The Choice Is Clear: A New Path

Sam Zell & David Helfand Have Joined Corvex/Related's Slate of Nominees

Mr. Zell is willing to serve as Chairman of the Board, if so appointed by the new Board

Mr. Zell is the current Chairman of Equity Residential, Equity LifeStyle Properties, Covanta Holding Corporation and Anixter International Inc. and the former Chairman of Equity Office Properties Trust (formerly the largest REIT in the U.S.)

Mr. Helfand is willing to serve as CommonWealth's CEO, if so appointed by the new Board

Mr. Helfand is Co-President of Equity Group Investments and has previously served as Executive Vice President and Chief Investment Officer of Equity Office Properties Trust and President and CEO of Equity LifeStyle Properties

Mr. Zell and Mr. Helfand bring exceptional credentials as well as a business philosophy that includes:

A core
operating
principle
of
aligning
interests
between
company
leadership
and
shareholders

A conviction
that
an
internal
management
structure
promotes
incentives
to
build
successful
companies
for
the
long-term
creation
of
shareholder
value,
while
external
management structures are flawed given inherent conflicts of interest

company's
fiduciary
responsibility
to
its

shareholders

is

paramount

Sam Zell is recognized as a founding father of today's public real estate industry after creating three of the most successful REITs in history: Equity Office Properties Trust (EOP), Equity Residential (EQR), and Equity LifeStyle Properties (ELS)
