(e) On May 18, 2010, the Compensation Committee of the Board of Directors of Avon Products, Inc. (the Company) adopted a form of Stock Option Award Agreement (the Stock Option Agreement), a form of Restricted Stock Unit Award Agreement (the Annual RSU Agreement) and a form of Retention Restricted Stock Unit Award Agreement (the Retention RSU Agreement, and together with the Annual RSU Agreement, the RSU Agreements) under the Avon Products, Inc. 2010 Stock Incentive Plan, pursuant to which the Company grants various awards to its named executive officers and other key employees, from time to time.

Stock options granted under the Stock Option Agreement are subject to certain vesting and payment provisions. Generally, stock options vest one-third per year over a three-year period. Upon a grantee's voluntary departure or departure for cause from the Company, any outstanding stock options are automatically forfeited. Upon a grantee's death, 100% of any outstanding stock options would vest immediately and become exercisable. Upon a grantee's involuntary departure from the Company without cause, any outstanding stock options would continue to vest and be exercisable during any salary continuation period. Upon a grantee's retirement from the Company or upon a grantee's permanent disability, 100% of any outstanding stock options would continue to vest and be exercisable as specified in the terms of the grant.

Restricted stock unit awards (RSUs) granted under the RSU Agreements are also subject to certain vesting and payment provisions. Generally, any RSUs granted vest 100% after three years. Upon a grantee's voluntary departure or departure for cause from the Company, any outstanding RSUs are automatically forfeited. Upon a grantee's permanent disability, 100% of any outstanding RSUs would vest and be settled on the original vesting date specified in the terms of the grant. Upon a grantee's death, 100% of any outstanding RSUs would vest and the grantee's estate would receive such settlement as soon as practicable after the time of death. Upon a grantee's involuntary departure from the Company without cause, any outstanding RSUs would vest on a prorated basis to the last day worked and be settled as soon as practicable after the time of departure. Upon a grantee's retirement from the Company, any outstanding RSUs under the Retention RSU Agreement are automatically forfeited, whereas 100% of any outstanding RSUs under the Annual RSU Agreement would vest and be settled on the original vesting date specified in the terms of the grant.

The above summary is qualified by reference to the text of the Stock Option Agreement and RSU Agreements that are filed herewith as Exhibits 10.1, 10.2, and 10.3, respectively, and incorporated herein by reference.
