Item 1.01. Entry Into a Material Definitive Agreement.

Common Stock Offering

On September 13, 2012, Genesee & Wyoming Inc. (the Company) entered into an underwriting agreement (the Common Stock Underwriting Agreement) with Mortimer B. Fuller III, the Chairman of the Company s Board of Directors (the Selling Shareholder), Merrill Lynch, Pierce, Fenner & Smith Incorporated, Citigroup Global Markets Inc. and J.P. Morgan Securities LLC, and the other several underwriters named therein (collectively the Common Stock Underwriters), related to a public offering of 3,500,000 shares (the Underwritten Shares) of Class A Common Stock, par value \$0.01 per share (the Common Stock), of the Company, which amount included 233,996 shares offered by the Selling Shareholder, at a price of \$64.75 per share. Pursuant to the terms of the Common Stock Underwriting Agreement, the Company granted the underwriters an option to purchase up to 525,000 additional shares (the Optional Shares and, together with the Underwritten Shares, the Shares) which the underwriters exercised on September 14, 2012. On September 19, 2012, the Company closed the underwritten public offering of 4,025,000 Shares, which amount included the 233,996 Shares offered by the Selling Stockholder and the Optional Shares.

Tangible Equity Units Offering

Also on September 13, 2012, the Company entered into an underwriting agreement (the Units Underwriting Agreement) with Merrill Lynch, Pierce, Fenner & Smith Incorporated, Citigroup Global Markets Inc. and J.P. Morgan Securities LLC, and the other several underwriters named therein (collectively the Units Underwriters) related to a public offering of 2,000,000 5.00% Tangible Equity Units (the Underwritten Units), each with a stated amount of \$100. Pursuant to the terms of the Units Underwriting Agreement, the Company granted the Units Underwriters an option to purchase up to 300,000 additional Units (the Optional Units and, together with the Underwritten Units, the Units) which the underwriters exercised on September 14, 2012. On September 19, 2012, the Company closed the underwritten public offering of an aggregate of 2,300,000 5.00% Units, which amount included the Optional Units.

Each Unit initially consists of (i) a prepaid stock purchase contract (each a Purchase Contract, and collectively, the Purchase Contracts) that shall be settled against delivery of a number of shares of the Company s Common Stock to be determined pursuant to the Purchase Contract Agreement (as defined below) or redeemed, under certain circumstances, for cash and/or shares of the Common Stock and (ii) a senior amortizing note due October 1, 2015 (each an Amortizing Note, and collectively, the Amortizing Notes) that has an initial principal amount of \$14.1023, bears interest at a rate of 4.50% per annum, and has a final installment payment date of October 1, 2015.

In connection with the issuance of the Units, the Company entered into a Purchase Contract Agreement, dated as of September 19, 2012, with Wilmington Trust, National Association, as purchase contract agent and as attorney-in-fact for the holders of the Purchase Contracts from time to time and Wilmington Trust, National Association, as trustee under the Indenture (as defined below).

Unless settled or redeemed earlier, on October 1, 2015, each Purchase Contract will automatically settle and the Company will deliver a number of shares of Common Stock based on the applicable market value, which is the average of the daily volume weighted average price of the Common Stock on each of the 20 consecutive trading days beginning on, and including, the 23rd scheduled trading day immediately preceding October 1, 2015, as follows (subject to adjustment):

if the applicable market value is equal to or greater than the threshold appreciation price, which is initially approximately \$80.9389, holders will receive 1.2355 shares of Common Stock (the minimum settlement rate);

if the applicable market value is greater than the reference price, which is initially \$64.75, but less than the threshold appreciation price, holders will receive a number of shares of Common Stock equal to \$100, which is the stated amount of each Unit, divided by the applicable market value; and

if the applicable market value is less than or equal to the reference price, holders will receive 1.5444 shares of Common Stock (the maximum settlement rate).

At any time prior to the close of business on the third scheduled trading day immediately preceding October 1, 2015, the holder of a Purchase Contract may settle its purchase contract early, and the Company will deliver a number of shares of Common Stock equal to the minimum settlement rate. In addition, if a fundamental change (as defined in the Purchase Contract Agreement) occurs and the Purchase Contract holder elects to settle its Purchase Contract early in connection with such fundamental change, such holder will receive a number of shares of Common Stock based on the fundamental change early settlement rate, as described in the Purchase Contract Agreement.

The Company may elect to settle all, but not less than all, outstanding Purchase Contracts on or after May 15, 2013 at the early mandatory settlement rate (as defined in the Purchase Contract Agreement), upon a date fixed by the Company upon not less than five business days' notice. In addition, if the agreement and plan of merger relating to the Company's pending acquisition of RailAmerica, Inc. has terminated, the Company may elect within the five business days immediately following April 30, 2013 to redeem all, but not less than all, outstanding Purchase Contracts on the terms set forth in the Purchase Contract Agreement (a Merger Termination Redemption). Except for cash in lieu of fractional shares or, under certain circumstances, in the event of a Merger Termination Redemption, the Purchase Contract holders will not receive any cash distributions under the Purchase Contracts.

In connection with the issuance of the Amortizing Notes, the Company entered into Indenture, dated as of September 19, 2012 with Wilmington Trust, National Association, as trustee (the Base Indenture), and a First Supplemental Indenture, dated as of September 19, 2012, with the Trustee (the Supplemental Indenture and, together, with the Base Indenture, the Indenture). The form of the Base Indenture was filed as Exhibit 4(f) to the Registration Statement.

On each January 1, April 1, July 1 and October 1, commencing on January 1, 2013 (each, an installment payment date), the Company will pay holders of Amortizing Notes equal quarterly cash installments of \$1.25 per Amortizing Note (except for the January 1, 2013 installment payment, which will be \$1.4167 per Amortizing Note), which cash payment in the aggregate will be equivalent to a 5.00% cash distribution per year with respect to each \$100 stated amount of Units. Each installment will constitute a payment of interest (at a rate of 4.50% per annum) and a partial repayment of principal on the Amortizing Note, allocated as set forth in the amortization schedule provided in the Indenture.

If the Company elects to settle the Purchase Contracts early or in the event of Merger Termination Redemption, holders of the Amortizing Notes (whether held as part of a Unit or as a separate Amortizing Note) will have the right to require the Company to repurchase such holders' Amortizing Notes.

The Indenture contains certain covenants by the Company, including, a covenant that limits the Company's ability to consolidate, merge, sell or otherwise dispose of all or substantially all of its assets. The Indenture also contains customary events of default which would permit the holders of the Amortizing Notes to declare those Amortizing Notes to be immediately due and payable if not cured within applicable grace periods, including the failure to make timely installment payments on the Amortizing Notes or other material indebtedness, the failure to satisfy covenants and specified events of bankruptcy and insolvency.

Each Unit may be separated into its constituent Purchase Contract and Amortizing Note after the initial issuance date of the Units, and the separate components may be combined to create a Unit, in each case in accordance with the terms of the Purchase Contract Agreement.

The Company has applied to list the Units on the New York Stock Exchange, subject to satisfaction of its minimum listing standards with respect to the Units. If the Units are approved for listing, the Company expects trading on the New York Stock Exchange to begin within 30 calendar days after the date of original issuance of the Units. However, the Company will not initially apply to list the separate Purchase Contracts or the separate Amortizing Notes on any securities exchange or automated inter-dealer quotation system. The Company may apply to list such separate Purchase Contracts and separate Amortizing Notes in the future.

General

The sale of the Shares and the Units was made pursuant to the Company's Registration Statement on Form S-3 (File No. 333-183862) (the Registration Statement) and the prospectus supplements, dated September 13, 2012, to the prospectus contained therein dated September 12, 2012.

The Company expects the proceeds from the issuances of the Shares offered by the Company and the Units will be used to partially fund the Company's previously announced acquisition of RailAmerica, Inc. (RailAmerica).
