**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On August 4, 2011, the Company entered into a \$28.7 million amended and restated credit facility with Bank of America, N.A., its existing lender, which replaced its \$24.3 million credit facility that was scheduled to mature on August 7, 2011. The amended facility includes a \$3.7 million term loan, and a revolving loan of up to \$25 million for working capital, letters of credit, capital expenditures and other purposes. Actual amounts available under the revolving loan are tied to a borrowing base. As of the closing date, the Company had \$18.1 million available for advances, of which \$11.5 million of the revolving loan was used, including \$7.5 million of advances, \$3.9 million of availability for letters of credit to support future raw material purchases and self insurance policies, and \$0.1 million maintained as a required reserve. As a result, at August 4, 2011, the Company had excess availability of \$6.6 million. As of August 4, 2011, the Company had \$3.7 million outstanding on the term loan, which amortizes based on a 20-year schedule. The amended credit facility matures on August 4, 2016.

The amended credit facility is secured by substantially all of the Company's assets. The interest rate on the revolving loan varies between 50 and 250 basis points over the Base Rate (as defined in the amended credit facility) or LIBOR depending on the level of the fixed charge coverage ratio.

The amended credit facility requires the Company to comply with (a) a fixed charge coverage ratio of 1.0 to 1.0 through March 31, 2012, and 1.1 to 1.0 thereafter, (b) a funded debt to EBITDA ratio not to exceed 2.0 to 1.0, and (c) a limit on annual capital expenditures of \$2.0 million through December 31, 2013 increasing to \$2.5 million annually in 2014 and 2015, and (d) a limit on annual reusable surgical product capital expenditures of \$9.0 million annually through December 31, 2013 increasing to \$10.0 million in 2014 and \$11.0 million in 2015. The amended credit facility includes negative covenants, including provisions restricting the Company from paying dividends, incurring additional debt, making loans and investments, encumbering its assets, entering into a new business, or entering into certain merger, consolidation, or liquidation transactions.

The Company will file the Amended and Restated Loan and Security Agreement and promissory notes with its Quarterly Report on Form 10-Q on August 8, 2011.
