**Item 7.01 Regulation FD Disclosure**

On July 15, 2013, Unitil Corporation ( Unitil or Registrant ) issued a press release announcing that the electric division of its Massachusetts gas and electric distribution utility, Fitchburg Gas and Electric Light Company, filed a rate case with the Massachusetts Department of Public Utilities ( Department ) requesting approval to change its electric distribution base rates. If approved, the filing would provide for recovery of past deferred major storm restoration costs and funding for enhanced customer service and reliability initiatives. The filing also includes a proposal for a multi-year rate plan to provide for the recovery of costs associated with providing safe and reliable distribution services. Separately, consistent with Department precedent for other utilities, the Company is also proposing to establish a major storm reserve fund to address the costs of future major storms through a major storm recovery adjustment factor. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.
