Whether or not you plan to attend the Annual Meeting in person, we urge you to vote your shares on-line, by telephone or, if you have chosen to receive paper copies of the proxy materials by mail, by signing, dating and returning the enclosed proxy card promptly in the accompanying postage prepaid envelope. You may, of course, attend the Annual Meeting and vote in person even if you have previously returned your proxy card. The approximate date on which this Proxy Statement and the enclosed proxy card and Notice are first being sent or made available to stockholders is April 10, 2014. **INTRODUCTION**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the Board or the Board of Directors ) of Salem Communications Corporation, a Delaware corporation ( Salem or the Company ), of proxies for use at the 2014 Annual Meeting of Stockholders of the Company (the Annual Meeting ) scheduled to be held at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

**INFORMATION REGARDING VOTING AT THE ANNUAL MEETING**

**General**

At the Annual Meeting, the stockholders of the Company are being asked to consider and to vote upon the following proposal:

Proposal 1 The election of the seven (7) Directors named in this Proxy Statement to serve until the annual meeting of stockholders to be held in 2015 or until their respective successors are duly elected and qualified.

For information regarding this proposal, see the section of this Proxy Statement entitled PROPOSAL 1 ELECTION OF DIRECTORS.

Shares represented by properly executed proxies received by the Company will be voted at the Annual Meeting in the manner specified therein or, if no instructions are marked on the enclosed proxy card, in accordance with the recommendation of the Board of Directors on all matters presented in this Proxy Statement. Although management does not know of any matter other than the proposal described above to be acted upon at the Annual Meeting, unless contrary instructions are given, shares represented by valid proxies will be voted by the persons named on the accompanying proxy card in accordance with their respective best judgment in respect of any other matters that may properly be presented for a vote at the Annual Meeting.

Execution of a proxy will not in any way affect a stockholder's right to attend the Annual Meeting and vote in person, and any person giving a proxy has the right to revoke it at any time before it is exercised by: (a) filing with the Secretary of Salem either a duly executed written notice dated subsequent to such proxy revoking the same or a duly executed proxy bearing a later date, or (b) attending the Annual Meeting and voting in person.

The mailing address of the principal executive offices of the Company is 4880 Santa Rosa Road, Camarillo, California 93012, and its telephone number is (805) 987-0400.

**Record Date, Quorum and Voting**

Only stockholders of record on March 24, 2014 (the Record Date ) will be entitled to notice of and to vote at the Annual Meeting. There were outstanding on the Record Date 19,581,916 shares of Class A common stock, par value \$0.01 per share ( Class A common stock ), and 5,553,696 shares of Class B common stock, par value \$0.01 per share ( Class B common stock ) (the Class A common stock and the Class B common stock are collectively referred to as the common stock ). Each share of outstanding Class A common stock is entitled to one (1) vote on each matter to be voted on at the Annual Meeting and each share of outstanding Class B common stock is entitled to ten (10) votes on each matter to be voted on at the Annual Meeting, except that, as provided in the Company's Amended and Restated Certificate of Incorporation, the holders of Class A common stock shall be entitled to vote as a class, exclusive of the holders of the Class B common stock, to elect two (2) Independent Directors. The two (2) Independent Directors shall be elected by a majority of the votes of the shares of Class A common stock present in person or represented by proxy and entitled to vote on the election of the Independent Directors; the remaining five (5) Directors will be elected by a majority of the votes of the shares of Class A common stock and Class B common stock present in person or represented by proxy and entitled to vote on the election of such Directors. For information regarding the election of Directors, see the section of this Proxy Statement entitled PROPOSAL 1 ELECTION OF DIRECTORS.

The presence in person or representation by proxy of the holders of at least a majority of the voting power of the common stock issued and outstanding and entitled to vote is necessary to constitute a quorum at the Annual Meeting. In the event there are not sufficient shares for a quorum at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

---

## **Table of Contents**

Only votes cast in person at the Annual Meeting or received by proxy before the beginning of the Annual Meeting will be counted. Giving us your proxy means you authorize the proxy holders to vote your shares at the Annual Meeting in the manner you direct. If your shares are held in your name, you can vote by proxy in three (3) convenient ways as follows:

***On-Line Voting:*** Go to <http://www.proxyvote.com> and follow the instructions

***By Telephone:*** Call toll-free 1-800-690-6903 and follow the instructions

***By Mail:*** Complete, sign, date and return your proxy card in the enclosed envelope

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. on May 20, 2014.

Under Delaware law and the Company's Amended and Restated Certificate of Incorporation and Bylaws, abstentions and broker non-votes are counted for the purpose of determining the presence or absence of a quorum for the transaction of business. With regard to Proposal 1, votes may be cast in favor of or against any particular director nominee. Proposal 1 and any stockholder proposals that properly come before the Annual Meeting require, in general, the affirmative vote of a majority of the voting power of the shares of Class A common stock and Class B common stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the subject matter. For Proposal 1, abstentions will be counted in tabulations of the votes cast on a proposal and will have the same effect as a vote against the proposal. For each proposal, broker non-votes will not be counted for purposes of determining whether the proposal has been approved. If you hold shares of our common stock through a broker, bank or other nominee, then you hold shares in street name. Thus, you must instruct the broker, bank or other nominee as to how to vote your shares. Under the rules of the New York Stock Exchange ( NYSE ), if you do not provide such instructions, the firm that holds your shares will have discretionary authority to vote your shares with respect to routine matters. Pursuant to NYSE rules, Proposal 1 is not considered a routine matter; thus, your broker will not have discretionary authority to vote your shares in connection with Proposal 1 if you do not provide it with instructions.

## **Electronic Access to Proxy Materials**

Pursuant to applicable United States Securities and Exchange Commission ( SEC ) rules, the Company is making this proxy statement and its Annual Report on Form 10-K available to its stockholders electronically via the Internet at [www.proxyvote.com](http://www.proxyvote.com). On or about April 10, 2014, we will mail to stockholders a Notice containing instructions on how to access this Proxy Statement along with our Annual Report on Form 10-K as well as instructions on how to vote online. The Notice also instructs you on how you may submit your proxy vote securely over the Internet or by telephone. If you received a Notice, you will not automatically receive a printed copy of the Proxy Statement and Annual Report. If you would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials as set forth in the Notice.

## **Solicitation**

The cost of preparing, assembling and sending the Notice of Annual Meeting of Stockholders, this Proxy Statement and the enclosed proxy card will be paid by the Company. Following the delivery of this Proxy Statement, Directors, officers and other employees of the Company may solicit proxies by mail, telephone, facsimile or other electronic means or by personal interview. Such persons will receive no additional compensation for such services. Brokerage houses and other nominees, fiduciaries and custodians nominally holding shares of Class A common stock of record will be requested to forward proxy soliciting material to the beneficial owners of such shares and will be reimbursed by the Company for their reasonable charges and expenses in connection therewith.

## **Householding**

With regard to the delivery of Annual Reports and Proxy Statements, under certain circumstances the SEC permits a single set of such documents or, where applicable, one Notice, to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder, however, still receives a separate proxy card. This procedure, known as householding, reduces the amount of duplicate information received at a household and reduces delivery and printing costs as well. A number of banks, brokers and other firms have instituted householding and have previously sent a notice to that effect to certain of the Company's stockholders whose shares are registered in the name of such bank, broker or other firm. As a result, unless the stockholders receiving such notice gave contrary instructions, only one Annual Report and/or Proxy Statement, as applicable, will be delivered to an address at which two (2) or more

**Table of Contents**

stockholders reside. If any stockholder residing at such an address wishes to receive a separate Annual Report or Proxy Statement for the Annual Meeting or for future stockholder meetings, such stockholder should telephone toll-free 1-800-579-1639, or write to Salem Communications Corporation c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. A separate set of proxy materials relating to the Annual Meeting will be sent promptly following receipt of your request. In addition, if any stockholder who previously consented to householding desires to receive a separate copy of a Proxy Statement or Annual Report, as applicable, for each stockholder at his or her same address, such stockholder should contact his or her bank, broker or other firm in whose name the shares are registered or contact the Company at the address or telephone number listed on page 1 of this Proxy Statement. Similarly, a stockholder may use any of these methods if such stockholder is receiving multiple copies of a Proxy Statement or Annual Report and would prefer to receive a single copy in the future.

**Board Composition**

As a national media presence focused on the Christian and family-themed audience and the conservative news talk audience, our business involves an operational structure that operates on a broad scale and encompasses research, technical developments, and marketing functions in a context characterized by rapidly evolving technologies, exposure to business cycles, and significant competition. The Company's Nominating and Corporate Governance Committee is responsible for reviewing and assessing with the Board the appropriate skills, experience, and background sought of Board members in the context of our business and the then-current membership on the Board. This assessment of Board skills, experience, and background includes numerous diverse factors, such as understanding of and experience in radio and new media, understanding of our audience and the ministries that serves it, and finance, marketing and advertising experience. The priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board with regard to these factors may change from time to time to take into account changes in the Company's business and other trends, as well as the portfolio of skills and experience of current and prospective Board members. The Nominating and Corporate Governance Committee and the Board will review and assess the continued relevance of and emphasis on these factors as part of the Board's annual self-assessment process and in connection with candidate searches to determine if they are effective in helping to satisfy the Board's goal of creating and sustaining a Board that can appropriately support and oversee the Company's activities.

We believe that it is important for our Board members to have diverse backgrounds, skills and experiences and seek such diversity in nominating director candidates. One goal of this diversity of backgrounds, skills and experience is to assist the Board in its oversight concerning our business and operations. We consider the key skills, qualifications and experience listed below as important for our Directors to collectively have in light of our current business and structure. The Directors' biographies provided later in this Proxy Statement note each director's relevant skills, qualifications and experience. As part of an annual effectiveness review, the Board evaluates its composition to ensure that the Board as a whole sufficiently represents a diverse set of relevant backgrounds, skills and experience.

*Senior Executive Leadership Experience.* Directors who have served in senior executive leadership positions are important to us, as they bring experience and perspective in analyzing, shaping, and overseeing the execution of important operational and policy issues at a senior level. The insights and guidance of these Directors, particularly those Directors who have experience at businesses or

organizations that operated on a global scale, faced significant competition, and/or involved technology or other rapidly evolving business models enhance our Board's ability to assess and respond to situations faced by the Company.

*Public Company Board Experience.* Directors who have served on other public company boards can offer insights with regard to the dynamics and operation of a board of directors, corporate governance matters (including experience with respect to the relationship of a Board to the CEO and other management personnel), the importance of particular public company agenda and management matters and oversight of a changing mix of strategic, operational, and compliance-related matters.

*Business Development Experience.* Directors who have a background in business development can provide insight into developing and implementing strategies for growing our business through acquisitions.

*Financial Experience.* Knowledge of accounting and financial reporting processes, as well as the financial markets, financing and funding operations, is important because it assists our Directors in understanding and overseeing the Company's financial reporting, internal controls, capital structure, financing and investing activities.

*Relevant Experience with our Audiences and Programmers.* Directors who have relevant experience with the Christian and family-themed audience and the conservative news talk audience can provide insight and expertise in assisting the Board's implementation of Company strategies for growing our business by providing an engaging experience with our radio stations, Internet sites and other services. Directors with experience and knowledge of the business of our programmers and content providers can also assist the Board with analyzing, reviewing and approving mutually beneficial and significant relationships between these content providers and the Company.

*Legal Expertise.* Directors who have legal education and experience can assist the Board in fulfilling its responsibilities related to the oversight of the Company's legal and regulatory compliance and engagement with regulatory authorities.

*Radio Experience.* Knowledge of the radio industry and the challenges and opportunities of radio broadcasting companies is vitally important because it enables our Directors to understand and oversee many aspects of the Company's operations, goals and strategies.

*New Media Experience.* As the radio industry is faced with challenges and opportunities created by the emergence of new media, the Board benefits from including Directors who have relevant experience with these new and emerging means of distributing programming and enhancing our audience's ability to access information provided by the Company via different media outlets.

### **Director Independence and Executive Sessions**

The Company's Board of Directors evaluated the independence of each of the Company's Directors pursuant to the listing standards of the NASDAQ Stock Market (NASDAQ Rules). During this review, which included a review of the transactions and relationships described in the section of this Proxy Statement entitled "CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS" below, the Board of Directors considered various transactions and relationships among Directors (and their affiliates or family members), members of the Company's senior management, affiliates and subsidiaries

**Table of Contents**

of the Company and certain other parties that occurred during the past three (3) fiscal years. This review was conducted to determine whether, under the NASDAQ Rules, any such relationships or transactions would affect the Board of Directors' determination as to each director's independence.

Upon conclusion of this review, the Board of Directors determined that, of the Directors nominated for election at the Annual Meeting, a majority of the Board (comprised of Messrs. Davenport, Hinz, Riddle, Venverloh and Lewis) is independent of the Company and its senior management as required by the NASDAQ Rules.

The NASDAQ Rules also require that independent members of the Board of Directors meet periodically in executive sessions during which only independent Directors are present. The Company's independent Directors have met separately in such executive sessions and in the future will regularly meet in executive sessions as required by the NASDAQ Rules.

**Committees of the Board of Directors**

The Company's Board of Directors has three (3) committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The following table identifies the independent members of the Board of Directors and lists the members and chairman of each of these committees:

Name	Independent	Audit	Compensation	Nominating and Corporate Governance
		Committee	Committee	Committee
Stuart W. Epperson				
Edward G. Atsinger III				
Frank Wright				
Roland S. Hinz	I		X	C
Richard A. Riddle	I	C	X	X
David Davenport	I	X	C	X
Jonathan Venverloh	I	X		X

**I = Director is independent**

**X = Current member of committee**

**C = Current member and chairman of the committee**

**Audit Committee**

The audit committee of the Board of Directors (the "Audit Committee") is a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Audit Committee currently consists of Messrs. Riddle (Chairman), Davenport and Venverloh, each of whom is independent under the NASDAQ Rules and applicable SEC rules and regulations. The Board of Directors has determined that Mr. Riddle, the Audit Committee Chairperson, qualifies as an "audit committee financial expert" as defined by applicable SEC rules and regulations.

The Audit Committee held four (4) regularly-scheduled meetings and three (3) special meetings in 2013 and operates under a written charter adopted by the Board of Directors. The Audit Committee and the Company's Board of Directors annually (or more often as needed) review the charter to ensure it conforms to current laws and practices. This charter is available on the Company's Internet website ([www.salem.cc](http://www.salem.cc)) and a

copy of the charter may be obtained upon written request from the Secretary of the Company. *Any information found on the Company's website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.*

The Audit Committee's responsibilities are generally to assist the Board of Directors in fulfilling its legal and fiduciary responsibilities relating to accounting, audit and reporting policies and practices of the Company and its subsidiaries. The Audit Committee also, among other things, oversees the Company's financial reporting process, retains and engages the Company's independent registered public accounting firm, approves the fees for the Company's independent registered public accounting firm, monitors and reviews the quality, activities and functions of the Company's independent registered

public accounting firm, and monitors the adequacy of the Company's operating and internal controls and procedures as reported by management and the Company's independent registered public accounting firm. The Audit Committee Report set forth later in this Proxy Statement provides additional details about the duties and activities of this committee.

### **Compensation Committee**

As provided under applicable laws and rules, the Company's Board of Directors delegates authority for compensation matters to the compensation committee of the Board of Directors (the "Compensation Committee"). The Compensation Committee's membership is determined by the Board of Directors. The Compensation Committee currently consists of Messrs. Davenport (Chairman), Hinz and Riddle, each of whom is independent under the NASDAQ Rules, including recently adopted compensation committee independence requirements. The Compensation Committee is authorized to review and approve compensation, including non-cash benefits, and severance arrangements for the Company's Section 16 officers and employees and to approve salaries, remuneration and other forms of additional compensation and benefits as it deems necessary. The Compensation Committee also administers the Company's Amended and Restated 1999 Stock Incentive Plan (the "Stock Plan").

The Compensation Committee held two (2) regularly scheduled meetings in 2013. The Compensation Committee meets at least twice annually and at additional times as are necessary or advisable to fulfill its duties and responsibilities.

The role of the Company's Compensation Committee is to oversee the Company's compensation and benefit plans and policies, administer the Stock Plan (including reviewing and approving equity grants to elected officers), and to review and approve all compensation decisions relating to elected officers, including those for the Company's Named Executive Officers (who are listed in the Summary Compensation Table below). In 2013 the actions of the Compensation Committee included reviewing objective benchmarks and metrics by which a Named Executive Officer's performance can be measured and analyzing peer compensation and performance data for comparison with the Company's Named Executive Officers. The Compensation Committee has delegated limited authority to Edward G. Atsinger III, the Company's Chief Executive Officer, to grant up to \$150,000 of options to purchase the Company's Class A common stock annually (measured each calendar year without carry-over of unused grant authority from year to year). The \$150,000 is calculated at a price equal to the price of the Company's Class A common stock at the NASDAQ market close on the date the stock options are granted. This delegated authority is subject to prompt notification to the Compensation Committee of the issuance of any such grants and ratification of any such grants at the next regularly scheduled Compensation Committee meeting following the date of such grants.

The Company's Named Executive Officers do not determine or approve any element or component of their own compensation. The Company's CEO provides a recommendation to the Compensation Committee for base salary and annual incentive compensation for the Named Executive Officers reporting to him.

The Compensation Committee operates pursuant to a charter that was approved by the Board of Directors. The charter sets forth the responsibilities of the Compensation Committee. The Compensation Committee and the Company's Board of Directors annually (or more often as needed) review the charter to ensure it conforms to current laws and practices. This charter is available on the Company's Internet website ([www.salem.cc](http://www.salem.cc)) and a copy of the charter may be obtained from the Secretary of the Company upon written request. ***Any information found on the Company's website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.***

### **Nominating and Corporate Governance Committee**

The nominating and corporate governance committee of the Board of Directors (the "Nominating and Corporate Governance Committee") currently consists of Messrs. Hinz (Chairman), Davenport, Riddle and Ververloh, each of whom is independent under the NASDAQ Rules. The Nominating and Corporate Governance Committee held two (2) regularly scheduled meetings in 2013.

The Nominating and Corporate Governance Committee is authorized to: (a) develop and recommend a set of corporate governance standards to the Board of Directors for adoption and implementation; (b) identify individuals qualified to become members of the Board of Directors; (c) recommend that director nominees be elected at the Company's next annual meeting of stockholders; (d) recommend nominees to serve on each standing committee of the Board of Directors; (e) lead in the annual review of Board performance and evaluation of the Board's effectiveness; (f) ensure that succession planning takes place for the position of chief executive officer and other key Company senior management positions; and (g) analyze, review and, where appropriate, approve all related party transactions to which the Company or its subsidiaries or affiliates are a party, all in accordance with applicable rules and regulations.

---

**Table of Contents**

To qualify as a nominee for service on the Board of Directors, a candidate must have sufficient time and resources available to successfully carry out the duties required of a Company Board member. The Nominating and Corporate Governance Committee desires to attract and retain highly qualified Directors who will diligently execute their responsibilities and enhance their knowledge of the Company's core businesses and seeks Directors who possess some or all of the skills, qualifications and experience described under "Board Composition" in this Proxy Statement.

The Nominating and Corporate Governance Committee implements the Company's policy regarding stockholder nominations by considering nominees for director positions that are made by the Company's stockholders. Any stockholder desiring to make such a nomination must submit in writing the name(s) of the recommended nominee(s) to the Secretary of the Company at least 90 days before nor earlier than 120 days prior to the first anniversary of the preceding annual meeting of stockholders. The written submission must also contain biographical information about the proposed nominee, a description of the nominee's qualifications to serve as a member of the Board of Directors, and evidence of the nominee's valid consent to serve as a director of the Company if nominated and duly elected.

The Company's Directors provide oversight of the Company's management and play a key role in shaping the strategic direction of the Company. Consistent with the Company's Nominating and Corporate Governance Charter, the Nominating and Corporate Governance Committee considers various criteria in Board candidates, including, the skills, qualifications and experience described under "Board Composition" in this Proxy Statement, as well as their appreciation of the Company's core purpose, core values, and whether they have time available to devote to Board activities. The Nominating and Corporate Governance Committee also considers whether a potential nominee would satisfy:

1. The criteria for director independence established by the NASDAQ Rules; and
2. The SEC's definition of audit committee financial expert.

Whenever a vacancy exists on the Board due to expansion of the Board's size or the resignation, retirement or term expiration of an existing director, the Nominating and Corporate Governance Committee identifies and evaluates potential director nominees. The Nominating and Corporate Governance Committee considers recommendations of management, stockholders and others. The Nominating and Corporate Governance Committee has sole authority to retain and terminate any search firm to be used to identify director candidates, including approving its fees and other retention terms.

Director candidates are evaluated using the criteria described above and in light of the then-existing composition of the Board, including its overall size, structure, backgrounds and areas of expertise of existing Directors and the relative mix of independent and employee Directors. The Nominating and Corporate Governance Committee also considers the specific needs of the various Board committees. The Nominating and Corporate Governance Committee recommends potential director nominees to the full Board, and final approval of a candidate for nomination is determined by the full Board. This evaluation process is the same for director nominees who are recommended by our stockholders.

The Board of Directors has adopted a written charter for the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee and the Company's Board of Directors annually (or more often as needed) review the charter to ensure it conforms to current laws and practices. This charter is available on the Company's Internet website ([www.salem.cc](http://www.salem.cc)) and a copy of the charter may be obtained upon written request from the Secretary of the Company. ***Any information found on the Company's website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.***

The Nominating and Corporate Governance Committee did not receive any recommendations from stockholders proposing candidate(s) for election at the Annual Meeting. None of the Directors serving on the Audit Committee, the Compensation Committee, or the Nominating and Corporate Governance Committee are employees of the Company.

Although the Board does not have a formal policy on diversity, the Nominating and Corporate Governance Committee and the Board review from time-to-time the membership of the Board in light of the Company's operations and strategic objectives and consider whether the current Board members possess the requisite skills, experience and perspectives to oversee the achievement of those goals. As part of an annual effectiveness review, the Nominating and Corporate Governance Committee evaluates the diversity of the Board composition to ensure that it sufficiently represents a diverse set of background, skills and experience.

### **Board Leadership Structure**

Historically, the Company's Board of Directors has had a general policy that the positions of Chairman of the Board and CEO should be held by separate persons as an aid in the Board's oversight of management. This policy has been in effect since the Company began operations. The Chairman of the Board is a full-time senior executive of the Company. The duties of the Chairman of the Board include:

presiding over all meetings of the Board;

preparing the agenda for Board meetings in consultation with the CEO and other members of the Board;

managing the Board's process for annual director self-assessment and evaluation of the Board and of the CEO; and

presiding over all meetings of stockholders.

The Board of Directors believes that there are advantages to having a separate Chairman for matters such as communications and relations between the Board members, the CEO, and other senior management; in assisting the Board in reaching consensus on particular strategies and policies; and in facilitating robust director, Board, and CEO evaluation processes. In addition, having separate Chairman and CEO positions permits the CEO to focus on day-to-day business and allows the Chairman to lead the Board in its oversight responsibilities. The Board currently consists of the Chairman of the Board, Mr. Epperson, the Company's CEO, the Company's COO and four (4) independent Directors. One of Mr. Epperson's roles is to oversee and manage the Board of Directors and its functions, including setting meeting agendas and running Board meetings. In this regard, Mr. Epperson and the Board in their advisory and oversight roles are particularly focused on assisting the CEO and senior management in seeking and adopting successful business strategies and risk management policies, and in making successful choices in management succession.

### **Board's Role in Risk Oversight**

The Company's Board of Directors as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant Board committees. These committees then provide reports to the full Board. The oversight responsibility of the Board and its committees is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment, and management of critical risks. These areas of focus include strategic, operational, financial and reporting, succession and compensation, legal and compliance, and other risks. The Board and its committees oversee risks associated with their respective areas of responsibility, as summarized above.

### **Director Attendance at Board and Committee Meetings and 2013 Annual Meeting of Stockholders**

The full Board of Directors held four (4) regularly-scheduled meetings and one (1) special telephonic meeting in 2013. During 2013, each of the Company's incumbent Directors attended (either in person or telephonically) all of the regularly-scheduled meetings of the full Board of Directors. Each of the Company's incumbent Directors attended more than seventy-five percent of the aggregate of the number of meetings of the Board and the total number of meetings held by all committees of the Board on which he served. Mr. Venverloh did not participate in the March 2013 regular meeting of the Audit Committee and Mr. Riddle did not participate in the October 2013 Special Meeting of the Audit Committee. The Company encourages, but does not require, that each director attend the Company's annual meeting of stockholders. In 2013, each of the Company's then Directors attended the 2013 annual meeting of stockholders.

### **Communications between Stockholders and the Board**

The Company has historically handled communications between stockholders and the Board of Directors on an *ad hoc* basis. No formal policy or process for such communications has been adopted by the Company as of the date of this Proxy Statement. The Company has, however, taken actions to ensure that the views of its stockholders are communicated to the Board or one or more of its individual Directors, as applicable. The Board considers its responsiveness to such communications as timely and exemplary.

In 2013, the Committee held seven meetings, four of which were regularly scheduled and three of which were special meetings. The Committee's meeting agendas are established by the Committee chairman based upon the Committee's charter and an annual meeting planner approved by the entire Committee. At each of these meetings, the Committee met with the senior members of the Corporation's financial management team and General Counsel. Additionally, the Corporation's internal auditor met with the full Committee at the four regularly scheduled meetings and the independent registered public accounting firm met with the full Committee at the seven meetings. Prior to each regularly scheduled meeting, the Chairman of the Committee also met privately with the Corporation's independent registered public accounting firm and, separately, with the Corporation's internal auditor, at which times candid discussions of financial management, accounting and internal control issues took place.

The Committee appointed SingerLewak LLP as the Corporation's independent registered public accounting firm for the year ended December 31, 2013, and reviewed with the Corporation's financial managers, the independent registered public accounting firm, and the Corporation's internal auditor, overall audit scopes and plans, the results of internal and external controls and the quality of the Corporation's financial reporting.

The Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by the Public Company Accounting Oversight Board (PCAOB).

The Committee has received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by the rules of the PCAOB and the Committee has discussed with the independent registered public accounting firm that firm's independence from the Corporation and its management. The Committee has also considered whether the independent registered public accounting firm's provision of non-audit services to the Corporation is compatible with the auditor's independence.

Based on the Committee's reviews and discussions referred to above, the Committee recommended to the Board that the audited consolidated financial statements referred to above be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2013, to be filed with the SEC.

**Affiliate Lines of Credit with Principal Stockholders**

On November 17, 2011, Salem entered into lines of credit with Edward G. Atsinger III, Chief Executive Officer and director of Salem, and Stuart W. Epperson, Chairman of Salem's Board of Directors. Pursuant to the agreements, Mr. Epperson committed to provide an unsecured revolving line of credit to Salem in a principal amount of up to \$3 million, and Mr. Atsinger committed to provide an unsecured revolving line of credit in a principal amount of up to \$6 million (together, the Affiliate Lines of Credit). The proceeds of the Affiliate Lines of Credit could be used for any purpose. Outstanding amounts under each Affiliate Line of Credit bore interest at a rate equal to the lesser of (1) five percent (5%) per annum or (2) the maximum rate permitted for subordinated debt under the Credit Agreement (as defined below) plus 2% per annum and was required to be repaid within three (3) months from the time that such amounts were borrowed. On September 12, 2012, Salem and Mr. Hinz amended and restated the original LOI (Amended and Restated LOI). The Amended and Restated LOI increased the unsecured revolving line of credit by \$6 million, resulting in a total line of credit of up to \$12,000,000 (the Amended and Restated Hinz Line of Credit). (1) None of the fees listed in the table above were approved by the Audit Committee in reliance on a waiver from pre-approval under paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.

**Audit Committee's Pre-Approval Policies and Procedures**

In accordance with the Audit Committee's pre-approval policies and procedures and the requirements of applicable law, all services to be provided by SL are pre-approved by the Audit Committee. Pre-approval includes audit services, audit-related services and other permissible non-audit services. Pre-approval is generally provided by the full Audit Committee for up to a year and is detailed as to the particular defined tasks or scope of work and is subject to a specific budget. In some cases, the Audit Committee has delegated authority to the Chairman of the Audit Committee to pre-approve additional services, and any such pre-approvals granted by the Chairman must then be communicated to the full Audit Committee at or prior to the next scheduled Audit Committee meeting. When assessing whether it is appropriate to engage the independent registered public accounting firm to perform a service, the Audit Committee considers, among other things, whether such services are consistent with the independent registered public accounting firm's independence and whether such services constitute prohibited non-audit functions under Section 201 of the Sarbanes-Oxley Act of 2002. The Audit Committee considered the provision of the services listed in the table above by SL and determined that the provision of such services was compatible with maintaining the independence of SL.

**STOCKHOLDERS PROPOSALS FOR 2015 PROXY STATEMENT**

Any stockholder of the Company wishing to have a proposal considered for inclusion in the Company's proxy solicitation materials relating to the Company's 2015 Annual Meeting of Stockholders must, in addition to other applicable requirements, give notice of such proposal in writing to the Secretary of the Company at its principal executive offices and such notice must be received on or before December 11, 2014. The proposal may be included in next year's proxy statement if it complies with certain rules and regulations promulgated by the SEC. Proposals must be submitted in accordance with the Company's Bylaws and comply with SEC regulations promulgated pursuant to Rule 14a-8 of the Exchange Act.

**OTHER MATTERS**

At the time of preparation of this Proxy Statement, the Board of Directors of the Company was not aware of any other matters to be brought before the Annual Meeting. No eligible stockholder had submitted notice of any proposal ninety (90) days before the date of the Annual Meeting. However, if any other matters are properly presented for action, in the absence of instructions to the contrary, it is the intention of the persons named in the enclosed form of proxy to vote, or refrain from voting, in accordance with their respective best judgment on such matters.

If a stockholder desires to have a proposal presented at the Company's annual meeting of stockholders in 2015 and the proposal is not intended to be included in the Company's related 2015 proxy solicitation materials, the stockholder must give advance notice to the Company in accordance with the Company's Bylaws. Pursuant to the Company's Bylaws, only such business shall be conducted, and only such proposals shall be acted upon at an annual meeting of stockholders as are properly brought before the meeting. For business to be properly brought before an annual meeting by a stockholder, in addition to any other applicable requirements, timely notice of the matter must first be given to the Secretary. To be timely, a stockholder's written notice must be delivered to the Secretary at the Company's principal executive offices not later than the 90th day nor earlier than the 120th day prior to the first anniversary of the preceding annual meeting; provided, however, that in the event the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, then notice of the stockholder proposal must be delivered to the Secretary not earlier than the 120th day nor later than the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such annual meeting is first made. If such proposal is for a nominee for director, such stockholder's notice must set forth with respect to such director nominee all of the information relating to such person that is required to be disclosed in solicitations for elections of Directors under the rules of the SEC; for any stockholder proposal, the notice must comply with Section 2.2 of Article II of the Company's Bylaws (a copy of which is available upon request to the Secretary of the Company), which section requires that the notice contain a brief description of such proposal and the reasons for conducting such business at the annual meeting, the name and address, as they appear on the Company's books, of the stockholder making such proposal, the number of shares of Class A common stock and Class B common stock beneficially owned by such stockholder and any material interest of such stockholder in such proposal.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Pursuant to Section 16(a) of the Exchange Act and the rules promulgated thereunder and applicable requirements of NASDAQ, officers and Directors of the Company and persons who beneficially own more than 10% of the common stock of the Company are required to: (a) report their initial ownership and change in ownership with respect to all equity securities of the Company; and (b) furnish such reports to the Company.

Based solely on its review of the copies of such reports received by it during or with respect to the year ended December 31, 2013, and/or written representations from such reporting persons, the Company believes that its officers, Directors and more than ten (10) percent stockholders complied with all Section 16(a) filing requirements applicable to such individuals, except that Mr. David Evans inadvertently failed to timely report open market sales of Class A Common Stock on Form 4 which occurred on December 23, 2013 and December 24, 2013 pursuant to Mr. Evans' Rule 10b5-1 trading plan (accounted for on the Form 4 filed by Mr. Evans on March 11, 2014).
