Item 1.01 Entry Into a Material Definitive Agreement.

Merger Agreement

On April 19, 2013, Aerosonic Corporation (the **Company**), a Delaware corporation, entered into an Agreement and Plan of Merger (the **Merger Agreement**) with TransDigm Group Incorporated (**Parent**), a Delaware corporation, and Buccaneer Acquisition Sub Inc. (**Purchaser**), a Delaware corporation and indirect wholly-owned subsidiary of Parent.

Pursuant to the Merger Agreement, and on the terms and subject to the conditions described therein, Purchaser has agreed to conduct a cash tender offer (the **Offer**) to purchase all of the Company's issued and outstanding shares of common stock, par value \$0.40 per share (the **Shares**), at a price of \$7.75 per Share in cash, without interest (less any applicable withholding taxes) (the **Per Share Amount**).

Purchaser has agreed to commence the Offer no later than May 9, 2013, and the Offer will expire on the later of (i) the 20th business day beginning with (and including) the commencement of the Offer and (ii) May 31, 2013, unless extended in accordance with the terms of the Merger Agreement and applicable law (the **Expiration Date**). The Merger Agreement requires the Purchaser to extend the Offer for at least two increments of 10 business days following the initial Expiration Date if the Offer conditions have not been satisfied. In no event may the Offer be extended beyond July 8, 2013, without the consent of the Company.

The obligation of Parent and Purchaser to consummate the Offer is subject to customary conditions, including but not limited to: (a) at least a majority of the outstanding Shares (determined on a fully-diluted basis) having been validly tendered and not withdrawn prior to the expiration of the Offer (the **Minimum Tender Condition**); and (b) there having occurred no Change in Recommendation (as defined in the Merger Agreement) by the Company's Board of Directors (the **Company Board**).

Following the successful completion of the Offer, and subject to the terms and conditions of the Merger Agreement, Purchaser will be merged with and into the Company, with the Company surviving as an indirect wholly-owned subsidiary of Parent (the **Merger**). At the effective time of the Merger, each issued and outstanding Share, other than Shares held in the treasury of the Company or owned by Parent, Purchaser or any of their affiliates and Shares held by holders who have properly demanded appraisal rights under Delaware law, will be converted into the right to receive the merger consideration (which is equal to the Per Share Amount).

In the Merger Agreement, the Company granted to Purchaser an irrevocable option (the **Top-Up Option**), upon the terms and subject to the conditions set forth in the Merger Agreement (including the Purchaser owning after the completion of the Offer and any subsequent offering period at least a majority but less than ninety percent (90%) of all outstanding Shares), to purchase at the Per Share Amount a number Shares equal to the lowest number of Shares that, when added to the number of Shares owned by Parent and Purchaser, would constitute one share more than 90% of the Shares then outstanding (the **Top-Up Option Shares**). In no event will the Top-Up Option be exercisable if the number of Top-Up Option Shares would be in excess of the number of authorized but unissued Shares or Shares held in treasury that are not already reserved for issuance pursuant to options, warrants or other rights as of immediately prior to the issuance of the Top-Up Option Shares. The Top-Up Option is only exercisable once in whole and not in part at or prior to the later of (i) ten days after the date on which Purchaser accepts for payment and pays for Shares pursuant to the Offer (the **Purchase Date**) and (ii) the expiration of any subsequent offering period.

The Merger Agreement contains representations, warranties and covenants customary for a transaction of this nature.

The Merger Agreement permits the Company to solicit alternative acquisition proposals from third parties for 40 days, until May 29, 2013. There can be no assurance that this process will result in an alternative transaction. After this period, the Company will be subject to customary non-solicitation restrictions, but still may, on the terms and subject to the conditions of the Merger Agreement, respond to any unsolicited alternative acquisition proposal that constitutes, or the Company Board determines would reasonably be expected to lead to, a Superior Proposal (as defined in the Merger Agreement) and the Company Board determines that the failure to so respond would be inconsistent with its fiduciary duties. Before making a Change in Recommendation, the Merger Agreement requires the Company to provide Parent and Purchaser with certain information with respect to an alternative acquisition that it considers to be a Superior Proposal and the opportunity to revise their offer in response thereto. Purchaser will terminate the Offer if the Company accepts a Superior Proposal and terminates the Merger Agreement in accordance with its terms.

The Merger Agreement also includes customary termination provisions for the Company and Parent and provides that, in connection with the termination of the Merger Agreement under specified circumstances (including the acceptance of a Superior Proposal), the Company will be required to pay Parent a termination fee of \$1,200,000 (approximately 3% of enterprise value), inclusive of expenses, during the go-shop period and \$1,500,000 (approximately 3.85% of enterprise value), inclusive of expenses, after the go-shop period.

Neither the Offer nor the Merger is subject to a financing condition. The closing of the Merger is subject to customary closing conditions. If Purchaser achieves ownership of 90% of the outstanding Shares through the Offer and any subsequent offering period, including any exercise of the Top-Up Option described above, it may effect the Merger as a short-form merger pursuant to Delaware law without a vote or any further action by the Company's shareholders. Otherwise, the Parent and Purchaser will need to obtain the approval of the Company's shareholders holding a majority of the Shares to adopt the Merger Agreement prior to consummating the Merger. In this event, the Company will call and convene a shareholder's meeting to obtain this approval, and Purchaser will vote all Shares it acquires pursuant to the Offer and subsequent offering period, if any, in favor of the adoption of the Merger Agreement, thereby assuring approval.

The Merger Agreement provides that, subject to the requirements of Section 14(f) of the Exchange Act and Rule 14f-1 promulgated thereunder, on the purchase by Purchaser pursuant to the Offer of such number of Shares as shall satisfy the Minimum Tender Condition, and from time to time thereafter, Purchaser may designate directors to serve on the Company Board up to such number of directors equal to the product (rounded up to the next whole number) obtained by multiplying (a) the total number of directors on the Company Board (giving effect to any increase in the number of directors pursuant to the Merger Agreement) by (b) the percentage that the aggregate number of Shares beneficially owned by Purchaser and its affiliates bears to the total number of Shares then outstanding (on a fully-diluted basis). The Company has agreed, upon Purchaser's request, to use its best efforts to take all such actions as are necessary to elect or designate to the Company Board the individuals designated by Purchaser, including by increasing the size of the Company Board. The Company shall also cause the directors elected or designated by Purchaser to the Company Board to serve on and constitute the same percentage (rounded up to the next whole number) as is on the Company Board of each committee of the Company Board. Pursuant to Rule 14f-1, the Company will distribute to each of the Company's shareholders an Information Statement that will, among other things, provide information regarding the Purchaser's proposed directors.

The foregoing description of the Merger Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, which is attached as Exhibit 2.1 hereto and is incorporated herein by reference. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to modify or supplement any factual disclosures about the Company in its public reports filed with the Securities and Exchange

Commission and it is not intended to be, and should not be relied upon as, disclosures regarding any facts and circumstances relating to the Company or Parent or Purchaser. In particular, the representations, warranties and covenants set forth in the Merger Agreement (a) were made solely for purposes of the Merger Agreement and solely for the benefit of the contracting parties, (b) may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made to Parent and Purchaser in connection with the Merger Agreement, (c) will not survive consummation of the Merger, (d) are qualified in certain circumstances by a materiality standard which may differ from what may be viewed as material by investors, (e) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement, and (f) may have been included in the Merger Agreement for the purpose of allocating risk between the parties rather than establishing matters as facts. Investors are not third-party beneficiaries under the Merger Agreement, and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or conditions of the parties. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in subsequent public disclosure.
