**Item 1.01 Entry into a Material Definitive Agreement**  
**Stock Purchase Agreement**

On June 15, 2010, InfuSystem Holdings, Inc. (the Company) acquired 100% of the issued and outstanding capital stock of First Biomedical, Inc. a Kansas corporation (First Biomedical) pursuant to a Stock Purchase Agreement, dated as of the same date, among the Company, the holders of all the issued and outstanding capital stock of First Biomedical and Thomas F. Creal II, as representative for the stockholders of First Biomedical.

Pursuant to the Stock Purchase Agreement, the Company purchased 100% of the capital stock of First Biomedical for \$13.25 million in cash, a promissory note in the amount of \$750,000 (the Note) and the repayment of First Biomedical's approximately \$3.2 million of debt for a total consideration of approximately \$17.2 million.

The transaction was financed through a combination of cash on hand, the Note and InfuSystem's new Credit Facility (as defined below). The Note bears interest at a rate of 5.0% per annum and is repayable in monthly installments over two years. By its terms, it is subordinated to the Company's obligations under the Credit Facility.

The Stock Purchase Agreement contains customary representations and warranties and covenants. Subject to the terms of an escrow agreement, dated as of June 15, 2010 (the Escrow Agreement), \$1.2 million of the purchase price was deposited into an escrow account to satisfy any indemnification claims of the Company.

First Biomedical sells, rents, services and repairs new and pre-owned infusion pumps and other medical equipment. First Biomedical also sells a variety of primary and secondary tubing, cassettes, catheters and other disposable items that are utilized in infusion pumps.

**Employment Agreements**

As a condition of the Stock Purchase Agreement, First Biomedical entered into employment agreements with Thomas F. Creal II, Daniel R. Wassall and Kirsten A. Maher, each dated June 15, 2010. Pursuant to his employment agreement, Mr. Creal will serve as President of First Biomedical and will receive an annual base salary of \$250,000, subject to annual increases at the sole discretion of First Biomedical, and a stock incentive bonus of up to 50,000 restricted shares of the Company's common stock based on the satisfaction of certain 2010 financial performance goals for First Biomedical. Mr. Wassall will serve as Vice President of Operations & Finance and will receive an annual base salary of \$180,000, subject to annual increases at the sole discretion of First Biomedical, an annual cash bonus award of \$50,000 subject to the satisfaction of certain financial performance goals and a stock incentive bonus of up to 25,000 restricted shares of the Company's common stock based on the satisfaction of certain 2010 financial performance goals for First Biomedical. Ms. Maher will serve as Sales Manager of First Biomedical and will receive an annual base salary of \$20,000, subject to annual increases at the sole discretion of First Biomedical, sales commissions and a stock incentive bonus of up to 25,000 restricted shares of the Company's common stock based on the satisfaction of certain 2010 financial performance goals for First Biomedical.

**Lease Agreements**

As a condition of the Stock Purchase Agreement, First Biomedical entered into Lease Agreements with Jan-Mar Building LLC, a Kansas limited liability company (Jan-Mar), and CW Investment Group, LLC, a Kansas limited liability company (CW Investment). Both lease agreements are for the lease of office space currently utilized by First Biomedical, in each case located in Olathe, Kansas. Jan-Mar is controlled by Thomas F. Creal II. CW Investment is controlled by Daniel Wassall and Thomas F. Creal II. Messrs. Creal and Wassall were stockholders of First Biomedical prior to the Company's acquisition of First Biomedical pursuant to the Stock Purchase Agreement.

The foregoing summary description of the Stock Purchase Agreement, the Note (the form of which is Exhibit A to the Stock Purchase Agreement), the Escrow Agreement (the form of which is Exhibit B to the Stock Purchase Agreement), the Employment Agreements (the forms of which are Exhibits D-1 and D-2 to the Stock Purchase Agreement) and the Lease Agreements (the forms of which are Exhibits C1, C-2 and C-3 to the Stock Purchase Agreement) are qualified in their entirety by reference to text of the such agreements, copies of which are filed as Exhibit 2.1 to this Current Report on Form 8-K and are incorporated herein by reference.

**Credit Facility**

On June 15, 2010, the Company, InfuSystem Inc. and First Biomedical (the Borrowers ) entered into a Credit Facility with Bank of America, N.A. and Keybank National Association (the Credit Facility ) consisting of a \$30 million four year term loan and a \$5 million revolving credit facility which matures in 2014. A portion of the proceeds from the new term loan have been used to fund the acquisition of First Biomedical. The remaining portion of the proceeds from the term loan was used to repay all of the outstanding balance of the Company s debt pursuant to the credit agreement with I-Flow Corporation ( I-Flow ) dated October 25, 2007 (the Prior Credit Agreement ). The Prior Credit Agreement has been entered into at the time of the Company s acquisition of InfuSystem Inc. from I-Flow in October 2007, and the loan thereunder financed, in part, such acquisition. Pursuant to an agreement with I-Flow, the Company paid \$18,500,000 plus accrued but unpaid interest in full satisfaction of the outstanding principal amount of \$19,618,875 and a 1% prepayment premium, for a savings of approximately \$1,315,000.

The revolving credit facility was undrawn.

The Borrowers obligations under the Credit Facility are secured by a security interest in substantially all assets.

The Credit Facility contains specific financial covenants for maximum leverage ratio, minimum fixed charge coverage ratio and maximum capital expenditures, as well as customary representations and warranties, affirmative covenants, including reporting obligations and negative covenants that, among other things, limit (subject to exceptions) the ability of the Borrowers to:

Create, incur, assume or suffer to exist any Lien upon any of its property, assets or revenues;

Make investments;

Create, incur, assume or suffer to exist any indebtedness;

Merge, dissolve, liquidate, consolidate all or substantially all of its assets;

Make any disposition or enter into any agreement to make any disposition; and

Declare or make, directly or indirectly, any restricted payment, or incur any obligation (contingent or otherwise) to do so.

The Credit Facility contains customary events of default, including the following (subject to certain notice and grace provisions):

Non-payment of principal or interest;

Failure to perform covenants;

Misleading or incorrect representations and warranties;

Cross-default to other debt in excess of \$250,000;

Certain bankruptcy or insolvency proceedings;

Unsatisfied judgments in excess of \$250,000;

Invalidity of loan documents; and

Change of control.

The foregoing summary description of Credit Facility is qualified in its entirety by reference to text of the such agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and are incorporated herein by reference.
