Explanatory Note

Natus Medical Incorporated (the Company) previously filed a Current Report on Form 8-K on July 3, 2012 to report that the Company had completed the acquisition of the Nicolet neurodiagnostic business (Nicolet) from CareFusion.

The purpose of this report is to provide financial statements required by part (a) of Item 9.01 of Form 8-K. The financial statements provided consist of a Statement of Revenues and Direct Expenses and a Statement of Assets Acquired and Liabilities Assumed as of and for the year ended June 30, 2012, as it is not practical to obtain full financial statements of Nicolet. The Company has not included a pro forma balance sheet and statement of operations because it has previously filed its Form 10-K for the period ended December 31, 2012, which reflects the acquisition and the use of forward-looking information is necessary to meaningfully present the effects of the acquisitions.

Item 9.01 Financial Statements and Exhibits

(a) Financial Statements of the Business Acquired.

The following financial statements are being filed with this report as Exhibit 99.1: Statement of Revenues and Direct Expenses and Statement of Assets Acquired and Liabilities Assumed of the Nicolet Business of CareFusion as of and for the year ended June 30, 2012.

(d) Exhibits.

The following exhibits are filed herewith:
