(Ampio or the Company) accepted subscriptions from investors in the private placement described under Item 3.02 below, and a final closing for the placement was held. The information included in Item 3.02 of this Form 8-K is hereby incorporated by reference into this Item 1.01.

Item 3.02 Unregistered Sales of Equity Securities.

On April 18, 2011, the Company held the final closing in connection with a private placement of its common stock. At the closing, the Company issued 1,477,680 shares of its common stock at a price of \$2.50 per share, receiving gross proceeds of \$3.694 million. Combined with the two prior closings held on March 31, 2011 and April 8, 2011, the Company received gross proceeds of \$12,732,200 from sales of a total of 5,092,880 shares of common stock in the placement. The placement was conducted through Fordham Financial Management, Inc. (FFM), New York, New York, which served as the Company's placement agent. FFM received at the three closings a total of \$1,400,542 in commissions and a non-accountable expense allowance. After other offering expenses of \$410,062, Ampio received net proceeds from the placement of \$10,921,596. Ampio intends to use the net proceeds of the placement for general corporate purposes, including funding clinical trials, intellectual property protection, and general and administrative expenses.

In addition to the foregoing, the Company issued placement agent warrants to FFM and a designee that upon exercise will result in the Company issuing an aggregate of 509,288 shares of Ampio common stock. The placement agent warrants are exercisable for a period through March 31, 2016 at an exercise price of \$3.125 per share.

The final closing occurred on April 18, 2011, following the satisfaction of customary closing conditions. Copies of the placement agent agreement, the form of placement agent warrants, and the form of subscription agreement relating to the sale of the shares of common stock in the placement will be filed as exhibits to the Form S-1 registration statement that the Company is filing on April 19, 2011. Each of the placement agent agreement and the subscription agreement contains representations and warranties that the parties made to, and solely for the benefit of, the other in the context of all of the terms and conditions of that agreement and in the context of the specific relationship between the parties. The provisions of the placement agent agreement and the form of subscription agreement, including the representations and warranties contained therein, are not for the benefit of any party other than the parties to such agreements, and are not intended as documents for investors and the public to obtain factual information about the current state of affairs of the parties to those documents and their agreements.

The shares of common stock issued in the private placement have not been registered under the Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. Ampio will file today a registration statement with the Securities and Exchange Commission (SEC) for the resale of the common stock as soon as practicable. This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.
