INFORMATION STATEMENT

This Information Statement is furnished by Access Plans, Inc. (Access Plans) to its shareholders as a result of action taken by written consent by holders of a majority of the outstanding shares of common stock of Access Plans. This Information Statement is being sent in lieu of a special meeting of the shareholders of Access Plans.

Access Plans and Affinity Insurance Services, Inc. (Affinity), a subsidiary of Aon Corporation, have entered into an Agreement and Plan of Merger dated as of February 24, 2012 (the Merger Agreement), pursuant to which, subject to the terms and conditions of the Merger Agreement, Atlas Acquisition Corp., a wholly-owned subsidiary of Affinity (Merger Sub), will be merged with and into Access Plans, with Access Plans continuing as the surviving corporation. We refer to such transaction as the Merger. Immediately following the Merger, Access Plans shareholders will not own any shares of Affinity or Merger Sub, and such shares will be converted into the right to receive the Per Share Merger Consideration (as defined in the Merger Agreement and described in this Information Statement). The Merger Agreement and the Merger are described in more detail in this Information Statement.

At a meeting of the board of directors of Access Plans (the Board) held on February 20, 2012, the Board unanimously approved the Merger Agreement and recommended that the shareholders of Access Plans approve and adopt the Merger Agreement and the Merger. Also on February 20, 2012, Access Plans' independent financial advisor, Southwest Securities, Inc., rendered its opinion to the Board that, as of such date and based upon and subject to the qualifications, limitations and assumptions set forth in the opinion, the Per Share Merger Consideration to be paid to the shareholders of Access Plans pursuant to the Merger Agreement is fair, from a financial point of view, to such shareholders. On February 24, 2012, the Board unanimously reaffirmed its approval of the Merger Agreement and the Merger, and Access Plans entered into the Merger Agreement.

As permitted by Access Plans' certificate of incorporation and bylaws and by Section 1073 of the Oklahoma General Corporation Act, on February 25 and February 26, 2012, shareholders of Access Plans who collectively own approximately 54.9% of the issued and outstanding shares of common stock executed written consents approving and adopting the Merger Agreement and the transactions contemplated in the Merger Agreement, including the Merger. Consequently, except as required by law, further Access Plans shareholder vote or approval will not be required to complete the Merger pursuant to the Merger Agreement.

ACCORDINGLY, WE ARE NOT ASKING YOU FOR A PROXY AND

YOU ARE REQUESTED NOT TO SEND US A PROXY. THE MERGER AGREEMENT HAS

ALREADY BEEN APPROVED BY SHAREHOLDERS.

Shareholders who have not consented to the transaction are entitled to appraisal rights under Oklahoma law by following the requirements specified in Section 1091 of the Oklahoma General Corporation Act, as described herein. This Information Statement constitutes notice to you of the availability of appraisal rights.

This Information Statement is being sent to the Access Plans shareholders of record at the close of business on February 26, 2012. This Information Statement is dated _____, 2012, and is being mailed to Access Plans shareholders on or about _____, 2012. This Information Statement is the notice required by Section 1073 of the Oklahoma General Corporation Act.

Table of Contents

The Merger (see page 15)

Affinity has agreed to acquire Access Plans under the terms and conditions set forth in the Merger Agreement, which we describe in this Information Statement. Pursuant to the Merger Agreement, at the effective time, Merger Sub will merge with and into Access Plans, with Access Plans continuing as the surviving corporation and a wholly-owned subsidiary of Affinity. We have attached the Merger Agreement as Annex A to this Information Statement. We encourage you to carefully read the Merger Agreement in its entirety.

Merger Consideration (see page 52)

The Merger Agreement provides that, at the effective time of the Merger, each share of Access Plans common stock issued and outstanding immediately prior to the effective time (other than treasury shares of Access Plans, shares of Access Plans common stock held by Affinity or any of Access Plans or Affinity's wholly-owned subsidiaries and shares of Access Plans with respect to which appraisal rights are validly exercised) will be converted into the right to receive an amount of cash as described under The Merger Agreement Merger Consideration beginning on page 52. We refer to the amount of cash to be received for each share of Access Plans common stock as the Per Share Merger Consideration.

The Per Share Merger Consideration is subject to downward adjustment as described under The Merger Agreement Merger Consideration Per Share Merger Consideration beginning on page 52.

Special Dividend (see page 54)

Prior to the closing of the Merger, subject to certain conditions specified in the Merger Agreement, Access Plans may declare a one-time cash dividend of up to \$0.10 per share of Access Plans common stock then outstanding payable to Access Plans shareholders immediately prior to the closing.

Treatment of Stock Options (see page 49)

In connection with the Merger, all outstanding in-the-money options (those stock options exercisable for the purchase of Access Plans common stock having an exercise price less than the Per Share Merger Consideration) will be cancelled immediately prior to the effective time of the Merger and will be converted at the effective time into the right to receive the Per Share Merger Consideration reduced by the respective exercise prices of those options. All outstanding out-of-the-money options (those stock options exercisable for the purchase of Access Plans common stock having an exercise price equal to or greater than the Per Share Merger Consideration) will be cancelled immediately prior to the effective time and no consideration will be exchanged therefor.

Recommendation of the Board and Its Reasons for the Merger (see page 27)

After careful consideration, on February 20, 2012, the Board unanimously approved the Merger Agreement and approved the consummation of the transactions contemplated by the Merger Agreement, including the Merger, upon the terms and subject to the conditions set forth in the Merger Agreement. The Board unanimously recommended that Access Plans' shareholders approve and adopt the Merger Agreement. On February 24, 2012, prior to execution of the Merger Agreement, the Board unanimously reaffirmed its approval of the Merger Agreement and the Merger.

For the factors considered by the Board in reaching its decision to approve the Merger Agreement and approve the consummation of the transactions contemplated by the Merger Agreement, including the Merger, as well as the Board's reasons for, and certain risks related to, the Merger, see "The Merger Recommendation of the Board and Its Reasons for the Merger" beginning on page 28.

Opinion of Financial Advisor (see page 31)

Southwest Securities, Inc., which we refer to as "Southwest Securities", delivered its written opinion to the Board that, as of February 20, 2012, and based upon and subject to the qualifications, limitations and assumptions set forth therein, the \$3.30 per share of common stock in cash to be paid to the holders of the common stock pursuant to the Merger Agreement was fair, from a financial point of view, to such holders.

The full text of the written opinion of Southwest Securities, dated February 20, 2012, which sets forth assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Annex B. Southwest Securities provided its opinion for the information and assistance of the Board in connection with its consideration of the Merger. For a further discussion of Southwest Securities' opinion, see "The Merger Opinion of Financial Advisor," beginning on page 31.

Shareholder Action by Written Consent in Lieu of Meeting (see page 14)

The adoption of the Merger Agreement by Access Plans' shareholders required the affirmative vote or written consent of the holders of a majority of the outstanding shares of Access Plans common stock. On February 25 and February 26, 2012, shareholders of Access Plans who collectively own approximately 54.9% of the issued and outstanding shares of common stock executed written consents approving and adopting the Merger Agreement and the transactions contemplated in the Merger Agreement, including the Merger. Consequently, except as required by law, further Access Plans shareholder vote or approval will not be required to complete the Merger pursuant to the Merger Agreement.

Table of Contents

Shareholder Appraisal Rights (see page 45)

Under the Oklahoma General Corporation Act of the State of Oklahoma (the "OGCA"), Access Plans shareholders of record who have not delivered written consents and, accordingly, have not voted in favor of approval and adoption of the Merger Agreement will be entitled to seek appraisal rights and obtain payment in cash for the judicially determined fair value of their shares of Access Plans common stock in connection with the Merger, if the Merger is completed. This value could be more than, less than or the same as the Per Share Merger Consideration. The relevant provisions of the OGCA are included as Annex C to this Information Statement. We encourage you to read these provisions carefully and in their entirety. Moreover, due to the complexity of the procedures for exercising the right to seek appraisal, Access Plans shareholders who are considering exercising such rights are encouraged to seek the advice of legal counsel. Failure to strictly comply with these provisions will result in a loss of the right of appraisal. Access Plans shareholders who wish to exercise their appraisal rights and hold shares in the name of a broker or other nominee must instruct their nominees to take the steps necessary to enable them to demand appraisal for their shares.

Conditions to Completion of the Merger (see page 57)

A number of conditions to the obligations of Access Plans, Affinity and Merger Sub to complete the Merger must be satisfied before the Merger will be completed, including:

the receipt of all authorizations, consents, orders, declarations or approvals of or filings with, or terminations or expirations of waiting periods imposed by, any governmental entity, including under applicable regulatory laws, which the failure to obtain, make or occur would have the effect of making the Merger or any of the other transactions illegal or would, individually or in the aggregate, have a material adverse effect with respect to Access Plans or Affinity;

the absence of any temporary restraining order, preliminary or permanent injunction or other order issued by a court of competent jurisdiction or other legal restraint or prohibition preventing the completion of the Merger;

the absence of any action, suit, claim, demand, labor dispute or other litigation, legal, administrative or alternative dispute resolution proceedings or governmental, regulatory or other investigations relating to the Merger Agreement or the Merger or that would have a material adverse effect on Access Plans or Affinity;

no more than 3% of the outstanding shares of Access Plans common stock electing to exercise appraisal rights as of the completion of the Merger in accordance with the terms of the Merger Agreement;

the accuracy and correctness of representations and warranties of the other party, subject to certain materiality qualifications described in the Merger Agreement, and the receipt of a certificate from the officers of the other party to that effect; and

Table of Contents

the other party's having performed its covenants in the Merger Agreement in all material respects at or prior to the completion of the Merger, and the receipt of a certificate from the officers of the other party to that effect.

Some of the conditions set forth in the Merger Agreement may be waived by Affinity or Access Plans, subject to the agreement of the other party in specific cases. For a more detailed discussion of these matters, see The Merger Agreement Conditions to Completion of the Merger beginning on page 57.

Regulatory Approvals (see page 41)

Affinity and Access Plans have agreed to use their reasonable best efforts to obtain all regulatory approvals required to complete the transactions contemplated by the Merger Agreement. Affinity and Access Plans are not aware of any material governmental approvals or actions that are required for completion of the Merger.

No Solicitation by Access Plans (see page 60)

Subject to certain exceptions, the Merger Agreement precludes Access Plans from soliciting or engaging in discussions or negotiations with a third party with respect to a proposal to acquire a significant interest in Access Plans' equity or assets. Because Access Plans' shareholders have approved the Merger Agreement, Access Plans is no longer permitted to solicit or engage in any such discussions or negotiations.

Termination of the Merger Agreement (see page 68)

Termination by Affinity or Access Plans

The Merger Agreement may be terminated at any time prior to the completion of the Merger by the mutual written consent of Affinity and Access Plans. Also, subject to certain qualifications and exceptions, either Affinity or Access Plans may terminate the Merger Agreement at any time prior to the completion of the Merger if:

the Merger is not completed on or before May 24, 2012; or

a governmental entity permanently enjoins or otherwise prohibits the completion of the Merger.

Termination by Access Plans

Access Plans may terminate the Merger Agreement at any time prior to the completion of the Merger if Affinity breaches or fails to perform in any material respect any of its representations, warranties, covenants or other agreements, which breach or failure to perform would result in a failure of any of the conditions to Access Plans' obligations to complete the Merger.

Table of Contents

Termination by Affinity

Affinity may terminate the Merger Agreement at any time prior to the completion of the Merger if Access Plans breaches or fails to perform in any material respect any of its representations, warranties, covenants or other agreements, which breach or failure to perform would result in a failure of any of the conditions to Affinity's obligation to complete the Merger.

Termination Fee and Expenses (see page 68)

If the Merger Agreement is terminated, Access Plans may be required in specified circumstances to pay a termination fee of \$2.8 million to Affinity. If the Merger Agreement is terminated under certain circumstances, Access Plans may also be required to reimburse Affinity for its out-of-pocket expenses and costs incurred in connection with the Merger in an aggregate amount not to exceed \$750,000. For a more detailed discussion of these matters, see "The Merger Agreement" "Termination of Merger Agreement" beginning on page 68.

Material United States Federal Income Tax Consequences (see page 42)

Each Access Plans shareholder generally will recognize any gain and loss realized on the exchange of each share of Access Plans common stock for the Per Share Merger Consideration in an amount by which the Per Share Merger Consideration exceeds or is less than the adjusted tax basis of the share exchanged. Tax matters are complicated, and the tax consequences of the Merger to each holder of Access Plans common stock will depend on the shareholder's particular facts and circumstances. Access Plans shareholders should consult their tax advisors with respect to the federal, state, local, foreign and other tax consequences to them of the Merger.

QUESTIONS AND ANSWERS ABOUT**THE MERGER AGREEMENT AND THE MERGER**

The following are some questions that you, as a shareholder of Access Plans, may have regarding the Merger Agreement and the Merger. For more detailed information about the matters discussed in these questions and answers, the remainder of this Information Statement should be read carefully because the information in this section does not provide all of the information that may be important to you with respect to the Merger Agreement and the Merger. Additional important information is also contained in the Annexes, which accompany this Information Statement.

Q: What is the proposed transaction?

A: The proposed transaction is the acquisition of Access Plans by Affinity pursuant to the Merger Agreement. Upon the terms and subject to the satisfaction or waiver of the conditions set forth in the Merger Agreement, Merger Sub will merge with and into Access Plans, with Access Plans being the surviving corporation and becoming a wholly-owned subsidiary of Affinity.

Q: What will I be entitled to receive if the transaction is completed?

A: Upon completion of the Merger, you will be entitled to receive, for each share of common stock that you own, unless you have properly exercised and not withdrawn your appraisal rights, an amount in cash, without interest, less any applicable withholding taxes, equal to the Per Share Merger Consideration. The anticipated Per Share Merger Consideration is subject to downward adjustment as set forth in the Merger Agreement, but is currently expected

Table of Contents

to be approximately \$3.30, which is \$0.51 more than the \$2.79 reported closing sale price as reported on the OTC Bulletin Board on February 24, 2012, the last trading day prior to the public announcement of the Merger Agreement.

Additionally, you may receive a contingent special cash dividend of up to \$0.10, without interest and less any applicable withholding taxes, for each share of our common stock you own on the record date of the dividend. Payment of the special dividend is contingent upon our net cash amount being at least \$15,025,000 at the time of the Merger. If we do not have enough cash on hand to pay the contingent special dividend in the amount of \$0.10 per share, we may pay a portion of that amount which would be calculated by dividing the excess, if any, of the net cash amount on hand over \$15,025,000 by the number of shares of common stock outstanding and shares underlying outstanding in-the-money stock options to determine the special dividend per share. There can be no assurance that the contingent special dividend will in fact be declared or paid.

Q: Did the Board approve and recommend the Merger Agreement?

A: Yes. The Board determined unanimously that it is in the best interests of Access Plans and its shareholders, and declared it advisable, to enter into the Merger Agreement. Accordingly, the Board approved the Merger Agreement and the transactions contemplated thereby, including the Merger, and recommended that Access Plans shareholders adopt the Merger Agreement.

Q: Have shareholders adopted the Merger Agreement and approved the Merger?

A: Yes. Shareholders holding 11,043,017 shares of Access Plans common stock have delivered written consents adopting the Merger Agreement and approving the Merger and those shares represent 54.9% of the issued and outstanding shares of Access Plans common stock. The shareholder consents were received at the offices of Access Plans on February 25 and February 26, 2012. No further action by any shareholder is required to adopt the Merger Agreement or approve the Merger.

Q: Will there be a meeting of Access Plans shareholders for the purpose of approval and adoption of the Merger Agreement?

A: No. Because Access Plans shareholders holding at least a majority of the outstanding shares of common stock have approved and adopted the Merger Agreement and the transactions contemplated thereby, including the Merger, a shareholder meeting will not be held for that purpose.

Q: Why am I receiving this Information Statement?

A: Applicable laws and securities regulations require us to provide you with notice that action has been taken by written consent, as well as other information regarding the Merger, even though your vote or consent will neither be required nor requested to authorize and adopt the Merger Agreement or complete the Merger. This Information Statement also constitutes notice to you of the availability of appraisal rights under Section 1091 of the Oklahoma General Corporation Act, and provides the notice to you required by Section 1073 of the Oklahoma General Corporation Act.

Table of Contents

Q: Should I send in my stock certificates now?

A: No. After the Merger is completed, you will be sent a letter of transmittal with related instructions, describing how you may exchange your shares for the Per Share Merger Consideration. If your shares are held in street name by your bank, brokerage firm or other nominee, you will receive instructions from your bank, brokerage firm or other nominee as to how to effect the surrender of your street name shares in exchange for the Per Share Merger Consideration.

Q: Am I entitled to exercise appraisal rights instead of receiving the Per Share Merger Consideration?

A: Yes. As a holder of common stock, you are entitled to appraisal rights under Section 1091 of the Oklahoma General Corporation Act, a copy of which is attached to this Information Statement as Annex C. Appraisal rights entitle you to receive the fair value of your shares as determined by the Oklahoma courts, provided that you comply with all applicable requirements and procedures.

In addition to the other information included in this information statement, including the matters addressed in Cautionary Statement Concerning Forward Looking Statements beginning on page 12, the following are risks presented by the Merger Agreement and the Merger and other transactions contemplated in the Merger Agreement. The risk factors associated with the businesses of Access Plans can be found in the Access Plans Annual Report on Form 10-K for the fiscal year ended September 30, 2011, as filed with the SEC, which accompanies this Information Statement. Risks Related to the Merger Agreement

Two executive officers of Access Plans have interests in the Merger that are different from, or in addition to, the interests of Access Plans shareholders.

Two of Access Plans' executive officers have financial interests in the Merger that are different from, or in addition to, their interests as Access Plans shareholders. The financial interests relate to the unvested stock option awards held by each of them, which will vest in connection with the Merger and be converted at the effective time into the right to receive the Per Share Merger Consideration, reduced by the respective exercise prices of those options.

Failure to complete the Merger could negatively impact the stock prices and future businesses and financial results of Access Plans.

If the Merger is not completed, the ongoing businesses of Access Plans may be adversely affected and Access Plans will be subject to several risks and consequences, including the following:

Access Plans may be required, under certain circumstances, to pay Affinity a termination fee of \$2.8 million under the Merger Agreement;

Access Plans may be required, under certain circumstances, to pay up to \$750,000 of certain out-of-pocket costs and expenses of Affinity relating to the Merger, whether or not the Merger is completed, including legal, accounting, financial advisor fees;

under the Merger Agreement, Access Plans is subject to certain restrictions on the conduct of its business prior to completing the Merger which may adversely affect its ability to execute certain of its business strategies; and

matters relating to the Merger have required substantial commitments of time and resources by Access Plans management, which could otherwise have been devoted to other opportunities that may have been beneficial to Access Plans.

In addition, if the Merger is not completed, Access Plans may experience negative reactions from the financial markets and from its customers and employees. Access Plans also could be subject to litigation related to any failure to complete the Merger or to enforcement proceedings commenced against Affinity or Access Plans to perform their respective obligations under the Merger Agreement. If the Merger is not completed, Access Plans cannot assure shareholders that the risks described above will not materialize and will not materially affect the business, financial results and stock price of Access Plans.

General

Each board of directors of Access Plans, Affinity and Merger Sub has approved the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger. Pursuant to the Merger Agreement, Merger Sub will merge with and into Access Plans at the effective time, with Access Plans continuing as the surviving corporation and a wholly-owned subsidiary of Affinity. Each share of Access Plans common stock outstanding as of the effective time of the Merger (other than treasury shares of Access Plans, shares of Access Plans common stock held by Affinity or any of Affinity's subsidiaries and shares of Access with respect to which appraisal rights are validly exercised), will be converted into the right to receive the Per Share Merger Consideration, upon the terms provided in the Merger Agreement and as described below under "The Merger Agreement" "Merger Consideration" beginning on page 52.

Background of the Merger

The following chronology summarizes the key meetings and events that led to Access Plans' signing of the Merger Agreement. In this process, the Board held many meetings, both telephonically and in person, regarding possible strategic alternatives. The chronology below covers only the key events leading up to the Merger Agreement and does not purport to catalogue every meeting held, telephonically or in person, among the Board and its advisors or between Access Plans and other parties.

As part of Access Plans' ongoing evaluation of its business, Access Plans' management meets periodically with members of its Board to discuss and review possible strategic directions. This evaluation includes Access Plans' financial performance, competitive position and strategic focus, as well as short-term and long-term opportunities and challenges of the business and operations of Access Plans and its respective divisions. Beginning in 2010, in light of Access Plans' financial performance and Access Plans' management and the Board's belief that the price of Access Plans common stock was undervalued, Access Plans' management and Board considered engaging an investment banking firm to assist in evaluating various strategic alternatives. These strategic alternatives included assessment of the benefits and merits of a variety of potential transactions including merger, consolidation, securities exchange, acquisition, joint venture, partnership, strategic alliance, and a "go private" transaction, as well as the disposition of one or more subsidiaries and divisions. In the third quarter of 2010, a member of the Board contacted Southwest Securities, and requested that Southwest Securities present a proposal for advising on potential strategic alternatives.

On September 9, 2010, senior management and a director of Access Plans met initially with representatives of Southwest Securities to discuss potential strategic alternatives. Representatives of Southwest Securities made a presentation to Access Plans' senior management and the Access Plans director describing the qualifications of Southwest Securities and its responsibilities and guidance relating to the exploration of potential strategic alternatives and the various potential issues related to a potential transaction involving a publicly held company.

Table of Contents

Following the initial meeting, Access Plans' senior management continued discussions with representatives of Southwest Securities. On September 15, 2010, a telephonic meeting was held in which management and representatives of Southwest Securities participated. During the telephonic meeting, Access Plans' senior management expressed an interest in further discussions to determine the appropriate course of action respecting strategic alternatives.

Access Plans' senior management and representatives of Southwest Securities met again on September 23, 2010. During this meeting, representatives of Southwest Securities provided Access Plans' senior management with materials that further addressed possible strategic and restructuring alternatives, including possible acquisitions, a secondary offering, a go-private transaction and a sale of Access Plans to a strategic or financial buyer. The materials outlined the potential favorable and unfavorable aspects of various strategic alternative transactions, and provided an illustrative process and timeline, as well as lists of potential acquisition targets and acquirors.

On October 27, 2010, the Board authorized and approved the engagement of Southwest Securities. Access Plans selected Southwest Securities based on Southwest Securities' qualifications, expertise and reputation. Southwest Securities is a nationally recognized investment banking firm that regularly engages in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive bids, secondary distributions of listed and unlisted securities, private placements, financial restructuring and other financial services. On November 10, 2010, Access Plans signed an engagement letter agreement with Southwest Securities to serve as Access Plans' exclusive financial advisor. Under the engagement letter, Southwest Securities' duties included the provision of investment banking and financial advisory services in connection with Access Plans' consideration of potential strategic alternatives.

On November 11, 2010, Access Plans publicly announced its intention to explore a broad range of strategic alternatives to enhance shareholder value, including a go-private transaction, securing additional capital resources for acquisition purposes either through the issuance of additional securities or indebtedness, or other transactions. Access Plans also announced it had retained Southwest Securities to serve as Access Plans' exclusive financial advisor to assist in these efforts. The closing sale price of Access Plans' common stock on November 10, 2010, the last trading day prior to such public announcement, was \$0.82 per share.

Over the course of several weeks, Access Plans' senior management and Southwest Securities representatives held several meetings to determine the appropriate course of action. On November 18, 2010, representatives of Southwest Securities met with Access Plans' senior management to discuss the engagement and to become more familiar with the financial and operating performance of Access Plans. Access Plans' senior management requested representatives of Southwest Securities to prepare for a potential auction process, pending approval by the Board, regarding the potential sale of Access Plans to a strategic or financial buyer. In response to Access Plans' request, Southwest Securities began preparation of a confidential information memorandum for that purpose.

Table of Contents

On December 14, 2010, representatives of Southwest Securities met with Access Plans' senior management to further develop Access Plans marketing materials and a list of potential acquirors.

On December 22, 2010, Southwest Securities engaged in a brief, introductory telephonic meeting with the principal shareholder of a potential public company acquiror, who we refer to as Company X, through an introduction by Robert Garces, a general business advisor to the Board. Mr. Garces is an employee of Access Plans, general advisor to the Board and has extensive experience in the discount medical card industry. During that meeting, Company X expressed general interest in acquiring Access Plans. On December 29, 2010, representatives of Southwest Securities and Company X had a follow-up telephonic meeting. Representatives of Company X expressed an interest in exploring the acquisition of Access Plans and willingness to execute a non-disclosure agreement in order to review certain non-public materials to be provided by Access Plans including a confidential information memorandum. On January 5, 2011, Access Plans and Company X entered into a non-disclosure agreement addressing Access Plans' provision of confidential and proprietary information to Company X for purposes of exploring the acquisition of Access Plans.

On January 12, 2011, representatives of Company X and representatives of Access Plans, including Danny Wright, Chairman and Chief Executive Officer, and Brett Wimberley, President and Chief Financial Officer, and representatives from Southwest Securities met and discussed Company X's potential interest in acquiring Access Plans. Messrs. Wright and Wimberley provided an overview of Access Plans' business operations and representatives of Company X provided an overview of Company X's business operations. Prior to the meeting, a draft of the confidential information memorandum was delivered to Company X.

On January 19, 2011, Company X submitted two separate due diligence information requests for the purpose of submitting a non-binding acquisition proposal. On January 24 and February 2, 2011, Access Plans provided certain due diligence information in response to Company X's due diligence information requests.

On February 7, 2011, Access Plans received a non-binding proposal letter from Company X, which we refer to as the February 7 letter. The February 7 letter proposed, among other things, (i) an acquisition equity value of approximately \$40.0 million for up to 100% of outstanding common stock of Access Plans, which equaled consideration of approximately \$2.00 per share of Access Plans common stock, (ii) the acquisition equity value would be paid in mixed consideration consisting of 50% in shares of Company X's common stock and 50% in cash and (iii) a closing date of 45 to 60 days from the date the February 7 letter was received by Access Plans.

On February 8, 2011, Access Plans directors, representatives of Southwest Securities and, a representative of Dunn, Swan & Cunningham (Dunn Swan), counsel to Access Plans, and Mr. Garces met. The Board chartered and formed its Corporate Development and Strategic Acquisition Committee, which we refer to as the special committee. Formation of the special committee was determined to be in the best interests of Access Plans and its shareholders,

particularly in the event any proposed acquisition transaction presented a potential conflict of interest with members of Access Plans management serving on the Board. Russell Cleveland, J. French Hill, Mark R. Kidd and Larry Gerdes, each an independent director, agreed to serve on the special committee. The special committee was authorized to review, evaluate, monitor, and advise the Board as the special committee deemed appropriate, and conduct the negotiation of the terms and conditions of any potential acquisition transaction. During the meeting, Messrs. Wright and Wimberley summarized the discussions and activities between Access Plans and Company X, including Company X's February 7 letter. There was significant discussion regarding a combination of Access Plans with Company X and the possibility of other combination transactions with other potential acquirers. Representatives of Southwest Securities identified several prospective companies and the Access Plans directors also contributed information relating to potential acquirers. The Board reviewed the rationale for the proposed transaction contemplated in Company X's February 7 letter, the implied valuation of Access Plans and other strategic alternatives available to the Access Plans. The discussion included consideration of ways to maximize shareholder value and the consequences of engaging in exclusive negotiations with Company X for a reasonable period as requested in the February 7 letter, versus conducting a full marketing process without an exclusivity agreement with Company X. After reviewing all information presented by Southwest Securities, the Board specifically discussed the benefits of a merger transaction with Company X. Based on that discussion, the Board instructed Southwest Securities to continue discussions with Company X to determine whether a higher equity value or purchase price could be obtained.

On February 11, 2011, after a discussion with representatives from Southwest Securities concerning the February 7 letter, Company X submitted a revised non-binding proposal, which we refer to as the February 11 letter. The February 11 letter proposed a potential acquisition of Access Plans by Company X for approximately \$55.0 million, equating to consideration of approximately \$2.66 per share of Access Plans common stock. Company X also assumed that Access Plans would achieve approximately \$8.5 million in earnings before interest, taxes, depreciation and amortization for the latest 12 month period at the time of the closing.

On February 14, 2011, representatives from Southwest Securities spoke with the principal shareholder of Company X concerning the latest non-binding proposal. The principal shareholder signaled flexibility on moving the valuation upward and expressed a desire to set up a meeting between Access Plans management and the chief executive officer and chief financial officer of Company X. The meeting would take place at Access Plans' offices in Irving, Texas. The principal shareholder of Company X also indicated that continued business due diligence would drive the final valuation and would allow Company X to provide a more definitive bid.

On February 23, 2011, Access Plans held a meeting in its Irving, Texas offices that included Access Plans management, a representative for the principal shareholder of Company X, the chief executive officer and chief financial officer of Company X, and representatives from Southwest Securities. Company X discussed why Access Plans was viewed as additive to Company X and discussed Company X's desire to move forward to negotiate a definitive agreement as soon as practicable. Access Plans' management presented historical and projected financial information, perceived growth opportunities and an overview of management to Company X.

Table of Contents

Access Plans received a revised non-binding proposal dated February 27, 2011 from Company X, which we refer to as the February 27 letter. The February 27 letter proposed a potential acquisition of Access Plans by Company X for approximately \$62.4 million, equating to consideration of approximately \$3.00 per share of Access Plans common stock, without any required minimum amount of earnings before interest, taxes, depreciation and amortization, as required in the February 11 Letter. Among other terms, the non-binding proposal included a 60-day restricted or exclusivity period preventing Access Plans from engaging in any discussions with third parties.

After clarification from Access Plans management concerning the specific number of shares of Access Plans common stock and common stock options outstanding, Company X submitted a third revised non-binding proposal dated March 1, 2011 from Company X, which we refer to as the March 1 letter. The March 1 letter proposed the acquisition of Access Plans by Company X for \$63.2 million, or approximately \$3.00 per share of Access Plans common stock, without any required minimum amount of earnings before interest, taxes, depreciation and amortization, as required in the February 11 Letter. The March 1 letter provided for mixed merger consideration of 50% cash and 50% stock of Company X, and Company X indicated a willingness to provide in the definitive agreement a go-shop period that would permit Access Plans to pursue alternative transactions under certain conditions following execution of definitive agreements. On March 2, 2011, a telephonic meeting of the Board was held to further review the rationale for an acquisition transaction, the implied valuation of Access Plans and the other strategic alternatives available to Access Plans. The directors of Access Plans unanimously approved Access Plans' continued discussions and negotiations with Company X and authorized the execution and delivery to Company X of the 60-day exclusivity period agreement that accompanied the March 1 letter. The exclusivity period agreement was delivered to Company X on March 7, 2011 and the 60-day period commenced on that date.

Over the course of the following three months (i) numerous meetings involving one or more of the Board members and Access Plans' senior management, representatives of Southwest Securities and Dunn Swan, and representatives of Company X occurred, (ii) due diligence information deliveries were made to Access Plans' virtual data room in accordance with Company X's requests, (iii) drafts of the definitive transaction agreements and other related transaction agreements were exchanged, (iv) the terms and conditions were negotiated, and (v) the exclusivity period was extended to May 13, 2011.

On May 26, 2011, a representative of the financial advisor to Company X telephonically informed representatives of Southwest Securities that Company X had determined that it was unlikely that Access Plans and Company X could reach an agreement on the terms and conditions of the proposed merger transaction and that Company X was terminating all further negotiations with Access Plans. The closing price of Access Plans common stock on May 26, 2011 was \$2.26 per share.

On May 27, 2011, the Board authorized Southwest Securities to pursue a broad process involving contact with multiple potential buyers in a two-step solicitation process of indications of interest followed by letters of intent. The Board was also presented an analysis by senior management of the justification for future consideration of the divestiture of Access Plans

Table of Contents

subsidiary, America's Health Care/Rx Plan Agency, which conducted Access Plans' insurance marketing operations and which we refer to as the insurance marketing division, to be considered as one of Access Plans' strategic alternatives. Senior management presented the following principal factors supporting the merits of the divestiture of the insurance marketing division:

changes in the insurance regulatory environment;

the insurance marketing division's strategic incompatibility with the other businesses and operations of Access Plans; and

limited or lack of historic profitability of the insurance marketing division.

Following discussion by the Board, no immediate action was taken respecting the insurance marketing division.

Between June 1 and July 20, 2011, Southwest Securities contacted 23 potential strategic buyers, including a subsidiary of Aon, and 94 potential financial buyers. Of these, six strategic buyers and 47 financial buyers signed non-disclosure agreements and requested further detailed information about Access Plans. Of these, Southwest Securities received ten written preliminary indications of interest with all cash acquisition values ranging from \$2.90 to \$4.29 per share of Access Plans common stock. Each indication of interest was subject to various conditions including: (i) further business, financial and legal due diligence; (ii) in the case of potential financial buyers, obtaining third-party debt financing; (iii) in the case of potential financial buyers, the rollover of equity or reinvestment in the acquiring entity of a substantial portion of the cash acquisition consideration to be received by certain executive officers and major shareholders of Access Plans; and (iv) various other financial assumptions, as well as the negotiation of a definitive acquisition agreement. Following receipt of the indications of interest, Southwest Securities, on behalf of the Board, continued to have discussions with three additional strategic buyers, including Affinity, although these strategic buyers had not submitted written indications of interest.

Access Plans directors, representatives of Southwest Securities, Dunn Swan and Mr. Garces met on August 3, 2011. The preliminary indications of interest of each bidder, the indicative share price and key underlying assumptions were reviewed. The Board, in consultation with Southwest Securities, Dunn Swan and Mr. Garces, discussed the potential opportunities and risks associated with each preliminary indication of interest and the relative merits of permitting the related potential buyers to conduct additional due diligence, analysis and investigation. Based on these discussions, the Board decided to invite nine potential financial buyers to participate in second round one-on-one meetings with Access Plans senior management during the period from August 4 through August 16, 2011. The Board also decided to continue discussions with the three strategic buyers, including Affinity. Furthermore, the Board amended and restated the charter of the special committee to delegate additional duties and responsibilities to the special committee. The amendments to the special committee charter were intended to specifically address the potential conflicts of interest presented by the preliminary indications of interest from financial buyers in which Access Plans' senior management serving on the Board would have a continuing equity ownership interest in the acquiring entity.

Table of Contents

During the period from July 21 through September 30, 2011, Southwest Securities and Access Plans' senior management engaged in numerous conversations with the three potential strategic buyers and the nine financial buyers participating in the second round review. On August 31 and September 1, 2011, each potential buyer was requested to confirm its previous indication of interest and to submit a letter of intent preliminarily setting forth the terms and conditions for its proposed acquisition of Access Plans.

During the period between September 14 and September 30, 2011, Access Plans received letters of intent from four potential buyers. Two of the letters of intent were submitted by financial buyers who previously submitted preliminary indications of interest and two of the letters of intent were submitted by strategic buyers, one of which was Affinity. The acquisition values in the letters of intent ranged from approximately \$2.83 to \$3.70 per share of Access Plans common stock and were preliminary and subject to various conditions. These conditions included: (i) continued, customary business and financial due diligence; (ii) in the case of the financial buyers, the ability to obtain a debt financing commitment from one or more financial institutions; (iii) in the case of the financial buyers, the rollover of equity or reinvestment in the acquiring entity of a substantial portion of the consideration to be received by certain Access Plans' senior management; (iv) the contract renewal of Access Plans' largest customer; and (v) the wind down or divestiture of Access Plans' insurance marketing division.

The non-binding letter of intent from Affinity was delivered on September 29, 2011, and set forth the proposed acquisition of the outstanding Access Plans common stock for a purchase price of up to \$59.8 million, assuming an Access Plans cash balance of \$14.3 million and no indebtedness at the closing of the proposed acquisition. Affinity also provided Access Plans with an exclusivity agreement providing that Access Plans would exclusively negotiate with Affinity for a period of 30 days from the date of the Affinity letter of intent. Affinity's proposed acquisition of Access Plans set forth in the letter of intent was also subject to various conditions, as outlined above. The closing price of Access Plans' common stock on September 29, 2011 was \$2.63 per share.

On September 30, 2011, after discussions with representatives from Southwest Securities, Affinity provided Southwest Securities with a revised non-binding letter of intent providing for a purchase price of up to \$74.5 million, equating to a purchase price of up to approximately \$3.50 per share of Access Plans common stock, assuming an Access Plans cash balance of \$14.0 million and no indebtedness at closing. Affinity also supplied Access Plans with an exclusivity agreement providing that Access Plans would exclusively negotiate with Affinity for a period of 30 days from the date of the Affinity letter of intent. Affinity's proposed acquisition of Access Plans set forth in the letter of intent was also subject to various conditions, as outlined above.

On October 4, 2011, the Access Plans special committee retained as its independent legal counsel Haynes and Boone LLP (Haynes and Boone) to advise the special committee. Haynes and Boone was engaged to advise regarding those acquisition proposals from financial buyers in which potential conflicts of interest arose due to Access Plans' senior management who also served on the Board acquiring an equity ownership interest in the acquiring entity.

Table of Contents

On October 6, 2011, the Board, including the members of the special committee, together with representatives of Southwest Securities, Dunn Swan and Haynes and Boone, and Mr. Garces, met to review each of the letters of intent including the identities of each bidder, the per share acquisition price and the key underlying assumptions. The potential opportunities and risks associated with each letter of intent were discussed and considered, including the offered price per share of Access Plans common stock, financing contingencies, estimated period to complete the transaction, and required reinvestment in the acquirer of a substantial portion of the transaction consideration by Access Plans executive officers. Representatives from Southwest Securities provided a detailed overview of the process in the preceding months, including the number of prospective strategic and financial buyers who were contacted, the resulting meetings, the initial bids and the subsequent letters of intent. Thereafter, the Board, including members of the special committee, allowed members of Access Plans management, including Messrs. Wright and Wimberley, who are also significant Access Plans shareholders, the opportunity to express their views on the letters of intent. Messrs. Wright and Wimberley expressed concern over the acquisition proposal provided by each of the financial buyers that was contingent upon (i) the acquiring entity obtaining significant debt financing commitments in order to accomplish the funding of the proposed acquisition transaction and (ii) in each case, requiring a significant rollover of equity or reinvestment in the acquiring entity of a substantial amount of the acquisition consideration to be received by Access Plans senior management, including Messrs. Wright and Wimberley. Messrs. Wright and Wimberley specifically were concerned about the risks presented by the financial buyers proposals related to (i) burdening the acquiring entity with substantial indebtedness, (ii) the ability or inability of the acquiring entity to obtain the required acquisition debt financing, without which a private equity firm could not close the proposed transaction, and (iii) the impact that the acquisition debt might have on the ongoing acquiring entity's financial operating performance. After discussion with Access Plans senior management and the Board, the Board meeting was adjourned. Subsequently, members of the special committee met with, representatives of Southwest Securities, Dunn Swan, and Haynes and Boone and discussed the letters of intent. After further discussion and analysis, the special committee concluded that, based upon the prior discussion with the other members of the Board, the unwillingness, in the case of a transaction with a financial buyer, of Messrs. Wright and Wimberley and Susan Matthews, each of whom is an executive officer and a significant Access Plans shareholder, to rollover or reinvest in the acquirer a substantial portion of the consideration they would receive in the transaction and the estimated period to complete the other proposed transactions, the terms and conditions of Affinity's proposed offer set forth in Affinity's letter of intent were superior to the other letters of intent received by Access Plans and in the best interest of Access Plans and its shareholders. The special committee unanimously approved a motion recommending that the Board authorize Access Plans to enter into a 30-day exclusivity agreement with Affinity providing that Access Plans would exclusively negotiate with Affinity in order to negotiate more definitive terms and conditions of the Affinity proposed acquisition transaction. At the conclusion of the special committee meeting, the Board reconvened and unanimously adopted the recommendation of the special committee and authorized Access Plans to enter into Affinity's proposed 30-day exclusivity agreement, which was delivered to Affinity on October 10, 2011. On October 7, 2011, the closing sale of the Access Plans common stock was \$2.62 per share.

Table of Contents

Commencing October 7, 2011 and continuing over the course of the next few weeks, Affinity and its representatives and advisors were provided access to the Access Plans confidential virtual data room to facilitate Affinity's due diligence requests.

The Access Plans directors, including members of the special committee, representatives of Southwest Securities, Dunn Swan, and Haynes and Boone, and Mr. Garces met on November 3, 2011. The special committee was provided an update on Affinity's due diligence efforts and the likelihood of adhering to the agreed upon timeline. Representatives of Southwest Securities reaffirmed that they believed that Affinity was committed to continued due diligence in order to confirm a purchase price of up to \$3.50 per share of Access Plans common stock. Representatives of Southwest Securities also expressed their belief that a request from Affinity for an extension of the exclusivity period was likely.

On or about November 10, 2011, Access Plans received a letter from Affinity requesting an extension of the exclusivity period until November 23, 2011. The letter stated that an extension of the exclusivity period would allow Affinity to continue with due diligence regarding certain open issues including (i) the insurance marketing division wind-down or divestiture, (ii) the transfer to a third party of Access Plans underwriting activities and (iii) the possible transfer to a third party of certain of Access Plans' administrative services. Access Plans did not sign Affinity's letter requesting extension of the exclusivity period, but considered the exclusivity period to have been extended for purposes of ongoing negotiations with Affinity.

On December 2, 2011, Affinity submitted to Access Plans a revised, non-binding letter of intent, which we refer to as the December 2 letter, detailing an offer with a purchase price of up to \$66.6 million, equating to a purchase of up to approximately \$3.14 per share of Access Plans common stock, assuming a cash balance of \$14.1 million and no debt at closing, and included a "true up" mechanism that would adjust the preliminary offer of \$3.14 per share based on the "net cash" position of Access Plans at the time of closing. The December 2 letter was subject to various business, financial and due diligence conditions, including the requirement that Access Plans divest its insurance marketing division prior to closing of the merger. The December 2 letter did not mention specific reasons explaining the reduction of the formerly proposed purchase price of up to \$3.50 per share of Access Plans common stock. Following submission of the December 2 letter, Affinity informed representatives of Southwest Securities that Affinity was only willing to negotiate a higher valuation based upon Access Plans' justification of its forecasted operating results. A meeting to discuss Access Plans' forecast, as well as Affinity's assumptions behind its reduced purchase price, was tentatively scheduled, pending authorization by the Board.

Members of the special committee, together with the other Access Plans directors, representatives of Southwest Securities, Dunn Swan and Haynes and Boone met telephonically on December 6, 2011 for an update and consideration of Affinity's December 2 letter. A due diligence progress report was provided and the parties were advised of a proposed meeting with representatives of Affinity to take place on December 7. The other letters of intent were reviewed and compared to the terms and conditions of Affinity's December 2 letter. Furthermore, there was a discussion comparing Affinity's acquisition offer to the publicly-

available financial terms of precedent acquisition transactions generally comparable to Affinity's acquisition offer. The Board approved the meeting between Access Plans and representatives of Affinity to discuss Affinity's reasons for the reduced purchase price offered in the December 2 letter and to negotiate an increase in the offered purchase price. Because Affinity's acquisition offer did not give rise to the potential conflicts of interest that characterized the acquisition offers of the financial buyers, the Board thereafter assumed responsibility for the evaluation and negotiation of Affinity's acquisition offer.

On December 7, 2011, members of Access Plans management, and representatives of Affinity and representatives of Southwest Securities met and discussed Access Plans' financial forecasts, and further negotiated the proposed purchase price of the Access Plans common stock. Affinity orally agreed to an increased purchase price of \$3.26 per share of Access Plans common stock with the requirement of cash in excess of \$13.5 million upon closing of the transaction.

Members of the Board, representatives of Southwest Securities and Haynes and Boone and Mr. Garces met telephonically on December 8, 2011. Senior management and the representatives of Southwest Securities discussed the December 7 meeting with Affinity and the resulting increased offer from Affinity. The Board was presented with an overview of the financial analysis presentation of Affinity at the December 7 meeting, which included financial forecasts that were lower than those presented earlier to Affinity by Access Plans. A representative of Southwest Securities informed the Board that, during the December 7 meeting, Affinity stated that, based on its analysis, it was not able to validate the financial forecasts provided by Access Plans. The Board discussed Access Plans' financial forecast and the difficulties with substantiating the future opportunities that were part of Access Plans' financial forecast.

The Board once again reviewed the other letters of intent from strategic and financial buyers received in September 2011 and the relative strengths of those bids. Messrs. Wright and Wimberley informed the Board that after having participated in the process with all the financial buyers and learning more about how each would structure Access Plans' future operations, in contrast with a strategic buyer such as Affinity, they and Ms. Matthews were not interested in pursuing a transaction that required them to rollover or reinvest a substantial amount of their transaction proceeds in a business that would be significantly leveraged. They indicated that based on discussions with the financial buyers making bids and representatives of Southwest Securities, Messrs. Wright and Wimberley did not believe that those potential financial buyers would be willing to reduce the required rollover of equity or reinvestment or reduce the projected debt level. Of the two strategic buyers that submitted letters of intent, the Board concluded that Affinity's offer, as set forth in its letter of intent, was the best offer received, as the offer provided for a firm cash amount per share of Access Plans common stock and was not subject to any extraordinary contingency, such as the need to obtain capital resources. Affinity had also substantially completed its due diligence. Conversely, while the other strategic buyer's offer was for a purchase price of \$3.25 to \$3.50 per share, the price was subject to final determination based upon further due diligence, which the Board was concerned could potentially result in a lowering of the purchase price. The other strategic buyer's offer was also contingent upon that buyer successfully completing an initial public offering of its securities prior to closing the proposed acquisition of Access Plans. This contingency, in the judgment of the Board, presented a significant risk that the proposed acquisition transaction by that buyer would not be completed or, if completed, a substantial period of time would pass before the acquisition of Access Plans could be completed.

Table of Contents

Based on the foregoing and after further discussion and analysis, the Board concluded that the Affinity offer remained preferable to the offers from the other potential buyers. The Board authorized further discussions with Affinity to determine whether Affinity would increase its price from the December 7 offer of \$3.26 per share to at least \$3.30 per share of Access Plans common stock. In addition, as an incentive for the increase in the per share price, the Board authorized Access Plans to agree to having cash in excess of \$15.0 million upon closing of the transaction, which was higher than the projected \$13.5 million cash amount previously projected by management and orally agreed by Affinity at the December 7 meeting. A representative of Southwest Securities then contacted Affinity to negotiate a higher price, consistent with the Board's authorization.

On December 13, 2011 Affinity delivered to Access Plans a revised letter of intent, which increased the purchase price to up to \$70.102 million, equating to a purchase price of up to \$3.30 per share of Access Plans common stock, assuming a cash balance of \$15.0 million and no debt at closing of the Merger, and included a true up mechanism that would adjust the purchase price based on the net cash position of the Access Plans at the time of closing. The revised letter of intent also provided for an exclusivity period that extended to March 31, 2012. On December 14, 2011, Access Plans executed and delivered to Affinity the revised letter of intent.

From December 14, 2011 until the execution of the Merger Agreement on February 24, 2012, Access Plans and Affinity and their respective representatives and legal and financial advisors regularly met telephonically, exchanged numerous drafts of the Merger Agreement and other transaction documents, and engaged in negotiations concerning the terms of the Merger Agreement and other transaction documents. Also, Affinity continued to conduct its due diligence during that period.

On February 7, 2012, Access Plans held its regularly scheduled Board meeting, which was attended by a representative of Dunn Swan, and two advisory directors, Robert Garces and Thomas Kiser. Mr. Kiser is an employee of Access Plans, general advisor to the Board, and has extensive experience in the discount medical card industry. Each of Messrs. Garces and Kiser has served in the capacity as an advisory director since 2007. Mr. Denison, Access Plans' Executive Vice President and General Counsel, briefly reviewed with the Board the terms of the January 27, 2012 draft of the proposed Merger Agreement and the other related transaction documents. A representative of Southwest Securities, who had joined the Board meeting following discussion of agenda items that did not relate to the proposed transaction with Affinity, indicated that negotiation of the terms of the Merger Agreement was satisfactorily progressing. The Board discussed a number of the provisions of the Merger Agreement. The Board indicated that it was satisfied with the negotiation progress and instructed Access Plans' management to continue negotiation of the definitive terms of the Merger Agreement. The Board requested that Southwest Securities be in a position to render its fairness opinion at the next Board meeting scheduled for February 20, 2012.

Furthermore, the Board was updated regarding negotiation of the terms and conditions of the proposed stock purchase agreement related to the sale of Access Plans' subsidiary, America's Health Care/Rx Plan Agency, Inc., to Reliant Financial Group LLC and the financial impact of the sale.

On February 20, 2012, Access Plans held a telephonic Board meeting, which was attended by representatives of Southwest Securities and Dunn Swan, and the two advisory directors. The representatives and Mr. Denison reviewed with the Board the terms of the February 16, 2012 draft of the proposed Merger Agreement and the other related transaction documents. Senior management and the representatives of Southwest Securities updated the directors on the status of the Merger Agreement and the other transaction agreements and the related negotiations. Representatives of Southwest Securities then delivered to the Board the oral opinion of Southwest Securities (which was subsequently confirmed in writing) that the proposed Per Share Merger Consideration payable pursuant to the Merger Agreement was fair, from a financial point of view, to the holders of Access Plans common stock (other than the shares of Access Plans common stock owned by Affinity, Merger Sub or Access Plans, or any wholly-owned subsidiary of Affinity or Access Plans, and other than shares as to which any appraisal rights are properly exercised). Following the delivery of Southwest Securities' oral opinion, the Access Plans executive officers and directors expressed a willingness to execute and deliver to Access Plans written consents representing majority shareholder approval and adoption of the Merger Agreement as a shareholder approval alternative as contemplated in the Merger Agreement. Thereafter, the Board unanimously determined that the Merger Agreement and Merger and other the transactions contemplated in the Merger Agreement were advisable and fair to, and in the best interests of, Access Plans and its shareholders, approved the Merger Agreement and the Merger and the other transactions contemplated in the Merger Agreement, and resolved to recommend that the Access Plans shareholders vote in favor of approval and the adoption of the Merger Agreement and the Merger contemplated in the Merger Agreement.

During the period from February 20, 2012 to February 24, 2012, Access Plans and Affinity continued to negotiate the terms of the Merger Agreement.

On February 24, 2012, a special telephonic meeting of the Board (including members of the special committee) was held and attended by a representative of Dunn Swan. The representative and Mr. Denison reviewed with the Board the terms of the proposed Merger Agreement and the other related transaction agreements and documents, as modified since the February 16, 2012 draft. Thereafter, the Board (including members of the special committee) unanimously approved, ratified and adopted the Merger Agreement and Merger and other the transactions contemplated in the Merger Agreement on the basis that the Merger Agreement was advisable and fair to, and in the best interests of, the Access Plans and its shareholders, subject to certain modifications that were believed to be not material.

Later in the evening of February 24, 2012, Access Plans and Affinity executed the Merger Agreement.

Recommendation of the Board and Its Reasons for the Merger

The Board believes that the Merger Agreement and the transactions contemplated in the Merger Agreement, including the Merger, are advisable and in the best interests of Access Plans and its shareholders. Accordingly, the Board unanimously approved, ratified and adopted the

Merger Agreement and the transactions contemplated in the Merger Agreement and unanimously recommended that Access Plans shareholders approve and adopt the Merger Agreement and the transactions contemplated in the Merger Agreement, including the Merger.

As described above under "The Merger," Background of the Merger, the Board, prior to and in reaching its decision at a meeting on February 20, 2012 to approve the Merger Agreement and the transactions contemplated thereby, including the Merger, which approval was reaffirmed on February 24, 2012, consulted with Access Plans' senior management, directors and financial and legal advisors, reviewed publicly available information relating to Affinity and its business and operations, and considered a variety of factors weighing positively in favor of the Merger, including the following:

the value to be received by holders of Access Plans common stock in the Merger, including the fact that, based on the closing price of Access Plans common stock on February 23, 2012 (the last trading day preceding the meeting of the Board), the Per Share Merger Consideration of up to \$3.30 represented a premium of 18.3% based on the closing stock price of \$2.79 per share of common stock on February 23, 2012, a premium of approximately 23.3% based on the \$2.65 average price of Access Plans common stock for the 30-trading-day period ended February 23, 2012, and a premium of approximately 302.4% to the closing price of \$0.82 on November 10, 2010, the last trading day preceding our public announcement of our intention to explore strategic alternatives;

the fact that the Per Share Merger Consideration is payable in cash and thus provides immediate liquidity that cannot be easily obtained given the current limited trading market of the Access Plans common stock;

the Board's analysis, with the assistance of Southwest Securities, of other strategic alternatives for Access Plans, including continued growth as an independent company and the potential to acquire, be acquired or combine with other third parties;

the risk-adjusted probabilities associated with achieving Access Plans' long-term strategic plan as a standalone company in light of current economic and market conditions generally and the concentration of revenues (accentuated by the sale of Access Plans insurance marketing division) in a single client, the slowing of revenue growth as certain legacy business has begun a run-off phase, the potential increased competition in its core businesses, and their potential impact on Access Plans' market value, as compared to the relative certainty afforded to Access Plans shareholders by the opportunity to receive the Per Share Merger Consideration;

the Board's belief that entering into the Merger Agreement affords the best opportunity to maximize value for Access Plans shareholders compared to other acquisition alternatives previously considered by the Board;

Table of Contents

the Board's belief that the terms of the Merger Agreement, including the parties' representations, warranties and covenants and the conditions to their respective obligations, are fair and reasonable;

the Board's belief that the terms of the Merger Agreement, taken as a whole, provide a significant degree of certainty that the Merger will be completed, including (i) the conditions required to be satisfied prior to completion of the Merger, (ii) no financing condition, and (iii) the limited circumstances in which Affinity may terminate the Merger Agreement;

the fact that Access Plans' executive officers and directors had prior to signing the Merger Agreement, indicated a willingness to execute and deliver to Access Plans written consents representing majority shareholder approval and adoption of the Merger Agreement;

the fact that those Access Plans shareholders who did not execute and deliver the written consents will have the right to demand appraisal of the fair value of their share of Access Plans common stock under the OGCA, subject to the provisions of the Merger Agreement; and

the written opinion of Southwest Securities, dated February 20, 2012, to the effect that, as of that date and based on and subject to the matters described in the opinion, the Per Share Merger Consideration was fair, from a financial point of view, to holders of shares of Access Plans common stock (other than shares of Access Plans common stock owned by Affinity or Access Plans or Merger Sub, or any wholly-owned subsidiary of Affinity or Access Plans; or as to which the holder properly exercises appraisal rights). The full text of the written opinion of Southwest, which describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken, is attached as Annex B hereto and is incorporated by reference in its entirety into this Information Statement. A discussion of the presentation and opinion of Southwest Securities appears in the section below entitled "Opinion of Financial Advisor."

In addition to these factors, the Board also considered the potential adverse impact of other factors weighing negatively against the Merger, including, without limitation, the following:

the fact that the Merger might not be completed in a timely manner or at all in the event of a failure of any conditions to closing;

the risks and substantial costs to Access Plans if the Merger is not completed, including the diversion of management and employee attention, and the potential adverse effect on Access Plans' customer and other commercial relationships, including the continued development of those relationships;

Table of Contents

the fact that some of Access Plans' directors and executive officers may have interests in the Merger that are different from, or in addition to, those of other Access Plans shareholders generally, including certain interests arising from the employment and compensation arrangements of Access Plans' executive officers, and the manner in which they would be affected by the Merger, as described more fully in the section below entitled "Interests of Access Plans' Directors and Executive Officers in the Merger" beginning on page 48;

the requirement that Access Plans pay to Affinity a termination fee in the amount of \$2.8 million and reimburse Affinity for its transaction expenses up to a total of \$750,000, in certain circumstances specified in the Merger Agreement, which the Board understood, while potentially having the effect of discouraging third parties from proposing a competing business combination transaction, were conditions to Affinity's willingness to enter into the Merger Agreement and were reasonable in light of, among other things, the anticipated benefits of the Merger to Access Plans shareholders; and

the fact that the receipt of the Per Share Merger Consideration would be a taxable transaction to Access Plans shareholders for U.S. federal income tax purposes.

The foregoing discussion of the factors considered by the Board is not intended to be exhaustive, but, rather, includes the material factors considered by the Board. In reaching its decision that the Merger Agreement and the Merger and other transactions contemplated thereby were advisable and in the best interests of Access Plans shareholders, and in approving the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, the Board did not quantify or assign any relative weights to the factors considered, and individual directors may have given different weights to different factors. The Board considered all these factors as a whole, including discussions with, and questioning of, Access Plans management, members of the special committee and Access Plans' financial and legal advisors, and overall considered the factors to be favorable to, and to support, its decision.

For the reasons set forth above, the Board unanimously determined that it was advisable and in the best interests of Access Plans shareholders for Access Plans to enter into the Merger Agreement and to consummate the Merger and other transactions contemplated thereby, approved the Merger Agreement, directed that in the absence of the ability to deliver to Affinity the shareholder consents constituting majority shareholder approval and adoption of Merger Agreement, the proposal to adopt the Merger Agreement be submitted to the Access Plans shareholders for approval and adoption in accordance with applicable law, and recommended that the Access Plans shareholders approve and adopt the Merger Agreement.

This explanation of Access Plans' reasons for the Merger and other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors described under "Cautionary Statement Concerning Forward-Looking Statements" beginning on page 12.

Opinion of Financial Advisor

Southwest Securities was retained to act as financial advisor to Access Plans in connection with the transactions described in this Information Statement. In connection with this engagement, Access Plans requested Southwest Securities to evaluate the fairness, from a financial point of view, to the holders of the common stock of Access Plans of the Per Share Merger Consideration payable pursuant to the Merger Agreement. On February 20, 2012, at a meeting of the Board, Southwest Securities rendered to the Board its oral opinion, which was confirmed by delivery of its written opinion dated as of February 20, 2012, to the effect that, as of that date and based on and subject to the matters described in its opinion, the Per Share Merger Consideration payable pursuant to the Merger Agreement was fair, from a financial point of view, to the holders of the Access Plans common stock (other than shares of Access Plans common stock owned by Affinity, Merger Sub or Access Plans, or any wholly-owned subsidiary of Affinity or Access Plans, and other than shares as to which any appraisal rights are properly exercised). In rendering its opinion, Southwest Securities did not assign any value to, or otherwise take account of, the Special Dividend that may be paid to Access Plans shareholders in accordance with the terms of the Merger Agreement.

Summary of Southwest Securities' Analyses

In preparing its opinion, Southwest Securities performed a variety of financial and comparative analyses. The preparation of a fairness opinion is a complex process involving various determinations as to the most appropriate and relevant quantitative and qualitative methods of financial analysis and the applications of those methods to the particular circumstances and, therefore, is not necessarily susceptible to partial analysis or summary description. Southwest Securities believes that its analyses must be considered as a whole. Considering any portion of Southwest Securities' analyses or the factors considered by Southwest Securities, without considering all analyses and factors, could create a misleading or incomplete view of the process underlying the conclusion expressed in Southwest Securities' opinion. In addition, Southwest Securities did not attribute any particular weight to any analysis, but instead made qualitative judgments about the significance and relevance of each such analysis so that the range of valuations resulting from any particular analysis described below should not be taken to be Southwest Securities' view of Access Plans' actual value. Accordingly, the conclusions reached by Southwest Securities are based on all analyses and factors taken as a whole and also on the application of Southwest Securities' own experience and judgment.

In performing the analyses, Southwest Securities necessarily took into consideration factors related to industry performance, general business, economic and regulatory conditions and other matters, many of which are beyond Access Plans' and Southwest Securities' control. The analyses performed by Southwest Securities are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than suggested by such analyses. In addition, analyses relating to the per share value of the Access Plans common stock do not purport to be appraisals or to reflect the prices at which the Access Plans common stock may actually be sold. The analyses performed were prepared solely as part of Southwest Securities' analysis of the fairness, from a financial point of view, of the proposed Per Share Merger Consideration to be received by holders of the Access Plans common stock pursuant to the Merger Agreement, and were provided to the Board in connection with the delivery of Southwest Securities' opinion.

The following is a summary of the material financial and comparative analyses performed by Southwest Securities in connection with Southwest Securities' delivery of its opinion. The financial analyses summarized below include information presented in tabular format. In order to fully understand Southwest Securities' financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data described below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Southwest Securities' financial analyses.

Comparable Company Analysis

Southwest Securities reviewed and analyzed certain financial information, public market valuation multiples and market trading data relating to six selected comparable publicly-traded customer loyalty/membership rewards or protection product providers. Southwest Securities then compared such information to the corresponding information for Access Plans. No company used in this analysis is identical to Access Plans. The selected group of comparable companies was as follows:

Groupe Aeroplan Inc. (d/b/a Aimia)

Assurant, Inc.

Interval Leisure Group, Inc.

Intersections Inc.

United Online, Inc.

World Acceptance Corporation

Although none of the selected customer loyalty/membership rewards providers or protection product providers is directly comparable to Access Plans, the companies included were chosen because they are publicly-traded companies in the customer loyalty/membership rewards or protection product industries with operations and/or business drivers that for the purposes of this analysis may be considered similar to the operations and business drivers of Access Plans. Criteria for selecting comparable companies included similar lines of business, markets of operation, customers and other business and financial considerations (*e.g.*, business drivers, business risk and financial performance).

In the analysis, Southwest Securities reviewed, among other things, enterprise values of the selected publicly-traded companies, calculated as equity values based on closing stock prices as of February 16, 2012, plus debt, minority interest and preferred stock, less cash, as a multiple of estimated revenues and EBITDA for the calendar years 2011 and 2012 (unless otherwise noted). Southwest Securities utilized revenues and EBITDA because the metrics are commonly used when evaluating companies in the customer loyalty/membership rewards and protection product industries. The estimated financial data of the selected publicly-traded companies were based on publicly available research analysts estimates, public filings and other publicly available information. Estimated financial data of Access Plans were based on actual results for calendar year 2011 and based on management's forecast estimate for the calendar year 2012 (excluding Access Plans' insurance marketing division, AHCP). The analysis yielded the following mean and median enterprise value/revenues and enterprise value/EBITDA multiples for the six selected customer loyalty/membership rewards providers and protection product providers, as compared to those of Access Plans based on both the closing price of the Access Plans common stock at February 16, 2012 and the Per Share Merger Consideration.

Southwest Securities also noted that the enterprise value/EBITDA multiple of Access Plans from January 1, 2007 to September 30, 2011 averaged 2.1x less than the average enterprise value/EBITDA multiple of the group of comparable companies used in the analysis.

Southwest Securities selected the companies reviewed in this analysis because, among other things, such companies operate similar businesses to Access Plans. However, no selected company is identical to Access Plans. Accordingly, Southwest Securities believes that purely quantitative analyses are not, in isolation, determinative in the context of the Merger and that qualitative judgments concerning differences between the business, financial and operating characteristics and prospects of Access Plans and the selected companies that could affect the public trading values of each also are relevant.

Additionally, Southwest Securities noted that in the course of Access Plans' valuation discussion with Affinity, Affinity took the position that Access Plans' fiscal year 2011 EBITDA should be reduced to reflect the elimination of EBITDA generated from certain legacy customers that are no longer actively marketing Access Plans' products. Accordingly, Affinity took the

Table of Contents

position that Access Plans' fiscal year 2011 EBITDA should be reduced from \$11.3 million (exclusive of its insurance marketing division (AHCP)) to \$9.8 million. Southwest Securities noted that on this basis, the Per Share Merger Consideration represented an enterprise value/EBITDA multiple of approximately 5.6x.

Selected Precedent Transactions Analysis

Using publicly available information, Southwest Securities examined financial information relating to the following 10 transactions of various transaction sizes, announced over the last seven years involving customer loyalty/membership rewards providers. These transactions were selected generally because they involve target companies with similar industry focus and business drivers to Access Plans. The announcement dates and transactions were as follows:

Date	Acquirer	Target

04/25/11	Epsilon Data Management, LLC	Aspen Marketing Service, Inc.
01/31/11	MidOcean Partners	Pre-Paid Legal Services, Inc.

03/20/06	Vista Group Holdings, LLC	Outlook Group Corporation
07/26/05	Apollo Management, L.P.	Affinion Group, Inc.

Southwest Securities reviewed transaction values, calculated as the enterprise value implied for the target company based on the consideration payable in the selected transaction, as a multiple of the target company's latest 12 months revenues and EBITDA. Financial data of the selected transactions were based on publicly available information at the time of announcement of the transaction. This analysis indicated the following multiple ranges:

No company, business or transaction used in this analysis is identical to Access Plans or the Merger. In addition, an evaluation of the results of this analysis is not entirely mathematical. This analysis involves considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the acquisition or other values of the companies, business segments or transactions to which Access Plans and the Merger were compared.

Discounted Cash Flow Analysis

Southwest Securities performed a discounted cash flow analysis of Access Plans, which is a valuation methodology used to derive a valuation of a company or asset by calculating the present value of estimated future cash flows of the company or asset. Future cash flows refers to projected unlevered free cash flows of the business. Southwest Securities' analysis did not take into account possible synergies that may be realized as a result of the Merger as part of this analysis. Present value refers to the current value of future cash flows or amounts and is obtained by discounting those future cash flows or amounts by a discount rate that takes into account macroeconomic assumptions and estimates of risk, the opportunity cost of capital, capital structure, income taxes, expected returns and other appropriate factors. Southwest Securities calculated the discounted cash flow value for Access Plans as the sum of the net present value of:

the estimated future cash flow that Access Plans (exclusive of its insurance marketing division) is annually projected to generate for the period of September 30, 2012 through September 30, 2016, and

the estimated value of Access Plans (exclusive of its insurance marketing division) at the end of such period, or terminal value.

The estimated future cash flow was based on management forecast estimates, which are set forth in more detail in the section below entitled Financial Forecasts beginning on page 73. For its calculations, Southwest Securities used discount rates ranging from 15.0% to 19.0%, reflecting an estimate of the weighted average cost of capital of Access Plans. The terminal value was calculated using various exit EBITDA multiples ranging from 3.5x to 5.5x. The exit EBITDA multiples for Access Plans were selected by Southwest Securities by reference to historical enterprise value/EBITDA trading multiples calculated for Access Plans, as well as the enterprise value/EBITDA trading multiples of the selected comparable publicly-traded customer loyalty/membership rewards providers and protection product providers that Southwest Securities, based on its professional judgment, deemed comparable to Access Plans for purposes of this analysis. The exit EBITDA multiples were then applied to estimated EBITDA for the projected fiscal year ended September 30, 2016.

Premiums Paid Analysis

Using publicly available information, Southwest Securities analyzed the premiums offered in (i) selected publicly-traded merger and acquisition transactions since January 1, 2005, having a transaction value in the range of \$25 million to \$500 million and (ii) transactions of various transaction sizes, announced since January 1, 2005, involving customer loyalty/membership rewards providers. For each of these transactions, Southwest Securities calculated the premium represented by the offer price over the target company's closing share price one day, one week and one month prior to the transaction's announcement. This analysis indicated the following premiums for those time periods prior to announcement:

General

The Per Share Merger Consideration was determined through negotiations between Access Plans and Affinity, and was approved by the Board. Southwest Securities' opinion was one of many factors taken into consideration by the Board in making its determination to approve the Merger and should not be considered determinative of the views of the Board or management with respect to the Merger or the Per Share Merger Consideration. Southwest Securities was selected by the Board based on Southwest Securities' qualifications, expertise and reputation. Southwest Securities is a nationally recognized investment banking and advisory firm. Southwest Securities, as part of its investment banking business, is regularly engaged in the valuation of businesses and securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements, financial restructurings and other financial services. In the ordinary course of business, Southwest Securities may, for its own account and the accounts of its customers, actively trade the securities of Access Plans and Affinity and, accordingly, may hold a long or short position in such securities. During the last two years, Southwest Securities has not provided investment banking services to Access Plans, Affinity, or their respective affiliates for which it received compensation.

Southwest Securities acted as financial advisor to the Board in connection with the Merger. Access Plans agreed to pay Southwest Securities an aggregate fee estimated to be approximately \$2.1 million primarily based on the transaction value, a portion of which was paid in connection with Southwest Securities rendering its opinion and a significant portion of which is contingent upon the completion of the Merger. In addition, Access Plans agreed to reimburse Southwest Securities' expenses and to indemnify it for certain liabilities that may arise out of the engagement.

Regulatory Approvals

Affinity and Access Plans have each agreed to use their reasonable best efforts to obtain all regulatory approvals required to complete the transactions contemplated by the Merger Agreement. Affinity and Access Plans are not aware of any material governmental approvals or actions that are required for completion of the Merger. It is presently contemplated that if any governmental approvals or actions are required, those approvals or actions will be sought. There can be no assurance, however, that any additionally required approvals or actions will be obtained.

Material United States Federal Income Tax Consequences

The following discussion is a summary of certain material U.S. federal income tax consequences of the Merger and the Special Dividend to U.S. holders (as defined below) of Access Plans common stock. This discussion is based on the Internal Revenue Code of 1986, as amended (the Code), applicable Treasury regulations promulgated thereunder, administrative rulings and judicial authorities, each as in effect as of the date of this Information Statement and all of which are subject to change at any time, possibly with retroactive effect. In addition, this discussion does not address any state, local or foreign tax consequences of the Merger or the Special Dividend.

This discussion addresses only U.S. holders of Access Plans common stock who hold their Access Plans common stock as a capital asset within the meaning of Section 1221 of the Code (generally, property held for investment). It does not address all aspects of U.S. federal income taxation that might be relevant to a particular U.S. holder of Access Plans common stock in light of the U.S. holder's individual circumstances or to a U.S. holder of Access Plans common stock that is subject to special treatment under U.S. federal income tax law, including, without limitation:

a bank, insurance company or other financial institution;

a tax-exempt organization;

a mutual fund;

a U.S. expatriate;

an entity or arrangement treated as a partnership or other pass-through entity for U.S. federal income tax purposes or an investor in such an entity;

a dealer in securities;

a person who holds Access Plans common stock as part of a hedge, straddle, constructive sale or conversion transaction;

a person who acquired its shares of Access Plans common stock pursuant to the exercise of employee stock options or otherwise in connection with the performance of services;

a person who has a functional currency other than the United States dollar;

a person liable for the alternative minimum tax;

a person who exercised dissenters' rights; and

a trader in securities who elects to apply a mark-to-market method of accounting.

Edgar Filing: Access Plans Inc - Form PRE 14C

For purposes of this discussion a U.S. holder is a beneficial holder of Access Plans common stock that, for U.S. federal income tax purposes, is: (i) an individual who is a citizen or resident of the United States, (ii) a corporation, or other entity taxable as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States, any state thereof or the District of Columbia, (iii) an estate, the income of which is subject to U.S. federal income taxation regardless of its source or (iv) a trust if (x) a court within the United States is able to exercise primary supervision over administration of the trust and one or more U.S. persons have the authority to control all of its substantial decisions or (y) in the case of a trust that was treated as a domestic trust under the law in effect before 1997, a valid election is in place under applicable U.S. Treasury regulations.

Table of Contents

This discussion does not address other U.S. federal tax consequences (including gift or estate taxes or alternative minimum taxes), or consequences under state, local or foreign tax laws, nor does it address certain tax reporting requirements that may be applicable with respect to the Merger or the Special Dividend.

If a partnership (or any other entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds Access Plans common stock, the tax treatment of a partner in the partnership will generally depend upon the status of the partner and the activities of the partnership. A partner in a partnership holding Access Plans common stock should consult its own tax advisors with respect to the consequences of the Merger and the Special Dividend.

U.S. holders should consult their tax advisors as to the specific tax consequences to them of the Merger and the Special Dividend in light of their particular circumstances, including the applicability and effect of U.S. federal, state, local and foreign income and other tax laws.

Tax Consequences of the Merger Generally

Based on facts, representations and assumptions set forth in its opinion, all of which must be consistent with the state of facts existing as of the effective time, it is the opinion of Dunn Swan & Cunningham, P.C., counsel to Access Plans, that the material U.S. federal income tax consequences to a U.S. holder of Access Plans common stock whose shares are exchanged in the Merger for the Per Share Merger Consideration generally will be as follows:

with respect to each share of Access Plans common stock exchanged in the Merger, a U.S. holder generally will recognize gain in the amount by which the Per Share Merger Consideration received by the U.S. holder exceeds the U.S. holder's tax basis in such share of Access Plans common stock owned by the U.S. holder; or

with respect to each share of Access Plans common stock exchanged in the Merger, a U.S. holder generally will recognize loss in the amount by which the U.S. holder's tax basis in such share of Access Plans common stock owned by the U.S. holder exceeds the Per Share Merger Consideration received by the U.S. holder.

Dunn Swan & Cunningham, P.C. will provide to Access Plans an additional written opinion, dated the date on which the effective time occurs, confirming its opinion as described above. Although not anticipated, as of the effective time of the Merger, the tax consequences to U.S. holders of Access Plans common stock could differ materially from those described herein. No ruling has been or will be sought from the Internal Revenue Service as to the U.S. federal income tax consequences of the Merger and an opinion of counsel is not binding on the Internal Revenue Service or any court. Accordingly, there can be no assurances that the Internal Revenue Service or a court would not disagree with or challenge any of the conclusions described herein.

Table of Contents

Taxation of Capital Gain or Loss

Any gain or loss recognized in respect of shares of Access Plans common stock held by a U.S. holder in connection with the Merger will be long-term capital gain or long-term capital loss, as may be applicable, if, as of the effective time, such shares of Access Plans common stock were held for more than one year. Otherwise, any gain or loss recognized in connection with the Merger will be short-term capital gain or short-term capital loss.

The excess of net long-term capital gains over net short-term capital losses is taxed at a lower rate than ordinary income for certain non-corporate taxpayers. The distinction between capital gain and loss and ordinary income or loss is also relevant for purposes of, among other things, limitations on the deductibility of capital losses. Net long-term capital gains of U.S. holders that are not corporations are eligible for preferential rates of taxation. The ability of U.S. holders to offset capital losses against ordinary income is limited.

Tax Consequences of the Special Dividend.

Although the tax treatment of the Special Dividend is not entirely clear, Access Plans intends to report the Special Dividend as a distribution with respect to its common stock for United States federal income tax purposes. The Internal Revenue Service may take the position that the Special Dividend is additional cash received in connection with the Merger, and to the extent it were to prevail, the amount of the Special Dividend would not be treated as a distribution as described in the succeeding paragraphs and would instead be treated as additional cash in exchange for the Access Plan's common stock, the tax treatment of which is discussed above in the section titled "Tax Consequences of the Merger Generally".

If the Special Dividend is treated as a distribution with respect to the Access Plan's common stock, the amount paid to U.S. holders will be characterized as dividend income to the extent paid out of Access Plan's current or accumulated earnings and profits (as determined for United States federal income tax purposes). Access Plans does not expect that the amount of the Special Dividend will exceed its current and accumulated earnings and profits.

Dividend income will be includible in each U.S. holder's gross income on the day received by such stockholder. This income generally will be taxed for U.S. federal income tax purposes to U.S. holders that are non-corporate taxpayers at the rates applicable to long-term capital gains, provided that a minimum holding period and other requirements are satisfied. Corporate U.S. holders of the Company's common stock may be entitled to a dividends-received deduction with respect to distributions treated as dividend income for United States federal income tax purposes, subject to limitations and conditions. In addition, U.S. holders of Access Plan's common stock should consult their tax advisors regarding the potential applicability of the extraordinary dividend provisions of the Code in light of their particular circumstances. If the Special Dividend were to exceed the Company's current and accumulated earnings and profits, the excess will be treated first as a return of capital that reduces a U.S. holder's tax basis in its common stock, and then as gain from the sale or exchange of Access Plan's common stock, the tax treatment of which is discussed above in the section titled "Tax Consequences of the Merger Generally".

Information Reporting and Backup Withholding

A non-corporate U.S. holder of Access Plans common stock may be subject to information reporting and backup withholding at a rate of 28% on payment of the Per Share Merger Consideration, unless the U.S. holder properly establishes an exemption or provides a correct taxpayer identification number, and otherwise complies with backup withholding rules. Any amounts withheld under the backup withholding rules are not an additional tax and may be allowed as a refund or credit against the U.S. holder's U.S. federal income tax liability, provided that the required information is timely furnished to the Internal Revenue Service.

Appraisal Rights

In connection with the Merger, record holders of Access Plans common stock who comply with the procedures summarized below will be entitled to appraisal rights if the Merger is completed. Under Section 1091 of the OGCA, which we refer to as Section 1091, holders of shares of Access Plans common stock with respect to which appraisal rights are properly demanded and perfected and not withdrawn or lost are entitled, in lieu of receiving the Per Share Merger Consideration, to have the fair value of their shares at the effective time of the Merger (exclusive of any element of value arising from the accomplishment or expectation of the Merger) judicially determined and paid to them in cash. Access Plans is required to send a notice to that effect to each shareholder not less than ten days prior to the effective date of the Merger. This Information Statement constitutes that notice to you.

The following is a brief summary of Section 1091, which sets forth the procedures for demanding statutory appraisal rights. This summary is qualified in its entirety by reference to Section 1091, the text of which is attached to this Information Statement as Annex C.

Shareholders of record who desire to exercise their appraisal rights must satisfy all of the following conditions:

A shareholder who desires to exercise appraisal rights must deliver a written demand for appraisal of the shareholder's shares to the offices of Access Plans within 20 days of the mailing of this Information Statement to you.

Access Plans shareholders who wish to exercise their appraisal rights and hold shares in the name of a broker or other nominee must instruct their nominees to take the steps necessary to enable them to demand appraisal for their shares.

A demand for appraisal must be executed by or for the shareholder of record, fully and correctly, as the shareholder's name appears on the certificates representing Access Plans shares. If shares are owned of record in a fiduciary capacity, including by a trustee, guardian or custodian, the demand must be executed by the fiduciary. If shares are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand must be executed by all joint owners. An authorized agent, including an agent of two or more joint owners, may execute the demand for appraisal for a shareholder of record; however, the agent must identify the record owner and expressly disclose that, in exercising the demand, the agent is acting as agent for the record owner. In addition, the shareholder must continuously hold the shares of record from the date of making the demand through the effective time of the Merger because appraisal rights will be lost if the shares are transferred prior to the effective time of the Merger.

Table of Contents

A record owner, like a broker, who holds shares as a nominee for others may exercise appraisal rights with respect to the shares held for all or less than all beneficial owners of shares as to which the holder is the record owner. In that case, the written demand must set forth the number of shares covered by the demand. Where the number of shares is not expressly stated, the demand will be presumed to cover all shares outstanding in the name of the record owner.

Beneficial owners who are not record owners and who intend to exercise appraisal rights should instruct the record owner to comply strictly with the statutory requirements with respect to the exercise of appraisal rights within 20 days of the mailing of this Information Statement. A beneficial owner of shares held in street name who desires appraisal rights with respect to those shares should take the actions as may be necessary to ensure that a timely and proper demand for appraisal is made by the record owner of the shares. Shares held through brokerage firms, banks and other financial institutions are frequently deposited with and held of record in the name of a nominee of a central security depository, including Cede & Co., The Depository Trust Company's nominee. Any beneficial owner of shares desiring appraisal rights with respect to those shares should instruct the firm, bank or institution that the demand for appraisal must be made by the record holder of the shares, which might be the nominee of a central security depository if the shares have been so deposited.

As required by Section 1091, a demand for appraisal must be in writing and must reasonably inform Access Plans of the identity of the record holder (which might be a nominee as described above) and of the holder's intention to seek appraisal of shares.

Shareholders of record who elect to demand appraisal of their shares must mail or deliver their written demand by mail to Access Plans, Inc., 900 36th Avenue, N.W., Suite 105, Norman, Oklahoma 73072, Attention: Corporate Secretary or by facsimile at (405) 928-2766. The written demand for appraisal should specify the shareholder's name and mailing address, the number of shares owned, and that the shareholder is demanding appraisal of his, her or its shares. The written demand must be received by Access Plans within 20 days of the mailing of this Information Statement.

Access Plans will notify each shareholder who has demanded appraisal in accordance with Section 1091 of the effective time of the Merger.

Within 120 days after the effective time of the Merger, either the surviving corporation in the Merger or any shareholder who has timely and properly demanded appraisal of the shareholder's shares and who has complied with the required conditions of Section 1091 and is otherwise entitled to appraisal rights may file a petition in district court demanding a determination of the fair value of the shares of all shareholders who have properly demanded appraisal. Within 120 days after the effective time, any shareholder who has complied with the requirements for exercise of appraisal rights will be entitled, upon written request, to receive from the surviving corporation a statement setting forth the aggregate number of shares with respect to which demands for appraisal have been received and the aggregate number of holders

Table of Contents

of those shares. The statement must be mailed within ten days after a written request therefor has been received by the surviving corporation or within ten days after the expiration of the period for delivery of demands for appraisal, whichever is later. Notwithstanding the foregoing, a person who is the beneficial owner of shares held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the surviving corporation the statement described in this paragraph.

If a petition for an appraisal is timely filed by a shareholder and a copy thereof is served upon the surviving corporation, the surviving corporation will then be obligated within 20 days to file with the district court a duly verified list containing the names and addresses of all shareholders who have demanded an appraisal of their shares and with whom agreements as to the value of their shares have not been reached. After notice to the shareholders as required by the court, the district court is empowered to conduct a hearing on the petition to determine those shareholders who have complied with Section 1091 and who have become entitled to appraisal rights thereunder. The district court may require the shareholders who demanded appraisal for their shares to submit their stock certificates, if any, to the court clerk for notation thereon of the pendency of the appraisal proceeding; and if any shareholder fails to comply with the direction, the district court may dismiss the proceedings as to the shareholder.

If a petition for an appraisal is timely filed, after a hearing on the petition, the district court will determine which shareholders are entitled to appraisal rights and thereafter will appraise the shares owned by those shareholders, determining the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with a fair rate of interest to be paid, if any, upon the amount determined to be the fair value. In determining fair value, the district court is to take into account all relevant factors.

Shareholders considering seeking appraisal should bear in mind that the fair value of their shares determined under Section 1091 could be more than, the same as, or less than the Per Share Merger Consideration they are entitled to receive pursuant to the Merger Agreement if they do not seek appraisal of their shares, and that opinions of investment banking firms as to fairness from a financial point of view are not necessarily opinions as to fair value under Section 1091.

The cost of the appraisal proceeding may be determined by the district court and imposed upon the parties as the district court deems equitable in the circumstances. Upon application of a shareholder seeking appraisal rights, the district court may order that all or a portion of the expenses incurred by a shareholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts, be charged pro rata against the value of all shares entitled to appraisal. In the absence of this determination of assessment, each party bears its own expenses.

From and after the effective time, no shareholder who has demanded appraisal rights shall be entitled to vote any shares subject thereto for any purpose or receive dividends or other distributions thereon (except dividends or other distributions payable to the shareholders of record at a date prior to the effective time of the Merger).

Table of Contents

Except as explained in the second to last sentence of this paragraph, at any time within 60 days after the effective time of the Merger, any shareholder who has demanded appraisal will have the right to withdraw the shareholder's demand for appraisal and to accept the Per Share Merger Consideration to which the shareholder is entitled pursuant to the Merger Agreement by delivering to the surviving corporation a written withdrawal of the demand for appraisal. After this period, the shareholder may withdraw the shareholder's demand for appraisal only with the written consent of the surviving corporation in the Merger. If no petition for appraisal is filed with the district court within 120 days after the effective time, shareholders' rights to appraisal will cease and all shareholders will be entitled only to receive the Per Share Merger Consideration as provided for in the Merger Agreement. Because the surviving corporation, as well as Affinity, has no obligation to file the petition, and have no present intention to do so, any shareholder who desires that a petition be filed is advised to file it on a timely basis. No petition timely filed in the district court demanding appraisal will be dismissed as to any shareholders without the approval of the district court, and that approval may be conditioned upon terms that the district court deems just. If the surviving corporation in the Merger does not approve a request to withdraw a demand for appraisal when that approval is required, or, except with respect to any shareholder who withdraws the shareholder's right to appraisal in accordance with the first sentence of this paragraph, if the district court does not approve the dismissal of an appraisal proceeding, the shareholder will be entitled to receive only the appraised value determined in the appraisal proceeding, which value could be less than, equal to or more than the Per Share Merger Consideration being paid pursuant to the Merger Agreement.

The foregoing is a brief summary of Section 1091 that sets forth the procedures for demanding statutory appraisal rights. This summary is qualified in its entirety by reference to Section 1091, the text of which is attached to this Information Statement as Annex C. Failure to comply with all the procedures set forth in Section 1091 will result in the loss of a shareholder's statutory appraisal rights.

Cessation of Quotation and Deregistration of Access Plans Common Stock

If the Merger is completed, Access Plans common stock will no longer be quoted on the OTC Bulletin Board and will be deregistered under the Exchange Act and Access Plans will no longer file periodic reports with the SEC.

Interests of Access Plans Directors and Executive Officers in the Merger

The directors and executive officers of Access Plans have interests in the transaction that are in addition to their interests as shareholders of Access Plans generally. The Board was aware of these interests and considered them, among other matters, in approving the Merger and in determining to recommend that Access Plans shareholders approve and adopt the Merger Agreement.

The following lists the each person who serves as an executive officer of Access Plans and the position that such person holds.

Table of Contents

Name	Position Held
Danny C. Wright	Chairman of the Board of Directors and Chief Executive Officer
Brett Wimberley	Director, President, Chief Financial Officer and Chief Operating Officer
Rita W. McKeown	Chief Accounting Officer and Treasurer
Eleanor S. Matthews	President, Benefit Marketing Solutions, LLC (a subsidiary)
Bradley W. Denison	Chief Operating Officer, General Counsel, and Secretary
David Huguelet	President, Retail Plans Division

The executive officers of Access Plans are entitled to receive additional payments and benefits upon the consummation of the Merger, other than in their capacities as Access Plans shareholders, as described in the section captioned "Treatment of Stock Options". As the holders of outstanding stock options exercisable for the purchase of Access Plans common stock for a purchase price, less than the Per Share Merger Consideration (the in-the-money options), Rita McKeown, David Huguelet and Bradley W. Denison will be entitled to receive the Per Share Merger Consideration, less the exercise price of each option. Messrs. Huguelet and Denison hold unvested in-the-money options of 40,000 and 375,000, respectively. Those unvested in-the-money options will become fully vested at the effective time of the Merger. Other than Ms. McKeown and Messrs. Huguelet and Denison, the Access Plans executive officers will not receive any additional payments or benefits upon consummation of the Merger.

Treatment of Stock Options

In connection with the Merger, all outstanding options to purchase Access Plans common stock for a purchase price less than the Per Share Merger Consideration (the in-the-money options), will be cancelled immediately prior to the effective time under the terms of the equity compensation plan governing such option, the applicable stock option award agreement, or the related award documents or other related agreements. Under the Merger Agreement, each stock option will be converted into the right to receive the Per Share Merger Consideration, less the exercise price of the stock option, and the Special Dividend. Affinity will make a capital contribution to the surviving corporation of an amount sufficient to pay the amounts payable to holders of the in-the-money options. The stock option awards that have an exercise price equal to or greater than the Per Share Merger Consideration will be cancelled.

Access Plans anticipates that, as of the effective time of the Merger, and taking into account the assumptions set forth in footnote 1 to the table below, Access Plans executive officers, in the aggregate, will hold 415,000 unvested and 313,999 vested Access Plans in-the-money options with an aggregate Per Share Merger Consideration value of up to \$983,550 and \$630,847, respectively, as set forth in the table below:

The actual value of the in-the-money options will differ based on the number of in-the-money options outstanding and the adjustments to the aggregate merger consideration as of the effective time of the Merger as described in the section captioned *The Merger Agreement Merger Consideration* beginning on page 52. Depending on when the Merger is completed, certain unvested in-the-money options shown as in the table may become vested in accordance with their terms without regard to the Merger.

For more information regarding the treatment of Access Plans stock options, see *The Merger Agreement Treatment of Stock Option* beginning on page 55.

Non-Executive Officer Directors of Access Plans

Non-executive officer members of the Board hold in-the-money options. At the effective time of the Merger, each outstanding in-the-money option awarded to non-executive officer members of the Board will be converted in the Merger into the right to receive the Per Share Merger Consideration, less the exercise price of each share of Access Plans common stock for which the in-the-money option is exercisable, and the Special Dividend.

Access Plans anticipates that at the effective time of the Merger, the non-executive members of the Board, in the aggregate, will hold 203,387 vested in-the-money options. The non-executive members of the Board do not hold any unvested stock options. On the effective time of the Merger, taking into account the assumptions set forth in footnote 1 to the table below, it is currently estimated that these vested in-the-money options held by the non-executive members of the Board will convert, at the effective time, into the right to receive, in the aggregate sum of \$685,327, as set forth in the following table:

Name of Non-Executive Director	In-The-Money Options		Aggregate Estimated Intrinsic Value

Indemnification of Access Plans Officers and Directors

Subject to applicable law, Affinity has agreed that it will or will cause the surviving corporation, for a period of six years following the effective time of the Merger, to maintain in effect the indemnification provisions of the certificate of incorporation and by-laws of Access Plans in effect as of the date of the Merger.

The Access Plans indemnification agreements with former and current directors and officers of Access Plans and its subsidiaries provide that in the event of a potential change in control of Access Plans, which will occur on the effective time of the Merger, Access Plans agreed, upon written request by the director or officer, to create a trust for the benefit of the director or officer, which we refer to as the indemnification trust. Access Plans agreed to fund the indemnification trust in a amount sufficient to satisfy any expenses and costs reasonably anticipated at the time of each director's or officer's request that may be incurred in connection with the investigation, preparation for and defense of any claim relating to an event for which the director or officer is entitled to indemnification under his or her indemnification agreement, including any judgments, fines, penalties and settlement amounts of any claims relating to the event. The amount or amounts to be deposited in the indemnification trust pursuant to Access Plans' funding obligation is to be determined by a majority vote of a quorum of Access Plans' independent directors, as defined in the agreement, with the advice of independent legal counsel. The amount of funding of any indemnification trust will be subtracted from the net cash amount for purposes of determining the Per Share Merger Consideration.

For additional information about the indemnification rights of Access Plans directors and executive officers under the Merger Agreement, see The Merger Agreement Other Covenants and Agreements beginning on page 65.

THE MERGER AGREEMENT

The following summary describes the material provisions of the Merger Agreement. The summary is qualified in its entirety by reference to the Merger Agreement, a copy of which is attached as Annex A to this Information Statement and is incorporated into this Information Statement by reference. You should read the Merger Agreement carefully in its entirety because it is the legal document governing the Merger.

The Merger Agreement and the following summary have been included to provide you

Table of Contents

with information regarding the terms of the Merger Agreement and the transaction described in this Information Statement. We do not intend for the text of the Merger Agreement to be a source of factual, business or operational information about Affinity or Access Plans. That information can be found elsewhere in this Information Statement and in the other public documents that Affinity and Access Plans file with the SEC. See *Additional Information Where You Can Find More Information* beginning on page 77.

Structure and Completion of the Merger

Pursuant to the Merger Agreement, Merger Sub, a wholly-owned subsidiary of Affinity, will merge with and into Access Plans, with Access Plans surviving the Merger as a wholly-owned subsidiary of Affinity.

The Merger will occur as soon as possible after the date upon which all of the conditions to completion of the Merger contained in the Merger Agreement (other than those conditions that are waived or by their nature are to be satisfied at the closing of the Merger) are satisfied or at such other date as Affinity, Merger Sub and Access Plans may agree (see *Conditions to Completion of the Merger* beginning on page 57). The Merger will become effective at the time that Access Plans and Merger Sub file the certificate of merger with the Secretary of State of the State of Oklahoma, or at such later time agreed to by the parties and specified in the certificate of merger, but not more than 30 calendar days after the date the certificate of merger is filed.

We currently expect that the Merger will be completed during the second calendar quarter of 2012 and not later than May 24, 2012.

Merger Consideration

Conversion of Shares

The Merger Agreement provides that, at the effective time, each share of Access Plans common stock issued and outstanding immediately prior to the effective time (other than treasury shares of Access Plans, shares of Access Plans common stock held by a wholly-owned subsidiary of Access Plans, shares of Access Plans common stock held by Affinity or any of Affinity's wholly-owned subsidiaries and shares with respect to which appraisal rights are validly exercised) will be converted into the right to receive an amount of cash with respect to each share of Access Plans common stock they hold. We refer to the amount of cash to be received for each share of Access Plans stock as the Per Share Merger Consideration. The total amount of the Per Share Merger Consideration, which we refer to as the Aggregate Merger Consideration, may decrease between the date of the Merger Agreement and the effective time based upon certain adjustment procedures and factors described under

Per Share Merger Consideration. Accordingly, the actual per share consideration to be paid to Access Plans shareholders cannot be determined until after the effective time.

Per Share Merger Consideration

The Merger Agreement provides that each share of Access Plans common stock will be converted into the right to receive the Per Share Merger Consideration in cash (rounded to two decimal places) without interest and the Special Dividend.

Table of Contents

The Per Share Merger Consideration will be an amount equal to the Aggregate Merger Consideration plus the exercise price of in-the-money options divided by the aggregate sum of the number of issued and outstanding Access Plans common stock shares and the number of in-the-money options. As of the date of this Information Statement, the aggregate number of outstanding shares of common stock and in-the-money options is 21,804,088.

The Aggregate Merger Consideration is \$70.102 million less the amount, if any, by which the net cash amount is less than \$15 million. For this purpose, net cash amount at the effective time of the Merger will be an amount equal to (i) the aggregate amount of cash and cash equivalents of Access Plans and its subsidiaries as of the effective time (other than any funds held by Access Plans transfer agent for payment of the Special Dividend) less (ii) the sum of (A) the aggregate principal amount of indebtedness of Access Plans and its subsidiaries and (B) all fees, costs, expenses, payments, expenditures or liabilities, which we refer to as the Access Plans expenses, whether incurred prior to, at or after the effective time of the Merger, and whether or not invoiced prior to that effective time, incurred by or on behalf of Access Plans or any of its subsidiaries, or to or for which Access Plans or any of its subsidiaries is or becomes subject or liable, in connection with any of the transactions contemplated by the Merger Agreement or the IM Purchase Agreement. The Access Plans expenses include:

expenses payable to legal counsel or to any financial advisor, broker, accountant or other person who performed services for or provided advice to Access Plans or any of its subsidiaries, or who is otherwise entitled to any compensation or payment from Access Plans or any of its subsidiaries, in connection with any of the transactions contemplated by the Merger Agreement or the IM Purchase Agreement;

expenses that arise or are expected to arise, or are triggered or become due or payable, as a direct or indirect result of the consummation of the transactions contemplated by the Merger Agreement, whether alone or in combination with any other event or circumstance which include (i) any amounts funded or requested to be funded to an indemnification trust for the benefit of an a former or current director or officer of Access Plans pursuant to his or her indemnification agreement with Access Plans or any of its subsidiaries or any of their respective predecessor entities, (ii) the fees and expenses of Access Plans transfer agent associated with the distribution of any Special Dividend declared by Access Plans as permitted by the Merger Agreement, and (iii) any bonus, severance or change of control payment or benefit (or similar payment obligation) made or provided, or required to be made or provided, by Access Plans or any of its subsidiaries; and

any social security, Medicare, unemployment or other employment, withholding or payroll tax or similar amount owed by Access Plans or any of its subsidiaries, in connection with any of the transactions contemplated by the Merger Agreement or the IM Purchase Agreement, including in connection with any exercise or cancellation of Access Plans outstanding stock option awards.

Table of Contents**Special Dividend**

Prior to the closing of the Merger, Access Plans may declare a one-time cash dividend of up to \$0.10 per share of Access Plans common stock then outstanding payable to Access Plans shareholders immediately prior to the closing (the Special Dividend). However, the Special Dividend is only permitted if (i) prior to the closing the full amount of the Special Dividend is paid to Access Plans transfer agent (for subsequent payment to the Access Plans shareholders) on terms and conditions acceptable to Affinity and (ii) the payment of the Special Dividend does not cause the net cash amount immediately prior to the effective time of the Merger to be less than \$15.025 million.

Illustrative Calculation

Set forth below is an illustration of the calculation of the Per Share Merger Consideration to which Access Plans shareholders would have the right to receive for each share of Access Plans common stock, other than those Access Plans shareholders perfecting the election of their appraisal rights, which assumes that the Special Dividend will not be paid to Access Plans shareholders. For purposes of calculation of the Per Share Merger Consideration as of the effective time, we further assume that:

the amount of cash and cash equivalents of Access Plans and its subsidiaries is \$17.2 million as of the effective time of the Merger;

the number of shares of outstanding Access Plans common stock is 19,927,204, which is the number of shares outstanding as of the date of the Merger Agreement;

the number of shares of Access Plans common stock for which the in-the-money options are exercisable is 1,876,884, for an aggregate exercise price of \$1,851,500, which is the number of shares subject to in-the-money options outstanding and the aggregate exercise price as of the date of the Merger Agreement;

Access Plans does not have any indebtedness; and

the deductions from the net cash amount are \$2.2 million.

Based upon these assumptions, the Per Share Merger Consideration would be \$3.30 in cash.

Treatment of Stock Options

In connection with the Merger, all outstanding stock options to purchase Access Plans common stock will be cancelled immediately prior to the effective time under the terms of the relevant equity compensation plan, or related award agreements or other documents. Under the Merger Agreement, each option to purchase Access Plans common stock granted under the Access Plans equity compensation plan that is outstanding and unexercised immediately prior to the effective time and having an exercise price less than the Per Share Merger Consideration, which we refer to as the in-the-money options, will be cancelled immediately prior to the effective time and converted at the effective time to the right to receive the Per Share Merger Consideration less the exercise price of the applicable stock option, and the Special Dividend. As of the date of this Information Statement, there would be 1,876,884 in-the-money options outstanding as of the effective time with an aggregate exercise amount of \$1,851,497. The Access Plans stock option awards having exercise prices equal to or exceeding the Per Share Merger Consideration will be cancelled at the effective time.

Manner and Procedure for Tendering Shares

The conversion of shares of Access Plans common stock into the right to receive the Per Share Merger Consideration will occur automatically at the effective time. Affinity has retained Computershare Inc., which we refer to as the exchange agent, as the exchange agent for the Merger to handle the exchange of shares of Access Plans common stock for the Per Share Merger Consideration.

Only those holders of Access Plans common stock who properly surrender their Access Plans common stock certificates in accordance with the exchange agent's instructions will receive the Per Share Merger Consideration.

After the effective time, each certificate representing shares of Access Plans common stock that has not been surrendered will represent only the right to receive upon surrender of that certificate the Per Share Merger Consideration. Following completion of the Merger, Access Plans will not register any transfers of Access Plans common stock outstanding on its stock transfer books prior to the Merger.

As soon as reasonably practicable after the effective time, the exchange agent will mail, to each record holder of shares of Access Plans common stock who has not previously properly surrendered their shares of Access Plans common stock to the exchange agent, a letter of

Table of Contents

transmittal (which will specify that the delivery will be effected, and risk of loss and title will pass, only upon proper delivery of such holder's certificates representing shares of Access Plans common stock) and instructions for surrendering the certificates representing shares of Access Plans common stock (or effective affidavits of loss in lieu thereof) or book-entry shares in exchange for the Per Share Merger Consideration. Upon surrender of certificates representing shares of Access Plans common stock (or effective affidavits of loss in lieu thereof) or book-entry shares, together with an executed letter of transmittal, to the exchange agent, the holder of those certificates will be entitled to receive the Per Share Merger Consideration. The surrendered certificates representing Access Plans common stock and book-entry shares of Access Plans common stock held by any Access Plans shareholder will each be cancelled.

Termination of Exchange Fund

Within 180 days after the final determination of the aggregate merger consideration, the exchange agent will be required to deliver to Affinity any cash remaining in the exchange fund. Thereafter, Access Plans shareholders must look only to Affinity for payment of the merger consideration on their shares of Access Plans common stock, subject to applicable law.

No Liability

None of Affinity, Access Plans, Merger Sub, the exchange agent or any other person will be liable to any person in respect of any cash from the exchange fund (including any undistributed portion of the exchange fund) delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

Appraisal Rights

Under Oklahoma law, Access Plans shareholders of record who do not vote in favor of the Merger will be entitled to seek appraisal rights and obtain payment in cash for the judicially determined fair value of their shares of Access Plans common stock in connection with the Merger, if the Merger is completed. This value could be more than, less than or the same as the merger consideration for Access Plans common stock. The relevant provisions of the OGCA are included as Annex C to this Information Statement. We encourage you to read these provisions carefully and in their entirety. Moreover, due to the complexity of the procedures for exercising the right to seek appraisal, Access Plans shareholders who are considering exercising appraisal rights are encouraged to seek the advice of legal counsel. Failure to strictly comply with these provisions will result in a loss of the right of appraisal.

Merely not having voting for or not having consented to the Merger will not preserve the right of Access Plans shareholders to appraisal of their shares of Access Plans common stock under Oklahoma law. Access Plans shareholders who wish to exercise their appraisal rights and hold shares in the name of a broker or other nominee must instruct their nominees to take the steps necessary to enable them to demand appraisal for their shares. See The Merger Appraisal Rights beginning on page 45.

the representations and warranties of Affinity and Merger Sub that (i) are qualified by materiality must be true and correct and (ii) are not so qualified must be true and correct in all material respects as of the date of the Merger Agreement and as of the effective time.

Affinity, Access Plans or Merger Sub may elect to waive certain of the foregoing conditions in accordance with the terms of the Merger Agreement and applicable law. If any condition to completion of the Merger is waived, Affinity and Access Plans will evaluate the materiality of that waiver to determine whether amendment of this Information Statement and redistribution of this Information Statement is necessary under applicable law.

Definitions of Material Adverse Effect, Subsidiary and Knowledge

Many of Access Plans' and Affinity's representations and warranties are qualified by a material adverse effect standard. For purposes of the Merger Agreement, material adverse effect, with respect to Access Plans or Affinity, is defined to mean any event, occurrence, fact, condition, change, development or effect that individually or when taken together with all other such events, occurrences, facts, conditions, changes, developments or effects is or could reasonably be expected to be materially adverse to the business, prospects, assets, liabilities (contingent or otherwise), condition (financial or otherwise) or results of operations of Affinity and its subsidiaries, taken as a whole, or Access Plans and its subsidiaries, taken as a whole. However, none of the events, changes, effects, developments, states of facts, conditions, circumstances or occurrences will be deemed to have a material adverse effect if they arise out of or result from (i) general economic or political conditions in the United States or (ii) the adoption, implementation, promulgation, repeal, modification or amendment, in each case after the date of the Merger Agreement, of any law, but only, in the case of (i) and (ii) above with respect to Access Plans, if Access Plans and its subsidiaries are not adversely affected in a disproportionate manner relative to other participants in the industries in which Access Plans and its subsidiaries operate.

For purposes of the Merger Agreement, subsidiary means any corporation, partnership, limited liability company, joint venture, trust, association or other entity of which Affinity or Access Plans (either alone or through or together with any other subsidiary), owns, directly or indirectly, 50% or more of the stock or other equity interests the holders of which are generally entitled to vote for the election of the board of directors or other governing body of the entity. In some cases, subsidiary with respect to Access Plans includes AHCP, which was sold by Access Plans on February 22, 2012. See Sale of America's Health Care/Rx Plan Agency, Inc. beginning on page 72.

Many of Access Plans' and Affinity's representations, warranties and covenants in the Merger Agreement, as well as certain conditions to completing the Merger, are qualified by knowledge of Access Plans or Affinity. For purposes of the Merger Agreement, knowledge of

Access Plans means the actual knowledge after reasonable inquiry of Brad Denison, Robert Hoeffner, David Huguelet, Susan Matthews, Brandon Vining, Lanai Williams, Brett Wimberley and Danny Wright and knowledge of Affinity means the actual knowledge after reasonable inquiry of Ernie Caponetti, Kevin Garvin and Bill Vit.

Non-Solicitation of Acquisition Proposals

Access Plans agreed that it will not and will not authorize or permit any of its subsidiaries and their respective officers, directors, employees, financial advisors, attorneys and other advisors and representatives to directly or indirectly:

solicit, initiate or knowingly facilitate, induce or encourage the submission of any acquisition proposal (as hereinafter defined) or any proposal, offer or inquiry that could reasonably be expected to lead to an acquisition proposal;

enter into, continue or otherwise participate in any discussions (other than to state that they are not permitted to have discussions) or negotiations with any person or group of person acting in concert, which we refer to as a third party, with respect to or in response to any acquisition proposal or any proposal, offer or inquiry that could reasonably be expected to lead to an acquisition proposal; or

furnish to any third party any information regarding Access Plans or any of its subsidiaries, or afford access to the its properties, books and records, in connection with or in response to any acquisition proposal or any proposal, offer or inquiry that could reasonably be expected to lead to an acquisition proposal.

An acquisition proposal means any proposal, offer or inquiry relating to:

any acquisition or purchase from Access Plans by any third party of 15% or more of the total outstanding Access Plans common stock and other voting securities or any of its subsidiaries;

any tender offer or exchange offer that if consummated would result in any third party beneficially owning 15% or more of the total outstanding Access Plans common stock and other voting securities or any of its subsidiaries;

any merger, consolidation, business combination, recapitalization or similar transaction involving Access Plans pursuant to which Access Plans shareholders immediately preceding that transaction would hold less than 85% of the outstanding voting securities of the surviving or resulting entity of that transaction in substantially the same proportion as prior to that transaction;

any sale, lease, exchange, transfer, license, acquisition or disposition of 15% or more of the assets (based on the fair market value thereof) of Access Plans or any of its subsidiaries; or

any liquidation or dissolution of Access Plans or any of its subsidiaries.

Amendment and Supplement of Information Statement

If, at any time prior to the effective time of the Merger, Affinity or Access Plans discovers any information relating to Access Plans, any of its subsidiaries or any of their respective officers or directors should be discovered by Affinity or Access Plans that should be set forth in an amendment or supplement to this Information Statement, then (i) either Affinity or Access Plans must promptly notify the other (ii) and, to the extent required by law, Access Plans must promptly file with the SEC and disseminate to the Access Plans shareholders an appropriate amendment or supplement to this Information Statement describing the discovered information. Furthermore, prior to filing or mailing the amendment or supplement to this Information Statement or responding to any comments of the SEC with respect to the amendment or supplement, Access Plans must (i) provide Affinity the reasonable opportunity to review and comment on the amendment or supplement or Access Plans' response to the SEC, (ii) consider in good faith all reasonable comments that Affinity proposes, (iii) on the date of any filing with the SEC, provide Affinity with a copy of the filing with the SEC and all responses delivered to the SEC, and (iv) obtain Affinity's consent, which will not be unreasonably withheld, conditioned or delayed.

Shareholder Approval and Adoption of the Merger Agreement

Promptly following the execution and delivery of the Merger Agreement, Access Plans was required to take all action necessary to seek and obtain, as soon as practicable, approval by written consent of the holders of at least a majority of the outstanding shares of Access Plans common stock and deliver to Affinity copies of such written consents, certified as true and complete by the secretary of Access Plans. If Access Plans failed to deliver the written consents to Affinity within one business day following execution of the Merger Agreement, Affinity had the right to terminate the Merger Agreement and was entitled to receive a termination fee of \$1.5 million and a reimbursement of out-of-pocket fees and expenses of up to \$750,000.

Efforts to Complete the Merger

Affinity and Access Plans have agreed to use their reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable laws to complete the transactions contemplated by the Merger Agreement, including the following:

the taking of all commercially reasonable acts necessary to cause the closing conditions of the Merger Agreement to be satisfied; and

the obtaining of all necessary actions or nonactions, waivers, consents, approvals, orders and authorizations from governmental entities and from persons other than governmental entities and the making of all necessary registrations, declarations and filings (including registrations, declarations and filings with governmental entities, if any) and the taking of all commercially reasonable steps as may be necessary to avoid any actions, suits, claims, demands, labor disputes or other litigation, legal, administrative or arbitration proceedings or governmental investigations by any governmental entity.

Table of Contents

Each of Affinity and Access Plans have agreed to use all reasonable best efforts to not take any action, or enter into any transaction, which would cause any of its representations or warranties contained in the Merger Agreement to be untrue or result in a breach of any covenant made by it in the Merger Agreement.

Restrictions on Conduct of Business Pending the Merger

Access Plans has agreed that, except as expressly permitted by the Merger Agreement, prior to the completion of the Merger, it will, and will cause each of its subsidiaries to, conduct its business in the ordinary course consistent with past practice and, to the extent consistent therewith, use reasonable best efforts to:

preserve intact its current business organization;

preserve its assets and properties in good repair and condition;

maintain its insurance policies in terms of coverage amounts, risks and losses;

maintain sufficient working capital;

keep available the services of its current officers and employees; and

preserve its relationships with customers, suppliers and others having business dealings with it to the end that its goodwill and ongoing business shall be unimpaired at the effective time of the Merger.

Access Plans also agreed to not take certain actions prior to the completion of the Merger without the written consent of Affinity unless the actions are contemplated or permitted by the Merger Agreement. In particular, Access Plans may not and may not permit any of its subsidiaries to:

declare, set aside or pay any dividends on, or make any other distributions in respect of, any of its capital stock, other than dividends and distributions by a direct or indirect wholly-owned subsidiary of Access Plans to its parent; however, prior to the closing, Access Plans may declare the Special Dividend;

split, combine or reclassify any of its capital stock or issue or authorize the issuance of any other securities in respect of, in lieu of or in substitution for shares of its capital stock;

Termination of the Merger Agreement

Termination by Affinity or Access Plans

The Merger Agreement may be terminated at any time prior to the completion of the effective time of the Merger by the mutual written consent of Affinity and Access Plans.

Also, either Affinity or Access Plans may terminate the Merger Agreement at any time prior to the completion of the Merger if:

the Merger is not completed on or before May 24, 2012, which we refer to as the end date, unless the party seeking to terminate the Merger Agreement failed to fulfill any of its obligations contained in the Merger Agreement has been the cause of, or resulted in, the failure of the Merger to have occurred on or prior to the end date; or

any court or other governmental entity having jurisdiction over Access Plans, Affinity or Merger Sub shall have issued a judgment, order, writ, award, injunction (temporary or permanent) or decree or enacted law or taken any other action permanently enjoining, restraining or otherwise prohibiting or having the effect of making illegal completion of the Merger and the judgment, order, writ, award, injunction (temporary or permanent) or decree, law or other action shall have become final and nonappealable.

In addition, if an acquisition proposal existed prior to the date of termination, Access Plans will become obligated to reimburse Affinity's out-of-pocket expenses of up to \$750,000. Further, if an acquisition proposal existed prior to the date of termination and, concurrently with or within 12 months after the date of termination, Access Plans consummates an acquisition proposal or Access Plans or any of its subsidiaries enters into any letter of intent, agreement in principle or other similar contract with respect to an acquisition proposal, Access Plans will become obligated to pay Affinity a \$2.8 million termination fee (solely for purposes of this provision, all percentages in the definition of acquisition proposal, which is described above under The Merger Agreement Non-Solicitation of Acquisition Proposals, are deemed to be changed to 50%).

Termination by Affinity

Affinity may terminate the Merger Agreement at any time prior to the completion of the Merger if:

there has been a breach of any representation, warranty, covenant or other agreement made by Access Plans, or any such representation or warranty becomes untrue after the date of the Merger Agreement, in each case such that the associated closing conditions would not be satisfied, and such breach or condition is not curable or, if curable, is not cured within 14 days after written notice of the breach is given by Affinity to Access Plans or, if less, the number of days remaining until the end date;

Table of Contents

Access Plans breaches its non-solicitation obligations (see The Merger Agreement Non-Solicitation of Acquisition Proposals beginning on page 60 or obligations related to this Information Statement (see The Merger Agreement Amendment and Supplement of Information Statement beginning on page 61); or

a tender offer or exchange offer for 15% or more of the outstanding shares of capital stock of Access Plans is commenced, and the Board fails to recommend against acceptance of such tender offer or exchange offer by the Access Plans shareholders, including by taking no position with respect to the acceptance of the tender offer or exchange offer by Access Plans shareholders.

In addition, if an acquisition proposal existed prior to the date of termination, Access Plans will become obligated to reimburse Affinity's out-of-pocket expenses of up to \$750,000. Affinity may also terminate the Merger Agreement if a material adverse change occurs with respect to Access Plans that is not curable or, if curable, is not cured within 10 days after written notice is given by Affinity to Access Plans.

Termination by Access Plans

Access Plans may terminate the Merger Agreement at any time prior to the completion of the Merger if there is a breach of any representation, warranty, covenant or other agreement made by Affinity or Merger Sub, or any such representation or warranty becomes untrue prior to the effective time of the Merger, in each case such that the associated closing conditions would not be satisfied and the breach or condition is not curable or, if curable, is not cured within 14 calendar days after written notice thereof is given by Access Plans to Affinity or, if less, the number of days remaining until the end date.

Effect of Termination

If the Merger Agreement is terminated as described above, the Merger Agreement will become void and have no effect, without any liability or obligation on the part of Affinity, Merger Sub, or Access Plans (except for provisions relating to payment by Access Plans of the termination fee and Affinity's expenses, the provision relating to effects of termination and certain other miscellaneous provisions), provided that termination of the Merger Agreement will not relieve any party from any liability for any willful breach of a representation or warranty or any willful breach of any covenant or other agreement contained in the Merger Agreement. In addition, no termination of the Merger Agreement will affect the obligations of the parties in the confidentiality agreement between Affinity and Access Plans.

SALE OF AMERICA S HEALTH CARE/Rx PLAN AGENCY, INC.

On February 17, 2012, Access Plans and Reliant Financial Group, LLC, which we refer to as Reliant, entered into the Stock Purchase Agreement, which we refer to as the IM Purchase Agreement, providing for the sale of Access Plans subsidiary, America s Health Care/Rx Plan Agency, Inc., which we refer to as AHCP, to Reliant.

The sale of AHCP closed on February 22, 2012. The \$1.85 million purchase price was paid in a combination of \$350,000 in cash and a promissory note made by Reliant in the principal amount of \$1.5 million.

The purchase price is subject to adjustment to the extent that the current assets are greater or less than current liabilities based upon the February 22, 2012 balance sheet of AHCP, which we refer to as the post-closing balance sheet, to be received by Access Plans from Reliant by March 22, 2012 after giving effect to certain adjustments. After giving effect to those adjustments, the purchase price will be increased by the amount that current assets exceed current liabilities and increase the principal amount of the promissory note. Alternatively, the purchase price will be reduced by the amount that the current liabilities exceed current assets and require Access Plans to pay Reliant the purchase price increase in cash.

Access Plans agreed to allow and cooperate with Reliant in making an election for federal income tax purposes to treat the sale of AHCP as an asset sale in lieu of a stock sale. In the event this election causes Access Plans to incur federal income taxes, the purchase price will be increased up to \$25,000 and the principal amount of the promissory note will be increased accordingly.

FINANCIAL FORECASTS

Access Plans does not as a matter of course make public long-term projections as to future revenues, earnings or other results due to, among other reasons, the uncertainty of the underlying assumptions and estimates. However, Access Plans is including in this Information Statement certain financial forecasts that were made available to the Board and to its financial advisor in connection with the Merger, and that Access Plans shared with Affinity and other potential buyers in the course of due diligence. These financial forecasts were prepared by Access Plans management in the second calendar quarter of 2011, as part of Access Plans' long-range plan for its business segments for fiscal years 2012 through 2016. All of the buyers that submitted letters of intent assigned no value to AHCP, indicated they were not interested in acquiring AHCP as part of Access Plans and removed the insurance marketing division (AHCP) from their equity valuation of Access Plans. Based upon the foregoing and the sale of AHCP, the financial forecasts as presented herein, which were provided to each prospective buyer that submitted a letter of intent, do not include any operating results of AHCP, either on a historical or prospective basis. These financial forecasts were not prepared with a view toward public disclosure or compliance with published guidelines of the SEC or the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information or U.S. generally accepted accounting principles.

The financial forecasts of Access Plans included in this Information Statement were prepared by, and are the responsibility of, Access Plans management. Neither Access Plans' independent auditors, nor any other independent auditors, have compiled, examined or performed any procedures with respect to the prospective financial information contained in the financial forecasts, nor have they expressed any opinion or given any form of assurance on the financial forecasts or their achievability. In addition, Access Plans' financial advisor did not prepare, and assumes no responsibility for, the financial forecasts.

Furthermore, the financial forecasts included in this Information Statement:

necessarily make numerous assumptions, many of which are beyond the control of Access Plans and may not prove to be accurate;

do not necessarily reflect revised prospects for Access Plans' businesses, changes in general business or economic conditions, or any other transaction or event that has occurred or that may occur and that was not anticipated at the time the forecasts were prepared;

are not necessarily indicative of current values or future performance, which may be significantly more favorable or less favorable than as set forth below; and

should not be regarded as a representation that the financial forecasts will be achieved.

ANNEX A

AGREEMENT AND PLAN OF MERGER

AGREEMENT AND PLAN OF MERGER, dated as of February 24, 2012 (this Agreement), among Affinity Insurance Services, Inc., a Pennsylvania corporation (Parent), Atlas Acquisition Corp., an Oklahoma corporation and a direct, wholly-owned subsidiary of Parent (Sub), Access Plans, Inc., an Oklahoma corporation (the Company) (Sub and the Company being hereinafter collectively referred to as the Constituent Corporations), and Mark R. Kidd, an individual and a director of the Company, as representative of the Company Shareholders (in such capacity, Shareholders Representative).

RECITALS

WHEREAS, the respective Boards of Directors of the Company (the Company Board) and of Sub have approved and declared advisable the merger of Sub with and into the Company with the Company continuing as the Surviving Corporation (the Merger), upon the terms and subject to the conditions set forth herein, whereby each issued and outstanding share of common stock, \$0.0001 par value, of the Company (Company Common Stock), other than the Dissenting Shares and Company Common Stock owned directly or indirectly by Parent or the Company, will be converted into the right to receive the Per Share Merger Consideration (as hereinafter defined); and

WHEREAS, the Company Board and the Board of Directors of Sub have determined that the Merger is in furtherance of and consistent with their respective long-term business strategies and is in the best interest of their respective shareholders.

NOW, THEREFORE, in consideration of the premises, representations, warranties and agreements herein contained, the parties agree as follows:

ARTICLE I

THE MERGER

Section 1.1 The Merger. Upon the terms and subject to the conditions set forth in this Agreement, and in accordance with the Oklahoma General Corporation Act (the OGCA), Sub shall be merged with and into the Company at the Effective Time (as hereinafter defined). Following the Merger, the separate corporate existence of Sub shall cease and the Company shall continue as the surviving corporation (the Surviving Corporation) and shall succeed to and assume all the rights and obligations of Sub in accordance with the OGCA. Notwithstanding anything to the contrary herein, at the election of Parent, any direct, wholly-owned Subsidiary (as hereinafter defined) of Parent may be substituted for Sub as a constituent corporation in the Merger; provided that such substituted corporation is an Oklahoma corporation which is formed solely for the purpose of engaging in the transactions contemplated by this Agreement and has engaged in no other business activities. In such event, the parties agree to execute an appropriate amendment to this Agreement, in form and substance reasonably satisfactory to Parent and the Company, in order to reflect such substitution.

Table of Contents

Section 1.2 Effective Time. The Merger shall become effective when a certificate of merger (the Certificate of Merger), executed in accordance with the relevant provisions of the OGCA, is filed with the Secretary of State of the State of Oklahoma; provided, however, that, upon mutual consent of the Constituent Corporations, the Certificate of Merger may provide for a later date of effectiveness of the Merger not more than 30 calendar days after the date the Certificate of Merger is filed. When used in this Agreement, the term Effective Time shall mean the date and time at which the Certificate of Merger is accepted for recording or such later time established by the Certificate of Merger. The filing of the Certificate of Merger shall be made on the date of the Closing (as hereinafter defined).

Section 1.3 Effects of the Merger. The Merger shall have the effects set forth in this Agreement and in Section 1088 of the OGCA.

Section 1.4 Charter and Bylaws; Directors and Officers.

(a) At the Effective Time, the Articles of Incorporation of the Company (the Company Charter), as in effect immediately prior to the Effective Time, shall be amended so that Article Fourteenth is deleted and so that Article Fourth reads in its entirety as follows: The total number of shares of all classes of capital stock which the Corporation shall have authority to issue is 1,000 shares of Common Stock, \$0.0001 par value. As so amended, the Company Charter shall be the Certificate of Incorporation of the Surviving Corporation until thereafter changed or amended as provided therein or by applicable Law. At the Effective Time, the Bylaws of Sub, as in effect immediately prior to the Effective Time, shall be the Bylaws of the Surviving Corporation until thereafter changed or amended as provided therein or in the Certificate of Incorporation of the Surviving Corporation.

(b) The directors and officers of Sub at the Effective Time shall be the directors and officers of the Surviving Corporation, until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be.

Section 1.5 Conversion of Securities. At the Effective Time, by virtue of the Merger and without any action on the part of Sub, the Company or the holders of any securities of the Constituent Corporations:

(a) Each issued and outstanding share of common stock, \$0.01 par value, of Sub shall be converted into one validly issued, fully paid and nonassessable share of common stock of the Surviving Corporation.

(b) All shares of Company Common Stock that are held in the treasury of the Company or by any wholly-owned Subsidiary of the Company and any shares of Company Common Stock owned by Parent or any wholly-owned Subsidiary of Parent, in each case immediately prior to the Effective Time, shall be canceled, and no consideration shall be delivered in exchange therefor.

(c) Each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than Dissenting Shares (as hereinafter defined) and shares to be canceled in accordance with Section 1.5(b)) shall be converted into the right to receive an amount in cash equal to the Per Share Merger Consideration, and without interest.

Table of Contents

Each such share, when so converted, shall no longer be outstanding and shall automatically be canceled and retired, and each holder of a certificate representing any such shares shall cease to have any rights with respect thereto, except the right to receive the Per Share Merger Consideration in respect of each such share upon the surrender of such certificate in accordance with Section 1.7. The right of any Person to receive the Per Share Merger Consideration shall be subject to and reduced by the amount of any withholding pursuant to Section 1.8.

(d) Notwithstanding anything in this Agreement to the contrary, shares of Company Common Stock issued and outstanding immediately prior to the Effective Time which are held of record by Company Shareholders who shall not have voted such shares in favor of the Merger or consented thereto in writing and who shall have demanded properly in writing appraisal of such shares in accordance with Section 1091 of the OGCA (Dissenting Shares) shall not be converted into the right to receive the Per Share Merger Consideration, but the holders thereof instead shall be entitled to, and the Dissenting Shares shall only represent the right to receive, payment of the fair value of such shares in accordance with the provisions of Section 1091 of the OGCA; provided, however, that (i) if such a holder fails to demand properly in writing from the Surviving Corporation the appraisal of his shares in accordance with Section 1091 of the OGCA or, after making such demand, subsequently delivers an effective written withdrawal of such demand, or fails to establish his entitlement to appraisal rights as provided in Section 1091 of the OGCA, if so required, or (ii) if a court shall determine that such holder is not entitled to receive payment for his shares or such holder shall otherwise lose his appraisal rights, then, in any such case, each share of Company Common Stock held of record by such holder or holders shall automatically be converted into and represent only the right to receive the Per Share Merger Consideration, upon surrender of the certificate or certificates representing such Dissenting Shares. The Company shall give Parent and Sub prompt notice of any demands received by the Company for appraisal of such shares, and Parent and Sub shall have the right to participate in all negotiations and proceedings with respect to such demands except as required by applicable Law. The Company shall not, except with the prior written consent of Parent, make any payment with respect to any demands for fair value for Dissenting Shares or offer to settle, settle or negotiate in respect of any such demands. Any cash paid in respect of Dissenting Shares shall be paid by the Company solely with its own funds, and the Company shall not be reimbursed therefor by Parent or any of its Subsidiaries, either directly or indirectly.

Section 1.6 Calculation of Aggregate and Per Share Merger Consideration.

(a) Five (5) Business Days prior to the Closing Date, the Company shall prepare and deliver to Parent (i) a consolidated balance sheet with respect to the Company as of the close of business on the Closing Date (the Closing Date Balance Sheet), (ii) a certificate (the Working Capital Certificate), duly executed by the Chief Executive Officer and the Chief Financial Officer of the Company, setting forth in reasonable detail the Working Capital of the Company as of the close of business on the Closing Date and (iii) a statement (the Estimated Merger Consideration Statement), duly executed by the Chief Executive Officer and the Chief Financial Officer of the Company, setting forth in reasonable detail the Company's estimate of (I) the Net Cash Amount as of the Effective Time, (II) the Fully Diluted Shares Number and (III) based thereon, the Aggregate Merger Consideration (the Estimated Aggregate Merger Consideration) and the Per Share Merger Consideration (the Estimated Per Share Merger

Consideration). The Closing Date Balance Sheet, the Working Capital Certificate and the Estimated Merger Consideration Statement shall be prepared in good faith and in accordance with GAAP, consistently applied, be based on the books and records of the Company and its Subsidiaries and be subject to the written approval of Parent, which approval may be withheld in the sole discretion of Parent.

(b) Concurrently with the delivery of the Closing Date Balance Sheet, the Working Capital Certificate and the Estimated Merger Consideration Statement, the Company shall furnish to the Parent statements from one or more financial institutions at which the Company has deposited its cash and cash equivalents evidencing the aggregate amount of cash and cash equivalents of the Company and its Subsidiaries as of such date. The Company shall also make available to Parent such other books, records and other information (including work papers) as it may request in order to review the Closing Date Balance Sheet, the Working Capital Certificate and Estimated Merger Consideration Statement.

(c) If Parent approves the Estimated Merger Consideration Statement pursuant to Section 1.6(a), then the Estimated Aggregate Merger Consideration and Estimated Per Share Merger Consideration set forth therein shall be final and binding as the Aggregate Merger Consideration and Per Share Merger Consideration, respectively, for purposes of this Agreement. If Parent does not so approve the Estimated Merger Consideration Statement, the Company and Parent shall use their reasonable efforts to resolve by written agreement (the Agreed Adjustments) any differences as to the Estimated Aggregate Merger Consideration and Estimated Per Share Merger Consideration and, if all such differences are resolved prior to Closing, then the Estimated Aggregate Merger Consideration and Estimated Per Share Merger Consideration, as adjusted by the Agreed Adjustments, shall be final and binding as the Aggregate Merger Consideration and Per Share Merger Consideration, respectively, for purposes of this Agreement. If any differences as to the Estimated Aggregate Merger Consideration and Estimated Per Share Merger Consideration are not resolved prior to Closing then, at Closing, Parent shall deposit into the Exchange Fund an amount in cash (the Escrowed Amount) it believes to be sufficient to effect the payment of the aggregate Per Share Merger Consideration for all shares of Company Common Stock outstanding as of the Effective Time (other than Dissenting Shares and shares to be canceled in accordance with Section 1.5(b)). Such deposit shall be made by wire transfer of immediately available funds to an account specified in writing by the Exchange Agent to be held, invested and disbursed in accordance with the terms and conditions of this Agreement and the Exchange Agent Agreement. For a period of fifteen (15) days following Closing, Parent and the Shareholders Representative shall continue to attempt to resolve any differences as to the Estimated Aggregate Merger Consideration and Estimated Per Share Merger Consideration by Agreed Adjustments. If any such differences are not resolved within fifteen (15) days following Closing, then Parent and the Shareholders Representative shall submit the differences that are then unresolved to Grant Thornton LLP (the Accounting Firm), and the Accounting Firm shall be directed by Parent and the Shareholders Representative to resolve the unresolved differences as promptly as practicable, but in any event within thirty (30) days of its appointment, and to deliver written notice to each of Parent and the Shareholders Representative setting forth its resolution of the disputed matters. Parent shall make available to the Accounting Firm and the Shareholders Representative such books, records and other information (including work papers) as the Accounting Firm or the Shareholders Representative may request in order to review the Closing Date Balance Sheet and Estimated

Merger Consideration Statement. Parent shall pay a portion of the Accounting Firm's fees and expenses in an amount equal to the product of (i) the aggregate amount of the Accounting Firm's fees and expenses multiplied by (ii) a fraction, the numerator of which is the amount in dispute that is ultimately unsuccessfully disputed by Parent (as determined by the Accounting Firm), and the denominator of which is the total amount in dispute. The remaining portion of the Accounting Firm's fees and expenses shall be deducted from the Aggregate Merger Consideration. The Estimated Aggregate Merger Consideration and Estimated Per Share Merger Consideration, in each case after giving effect to any Agreed Adjustments and the resolution of any disputed matters by the Accounting Firm, shall be final and binding as the Aggregate Merger Consideration and Per Share Merger Consideration, respectively, for purposes of this Agreement.

(d) Promptly, but not later than five (5) Business Days, after the determination of the Aggregate Merger Consideration pursuant to Section 1.6(c) that is final and binding as set forth therein:

(i) if the aggregate Per Share Merger Consideration for all shares of Company Common Stock outstanding as of the Effective Time (other than Dissenting Shares and shares to be canceled in accordance with Section 1.5(b)) exceeds the Escrowed Amount, then Parent shall (A) pay to the Exchange Agent an amount in cash equal to the excess of the aggregate Per Share Merger Consideration for all shares of Company Common Stock outstanding as of the Effective Time (other than Dissenting Shares and shares to be canceled in accordance with Section 1.5(b)) over the Escrowed Amount, which amount, together with the amount deposited by Parent at the Closing, shall constitute the Exchange Fund for purposes of this Agreement, and (B) instruct the Exchange Agent to distribute the Exchange Fund in accordance with Section 1.7 and the Exchange Agent Agreement; or

(ii) if the Escrowed Amount exceeds the aggregate Per Share Merger Consideration for all shares of Company Common Stock outstanding as of the Effective Time (other than Dissenting Shares and shares to be canceled in accordance with Section 1.5(b)), then Parent shall (A) instruct the Exchange Agent to deliver to Parent an amount in cash equal to the excess of the Escrowed Amount over the aggregate Per Share Merger Consideration for all shares of Company Common Stock outstanding as of the Effective Time (other than Dissenting Shares and shares to be canceled in accordance with Section 1.5(b)), and the remaining amount held by the Exchange Agent shall constitute the Exchange Fund, for purposes of this Agreement and (B) instruct the Exchange Agent to distribute the Exchange Fund in accordance with Section 1.7 and the Exchange Agent Agreement.

(e) Notwithstanding anything in this Agreement to the contrary, in no event shall the aggregate amount of consideration payable by Parent, Sub or the Surviving Corporation to the Company Shareholders and holders of Company Stock Options in connection with the Merger exceed (i) the Aggregate Merger Consideration plus (ii) the amount, if any, by which the fair value of the Dissenting Shares determined in accordance with Section 1091 of the OGCA exceeds the aggregate Per Share Merger Consideration for all such Dissenting Shares.

Section 1.7 Exchange Agent.

(a) As of the Effective Time, Parent shall designate, and enter into an agreement (the Exchange Agent Agreement) with, Computershare Inc., a Delaware corporation, or another Person reasonably acceptable to the Company, to act as exchange agent in the Merger (the Exchange Agent), which agreement shall provide that Parent shall deposit or cause to be deposited with the Exchange Agent as of the Effective Time or, if Parent and the Company have not agreed as to the Aggregate Merger Consideration as of the Effective Time, then at the time specified in Section 1.6(d), cash sufficient to effect the payment of the aggregate Per Share Merger Consideration for all shares of Company Common Stock outstanding as of the Effective Time (other than Dissenting Shares and shares to be canceled in accordance with Section 1.5(b)) (the Exchange Fund).

(b) Parent shall request the Exchange Agent to, promptly after the Effective Time, mail to each Company Shareholder who holds of record of a certificate or certificates (collectively, the Certificates) representing shares of Company Common Stock issued and outstanding immediately prior to the Effective Time a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon actual delivery thereof to the Exchange Agent and shall contain instructions for use in effecting the surrender of such Certificates in exchange for the Per Share Merger Consideration (the Transmittal Letter). Upon surrender for cancellation to the Exchange Agent of all Certificates held by any Company Shareholder, together with the Transmittal Letter, duly executed, such Company Shareholder shall be entitled to receive the Per Share Merger Consideration in exchange for each share of Company Common Stock represented by such Certificates, and any Certificate so surrendered shall forthwith be canceled. In the event of a transfer of ownership of Company Common Stock that is not registered in the transfer records of the Company, payment may be made to a Person other than the Person in whose name the Certificate so surrendered is registered, if such Certificate shall be properly endorsed or otherwise be in proper form for transfer and the Person requesting such payment shall pay any transfer or other Taxes required by reason of the payment to a Person other than the registered holder of such Certificate or establish to the satisfaction of Parent that such Tax has been paid or is not applicable.

Section 1.8 Withholding. Parent and the Surviving Corporation shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement (including Section 1.5(c) and Section 1.13(a)) to any Person such amounts as Parent or the Surviving Corporation is required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code of 1986 (the Code), or under any provision of state, local or foreign tax Law. To the extent that amounts are so withheld by Parent or the Surviving Corporation, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person who otherwise would have received the payment in respect of which such deduction and withholding was made by Parent or the Surviving Corporation.

Section 1.9 Return of Exchange Fund. Any portion of the Exchange Fund that remains undistributed by the Exchange Agent to the Company Shareholders for 180 calendar days after the final determination of the Aggregate Merger Consideration pursuant to Section 1.6(c) shall be delivered to Parent, upon demand of Parent, and any such Company Shareholders who have not theretofore complied with this Article I shall thereafter look only to Parent for

None of the Exchange Agent, Parent or the Surviving Corporation shall be liable to any former holder of Company Common Stock for any consideration payable in accordance with this Article I which is delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

Section 1.10 No Further Ownership Rights in Company Common Stock. All cash paid upon the surrender for exchange of Certificates in accordance with the terms hereof shall be deemed to have been paid in full satisfaction of all rights pertaining to the shares of Company Common Stock.

Section 1.11 Closing of Company Transfer Books. At the Effective Time, the stock transfer books of the Company shall be closed, and no transfer of shares of Company Common Stock shall thereafter be made on the records of the Company. Section 1.12 Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent or the Exchange Agent, the posting by such Person of a bond, in such amount as Parent or the Exchange Agent may direct as indemnity against any claim that may be made against Parent, the Surviving Corporation or the Exchange Agent with respect to such Certificate, Parent will pay or cause to be paid in exchange for such lost, stolen or destroyed Certificate the Per Share Merger Consideration.

Section 1.13 Company Stock Options.

(a) All Company Stock Options (other than Out-of-the-Money Company Stock Options) granted under the Company Stock Plans and outstanding immediately prior to the Effective Time, whether or not then exercisable or vested, shall cease to represent, as of the Effective Time, a right to acquire shares of Company Common Stock and shall be converted, in settlement and cancellation thereof, into the right to receive, at the Effective Time, an amount in cash, without interest, equal to the product of (i) the excess of (A) the Per Share Merger Consideration plus the per share amount of the Special Dividend over (B) the exercise price per share of Company Common Stock subject to such Company Stock Option, multiplied by (ii) the number of shares of Company Common Stock for which such Company Stock Option shall not theretofore have been exercised. (d) Not later than immediately prior to the Effective Time, the Company Board or any committee thereof administering the Company Stock Plans shall adopt all resolutions necessary to provide for the foregoing, and the Company shall take any other action necessary to effect the foregoing. As soon as reasonably practicable after the final determination of the Aggregate Merger Consideration pursuant to Section 1.6(c), Parent shall make, or cause to be made, a cash contribution to the Surviving Corporation in an amount sufficient for the Surviving Corporation to pay the holders of Company Stock Options the cash payments specified in this Section 1.13. Section 3.16 Properties and Assets.

(a) The Company or a Subsidiary of the Company has good and marketable title to or, in the case of leased property and leased tangible assets, a valid leasehold interest in, all of the Company's and its Subsidiaries' properties and assets, including the Company Leased Real Property, free and clear of all Liens, except those Liens for Taxes not yet due and payable and such other Liens or minor imperfections of title, if any, that do not detract, in any material respect, from the value or interfere with the present use of the affected property or asset. including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and references to all attachments thereto and instruments incorporated therein. Any reference to the Company or any of its Subsidiaries shall include any predecessor. Each of the parties has participated in the drafting and negotiation of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement must be construed as if it is drafted by all the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of authorship of any of the provisions of this Agreement.

Section 8.4 Counterparts. This Agreement may be executed in counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

Section 8.5 Entire Agreement; No Third-Party Beneficiaries. This Agreement, except as provided in the last sentence of Section 5.2, constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof. This Agreement, except for the provisions of Section 5.7, is not intended to confer upon any Person other than the parties hereto any rights or remedies hereunder.

Section 8.6 Governing Law; Submission to Jurisdiction; Waiver of Jury Trial.

(a) This Agreement shall be governed by, and construed in accordance with, (i) the Laws of the State of Oklahoma with respect to matters, issues and questions relating to the Merger or the fiduciary duties of the Company Board or the board of directors of Sub and (ii) the Laws of the State of Illinois with respect to all other matters, issues and questions, without regard to Laws that may be applicable under conflicts of laws principles that would cause the application of the Laws of any jurisdiction other than the State of Illinois.

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any court of the State of Illinois located in Cook County, Illinois (or, if such court declines to accept jurisdiction over a particular matter, any federal court within the State of Illinois and any appellate court thereof), in any action or proceeding arising out of or relating to this Agreement or the agreements delivered in connection herewith or the transactions contemplated hereby or thereby or for recognition or enforcement of any judgment relating hereto or thereto, and each of the parties hereby irrevocably and unconditionally (i) agrees not to commence any such action or proceeding except in such court, (ii) agrees that any claim in respect of any such action or proceeding may be heard and determined in such court, (iii) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any such action or proceeding in such court, and (iv) waives, to the fullest extent permitted by Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in such court located in Illinois. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 8.2. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by Law.

EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 8.6.

Section 8.7 Assignment. Except as provided in Section 1.1, neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other parties.

Section 8.8 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other terms, conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic and legal substance of the transactions contemplated hereby are not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement may be consummated as originally contemplated to the fullest extent possible.

ANNEX B

OPINION OF SOUTHWEST SECURITIES, INC.

February 20, 2012

Board of Directors

Access Plans, Inc.

900 36th Avenue NW, Suite 105

Norman, Oklahoma 73072

Members of the Board of Directors:

We understand that Access Plans, Inc., Inc., an Oklahoma corporation (the "Company"), Affinity Insurance Services, Inc., a Pennsylvania corporation ("Parent"), Atlas Acquisition Corp., an Oklahoma corporation that is a direct, wholly-owned subsidiary of Parent ("Merger Sub"), and Mark R. Kidd, as representative of the Company's shareholders, pursuant to an Agreement and Plan of Merger, a draft of which was made available to us on February 16, 2012 (the "Merger Agreement"), intend to effect a merger pursuant to which, among other things, (i) Merger Sub will merge with and into the Company, with the Company continuing as the surviving entity (the "Merger") and (ii) each issued and outstanding share of common stock, \$0.0001 par value per share, of the Company (the "Company Common Stock") (other than any Company Common Stock owned by the Parent, Merger Sub or the Company, or any wholly-owned subsidiary of the Parent or the Company, or any Company Common Stock with respect to which the holder properly exercises statutory appraisal rights), shall be converted into the right to receive \$3.30 in cash, subject to certain adjustments as described in the Merger Agreement (the "Merger Consideration"). In addition, it is noted that pursuant to the Merger Agreement and under certain specified circumstances, the Company is permitted to pay a special dividend to the holders of Company Common Stock. In rendering our opinion set forth in this letter, we have not assigned any value to, or otherwise taken account of, such special dividend.

The terms and conditions of the Merger are set out more fully in the Merger Agreement and the summary of the Merger set forth above is qualified in its entirety by the terms of the Merger Agreement. You have requested our opinion as to the fairness, from a financial point of view, to the holders of Company Common Stock of the Merger Consideration to be offered to such holders as provided for in the Merger Agreement.

In the course of performing our review and analysis for rendering this opinion, we have, among other things: (i) reviewed a draft of the Merger Agreement dated February 16, 2012 and certain related documents; (ii) reviewed and analyzed certain publicly available financial and other data with respect to the Company, including without limitation the Company's Annual Report on Form 10-K for the year ended September 30, 2011 and Quarterly Report on Form 10-Q for the quarter ended December 31, 2011, as well as certain other relevant historical operating data relating to the Company made available to us from published sources and from the internal records of the Company; (iii) conducted discussions with members of the senior management of the Company with respect to the business prospects and financial outlook the Company; (iv) visited the business offices of the Company; (v) reviewed current and historical market prices and trading activity of the Company Common Stock; (vi) compared certain financial information for the Company with similar information for certain other companies, the securities of which are publicly traded; (vii) reviewed the financial terms, to the extent publicly available, of selected precedent transactions that we deemed generally comparable to the Company and the Merger; and (viii) conducted such other financial studies, analyses and investigations and considered such other information as we deemed appropriate.

In rendering our opinion, we have relied upon and assumed, without independent verification, the accuracy and completeness of all data, material, and other information furnished or otherwise made available to us, discussed

with us or reviewed by us, or that was publicly available, and we do not assume responsibility for or with respect to such data, material, or other information. We have not performed an independent evaluation, physical inspection or appraisal of any of the assets or liabilities (contingent or otherwise) of the Company, and we have not been furnished with any such valuations or appraisals. We have undertaken no independent analysis of any potential or actual litigation, regulatory action, possible unasserted claims or other contingent liabilities, to which the Company is or may be a party or is or may be subject, or of any governmental investigation of any possible unasserted claims or other contingent liabilities to which the Company is or may be a party or is or may be subject. In relying on the financial analyses and forecasts provided to us, we have assumed that they have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of the Company as to the future financial performance of the Company, and we assume no responsibility for and express no view as to such analyses and forecasts or the assumptions on which they are based. We have further relied on the assurances of management of the Company that they are unaware of any facts that would make such business prospects and financial outlook incomplete or misleading. We have assumed the accuracy of the representations and warranties contained in the Merger Agreement and all agreements related thereto. We have also assumed, upon the advice of the Company, that all material governmental, regulatory and third party approvals, consents and releases for the Merger will be obtained within the constraints contemplated by the Merger Agreement and that the Merger will be consummated in accordance with the terms of the Merger Agreement without waiver, modification or amendment of any material term, condition or agreement thereof.

Our opinion is necessarily based on economic, market and other conditions as in effect on, and information available to us, as of the date hereof. We assume no responsibility for updating or revising our opinion based on events or circumstances that may occur after the date of this letter. In addition, we express no opinion as to the price at which shares of the Company Common Stock will trade at any time following the announcement of the Merger. Our opinion addresses solely the fairness of the financial terms of the Merger Consideration and does not address any other terms or agreements relating to the Merger or any other matters pertaining to the Company.

We are acting as financial advisor to the Board of Directors in connection with the Merger and will receive a fee for our services. A portion of our fee was paid previously, and a further fee is payable upon delivery of our opinion. In addition, a portion of our fee is contingent upon consummation of the Merger. The Company has also agreed to reimburse our expenses and indemnify us for certain liabilities that may arise out of our engagement. In the ordinary course of business, we may, for our own account and the accounts of our customers, actively trade the securities of the Company and Aon Corporation, an affiliate of the Parent, and, accordingly, may hold a long or short position in such securities. Except in connection with the Merger, during the last two years Southwest Securities, Inc. has not provided investment banking services to the Company, Aon Corporation, or their respective affiliates for which it received compensation.

This opinion is furnished solely for the use and benefit of the Board of Directors in connection with their consideration of the Merger and is not intended to, and does not, confer any rights or remedies upon any other person, and is not intended to be used, and may not be used, for any other purpose, without our express, prior written consent. This opinion should not be construed as creating any fiduciary duty on our part to any party. This opinion is not to be used, circulated, quoted or otherwise referred to (either in its entirety or through excerpts or summaries) for any other purposes, unless it is to be referred to in any information statement, proxy statement or any other related document in connection with the Merger and it is included in full (and we have had an opportunity, if we deem it appropriate, in our sole discretion, to update the opinion to the date of the document in which it is included) and you have received our prior approval with respect to all of the references to it included in any such information statement, proxy statement or any other document.

This opinion does not constitute legal, regulatory, accounting, insurance, tax or other similar professional advice, and does not address or express an opinion regarding: (i) the underlying business decision of the Board of Directors of the Company or its shareholders to proceed with or effect the Merger; (ii) the fairness of any portion or aspect of the Merger not expressly addressed in this opinion; (iii) the fairness of any portion or aspect of the Merger to the creditors or other constituencies of the Company other than those set forth in this opinion; (iv) the relative merits of the Merger as compared to any alternative business strategies that might exist for the Company or the

APPENDIX C

SECTION 1091 OF THE OKLAHOMA GENERAL CORPORATION ACT

A. Any shareholder of a corporation of this state who holds shares of stock on the date of the making of a demand pursuant to the provisions of subsection D of this section with respect to the shares, who continuously holds the shares through the effective date of the merger or consolidation, who has otherwise complied with the provisions of subsection D of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to the provisions of Section 1073 of this title shall be entitled to an appraisal by the district court of the fair value of the shares of stock under the circumstances described in subsections B and C of this section. As used in this section, the word *shareholder* means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words *stock* and *share* mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and *depository receipt* means an instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository. The provisions of this subsection shall be effective only with respect to mergers or consolidations consummated pursuant to an agreement of merger or consolidation entered into after November 1, 1988.

B. 1. Except as otherwise provided for in this subsection, appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation, or of the acquired corporation in a share acquisition, to be effected pursuant to the provisions of Section 1081, other than a merger effected pursuant to subsection G of Section 1081, and Section 1082, 1086, 1087, 1090.1 or 1090.2 of this title.

2. a. No appraisal rights under this section shall be available for the shares of any class or series of stock which stock, or depository receipts in respect thereof, at the record date fixed to determine the shareholders entitled to receive notice of and to vote at the meeting of shareholders to act upon the agreement of merger or consolidation, were either:

(1) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc.; or

(2) held of record by more than two thousand holders.

No appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the shareholders of the surviving corporation as provided in subsection G of Section 1081 of this title.

b. In addition, no appraisal rights shall be available for any shares of stock, or depository receipts in respect thereof, of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the shareholders of the surviving corporation as provided for in subsection F of Section 1081 of this title.

3. Notwithstanding the provisions of paragraph 2 of this subsection, appraisal rights provided for in this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to the provisions of Section 1081, 1082, 1086, 1087, 1090.1 or 1090.2 of this title to accept for the stock anything except:

a. shares of stock of the corporation surviving or resulting from the merger or consolidation or depository receipts thereof, or

b. shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than two thousand holders, or

c. cash in lieu of fractional shares or fractional depository receipts described in subparagraphs a and b of this paragraph, or

d. any combination of the shares of stock, depository receipts, and cash in lieu of the fractional shares or depository receipts described in subparagraphs a, b, and c of this paragraph.

4. In the event all of the stock of a subsidiary Oklahoma corporation party to a merger effected pursuant to the provisions of Section 1083 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Oklahoma corporation.

C. Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections D and E of this section, shall apply as nearly as is practicable.

D. Appraisal rights shall be perfected as follows:

1. If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of shareholders, the corporation, not less than twenty (20) days prior to the meeting, shall notify each of its shareholders entitled to appraisal rights that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in the notice a copy of this section. Each shareholder electing to demand the appraisal of the shares of the shareholder shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of the shares of the shareholder. The demand will be sufficient if it reasonably informs the corporation of the identity of the shareholder and that the shareholder intends thereby to demand the appraisal of the shares of the shareholder. A proxy or vote against the merger or consolidation shall not constitute such a demand. A shareholder electing to take such action must do so by a separate written demand as herein provided. Within ten (10) days after the effective date of the merger or consolidation, the surviving or resulting corporation shall notify each shareholder of each constituent corporation who has complied with the provisions of this subsection and has not voted in favor of or consented to the merger or consolidation as of the date that the merger or consolidation has become effective; or

2. If the merger or consolidation is approved pursuant to the provisions of Section 1073 or 1083 of this title, either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within ten (10) days thereafter shall notify each of the holders of any class or series of stock of the constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of the constituent corporation, and shall include in the notice a copy of this section. The notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify the shareholders of the effective date of the merger or consolidation. Any shareholder entitled to appraisal rights may, within twenty (20) days after the date of mailing of the notice, demand in writing from the surviving or resulting corporation the appraisal of the holder's shares. The demand will be sufficient if it reasonably informs the corporation of the identity of the shareholder and that the shareholder intends to demand the appraisal of the holder's shares. If the notice does not notify shareholders of the effective date of the merger or consolidation either:

a. each constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of the constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation, or

b. the surviving or resulting corporation shall send a second notice to all holders on or within ten (10) days after the effective date of the merger or consolidation; provided, however, that if the second notice is sent more than

twenty (20) days following the mailing of the first notice, the second notice need only be sent to each shareholder who is entitled to appraisal rights and who has demanded appraisal of the holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that the notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the shareholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than ten (10) days prior to the date the notice is given; provided, if the notice is given on or after the effective date of the merger or consolidation, the record date shall be the effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

E. Within one hundred twenty (120) days after the effective date of the merger or consolidation, the surviving or resulting corporation or any shareholder who has complied with the provisions of subsections A and D of this section and who is otherwise entitled to appraisal rights, may file a petition in district court demanding a determination of the value of the stock of all such shareholders; provided, however, at any time within sixty (60) days after the effective date of the merger or consolidation, any shareholder shall have the right to withdraw the demand of the shareholder for appraisal and to accept the terms offered upon the merger or consolidation. Within one hundred twenty (120) days after the effective date of the merger or consolidation, any shareholder who has complied with the requirements of subsections A and D of this section, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of the shares. The written statement shall be mailed to the shareholder within ten (10) days after the shareholder's written request for a statement is received by the surviving or resulting corporation or within ten (10) days after expiration of the period for delivery of demands for appraisal pursuant to the provisions of subsection D of this section, whichever is later.

F. Upon the filing of any such petition by a shareholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which, within twenty (20) days after service, shall file, in the office of the court clerk of the district court in which the petition was filed, a duly verified list containing the names and addresses of all shareholders who have demanded payment for their shares and with whom agreements regarding the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such duly verified list. The court clerk, if so ordered by the court, shall give notice of the time and place fixed for the hearing on the petition by registered or certified mail to the surviving or resulting corporation and to the shareholders shown on the list at the addresses therein stated. Notice shall also be given by one or more publications at least one (1) week before the day of the hearing, in a newspaper of general circulation published in the City of Oklahoma City, Oklahoma, or other publication as the court deems advisable. The forms of the notices by mail and by publication shall be approved by the court, and the costs thereof shall be borne by the surviving or resulting corporation.

G. At the hearing on the petition, the court shall determine the shareholders who have complied with the provisions of this section and who have become entitled to appraisal rights. The court may require the shareholders who have demanded an appraisal of their shares and who hold stock represented by certificates to submit their certificates of stock to the court clerk for notation thereon of the pendency of the appraisal proceedings; and if any shareholder fails to comply with this direction, the court may dismiss the proceedings as to that shareholder.

H. After determining the shareholders entitled to an appraisal, the court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining the fair value, the court shall take into account all relevant factors. In determining the fair rate of interest, the court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any shareholder entitled to participate in the appraisal proceeding, the court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the shareholder entitled to an appraisal. Any shareholder whose name

appears on the list filed by the surviving or resulting corporation pursuant to the provisions of subsection F of this section and who has submitted the certificates of stock of the shareholder to the court clerk, if required, may participate fully in all proceedings until it is finally determined that the shareholder is not entitled to appraisal rights pursuant to the provisions of this section.

I. The court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the shareholders entitled thereto. Interest may be simple or compound, as the court may direct. Payment shall be made to each shareholder, in the case of holders of uncertificated stock immediately, and in the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing the stock. The court's decree may be enforced as other decrees in the district court may be enforced, whether the surviving or resulting corporation be a corporation of this state or of any other state.

J. The costs of the proceeding may be determined by the court and taxed upon the parties as the court deems equitable in the circumstances. Upon application of a shareholder, the court may order all or a portion of the expenses incurred by any shareholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all of the shares entitled to an appraisal.

K. From and after the effective date of the merger or consolidation, no shareholder who has demanded appraisal rights as provided for in subsection D of this section shall be entitled to vote the stock for any purpose or to receive payment of dividends or other distributions on the stock, except dividends or other distributions payable to shareholders of record at a date which is prior to the effective date of the merger or consolidation; provided, however, that if no petition for an appraisal shall be filed within the time provided for in subsection E of this section, or if the shareholder shall deliver to the surviving or resulting corporation a written withdrawal of the shareholder's demand for an appraisal and an acceptance of the merger or consolidation, either within sixty (60) days after the effective date of the merger or consolidation as provided for in subsection E of this section or thereafter with the written approval of the corporation, then the right of the shareholder to an appraisal shall cease; provided further, no appraisal proceeding in the district court shall be dismissed as to any shareholder without the approval of the court, and approval may be conditioned upon terms as the court deems just.

L. The shares of the surviving or resulting corporation into which the shares of any objecting shareholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
