**Trading in Ivanhoe Mines rights begins June 14, 2012**

VANCOUVER, CANADA Ivanhoe Mines announced today that rights to be issued under the company's previously announced rights offering will begin trading on a when issued basis on Thursday, June 14, 2012, on the Toronto Stock Exchange (TSX), the New York Stock Exchange (NYSE) and on the NASDAQ Stock Market. The when issued trading will allow trading of the rights before they are formally issued and the resulting conditional transactions are settled after the rights have been issued to shareholders.

On the TSX, the Ivanhoe rights will trade under the symbol IVN.RT.

On the NYSE, the Ivanhoe rights will trade under the symbol IVN RT WI (the symbol was previously reported as IVN.WIRT) until June 27, 2012, following which they will trade under the symbol IVN RT.

On NASDAQ, the Ivanhoe rights will trade under the symbol IVN.V until June 27, 2012, following which they will trade under the symbol IVN.R.

Details of the rights offering are contained in the final prospectus dated June 7, 2012, which is available on SEDAR and EDGAR. The rights offering was summarized in a news release issued by Ivanhoe Mines on June 8, 2012.

Key terms contained in the final prospectus for the rights offering include:

Each Ivanhoe Mines shareholder will receive one transferable right for each share of common stock owned as of June 19, 2012, the record date for the rights offering.

Every 20 rights will entitle the holder to purchase seven (7) common shares of Ivanhoe Mines.

Each holder may choose a subscription price of either US\$7.00 per share or CDN\$7.17 per share. The US and Canadian subscription prices represent a discount of approximately 32% to the closing prices of US\$10.31 on the NYSE and CDN\$10.62 on the TSX on June 7, 2012.

Approximately 260 million common shares are expected to be issued under the rights offering, which would represent approximately 35% of Ivanhoe's current outstanding shares.

A rights-offering prospectus and rights certificate will be mailed to each shareholder of record on June 27, 2012, subject to applicable law.

The rights offering will be open for exercise for 21 days from the date of mailing to shareholders and will expire at 5:00 p.m. Eastern Standard Time (EST) on July 19, 2012.

Trading of the rights on the TSX will stop at noon (EST) on July 19, 2012. On the NYSE and NASDAQ, trading of the rights will stop at the close of trading on July 18, 2012.

Shareholders who do not wish to exercise their rights to buy new common shares under the offering will have the option of selling the rights that they receive from Ivanhoe Mines through the TSX, the NYSE or NASDAQ.

Shareholders who do not exercise all of their rights will have their present ownership interests in Ivanhoe Mines reduced, as a percentage of the total outstanding common shares, as a result of the rights offering.

Rio Tinto has committed to take up its full basic subscription privilege under the rights offering with respect to its 51% shareholding in Ivanhoe, subject to certain conditions. Rio Tinto will also provide a standby commitment for the full amount of the US\$1.8 billion rights offering, subject to certain conditions including the price of Ivanhoe's common shares on the NYSE not falling below the subscription price at any time on or after the fifth business day before the expiry of the rights. Under the standby commitment, Rio Tinto is required to acquire any Ivanhoe common shares not taken up under the rights offering.

Persons trading in the when issued market should be aware that the acquisition and beneficial ownership reporting rules under Canadian securities laws will apply to purchases of when issued rights of Ivanhoe Mines; U.S. beneficial ownership reporting rules also will apply.

This news release does not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
