Item 1.01. Entry into a Material Definitive Agreement.

On October 9, 2012, Western Gas Partners, LP (the Partnership), together with its general partner, entered into an Underwriting Agreement (the Underwriting Agreement) with RBS Securities Inc., as representative of the several underwriters, relating to the public offering of \$150 million aggregate principal amount of the Partnership 's 4.0% senior notes due 2022 (the Additional Notes) at a price to the public of 105.178% of the face amount of the Additional Notes.

The Additional Notes are being offered as additional senior notes under an indenture (the Indenture) pursuant to which the Partnership issued \$520 million aggregate principal amount of 4.0% senior notes due 2022 on June 28, 2012. The Additional Notes are identical to, and will be treated as a single class of debt securities with, the previously issued senior notes under the Indenture. The offering of the Additional Notes is expected to close on October 18, 2012, subject to customary closing conditions. The Partnership intends to use the net proceeds from the offering of the Additional Notes for general partnership purposes.

The offering was made pursuant to the Partnership 's shelf registration statement on Form S-3 (File No. 333-174043), which became effective on May 9, 2011.

The Underwriting Agreement contains customary representations, warranties and agreements by the Partnership, customary conditions to closing, indemnification obligations of the Partnership and the underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 hereto and incorporated by reference herein.

Relationships

From time to time, certain of the underwriters and their related entities have engaged, and may in the future engage, in commercial and investment banking transactions with the Partnership in the ordinary course of their business. They have received, and expect to receive, customary compensation and expense reimbursement for these commercial and investment banking transactions.
