**Item 7.01. Regulation FD Disclosure.**

The information in this Item 7.01 shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference.

On February 4, 2014, American Greetings Corporation, an Ohio corporation (the Company), Century Intermediate Holding Company, a Delaware corporation (Holdings), and certain wholly-owned domestic direct and indirect subsidiaries of the Company entered into the Second Amendment to Credit Agreement (the Amendment), which amends the Credit Agreement dated as of August 9, 2013 (the Credit Agreement), as amended, among the Company, Holdings, the lenders party thereto (the Lenders), PNC Bank, National Association, as the revolver agent and the collateral agent, and Bank of America, N.A., as the global administrative agent. The Amendment modifies the Credit Agreement to clarify that either a direct or indirect parent of Holdings may be the issuer of certain senior unsecured notes to be issued in a principal amount not to exceed \$300,000,000.

In connection with the potential issuance of such senior unsecured notes, the Company will indicate to certain investors that, based upon its financial institution account balances, its cash and cash equivalents balance was approximately \$85.2 million and that it had no borrowings outstanding under its revolving credit facility as of January 31, 2014. Additionally, American Greetings will indicate that it has achieved approximately half of the approximately \$50 million of annual savings expected from its previously announced cost-saving efforts related to the Company's information systems refresh project.

The senior unsecured notes will be issued through a private placement and resold by initial purchasers to qualified institutional buyers under Rule 144A of the Securities Act of 1933, as amended (the Securities Act), and Regulation S. The senior notes will not be registered under the Securities Act and cannot be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This does not constitute an offer to sell or the solicitation of an offer to buy any security in any jurisdiction in which such offer or sale would be unlawful.
