The Board of Directors does not know of any matters to be brought before the meeting other than as set forth in the notice of meeting. If any other matters properly come before the meeting, the persons named in the enclosed form of proxy or their substitutes will vote in accordance with their best judgment on such matters.

Record Date; Stock Outstanding and Entitled to Vote

Holders of our common stock as of the record date, *i.e.*, the close of business on March 23, 2012, are entitled to notice of and to vote at the meeting. As of the record date, there were 24,938,132 shares of common stock outstanding and entitled to vote.

Required Votes

In order for the annual meeting to be held, the holders of a majority of our outstanding shares of common stock as of the record date must be present in person or by proxy duly authorized. Assuming that such a quorum is present, our stockholders may take action at the annual meeting with the votes described below.

Election of Directors. Under Delaware law and our Certificate of Incorporation, the affirmative vote of a plurality of the votes cast by the holders of our shares of common stock is required to elect each director. Consequently, only shares that are voted in favor of a particular nominee will be counted toward such nominee's achievement of a plurality.

Ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm. The affirmative vote of the holders of a majority of the outstanding shares of our common stock entitled to vote at the annual meeting is required to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm.

Other Matters. If any other matters are properly presented at the meeting for action, including a question of adjourning or postponing the meeting from time to time, the persons named in the proxies and acting thereunder will have discretion to vote on such matters in accordance with their best judgment.

Effect of Abstentions and Broker Non-Votes

If you are the beneficial owner of shares held for you by a broker, your broker must vote those shares in accordance with your instructions. If you do not give voting instructions to your broker, your broker may vote your shares for you on any discretionary items of business to be voted upon at the annual meeting, such as the ratification of the appointment of Ernst & Young LLP. If you do not provide voting instructions on a non-discretionary item, including the election of directors, the shares will be treated as broker non-votes.

For purposes of the annual meeting, abstentions and broker non-votes will be included in the number of shares present for purposes of constituting a quorum, assuming such broker has submitted a proxy or attends the annual meeting. With respect to the ratification of the appointment of Ernst & Young LLP, abstentions and broker non-votes will have the effect of a vote against such proposal.

Voting and Revocation of Proxies

If at the close of business on March 23, 2012, you were a stockholder of record or held shares through a broker or bank, you may vote your shares as described below or you may vote in person at the 2012 annual meeting.

Stockholders of record are requested to vote by proxy in one of three ways:

By Telephone Use the toll-free telephone number shown on your proxy card;

By Internet Visit the Internet website indicated on your proxy card and follow the on-screen instructions; or

By Mail You can date, sign and promptly return your proxy card by mail in the enclosed postage prepaid envelope.

Voting instructions (including instructions for both telephonic and Internet proxies) are provided on the proxy card. The Internet and telephone proxy procedures are designed to authenticate stockholder identities, to allow stockholders to give voting instructions and to confirm that stockholders' instructions have been recorded properly. A control number, located on the proxy card, will identify stockholders and allow them to submit their proxies and confirm that their voting instructions have been properly recorded. Costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, must be borne by the stockholder. If you submit your proxy card by Internet or telephone, it will not be necessary to return your proxy card.

If a stockholder does not return a signed proxy card or submit a proxy by the Internet or by telephone, and does not attend the meeting and vote in person, his or her shares will not be voted. Shares of our common stock represented by properly executed proxies that are received by us and are not revoked will be voted at the meeting in accordance with the instructions contained therein. If instructions are not given, such proxies will be voted **FOR** election of each nominee for director named herein and **FOR** ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm. In addition, we reserve the right to exercise discretionary

authority to vote proxies, in the manner determined by the Company in its sole discretion, on any matters brought before the 2012 annual meeting of stockholders for which we did not receive adequate notice under the proxy rules promulgated by the SEC.

If your shares are held in the name of a bank, broker, fiduciary or custodian, follow the voting instructions on the form you receive from your record holder. The availability of Internet and telephone proxies will depend on their voting procedures.

Any proxy signed and returned by a stockholder or submitted by telephone or via the Internet may be revoked at any time before it is exercised by giving written notice of revocation to the Secretary of the Company, at our address set forth herein, by executing and delivering a later-dated proxy (either in writing, by telephone or via the Internet) or by voting in person at the meeting. Attendance at the meeting will not, in and of itself, constitute revocation of a proxy.

Proxy Solicitation

We will bear the costs of solicitation of proxies for the annual meeting, including preparation, assembly, printing and mailing of this Proxy Statement, the annual report, the proxy card and any additional information furnished to stockholders. Copies of our Proxy Statement and related materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding shares of common stock beneficially owned by others to forward to such beneficial owners. We will bear the cost of maintaining a website compliant with regulations promulgated by the SEC to provide internet availability of this Proxy Statement, our annual report and proxy card. The Company may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation material to such beneficial owners. In addition, we have retained Computershare Investor Services, LLC to act as proxy solicitor in conjunction with the meeting. We have agreed to pay that firm a base fee of \$25,000 plus customary call-based fees and reasonable out of pocket expenses for proxy distribution and tabulation services. Solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by directors, officers, or other regular employees of the Company. No additional compensation will be paid to directors, officers or other regular employees for such services.

Householding

The SEC's rules permit us to deliver a single proxy statement and annual report, to one address shared by two or more of our stockholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one proxy statement and annual report, to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of the proxy statement and annual report, to any stockholder at the shared address to which a single copy of those documents was delivered. If you prefer to receive separate copies of the proxy statement and annual report, contact Computershare Investor Services, LLC at (888) 294-8217 or (312) 588-4171 or in writing at P. O. Box 43078, Providence, RI 02940-3078.

If you are currently a stockholder sharing an address with another stockholder and wish to receive only one copy of future stockholder communications for your household, please contact Computershare Investor Services, LLC at the above phone number or address.

Independent Registered Public Accounting Firm

We have been advised that representatives of Ernst & Young LLP, our independent registered public accounting firm for the fiscal year ended December 31, 2011, will attend the meeting, will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

CORPORATE GOVERNANCE

Independence Standards for Directors

As a result of our delisting from The Nasdaq Global Market (Nasdaq) in July 2010, we are not currently subject to its corporate governance requirements and you may not have the same protections as are afforded to stockholders of companies listed on Nasdaq. For example, we are no longer required to maintain a majority of independent directors on our Board of Directors. Under the rules of the Securities and Exchange Commission, we are required to disclose which of our directors qualify as independent based on the standards of a national securities exchange adopted by our Board of Directors. Our Board of Directors has determined to apply the listing standards of Nasdaq for the purpose of making this disclosure.

During its annual review of director and nominee independence, our Board of Directors considers all information it deems relevant, including without limitation, any transactions and relationships between each director or any member of his immediate family and the Company and its subsidiaries and affiliates. The purpose of this review is to determine whether any relationships or transactions with NextWave impair such director or nominee's ability to exercise independent judgment in carrying out the responsibilities of a director. The Board of Directors has not adopted any categorical standards for assessing independence, preferring instead to consider all relevant facts and circumstances in making an independence determination, including without limitation, applicable independence standards promulgated by Nasdaq. The Board of Directors considered the transactions described under TRANSACTIONS WITH RELATED PERSONS, in making its determination that all directors and nominees other than Mr. Salmasi are independent under the listing standards of Nasdaq.

Board Committees

Our Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and an Independent Committee. Our Board of Directors has adopted charters for the Audit Committee and the Compensation Committee. Copies of our committee charters are available without charge upon request directed to NextWave Wireless Inc. Investor Relations, 12264 El Camino Real, Suite 305, San Diego, CA 92130, and from our website at www.nextwave.com.

In March 2012, our Board of Directors determined to eliminate the Nominating and Corporate Governance Committee, based on its determination that the members of the Board of Directors can adequately fulfill the obligations of the committee without the need to incur the additional cost and time of committee meetings.

Audit Committee

Our Audit Committee assists the Board of Directors in fulfilling its responsibility relating to (a) the integrity of our financial statements, (b) our compliance with legal and regulatory requirements, (c) application of our codes of conduct and ethics as established by the Board of Directors, (d) our independent registered public accounting firm's qualifications, engagement, compensation and performance, their conduct of the annual audit of our financial statements, and their engagement to provide any other services, (e) performance of our system of internal controls, (f) preparation of the Audit Committee report, as required pursuant to SEC rules and (g) maintenance and oversight of procedures for addressing complaints about accounting matters. In discharging its duties, the Audit Committee has the sole authority to select (subject to stockholder ratification, which ratification is not binding on the Audit Committee), compensate, evaluate and replace the independent accountants, review and approve the scope of the annual audit, review and pre-approve the engagement of our independent accountants to perform audit and non-audit services, meet independently with our independent accountants and senior management, review the integrity of our financial reporting process and review our financial statements and disclosures and certain SEC filings.

The Board of Directors has determined that all three members of the Audit Committee, Mr. Manchester, Mr. Vogel and Judge Webster are independent, and that Mr. Vogel is qualified as an audit

committee financial expert, applying the listing standards of Nasdaq and in accordance with applicable rules of the SEC as of the date of this Proxy Statement. Mr. Vogel serves as chairman of the Audit Committee.

The Audit Committee met 4 times in 2011. The Audit Committee regularly holds meetings at which it meets with our independent registered public accounting firm and without management present.

Compensation Committee

Our Compensation Committee (a) administers our executive compensation program, (b) determines and approves targeted total compensation, as well as each individual compensation component for our executive officers, (c) determines and recommends to the Board of Directors equity-based plans and (d) reviews and approves any employee retirement plans, other benefit plans or any amendments thereto.

The members of our Compensation Committee are Mr. Rosen, Judge Webster and Mr. Symington, who serves as the chairman of the Compensation Committee. The Board of Directors has determined that all current three members of the Compensation Committee are independent pursuant to the listing standards of Nasdaq.

Our Board of Directors has delegated to the Compensation Committee sole decision-making authority with respect to all compensation decisions for our executive officers, including determinations of annual incentive award payments and grants of equity awards. The Compensation Committee approves these payments and awards after considering our corporate performance and the individual performance of our executives. The Compensation Committee is also responsible for evaluating the performance of our executive officers, in light of our corporate performance and their individual performance.

The Compensation Committee's decisions are made with input from our senior executives. The Compensation Committee also considers publicly available compensation information along with other sources of data. The Committee also considers our overall executive compensation policies and goals in making its decisions. To assist in performing its duties, the Compensation Committee has the authority to engage external compensation consultants and other advisors. In 2011, the Compensation Committee did not retain any consultants or advisors to assist it in formulating or making executive compensation decisions.

The Compensation Committee met 1 time in 2011.

Independent Committee

Our Independent Committee was formed pursuant to resolutions adopted by the Board of Directors. The Board of Directors has delegated to the Independent Committee the full power of the Board of Directors to review, negotiate or direct the negotiation of and to approve any proposed maturity extension, amendment, forbearance or refinancing transaction related to our secured notes. The members of our Independent Committee are Mr. Rosen, Judge Webster and Mr. Vogel, directors who do not hold any direct or indirect interest in our secured notes.

The Independent Committee met 12 times in 2011.

Designated Director Agreement

In connection with our October 2008 issuance of Second Lien Notes, we entered into an agreement with Avenue Capital Group providing for certain director designation rights. Under the agreement, Avenue Capital Group has the right to designate a person to be appointed or nominated for election to the Board of Directors when there is not an Avenue Capital Group designated director serving on the Board of Directors. Avenue Capital Group designated Mr. Tavakoli when Mr. Symington determined not to stand for re-election at the 2012 annual meeting. After a review of his qualifications, the Board of Directors nominated Mr. Tavakoli for election at the 2012 annual meeting. If elected, Mr. Tavakoli will serve as the Avenue Capital Group designated director.

Stockholder Nominations

A stockholder entitled to vote in the election of directors may nominate one or more persons for election as director at a meeting if written notice of that stockholder's intent to make the nomination has been given to us, with respect to an election to be held at an annual meeting of stockholders (A) not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the date that our Proxy Statement is released to stockholders in connection with the previous year's annual meeting of stockholders, or (B) (i) if no annual meeting was held in the previous year or (ii) the date of the annual meeting is more than 30 calendar days before or more than 60 days after such anniversary date, notice by the stockholders to be timely must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which the date of the annual meeting is publicly announced by the Company. With respect to an election to be held at a special meeting of stockholders, written notice of that stockholder's intent to make the nomination shall have been given to us not less than ten (10) and not more than sixty (60) days before the date of the special meeting.

The notice shall include the name and address of the stockholder and his or her nominees, a description of the shares and derivative securities directly or indirectly owned by the stockholder, a representation that the stockholder is entitled to vote at the meeting and intends to nominate the person, a description of all arrangements or understandings between the stockholder and each nominee, other information as would be required to be included in a proxy statement soliciting proxies for the election of the stockholder's nominees, and the consent of each nominee to serve as a director of the Company if so elected. We may require any proposed nominee to furnish other information as we may reasonably require to determine the eligibility of the proposed nominee to serve as a director of the Company. See PROPOSALS BY STOCKHOLDERS on page 21 of this Proxy Statement for the deadline for nominating persons for election as directors for the 2013 annual meeting of stockholders.

As described above, the Company's By-Laws contain provisions which address the process by which a stockholder may nominate an individual to stand for election to the Board at the Company's annual meeting of stockholders.

Board Role in Risk Oversight

Our Board of Directors oversees the Company's approach to risk management as part of its role in approving the Company's business strategy. The Board of Directors also oversees the operation of the Company's compliance program, including the application and enforcement of the Company's Code of Business Conduct and Ethics that is targeted at principal areas of operational, ethical and legal risk for the Company's operations, and is applicable to all employees, officers and directors of the Company.

Various committees of the Board also have responsibility for risk management. The Audit Committee, in connection with its quarterly and annual review of the Company's financial statements, receives reports from the Company's Chief Financial Officer and the Company's independent registered public accounting firm regarding significant risks and exposures and will assess management's steps to minimize them. The Audit Committee also reviews policies and procedures relating to the Company's handling of its legal affairs and compliance with significant applicable legal, ethical and regulatory requirements, and receives reports from the Company's Chief Legal Counsel relating to these matters. In setting compensation, the Compensation Committee works with management to create incentives that encourage a level of risk-taking that is consistent with the Company's business strategy and the goal of maximizing value. The Independent Committee plays an important role in managing risks related to our substantial secured debt by providing a disinterested decision-making body to review and evaluate transactions relating to our secured notes.

Board Leadership Structure

Mr. Salmasi serves as the Chairman of the Board of Directors. Mr. Cassou serves as our Chief Legal Counsel and acting principal executive officer. The Board of Directors believes that separate Chairman and principal executive officer roles are appropriate for the Company at this time. All of our directors other than Mr. Salmasi have been determined to qualify as independent directors under the listing rules of Nasdaq and the Company maintains Audit and Compensation Committees composed solely of such independent directors. The Company has not designated a lead independent director.

Attendance at Board and Committee Meetings

It is our policy that directors are expected to dedicate sufficient time to the performance of their duties as a director, including by attending meetings of the stockholders, Board of Directors and committees of which they are a member.

In 2011, the Board of Directors held 9 meetings (including regularly scheduled and special meetings). All directors attended at least 75% of the total number of meetings of the Board of Directors and committees of the Board of Directors on which such director served. All directors attended our 2011 annual meeting of stockholders.

Stockholder Communications with the Board of Directors

Our Board of Directors provides a process for stockholders to send communications to the Board of Directors.

Stockholders and other parties interested in communicating directly with the Board of Directors as a group, may do so by writing to the Board of Directors, c/o Secretary, 12264 El Camino Real, Suite 305, San Diego, California 92130. The Secretary will review all correspondence and regularly forward to the Board of Directors a summary of all such correspondence that, in the opinion of the Secretary, deals with the functions of the Board of Directors or committees thereof or that the Secretary otherwise determines requires attention. Concerns relating to accounting, internal controls or auditing matters will immediately be brought to the attention of the Chairman of the Audit Committee. We have adopted a Whistleblower Policy, which establishes procedures for submitting these types of concerns, either personally or anonymously through a toll free telephone hotline operated by an independent party. A copy of our Whistleblower Policy is available on our website at www.nextwave.com.

Harding, our Executive Vice President and Chief Financial Officer. Messrs. Cassou and Harding are referred to collectively as the Named Executive Officers .

2011 Summary Compensation Table

The following table sets forth information with respect to the compensation of our Named Executive Officers for services in all capacities to us and our subsidiaries.

Name and Principal Position	Year	Salary (\$)	Bonus \$(1)	Stock Awards \$(2)	Option Awards (\$)	All Other Compensation \$(3)	Total (\$)
Frank A. Cassou	2011	\$ 500,760	\$ 0	\$ 0	\$ 0	\$ 33,673	\$ 534,433
EVP, Chief Legal Counsel & Secretary	2010	\$ 500,760	\$ 75,000	\$ 0	\$ 0	\$ 22,561	\$ 598,321

- The amounts reported in this column represent discretionary annual incentive awards earned in respect of 2010 performance and paid in 2011. Annual incentive awards in respect of 2011 performance have not yet been determined.
- The amounts reported in this column represent the aggregate grant date fair value of the restricted stock awards granted to Messrs. Cassou and Harding during fiscal 2010. We estimate the fair value of awards on the grant date using the Black-Scholes option pricing model. The assumptions made in calculating the grant date fair value amounts for restricted stock awards are incorporated herein by reference to the discussion of those assumptions in footnote 13 to the financial statements contained in the Company's Annual Report on Form 10-K filed with the SEC on March 12, 2012. The grant date fair value of these awards was zero because the Company will not accrue compensation cost relating to the awards until the net proceeds from sales of wireless spectrum license assets are sufficient to fully redeem the Senior Notes, Second Lien Notes and Third Lien Notes. Note that the amounts reported in this column reflect the Company's accounting cost for the restricted stock awards, and do not correspond to the actual economic value that will be received by the Named Executive Officers from the awards.
- The amounts reported in this column comprise health, disability, and life insurance premiums paid for each of the Named Executive Officers.

Narrative to Summary Compensation Table

In fiscal 2011, the primary components of our executive compensation program were:

base salary

annual incentives

equity compensation

other benefits

Base Salary

We use base salary to fairly and competitively compensate our employees, including the Named Executive Officers, for the jobs we ask them to perform. We view base salary as the most stable component of

our compensation program, as this amount is not at risk. We believe that the base salaries of our executives should be targeted at or above the median of base salaries for executives in similar positions with similar responsibilities at comparable companies, consistent with our compensation philosophy. Because of our emphasis on performance-based compensation for executives, base salary adjustments are generally made only when we believe there is a significant deviation from the market or an increase in responsibility. The Compensation Committee reviews the base salary levels of our executives each year to determine whether an adjustment is warranted or necessary.

Annual Incentives

The Compensation Committee has the authority to make discretionary annual incentive awards to our employees and executives, including the Named Executive Officers after the end of the fiscal year, once the financial results for the year are available. We do not have a formal bonus plan for making these awards and the form of payment, if any, is subject to the discretion of the Compensation Committee. These awards are intended to reward our employees and executives for achieving strategic and operational objectives during the year. Bonuses were paid to Messrs. Cassou and Harding in July 2011 in recognition of 2010 performance and the achievement of significant milestones in connection with the Company's global restructuring initiatives, including the sale of PacketVideo Corporation. No determination has been made with respect to discretionary annual incentive awards for 2011 performance.

Equity Compensation

We use equity compensation to promote an ownership culture that encourages preserving and building value for our stockholders and noteholders. Through our equity compensation plan, we provide designated employees, including our executives, with equity incentives that help align their interests with those of our stockholders and noteholders. Our practice has been to grant equity awards to new hires in an amount appropriate to their job level and responsibilities. Additional equity awards have been granted in connection with promotions (to make the total long term equity incentive held by such individual commensurate with other individuals in their new pay grade) and in lieu of annual cash incentive awards.

We believe that the opportunity to acquire equity creates and maintains an environment that motivates our employees to stay with the organization and provides a key incentive to them to promote our long-term success. By providing employees a direct stake in our economic success, equity compensation assures a closer identification of their interests with those of the Company and our stockholders and noteholders, stimulate their efforts on our behalf, and strengthen their desire to remain with us.

Long-Term Incentive Awards

In August 2010, the Compensation Committee granted long-term incentive awards to Messrs. Cassou and Harding. The incentive awards consist of cash and stock components as described below.

Pursuant to the awards, each of the executives will be eligible for three tranches of cash incentive awards that will become payable upon the repayment or retirement in full, whether through redemptions, repayment at maturity date or conversion, of the Company's Senior Notes, Second Lien Notes or Third Lien Notes as follows. Upon repayment or retirement in full of the First Lien Notes, Mr. Cassou will receive \$300,000 and Mr. Harding will receive \$150,000. Upon repayment or retirement in full of the Second Lien Notes, Mr. Cassou will receive \$500,000 and Mr. Harding will receive \$250,000. Upon repayment or retirement in full of the Third Lien Notes, Mr. Cassou will receive \$1,000,000 and Mr. Harding will receive \$600,000. Messrs. Cassou and Harding must remain employed by the Company on the dates of achievement of the debt repayment goals in order to receive the cash incentive awards, except that if either executive's service with the Company terminates without cause or for good reason, the respective executive will continue to be entitled to the cash incentive awards if and when the debt repayment goals are achieved. Cause is defined as acts consisting a felony

or a crime involving moral turpitude or any material failure to perform his duties after written notice from the Company and an opportunity to cure. Good reason is defined as a diminution in base salary, a diminution in duties or a material breach by the Company of any applicable employment agreement.

Also pursuant to the long-term incentive awards, each of the executives received a restricted stock award. Mr. Cassou received an award of 750,000 restricted shares, and Mr. Harding received an award of 250,000 restricted shares. The restricted stock awards will vest in full upon the repayment or retirement in full, whether through redemptions, repayment at maturity date or conversion, of the Company's Third Lien Notes. If either a change in control of the Company or a termination without cause or for good reason of Mr. Cassou or Mr. Harding (as applicable) occurs, as defined above, vesting with respect to the restricted stock award of Mr. Cassou or Mr. Harding (as applicable) will be accelerated and such award will vest in full upon the occurrence of such event. If the Third Lien Notes are not repaid or retired in full prior to the expiration of the restricted stock awards, which will occur in 10 years, the awards will be forfeited. If a death or disability of an executive occurs, the award held by such executive will be forfeited to the extent not vested within one year of such event.

Other Benefits

Historically, we have not provided retirement benefits to our executives, including the Named Executive Officers. However, we offer all of our U.S. employees, including the Named Executive Officers, the opportunity to participate in our tax-qualified defined contribution plan, a Section 401(k) savings plan. This plan serves as the primary vehicle for our employees to accumulate retirement benefits. Currently, we do not match any employee contributions (including contributions of the Named Executive Officers) made to the Section 401(k) plan. We believe that the total amount of retirement benefits made available to our executives, including the Named Executive Officers, under this plan, when added to our equity awards, is consistent with the level of total compensation that we seek to provide to our executives.

We provide medical, disability and life insurance benefits to our executives, including the Named Executive Officers, on the same terms and conditions as are generally available to all of our salaried employees.

Employment, Severance and Change-in-Control Agreements

On March 12, 2012, we entered into letter agreements regarding severance benefits with Messrs. Harding and Cassou (the "Severance Agreements"). Under the Severance Agreements, following a termination by either executive for Good Reason, or by the Company without Cause, as defined in the Severance Agreements and summarized below, severance pay will be provided in an amount equal to one (1) year of the executive's base salary then in effect. In addition, under the Severance Agreements, the executives would be eligible to receive up to one (1) year of continued coverage under the Company's health plan or equivalent coverage under COBRA, if such plan is not available. In the event either executive is terminated for Cause, the Severance Agreements provide that the Company will pay the relevant executive all of his accrued wages and salary through the date of such termination.

Under the Severance Agreements, Good Reason is defined as a diminution in the executive's salary; a diminution in authority, duties or responsibilities; a material diminution in a benefit plan which the executive participates; or a termination of employment for any reason within 90 days of a Change of Control (as defined in the Severance Agreement). Cause is defined as a felony or similar crime and/or a material failure to perform the executive's designated duties following a notice period.

Both the NextWave Wireless Inc. 2005 Stock Incentive Plan (the "2005 Stock Incentive Plan") and the NextWave Wireless 2007 New Employee Stock Incentive Plan (the "2007 New Employee Stock Incentive Plan") provide for immediate and full vesting of all outstanding stock options and restricted stock awards upon a change in control of the Company (as defined in the plans). This provision applies to all of the outstanding stock options and restricted stock awards held by our executives, including the Named Executive Officers. We believe that this arrangement is important as a recruitment and retention device.

Rule 10b5-1 Trading Plans

Our executives may implement a trading plan under Exchange Act Rule 10b5-1 subject to pre-clearing the plan with the Company's Senior Vice President Legal. Such plans may be implemented as long as they are entered into when the executive is not in possession of material nonpublic information about the Company.

Tax Deductibility of Executive Compensation

Section 162(m) of the U.S. Federal tax code prevents the Company from taking a tax deduction for certain non-performance-based compensation in excess of \$1 million in any fiscal year paid to the chief executive officer and the three other most highly compensated named executive officers (excluding the chief financial officer). While we generally seek to ensure the deductibility of the incentive compensation paid to our executives, the Compensation Committee retains the flexibility necessary to provide cash and equity compensation in line with competitive practice, our compensation philosophy and the best interests of stockholders even if these amounts are not fully tax deductible.

This repurchase right expired in 48 equal monthly installments over a four year period commencing on the date of grant, beginning on May 13, 2005 and no shares remain subject to this repurchase right. The options granted on April 27, 2006 were granted in lieu of a cash incentive award for performance in fiscal 2005 and were vested in full as of the option grant date.
- (2) The options granted on May 19, 2009 were immediately exercisable in full as of the option grant date, with the exception of 15,000 options granted to Mr. Harding. Each of the restricted stock awards will expire after a term of 10 years and will vest in full upon the repayment or retirement in full, whether through redemptions, repayment at maturity date or conversion, of our Third Lien Notes. If the Third Lien Notes are not repaid or retired in full prior to the expiration of the restricted stock awards, the awards will be forfeited.

Potential Payments Upon Termination or Change In Control

Except for the Severance Agreements described on page 14 of this Proxy Statement, the Company does not maintain any contracts, agreements, plans, or arrangements that provide for payments to the Named Executive Officers at, following, or in connection with any termination of employment, including, without limitation, resignation, severance, retirement, or a constructive termination of a Named Executive Officer, or a change in control of the Company or a change in the Named Executive Officers responsibilities, except for the accelerated vesting of long-term incentive awards under the circumstances described below.

Upon the voluntary termination of employment of any of the Named Executive Officers, any unvested portion of any outstanding stock options held by an executive will be cancelled and the employee has 90 days from the date of termination of employment in which to exercise the vested portion of any such options. After the expiration of the 90-day period, the vested portion of any such options that remains unexercised will be cancelled. The Company may, in the discretion of our Board of Directors and Compensation Committee, accelerate the vesting of any unvested portion of any outstanding stock option upon an executive's termination of employment.

Both the Company's 2005 Stock Incentive Plan and 2007 New Employee Stock Incentive Plan provide that, in the event of a change in control of the Company (as defined in the respective plan), any unvested portion of any outstanding stock option or restricted stock grant shall immediately vest in full. This provision applies to all of the outstanding stock options or restricted stock grant held by our employees, including the Named Executive Officers. We believe that these arrangements are an important recruitment and retention device.

TRANSACTIONS WITH RELATED PERSONS

As of December 31, 2011, the aggregate principal amount of our secured indebtedness was \$1,022 million. This amount includes our Senior Notes with an aggregate principal amount of \$137.8 million, our Second Lien Notes with an aggregate principal amount of \$193.3 million and our Third Lien Notes with an aggregate principal amount of \$690.9 million. The holders of the secured notes include Avenue Capital, Solus Core Opportunities Master Fund Ltd. and its affiliates and co-investors (Solus), Douglas F. Manchester, a member of our Board of Directors, and Navation, Inc. (Navation) an entity owned by Allen Salmasi, our Chairman. Robert Symington, a portfolio manager with Avenue Capital, is a member of our Board of Directors. As of December 31, 2011, Avenue Capital and its affiliates beneficially owned 9,285,774 shares, or 34%, of our issued and outstanding common stock, such that Avenue Capital would be considered a related party; \$103.5 million, or 75%, of the aggregate principal amount of our Senior Notes; \$150.5 million, or 78%, of the aggregate principal amount of our Second Lien Notes; and \$194.6 million, or 28%, of the aggregate principal amount of our Third Lien Notes. As of December 31, 2011, Solus beneficially owned 3,747,694 shares, or 14.2%, of our issued and outstanding common stock, such that Solus would be considered a related party; \$34.3 million, or 25%, of the aggregate principal amount of our Senior Notes; \$42.8 million, or 22%, of the aggregate principal amount of our Second Lien Notes; and \$79.8 million, or 12%, of the aggregate principal amount of our Third Lien Notes. At December 31, 2011 and January 1, 2011 Solus also held 0.4 million and 1.8 million of warrants exercisable for shares of our common stock for an exercise price of \$0.07 each. During the year ended December 31, 2011, Solus exercised 1.4 million of these warrants for cash of \$0.1 million resulting in the issuance of 1.4 million common shares.

On December 14, 2011, we entered into an Amendment and Limited Waiver (the 2011 Amendment and Waiver) to the agreements governing our Notes, whereby all holders of our Senior Notes, Second Lien Notes and Third Lien Notes agreed to extend the maturity of the Senior Notes to December 31, 2012; extend the maturity of the Second Lien Notes to January 31, 2013; extend the maturity of the Third Lien Notes to February 28, 2013; and permanently waive past events of default under the Notes. No amendment or consent fee was paid to such holders in connection with the 2011 Amendment and Waiver. Our current cash reserves are not sufficient to meet our payment obligations under our secured notes at their current maturity dates. Additionally, we may not be able to consummate sales of our wireless spectrum assets yielding sufficient proceeds to retire this indebtedness at the current scheduled maturity dates. If we are unable to further extend the maturity of our secured notes, or identify and successfully implement alternative financing to repay our secured notes, the holders of our Notes could proceed against the assets pledged to collateralize these obligations. As disclosed in our 2011 Annual Report to Stockholders, these conditions raise substantial doubt about our ability to continue as a going concern. Insufficient capital to repay our debt at maturity would significantly restrict our ability to operate and could cause us to seek relief through a filing in the United States Bankruptcy Court. Any alternative financing and/or maturity extension of our Notes may be costly to obtain, and could involve the issuance of equity securities that could cause significant dilution to our existing stockholders.

On March 16, 2010, we entered into an Amendment and Limited Waiver (the 2010 Amendment and Waiver) to the agreements governing our Senior Notes, Second Lien Notes and Third Lien Notes. In connection with the 2010 Amendment and Waiver, we entered into a Commitment Letter with Avenue Capital Management II, L.P., acting on behalf of its managed investment funds signatory thereto, and Solus, to provide up to \$25.0 million in additional financing through the purchase of the Senior Incremental Notes (the Commitment Letter). Avenue Capital Management II, L.P., is an affiliate of Avenue Capital. The terms of the Commitment Letter provided that we were entitled to borrow up to \$25.0 million in one or more borrowings after March 16, 2010 but prior to July 31, 2010, upon 10 business days notice. As with the other Senior Notes, amounts outstanding under the Senior Incremental Notes will bear interest at a rate of 15% per annum, payable in kind unless we elect to pay cash, and will be secured by a first lien on the same assets securing the our Senior Notes, on a pari passu basis. No commitment fee or structuring fee was payable in connection with the Commitment Letter.

As consideration for the 2010 Amendment and Waiver, we paid an amendment fee to each of Avenue Capital, Solus, Douglas F. Manchester, and Navation, through the issuance of additional Notes under the applicable Note Agreements in an amount equal to 2.5% of the outstanding principal and accrued and unpaid interest on such holder's existing Notes as of March 16, 2010. The Fee Notes were paid on March 16, 2010 by the issuance of Senior Notes, Second Lien Notes and Third Lien Notes to Avenue Capital, Solus, Mr. Manchester and Navation, and will accrue interest and become payable in accordance with the terms of the respective Note Agreements. Avenue Capital received \$2.3 million in Senior Notes, \$2.8 million in Second Lien Notes and \$3.8 million in Third Lien Notes. Solus received \$0.7 million in Senior Notes, \$0.8 million in Second Lien Notes and \$1.5 million in Third Lien Notes. Mr. Manchester and Navation each received \$1.9 million in Third Lien Notes. The transactions contemplated by the 2010 Amendment and Waiver and the Commitment Letter were approved and recommended to our Board of Directors by an independent committee consisting of members of the Board of Directors who do not have any direct or indirect economic interest in the Notes.

As contemplated by the Commitment Letter, during the second quarter of 2010, we issued \$20.0 million and \$5.0 million in additional Senior Notes (the "Senior Incremental Notes") to affiliates of Avenue Capital and Solus, respectively. As with the other Senior Notes, amounts outstanding under the Senior Incremental Notes earned interest at a rate of 15% per annum, payable in-kind unless we elected to pay cash, and were collateralized by a first lien on the same assets collateralizing our Senior Notes, on a pari passu basis. No commitment fee or structuring fee was payable in connection with the issuance of the Senior Incremental Notes. We repaid the Senior Incremental Notes in full, pursuant to their terms, in October 2010.
