Item 1.01 Entry into a Material Definitive Agreement

On February 24, 2012, Flagstar Bank, FSB (the **Bank**), a wholly-owned subsidiary of Flagstar Bancorp, Inc. (the **Company**), entered into that certain Stipulation and Order of Settlement and Dismissal (the **Stipulation**) with the United States of America (the **Government**) relating to certain underwriting practices associated with loans insured by the Federal Housing Administration (the **FHA**) of the United States Department of Housing and Urban Development (**HUD**).

Pursuant to the Stipulation, the Bank agreed to comply with all applicable HUD and FHA rules related to its continued participation in the Direct Endorsement Lender program (the **DEL program**), make an initial payment of \$15,000,000 within 30 business days of the effective date of the Stipulation, become obligated to make contingent payments upon the occurrence of certain future events as described below, and complete a monitoring period by an independent third party chosen by the Bank and approved by HUD. The Bank agreed to make payments of up to a total of \$117,889,806 (the **Additional Payments**) if and only if each of the following events happen:

- (i) the Bank generates positive income for a sustained period, such that its deferred tax asset (the **DTA**), which has been offset by a valuation allowance (the **DTA Valuation Allowance**), is likely to be realized as evidenced by the reversal of the DTA Valuation Allowance in accordance with US GAAP;
- (ii) the Bank is able to include capital derived from the reversal of the DTA Valuation Allowance in its Tier 1 capital; and
- (iii) the Company fully repays, or otherwise settles to the satisfaction of the U.S. Department of the Treasury (the **U.S. Treasury**), the \$266.7 million previously invested by the U.S. Treasury in the Company under the TARP program or, to the extent not fully repaid or settled, any such remaining amount is excluded from Tier 1 capital for purposes of calculating the Tier 1 capital ratio as discussed below.

Upon the occurrence of each of the future events described above, and within 30 business days of the occurrence of the last such event, and provided that doing so would not violate any banking regulatory requirement or the Office of the Comptroller of the Currency (**OCC**) does not otherwise object, the Bank will begin making Additional Payments provided that (i) each annual payment would be equal to the lesser of \$25 million and the portion of the Additional Payments that remains outstanding after deducting any prior payments and (ii) no obligation to make such Additional Payments shall arise until the Bank's call report as filed with the OCC, including any amendments thereto, for the period ending at least six months prior to the making of such Additional Payment reflects a minimum Tier 1 capital ratio, after excluding any un-extinguished portion of TARP preferred stock, of 11% (or higher ratio if imposed by the OCC).

Subject to the Bank's full compliance with the terms of the Stipulation, the Government immediately released the Bank and all of its current or former officers, directors, employees, affiliates and assigns from any civil or administrative claim it has or may have under various federal laws, the common law or equitable theories of fraud or mistake of fact in connection with the mortgage loans the Bank endorsed for FHA insurance during the period January 1, 2002 to date. In addition, HUD will not refuse to pay any insurance claim or seek indemnification or other relief or in connection with the mortgage loans the Bank endorsed for FHA insurance during the period January 1, 2002 to date on the basis of the conduct alleged in the complaint or referenced in the Stipulation. The Stipulation also includes default provisions, including acceleration of the Additional Payments in the event of certain changes in control and business combinations, and representations and warranties about the Bank's financial conditions. The foregoing is only a summary of the material terms of the Stipulation, which will be filed as an exhibit to a future periodic report.
