On December 8, 2014, the Compensation Committee of the Board of Directors of Global Indemnity plc (the Company) approved the employment arrangement for Cynthia Valko, the Company s Chief Executive Officer through 2017. Ms. Valko s employment arrangements provide for an annual base salary of \$600,000 commencing January 1, 2014 and an annual target bonus opportunity of \$500,000. The target bonus opportunity is based on achieving underwriting income, premium volume, and underwriting profitability targets, subject to a trueing up, and is payable 50% in cash and 50% in restricted shares. The restricted share awards vest 33 1/3% per year over three years, subject to an accident year true-up of bonus year underwriting results as of the third anniversary of the stock award. The yearly bonus opportunity is subject to continued employment. The employment arrangements also confirm a stock option award, which was approved by the Compensation Committee of the Board on February 9, 2014, to purchase 300,000 shares of Company stock. The stock options vest as follows: 20% on the last day of calendar year 2015; 30% on the last day of calendar year 2016; and the remaining 50% on the last day of calendar year 2017, and are based on achieving underwriting income, premium volume, and underwriting profitability targets, subject to an accident year true up on the 3rd anniversary of each such year. Vesting of the stock options is subject to continued employment. The exercise price applicable to the Stock Options is \$25.00 subject to adjustment based on the Company s average year-end tangible book value, the average interest rate of certain Treasury bonds and the time period elapsed between January 1, 2014 and the date the stock options are exercised. The stock options were granted under and are subject to the terms of the Company s Share Incentive Plan, as amended, subject to shareholder approval of such plan to the extent required to effect such grant under the plan.
