2010, we sent to most of our stockholders by mail or e-mail a notice containing instructions on how to access our proxy materials over the internet and vote online. This notice is not a proxy card and cannot be used to vote your shares. If you received only a notice this year, you will not receive paper copies of the proxy materials unless you request the materials by following the instructions on the notice or on the website referred to on the notice.

We provided some of our stockholders, including stockholders who have previously asked to receive paper copies of the proxy materials, our stockholders who are participants in our benefit plans and stockholders holding more than 1,000 shares of common stock, with paper copies of the proxy materials instead of a notice that the materials are electronically available over the internet. If you received paper copies of the notice or proxy materials, we encourage you to help us save money and reduce the environmental impact of delivering paper proxy materials to stockholders by signing up to receive all of your future proxy materials electronically, as described under [How can I receive my proxy materials electronically in the future?](#) below.

**Q: What does the Notice and Access Card look like?**

A: It will come in one of two forms. If you hold your shares in street name through a bank or broker, you will get a document titled Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting from Broadridge Financial Solutions. If you are a registered shareholder, you will get a document titled Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting from our transfer agent, BNY Mellon Shareowner Services.

**Q: What are Umpqua shareholders being asked to vote on at the annual shareholder meeting?**

A: Umpqua shareholders will vote on:

**Item 1:** The election of twelve directors to serve until the next annual meeting of shareholders;

1

**Table of Contents**

**Item 2:** Amending the *Amended and Restated Articles of Incorporation* to increase the Company's authorized common shares from 100 million shares to 200 million shares and to increase the authorized preferred shares from 2 million shares to 4 million shares provided, however, that holders of common stock equivalent securities are not entitled to vote on this item;

**Item 3:** Amending the Company's *2003 Stock Incentive Plan* to make an additional 2 million shares available for issuance and to extend the Plan's termination date to June 30, 2015;

**Item 4:** Amending the *Umpqua Holdings Corporation 2005 Performance-Based Executive Incentive Plan* by extending its expiration date from December 31, 2009 to December 31, 2014;

**Item 5:** Approving an advisory (non-binding) resolution on the Company's executive compensation program;

**Item 6:** Ratifying (non-binding) the selection of Moss Adams LLP as the Company's independent auditor for 2010.

**The board of directors recommends that you vote FOR all of the nominees and FOR each of the proposed items of business.**

**Q: What do I need to do now?**

A: First, carefully read this document in its entirety. Then, vote your shares by following the instructions from your broker, if your shares are held in street name, or by one of the following methods:

If you received these printed materials by mail, mark, sign, date and return your proxy card in the enclosed return envelope as soon as possible;

call the toll-free number on the proxy card and follow the directions provided;

go to the web site listed on the proxy card and follow the instructions provided; or

attend the shareholder meeting and submit a properly executed proxy or ballot. If a broker holds your shares in street name, you will need to get a legal proxy from your broker to vote in person at the meeting.

Voting by phone or on the Internet has the same effect as submitting a properly executed proxy card.

**Q: What are my choices when voting?**

A: When you cast your vote on:

Item 1: You may vote in favor of electing the nominees as directors or withhold your vote from one or more nominees or you may abstain from voting;

Edgar Filing: UMPQUA HOLDINGS CORP - Form PRE 14A

Item 2: You may cast your vote in favor of or against the proposal, or you may elect to abstain from voting your shares provided, however, that holders of common stock equivalent securities may not vote on this item;

Item 3: You may cast your vote in favor of or against the proposal, or you may elect to abstain from voting your shares;

Item 4: You may cast your vote in favor of or against the proposal, or you may elect to abstain from voting your shares;

Item 5: You may cast your vote in favor of or against the proposal, or you may elect to abstain from voting your shares;

Item 6: You may cast your vote in favor of or against the proposal, or you may elect to abstain from voting your shares.

## **Table of Contents**

### **Q: What if I abstain from voting?**

A: If your shares are represented at the annual meeting, in person or by proxy, but you abstain from voting on a matter, or include instructions in your proxy to abstain from voting on a matter, your shares will be counted for the purpose of determining if a quorum is present, but will not be counted as either an affirmative vote or a negative vote with respect to that matter. With respect to the six items scheduled to be voted on at the meeting, abstentions will have no effect on the outcome of the vote on those proposals, assuming a quorum is present.

### **Q: What if Item 2 is not approved by shareholders at the annual meeting?**

A: We amended our Restated Articles of Incorporation on February 5, 2010, to designate 189,750 shares of preferred stock as Series B Common Stock Equivalent. On February 9, 2010, we sold 18,975,000 depositary shares, each of which represents a 1/100<sup>th</sup> interest in a share of the Series B Common Stock Equivalent. Each share of Series B Common Stock Equivalent preferred stock is currently subject to conversion into 100 shares of our common stock and, correspondingly, each depositary share is currently subject to conversion into one share of our common stock. In connection with the issuance of the depositary shares, we agreed to use our reasonable best efforts to hold a meeting of shareholders not later than August 15, 2010 to seek to obtain shareholder approval of an amendment to our Restated Articles of Incorporation to increase the number of authorized shares of common stock to a number at least sufficient to permit the full conversion of the Series B Common Stock Equivalent into common stock. The proposed amendment (Item 2) would satisfy the requirements of the Series B Common Stock Equivalent and provide for more than enough authorized shares to permit the full conversion.

If we fail to obtain shareholder approval for an amendment to increase our authorized shares of common stock by August 15, 2010, we have agreed that we will continue to seek to obtain approval at least as frequently as every six months thereafter until approval has been obtained. In addition, if we fail to obtain shareholder approval for such an amendment by the August 15, 2010 deadline, thereafter, non-cumulative cash dividends will be payable on the Series B Common Stock Equivalent in an amount equal to the greater of (i) the annualized dividend yield on our common stock and (ii) a per annum rate of 15%.

On the first business day following such shareholder approval (i) the Series B Common Stock Equivalent will automatically convert into shares of our common stock at a conversion rate that is equivalent to one share of our common stock for each of the 18,975,000 depositary shares; and (ii) all shares of our Series B Common Stock Equivalent will cease to exist.

### **Q: Who is eligible to vote?**

A: Holders of record of Umpqua common stock and Umpqua depositary shares at the close of business on February 12, 2010 are eligible to vote at Umpqua's annual meeting of shareholders. As of that date, there were 95,441,261 shares of Umpqua common stock outstanding held by 5,018 holders of record, a number that does not include beneficial owners who hold shares in street name and 18,975,000 depositary shares outstanding, all of which are held in street name.

Holders of the depositary shares are entitled to vote on an as-converted basis, together with holders of our common stock, on all matters upon which the holders of common stock are entitled to vote, except on Item 2-the amendment to increase the number of authorized shares of our common stock.

### **Q: How many shares are owned by Umpqua's directors and executive officers?**

A: On February 12, 2010, Umpqua's directors and executive officers beneficially owned 1,880,662 shares entitled to vote at the annual meeting, constituting approximately 1.97% of the total shares outstanding and entitled to vote at the meeting.

**Table of Contents**

**Q: Can I vote if I hold shares of Umpqua common stock in the Umpqua Bank 401(k) and Profit Sharing Plan?**

A: Yes. If you are a participant in the Umpqua Bank 401(k) and Profit Sharing Plan or the Supplemental Retirement Plan, you will receive separate voting instructions for shares of Umpqua common stock allocated to your account as a participant or beneficiary under either plan. These voting instructions will appoint the trustee of the plans to vote shares in accordance with the instruction noted on the card. Please follow the instructions that accompany the card.

**Q: Can I change my vote after I have mailed my signed proxy card or voted by telephone or electronically?**

A: Yes. If you have not voted through your broker, you can do this by:

calling the toll-free number on the Notice and Access Card or proxy card at least 24 hours before the meeting and following the directions provided;

going to the web site listed on the Notice and Access Card or proxy card at least 24 hours before the meeting and following the instructions provided;

submitting a properly executed proxy prior to the meeting bearing a later date than your previous proxy;

notifying Umpqua's corporate Secretary, in writing, of the revocation of your proxy before the meeting; or

voting in person at the meeting, but simply attending the meeting will not, in and of itself, revoke a proxy. If you voted through your broker, please contact your broker to change or revoke your vote.

**Q: If my shares are held in street name by my broker, will my broker vote my shares for me?**

A: Yes, but only if you give your broker instructions. If your shares are held by your broker (or other nominee), you should receive this document and an instruction card from your broker. Your broker will vote your shares if you provide instructions on how to vote. If you do not tell your broker how to vote, your broker may vote your shares in favor of ratification of the auditor appointment and in favor of the non-binding advisory resolution on the Company's executive compensation program, but may not vote your shares on any other item of business. However, your broker is not required to vote your shares if you do not provide instructions.

**Q: Can I attend the shareholder meeting even if I vote by proxy?**

A: Yes. All shareholders are welcome to attend and we encourage you to do so.

**Q: Why did I receive more than one Notice and Access Card or multiple proxy cards?**

## Edgar Filing: UMPQUA HOLDINGS CORP - Form PRE 14A

A: You may receive multiple cards if you hold your shares in different ways (e.g. joint tenancy, in trust or in custodial accounts). You should vote on each proxy that you receive.

**Q: How do you determine a quorum?**

A: Umpqua must have a quorum to conduct any business at the annual meeting. Shareholders holding at least a majority of the outstanding shares of Umpqua common stock and Umpqua depositary shares as of the record date must attend the meeting in person or by proxy to have a quorum. Umpqua shareholders who attend the meeting or submit a proxy but abstain from voting on a given matter will have their shares counted as present for determining a quorum. Broker non-votes will also be counted as present for establishing a quorum.

**Q: What is a broker non-vote?**

A: Under New York Stock Exchange (NYSE) Rule 452, brokers are entitled to vote shares held by them for their customers on matters deemed routine under applicable rules, even though the brokers have not

## **Table of Contents**

received voting instructions from their customers. Although Umpqua is listed on the NASDAQ Global Select market, Rule 452 affects us since most of the common and depositary shares held in street name are held with NYSE member-brokers. The proposal to approve the non-binding advisory resolution regarding the compensation of the Company's named executives (Item 5) and the ratification of our independent auditors (Item 6) currently qualify as routine matters. Your broker, therefore, may vote your shares in its discretion on these routine matters if you do not instruct your broker how to vote on them. Your broker is prohibited from voting your shares on non-routine matters unless you have given voting instructions on that matter to your broker. The election of directors (Item 1), the proposal to amend the Articles of Incorporation (Item 2), the proposal to amend the 2003 Stock Incentive Plan (Item 3) and the proposal to amend the 2005 Performance Based Incentive Plan (Item 4) are deemed to be non-routine matters, so your broker may not vote on these matters in its discretion. Your broker, therefore, will need to return a proxy card without voting on these non-routine matters if you do not give voting instructions with respect to these matters. This is referred to as a broker non-vote.

### **Q: How do you count votes?**

A: Each common share and each depositary share is entitled to one vote. The named proxies will vote shares as instructed on the proxies. The holders of depositary shares are not entitled to vote on Item 2, relating to the increase in the number of authorized shares. In the election of directors, each share is entitled to one vote for each director position to be filled, and shareholders may not cumulate votes. A representative of BNY Mellon Shareowner Services, our transfer agent, will count the votes and serve as our inspector of elections.

Item 1 requires a plurality of the votes cast to elect a director. The twelve director positions to be filled at the annual meeting will be filled by the nominees who receive the highest number of votes. Votes that are withheld and broker non-votes will have no effect on the outcome of the election of directors. However, we have adopted a majority voting policy that requires any director who receives more withhold votes than for votes to offer to resign from the board.

Item 2, the amendment of the articles of incorporation, requires the affirmative vote ( for ) of a majority of those shares issued and outstanding provided, however, that the holders of common stock equivalent securities are not entitled to vote on this Item.

Item 3, the amendment of the 2003 Stock Incentive Plan, requires the affirmative vote ( for ) of a majority of those shares present and entitled to vote.

Item 4, the amendment of the 2005 Performance-Based Incentive Plan, requires the affirmative vote ( for ) of a majority of those shares present and entitled to vote.

Item 5 is an advisory vote that is not binding on our board of directors. Approval of the proposed resolution requires the affirmative vote ( for ) of a majority of those shares present and entitled to vote.

Item 6 does not require shareholder approval, but the Audit and Compliance Committee and the board are submitting the selection of Moss Adams LLP for ratification to obtain the views of our shareholders. The ratification of the appointment of Moss Adams LLP as the Company's independent auditors requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote.

**If you sign, date and mail your proxy card without indicating how you want to vote, your proxy will be counted as a vote in favor of each director nominee and in favor of Proposals 2 through 6.**

### **Q: Who pays the cost of proxy solicitation?**

## Edgar Filing: UMPQUA HOLDINGS CORP - Form PRE 14A

- A: Umpqua pays the cost of soliciting proxies. We have hired The Altman Group, Inc. to solicit proxies for this meeting and we will pay their fees, estimated to be \$25,000, including costs. Proxies will be solicited by mail, telephone, facsimile, e-mail and personal contact. We may reimburse brokers and other nominee holders, for their expenses in sending proxy material and obtaining proxies. In addition to solicitation of proxies by mail, our officers and employees may solicit proxies in person or by telephone, fax, or letter, without extra compensation.

---

**Table of Contents**

**Q: How can I receive my proxy materials electronically in the future?**

A: Although you may request to receive paper copies of the proxy materials, we would prefer to send proxy materials to stockholders electronically. Stockholders who sign up to receive proxy materials electronically will receive an e-mail prior to next year's annual meeting with links to the proxy materials, which may give them faster delivery of the materials and will help us save printing and mailing costs and conserve natural resources. Your election to receive proxy materials by e-mail will remain in effect until you terminate your election. To receive proxy materials electronically by e-mail in the future, follow the instructions described below or on the notice.

If we sent you proxy materials by mail and you would like to sign up to receive these materials electronically in the future, please have your proxy card available and register using one of the following choices:

Record Holders If you are the record holder of your shares, you may either go to [www.proxyvoting.com/umpq](http://www.proxyvoting.com/umpq) and follow the instructions for requesting meeting materials or call 866-540-5760.

Street Name Holders If you hold your shares in street name, you may either go to [www.proxyvote.com](http://www.proxyvote.com) and follow the instructions to enroll for electronic delivery or contact your brokerage firm, bank, or other similar entity that holds your shares.

If you have previously agreed to electronic delivery of our proxy materials, but wish to receive paper copies of these materials for the annual meeting or for future meetings, please follow the instructions on the website referred to on the electronic notice you received.

**Q: Are there any rules regarding admission to the annual meeting?**

A: Yes. You are entitled to attend the annual meeting only if you were, or you hold a valid legal proxy naming you to act for, one of our stockholders on the record date. Before we will admit you to the meeting, we must be able to confirm:

Your identity by reviewing a valid form of photo identification, such as a driver's license; and

You were, or are validly acting for, a stockholder of record on the record date by:

verifying your name and stock ownership against our list of registered stockholders, if you are the record holder of your shares;

reviewing other evidence of your stock ownership, such as your most recent brokerage or bank statement, if you hold your shares in street name, or your most recent plan statement, if you are a participant in one of the Company Plans; or

reviewing a written proxy that shows your name and is signed by the stockholder you are representing, in which case either the stockholder must be a registered stockholder or you must have a brokerage or bank statement for that stockholder as described above.

***If you do not have a valid form of picture identification and proof that you owned, or are legally authorized to act for someone who owned, shares of our common stock on the record date, you will not be admitted to the meeting.***

## Edgar Filing: UMPQUA HOLDINGS CORP - Form PRE 14A

At the entrance to the meeting, we will verify that your name appears in our stock records or will inspect your brokerage or bank statement, or your plan statement if you are a participant in one of the Company Plans, as your proof of ownership and any written proxy you present as the representative of a stockholder.

**Table of Contents**

We will decide whether the documentation you present for admission to the meeting meets the requirements described above. The annual meeting will begin at 6:00 p.m., Pacific time. Please allow ample time for the admission procedures described above.

**Important Notice About the Availability of Proxy Materials for the Annual Meeting of Shareholders**

**to be held April 20, 2010:**

**This proxy statement and the company's annual report to shareholders are available at:**

**[www.umpquaholdingscorp.com](http://www.umpquaholdingscorp.com)**

**Table of Contents**

**ANNUAL MEETING BUSINESS**

**Item 1. Election of Directors**

Umpqua's articles of incorporation and bylaws provide that directors are elected to serve a one-year term of office, expiring at the next annual meeting of shareholders. Our articles of incorporation establish the number of directors at between six and nineteen, with the exact number to be fixed from time to time by resolution of the board of directors. The number of directors is currently set at fourteen. Effective with the annual meeting, the number of directors will be set at twelve.

Directors are elected by a plurality of votes, which means that the nominees receiving the most votes will be elected, regardless of the number of votes each nominee receives. Shareholders are not entitled to cumulate votes in the election of directors. However, in an uncontested election, our majority voting policy requires that any nominee for director who receives a greater number of votes withheld from his or her election than votes for such election shall promptly tender his or her resignation to the board chair following certification of shareholder vote. In determining the votes cast for the election of a director, abstentions and broker non-votes are excluded. The Nominating Committee considers the offer of resignation and recommends to the board whether to accept it. The policy requires the board to act on the Nominating Committee's recommendation within 90 days following the shareholder meeting. Board action on the matter requires the approval of a majority of the independent directors.

The board of directors has nominated the following directors for election to one-year terms that will expire at the 2011 annual meeting:

Raymond P. Davis

Allyn C. Ford

Peggy Y. Fowler

David B. Frohnmayer

Stephen M. Gambee

Jose R. Hermocillo

William A. Lansing

Luis F. Machuca

Diane D. Miller

Hilliard C. Terry, III

Bryan L. Timm

Frank R. J. Whittaker

Each of the nominees currently serves as a director of Umpqua and of Umpqua Bank. Ms. Fowler was appointed to the boards on April 15, 2009. Mr. Machuca and Mr. Terry were appointed to the boards on January 20, 2010. The individuals appointed as proxies intend to vote FOR the election of the nominees listed above. If any nominee is not available for election, the individuals named in the proxy intend to vote for such substitute nominee as the board of directors may designate. Each nominee has agreed to serve on the board and we have no reason to believe any nominee will be unavailable.

***Board Recommendation***

**The board of directors unanimously recommends a vote FOR the election of all nominees.**

**Item 2. Authorize Additional Common and Preferred Shares**

On December 16, 2009, the board of directors adopted a resolution approving an amendment to the Company's Restated Articles of Incorporation (the Articles) to increase the authorized shares of common stock from 100 million to 200 million shares and to increase the authorized shares of preferred stock from 2 million to 4 million shares. The board further directed that this be put before the shareholders for a vote at the 2010 annual

meeting. Article III of the Company's Articles now authorize the Company to issue 102 million shares of stock divided into two classes, 2 million shares of preferred stock and 100 million shares of common stock.

On August 13, 2009 the company issued 23,076,923 shares of its common stock in connection with raising \$213.7 million in common capital. On February 9, 2010, the Company issued 8,625,000 shares of its common stock and 189,750 shares of Series B Common Stock Equivalent preferred stock. The preferred stock is represented by 18,975,000 depository shares, with each depository share representing a 1/100<sup>th</sup> interest in a share of Umpqua Holdings Corporation's Series B Common Stock Equivalent.

At February 12, 2010, the Company had issued and outstanding 95,441,261 shares of its no par value common stock, 214,181 shares of Series A preferred stock and 189,750 shares of Series B preferred stock represented by 18,975,000 issued and outstanding depository shares. The Series A preferred stock was held by the U.S. Treasury under the TARP Capital Purchase Program, was redeemed in full by the Company in February 2010 and was not convertible into common shares.

The board believes it is necessary and appropriate for the Company to maintain an adequate number of authorized common and preferred shares to be available for issuance with the approval of the board of directors. In connection with the capital raised in February 2010, the Company has committed to seek shareholder approval to authorize for issuance at least the 18,975,000 shares necessary to convert the common stock equivalent securities. Under the terms of the Series B Common Stock Equivalent preferred stock designation adopted in connection with the issuance of those securities, if the Company fails to obtain such shareholder approval by August 15, 2010, thereafter, non-cumulative cash dividends will be payable on the Series B Common Stock Equivalent in an amount equal to the greater of (i) the annualized dividend yield on our common stock and (ii) a per annum rate of 15%. Of the \$303 million gross proceeds raised in February 2010, the Company used \$214.2 million to redeem all Series A preferred shares issued to the U.S. Treasury under the TARP Capital Purchase Program.

ORS 60.441 requires a shareholder vote to approve any amendment to the articles that would increase the aggregate number of authorized shares of a class and the board has approved an amendment to the Articles, subject to shareholder approval, increasing the number of authorized shares of the Company's common stock from 100 million shares to 200 million shares and increasing the authorized preferred stock from 2 million shares to 4 million shares. The proposed amendment would delete Article III A. of the Restated Articles of Incorporation and substitute the following provision:

**ARTICLE III**

**AUTHORIZED CAPITAL STOCK**

A. Authorized Classes of Shares. The Corporation may issue 204,000,000 shares of stock divided into two classes as follows:

4,000,000 shares of preferred stock ( Preferred Stock ). The Preferred Stock may be further divided into one or more series of Preferred Stock. Each series of Preferred Stock will have the preferences, limitations and relative rights as may be set forth for such series either in these Articles or in an amendment to these Articles ( Preferred Stock Designation ). A Preferred Stock Designation may be adopted either by action of the Board of Directors of the Corporation pursuant to Section G of this Article III or by action of the shareholders of the Corporation; and

200,000,000 shares of common stock ( Common Stock ).

Except as may otherwise be provided in a Preferred Stock Designation, all shares of a class will have preferences, limitations and relative rights identical to those of all other shares of the same class. All shares of a series of Preferred Stock will have preferences, limitations and relative rights identical to those of all other shares of that series of Preferred Stock.

**Table of Contents**

The Certificate of Designations for the Series B Common Stock Equivalent securities provides that if the Company's shareholders approve an amendment to the Articles to increase the authorized shares of common stock in an amount sufficient to permit the full conversion of the Series B Common Stock Equivalent into common stock (the "Common Stock Amendment"), then on the first business day thereafter, the Series B Common Stock Equivalent will automatically convert into shares of the Company's common stock at a conversion rate, subject to adjustment, of 100 shares of common stock for each share of Series B Common Stock Equivalent, which is equivalent to one share of common stock for each depositary share. All shares of Series B Common Stock Equivalent will cease to exist upon such conversion.

This amendment to our Articles will become effective when we file it with the Oregon Secretary of State. If this proposal is approved, we intend to file the amendment immediately following this annual meeting.

The additional shares of common stock authorized would be identical in all respects to Umpqua's currently authorized shares of common stock. The proposed increase in the number of authorized shares of common stock would give Umpqua's Board of Directors authority to issue additional shares of common stock from time to time without delay or further action by the shareholders except as may be required by applicable law or the rules of NASDAQ. The issuance of additional shares of common stock could have a dilutive effect on earnings per share and the book or market value of Umpqua's outstanding common stock, depending on the circumstances, and could dilute a shareholder's percentage voting power in Umpqua. Holders of Umpqua's common stock are not entitled to preemptive rights or other protections against dilution. Umpqua's board of directors intends to take these factors into account before authorizing any new issuance of shares. The flexibility of our board of directors to issue additional shares of common stock could also enhance our ability to negotiate on behalf of our shareholders in a takeover situation and have an anti-takeover effect. The authorized but unissued shares of common stock could be used by our board of directors to discourage, delay or make more difficult a change in the control of our company. For example, such shares could be privately placed with purchasers who might align themselves with our board of directors in opposing a hostile takeover bid. The issuance of additional shares could serve to dilute the stock ownership of persons seeking to obtain control and thereby increase the cost of acquiring a given percentage of the outstanding stock. Shareholders should therefore be aware that approval of this proposal could facilitate future efforts by our board of directors to deter or prevent changes in control of our company, including transactions in which the shareholders might otherwise receive a premium for their shares over then current market prices.

If this proposal is approved, the additional authorized but unissued shares of common stock may generally be issued from time to time for such proper corporate purposes as may be determined by our board of directors, without further action or authorization by our shareholders, except for some limited circumstances where shareholder approval is required by law or the listing standards of any stock exchange on which our common stock may be listed at such time. Our board of directors does not intend to solicit further shareholder approval prior to the issuance of any additional shares of common stock, except as may be required by applicable law or rules. Neither Oregon law nor our articles or bylaws provide our shareholders with dissenters or appraisal rights in connection with this proposal.

***Board Recommendation***

**The board of directors unanimously recommends a vote FOR this amendment to the articles of incorporation.**

**Item 3. Amendment to the 2003 Stock Incentive Plan to Add Two Million Shares and Extend the Termination Date.**

*Eligible Participants in 2003 Stock Incentive Plan; Types of Awards.* Under the 2003 Stock Incentive Plan (the "Plan"), the Board of Directors, or its Compensation Committee, may grant equity awards of the Company's common stock in the form of stock options or restricted stock awards to employees, directors, and other persons

## **Table of Contents**

who provide important services to the Company. There are approximately 1,850 employees, 13 non-employee directors, and other persons from time to time designated by the Committee who are currently eligible to participate in the Plan. Each award must be evidenced by a written agreement between Umpqua and the optionee or grantee.

*Proposed Amendment.* Under Section 3.1 of the Plan, the maximum aggregate number of shares subject to awards granted under the Plan is two million shares. This was the number of shares initially authorized when the Plan was adopted in 2003. At February 12, 2010 there were approximately 143,376 shares available for issuance under the Plan, which expires March 18, 2013. At the current rate of issuance, which is approximately 332,000 shares per year, the number of shares available for grants will be depleted in less than one year. The Board of Directors has approved the following amendments to the Plan:

To add two million shares of the Company's common stock to the Authorized Shares under the Plan; and

To extend the termination date of the Plan from March 18, 2013 to June 30, 2015.

The Board is asking shareholders to increase the number of shares available under the Plan by two million shares. This would increase the percentage ratio of the amount of shares available under the Plan when added to the number of shares of common stock under outstanding stock options granted under all other plans maintained or assumed by the Company to approximately five percent of outstanding shares of common stock, on a fully diluted basis, as of February 12, 2010. The Plan provides that this ratio shall not exceed ten percent.

The board of directors has also approved a proposed amendment that would extend the termination date of the Plan from March 18, 2013 to June 30, 2015. The proposed amendment will delete existing section 4.3 from the Plan and substitute the following section (new language is in italics):

**4.3 Termination of the Plan.** *This Plan will terminate on June 30, 2015, unless it is previously extended by action of the Board of Directors and shareholders of the Company.* In addition, the Board of Directors will have the right to suspend or terminate this Plan at any time. Termination of the Plan will terminate or otherwise affect any Outstanding Stock Option, Option Agreement, Restricted Stock Grant or Restricted Stock Agreement.

Our Plan was originally adopted by the shareholders in 2003 and was subsequently amended at the 2007 annual meeting. The Board believes that stock-based incentives are essential to attract and retain the services of individuals who are likely to make significant contributions to our success, to encourage ownership of our common stock by employees and directors, and to promote our success by providing both rewards for exceptional performance and long-term incentives for future contributions to the Company. No other amendments to the Plan are being proposed.

*New Plan Benefits.* The actual number of future grants and awards cannot be determined. All grants and awards are the discretion of the Compensation Committee, and there are no pending or outstanding grants or awards that are conditioned upon shareholder approval of the amendment to the Plan. In addition, no grants or awards are made under the Plan pursuant to a set formula that automatically allocates benefits to plan participants.

### ***Other Material Features of the Plan***

*Amendments to the Plan.* Shareholder approval is required for any amendment to the Plan which increases the number of shares of common stock issuable pursuant to the Plan, expands the group of persons eligible to receive awards or any other amendment which otherwise requires shareholder approval under any applicable law, accounting principle or listing requirements. The board of directors may otherwise amend the Plan as it deems advisable.

*Determination of Fair Market Value.* Fair market value for the purpose of pricing grants is the reported closing sales price of the Company's common stock on the date of grant.

**Table of Contents**

*Prohibiting Repricing.* The Plan expressly indicates that neither the board of directors, nor the Committee, has the authority to reprice outstanding stock options or to cancel outstanding stock option and grant new stock options in substitution having an exercise price less than the cancelled stock options, without shareholder approval. This repricing prohibition provision may not be amended without shareholder approval.

*Prohibiting Loans.* The Plan expressly prohibits the Company from extending loans to a participant in connection with the exercise or receipt of an award under the Plan.

*Mandatory Adjustment Based on Changes in Capital Structure.* Adjustments in the number and kind of authorized shares under the Plan, the securities covered by outstanding options, and the exercise price of outstanding options, in event of certain changes in the Company's capital structure, including as a result of a merger, consolidation, reclassification, stock split or combination or stock dividend are required to reflect the applicable change in capital structure.

*Limitations.* No person is eligible to receive awards pursuant to the Plan which, in aggregate, exceed 125,000 shares in any calendar year. In addition to the overall awards limitation, no person is eligible to receive restricted stock grants that exceed 40,000 shares in any calendar year. The foregoing limitations do not apply to awards of stock options in substitution for outstanding stock options of an acquired company that are cancelled in connection with the acquisition of an acquired company.

*Purchase Price.* The Committee determines the exercise price for the shares of common stock underlying each stock option;
