Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On July 24, 2012, the Board of Directors (the Board) of Career Education Corporation (the Company) approved a 2012 Reward and Retention Program (the Program) for senior leaders of the Company, including but not limited to the following named executive officers as that term is defined by the rules of the Securities and Exchange Commission: Michael Graham, Executive Vice President, Chief Financial Officer and Treasurer; Robert Todd DeYoung, Executive Vice President, Strategy and Chief Marketing Officer; and Jason Friesen, Senior Vice President, Chief University Education Officer.

Under the Program, target awards are established for each participant based on a designated percentage of the participant's base salary, with 50% of the target award being fixed and 50% of the target award being variable based on the trading price of the Company's common stock. Vesting of the awards occurs in six-month intervals over an 18-month period, and an increasing percentage of the awards vest at each vesting date, subject to the participant's continued employment with the Company. Awards under the Program are payable in cash.

The variable amount of the award paid at each vesting date will be determined by measuring the amount of increase or decrease in the Company's common stock price versus the stock price at the date of the award, which is expected to be on or around August 10, 2012. The common stock price for purposes of these measurements will be the average of the closing price for the common stock on each of the five trading days immediately preceding the relevant date of determination. The variable amount of the award paid at each vesting date will, however, be capped at 200% of the target variable amount applicable to the relevant vesting date and have a minimum payout of 50% of the target variable amount applicable to the relevant vesting date.

Under the Program, Messrs. Graham, DeYoung and Friesen are eligible to receive target awards of \$225,500, \$150,960 and \$177,500, respectively.
