RiskMetrics Advises Kona Grill Stockholders to Vote FOR Mill Road Nominees in Proxy Contest

GREENWICH, Conn., April 22 /PRNewswire/ Mill Road Capital, L.P. (Mill Road) today announced that RiskMetrics Group, Inc. (RMG), the leading independent proxy voting advisory service, has recommended that stockholders of Kona Grill, Inc. (Kona) (Nasdaq: KONA) vote Mill Road's GOLD proxy card FOR two of Mill Road's nominees for election to the Board of Directors of Kona at its 2010 Annual Meeting of Stockholders, to be held on April 28, 2010, and NOT VOTE FOR any of the three incumbents nominated by Kona. RMG has recommended that Kona stockholders vote FOR Mill Road nominees Mr. Larry Harris and Mr. Thomas Lynch.

As RMG stated in its analysis, When analyzing proxy contests, RMG focuses on two central questions: (1) have the dissidents demonstrated that change is warranted at the company, and if so, (2) will the dissidents be better able to effect such change versus the incumbent board?

RMG further wrote that The incumbent directors have been on the board between 3 and 7 years. Accordingly, we feel these members should share responsibility for the periods of underperformance during the past several years and believe change is warranted.

Later in its analysis, RMG directly answers the two central questions: In conclusion, the mixed financial and operational performance results and the lagging TSR [Total Shareholder Return] data establish the need for change. Further, we feel the dissident nominees have the relevant experience, knowledge and skills necessary to bring a fresh perspective to board discussions and effect positive change. As such, a vote in favor of Messrs. Lynch and Harris is warranted.

Mill Road asks stockholders to complete and return the GOLD proxy card in support of all three of its nominees. If stockholders have any questions regarding their proxy or need assistance with voting their shares, please contact:
