Section 1. Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

On May 16, 2013, we issued restricted common stock to each of our directors, including two of our executive officers, under separate restricted stock agreements. In each case the shares are subject to forfeiture upon termination of service as a director and restrictions on transfer. Lapse of the risk of forfeiture and the restrictions depends upon the company's common stock price meeting the following price targets: \$35, \$50, \$65, and \$80 for a period of 20 consecutive trading days. The shares were granted pursuant to our 2012 Omnibus Incentive Plan.

Paresh Patel, our chief executive officer, was awarded 400,000 shares. Under his restricted stock agreement, the risk of forfeiture and the restrictions lapse in 100,000 share increments one year after the company's stock price meets a specified price target for a period of 20 consecutive trading days.

The remaining directors, including Sanjay Madhu, president of our Greenleaf Capital real estate division and vice president of investor relations, were awarded 24,000 shares each. Under their restricted stock agreements, the risk of forfeiture and the restrictions lapse in 6,000 share increments one year after the company's stock price meets a specified price target for a period of 20 consecutive trading days.
