**ITEM 8.01 Other Events.**

Reference is made to Overview and Outlook under Part I, Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations in the Form 10-Q for the quarter ended March 31, 2012, as well as to Part I, Item 1A. Risk Factors and Overview, Liquidity and Capital Resources and Outlook under Part II, Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations in the Form 10-K for the year ended December 31, 2011, of registrant Ameren Corporation ( Ameren ) and its registrant subsidiary, Ameren Energy Generating Company ( Genco ), for a discussion of the impact of lower power prices on Ameren's and Genco's projected operating results and cash flows and their plans with respect thereto.

On June 12, 2012, Electric Energy, Inc. ( EEI ), an 80%-owned subsidiary of Genco, announced that it is reducing its workforce by 44 employees in response to lower demand for electricity and low sales prices. Impacted employees include both management and labor union represented employees. Affected employees will be leaving their employment by mid-August 2012 and management employees will receive benefits consistent with EEI's standard severance benefits. Ameren and Genco expect to record a pre-tax charge to earnings during 2012 of approximately \$2.0 million related to the workforce reduction. The workforce reduction is expected to reduce EEI's annual pre-tax other operations and maintenance expenses by approximately \$1.0 million to \$2.0 million in 2012, before giving effect to the related pre-tax charge to earnings, and approximately \$2.0 million to \$3.5 million annually thereafter. The charge to earnings and expected reductions in pre-tax other operations and maintenance expenses referenced above include EEI's 20% minority shareholder interest.

This combined Form 8-K is being filed separately by Ameren Corporation and Ameren Energy Generating Company (each a registrant ). Information contained herein relating to any individual registrant has been filed by such registrant on its own behalf. No registrant makes any representation as to information relating to any other registrant.
