**Item 2.02 Results of Operations and Financial Condition.**

On March 13, 2013, PolyOne Corporation ( PolyOne or we ) acquired Spartech Corporation ( Spartech ). Throughout 2013, we have been integrating legacy Spartech businesses within PolyOne. As a result of these efforts, we determined that a portion of the legacy Spartech business that had been initially reported within our Global Specialty Engineered Materials segment will now report to and be reflected within our Performance Products and Solutions segment. These actions were taken to better serve customers and to increase utilization of our manufacturing assets in North America. Additionally, we have realigned certain resources associated with Spartech s legacy Color and Specialty Compounds segment, based on how these resources will now report within PolyOne s businesses. Historical quarterly segment information has been retrospectively adjusted to conform to our current reporting structure, which will be effective beginning of the fourth quarter of 2013.

For informational purposes, included in Exhibit 99.1 to this Current Report on Form 8-K is historical unaudited segment information adjusted to reflect the aforementioned changes for each of the first three quarters of 2013.
