**Item 7.01 Regulation FD Disclosure.**

On June 10, 2013, Craig T. Bouchard, the Chief Executive Officer and Chairman of the Board of Directors (the Board) of Signature Group Holdings, Inc. (the Company) attended an event with certain Company shareholders and other investors at the invitation of New Signature, LLC. Also in attendance at this event were Board member Philip G. Tinkler, Board nominee Raj Maheshwari, Executive Vice President & General Counsel Chris Manderson and Executive Vice President Thomas Donatelli. The event included an introduction to Mr. Bouchard and the new Board slate, as well as an overview of the Company, and was followed by a question-and-answer session.

Mr. Bouchard reported that he traveled to the Company's headquarters in Sherman Oaks, CA on Friday, June 7, two days after being appointed CEO, and met with the Company's employees, as well as the Company's North American Breaker Co., LLC (NABCO) subsidiary in Burbank, CA.

In expressing enthusiasm for the potential of the Company, Mr. Bouchard reported a desire for the Company to pursue a focused strategy of growth through acquisitions, with a goal of each transaction being accretive. He stated that the Company would continue to pursue additional acquisitions and indicated an anticipated preference for transactions in the \$100 - 400 million EBITDA range.

Mr. Bouchard, Mr. Tinkler and Mr. Manderson discussed generally that the Company would seek to utilize rights offerings, as discussed in the Company's definitive proxy statement filed with the SEC on June 10, 2013, as a way to support and pursue acquisition activity. They added that recent improvements in the Company's share price caused the Company's market capitalization to exceed the \$75 million threshold for eligibility to use a Form S-3 registration statement, enabling the Company to register securities on Form S-3 as long as it remains current in its SEC filings. Therefore, the Company could also consider utilizing a shelf registration statement on Form S-3 to register stock for rights offerings, potential acquisitions and other business purposes.

Mr. Bouchard reported that he was excited about the continued potential of the NABCO business. He reiterated the Company's goals of exploring NABCO's opportunities to grow and add value.

In discussing efforts to reduce the Company's costs and streamline operations, Mr. Bouchard indicated that, the Company planned to reduce its headcount by five Company employees in the Sherman Oaks headquarters. He also noted that the Company did not presently intend to renew its sublease in April 2014 for its corporate headquarters space in Sherman Oaks, as he viewed such space as larger and more elaborate than the Company's present needs. Instead, the Company will look for smaller space appropriate to its present size.

Regarding the Company's debt, Mr. Bouchard indicated that the Company planned to explore refinancing, repurchasing or otherwise eliminating the Company's outstanding notes payable, due December 2016, bearing interest at 9.0% per annum, especially in light of the current credit markets and the Company's present cash position. Mr. Bouchard reported that the Company was working to complete the sale of its remaining mortgage portfolio, and that the Company anticipated completing the sale of such nonperforming residential loan portfolio and other owned real estate, as previously disclosed by the Company in its Current Report on Form 8-K, filed with the Securities and Exchange Commission on May 10, 2013, within the week.

Mr. Manderson noted that, as previously reported in the Company's Annual Report for the year ended December 31, 2012 on Form 10-K, filed with the SEC on April 1, 2013 (the Form 10-K), the Company was continuing to make considerable strides in reducing the Company's outstanding litigation matters and settling outstanding pre-bankruptcy mortgage-related claims. He added that the Company had recently received a favorable ruling from the California Superior Court in its cross-complaint action for breach of fiduciary duty, breach of confidence, representing conflicting interests and indemnification (the Cross-Complaint Action) against Alan Faigin, a former General Counsel of Fremont, which would permit the Company to postpone payment of the previously disclosed, approximately \$1.4 million in damages awarded by a jury in February 2010 and subsequently upheld by the California Court of Appeal pending resolution of the Cross-Complaint Action. The Company continues to maintain its reserve for such damages award.
