Explanatory Note

On January 4, 2013, Pernix Therapeutics Holdings, Inc. (Pernix) filed a Current Report on Form 8-K (the Original Form 8 K) to report the completion of the acquisition by Pernix of Cypress Pharmaceuticals, Inc. and its wholly-owned subsidiary Hawthorne Pharmaceuticals, Inc. (collectively, Cypress), pursuant to the previously announced securities purchase agreement, as amended. In connection with the acquisition of Cypress by Pernix, Cypress management has performed an extensive review of Cypress accounting policies, procedures and practices used to estimate its product return liability subsequent to the issuance of its September 30, 2012 and December 31, 2011 consolidated financial statements. Based upon this review, it was determined that Cypress product return liability calculations for the nine months ended September 30, 2012 and 2011 and the years ended December 31, 2011 and 2010 required adjustment to fully reflect historical and expected product return rates. Accordingly the previously issued consolidated financial statements as of and for the nine months ended September 30, 2012 and 2011 and the years ended December 31, 2011 and 2010 have been restated to include an increase to accrued expenses of \$3,382,055, \$3,205,732 and \$2,833,417 at September 30, 2012, December 31, 2011 and December 31, 2010, respectively. Cypress also determined that it required adjustment to fully reflect accrued employee vacation resulting in restatement adjustments to increase accrued expenses by \$250,000 at September 30, 2012, December 31, 2011 and December 31, 2010. This amendment to the Original Form 8-K is being filed to provide restated financial statements and pro forma financial statements reflecting the above described changes.
