ISSUANCE OF UP TO 640,000 SHARES OF SERIES A PREFERRED STOCK

On December 11, 2014, General Employment Enterprises, Inc. (the **Company**) entered into a Stock Exchange Agreement (the **SCRIBE Agreement**) with Brittany M. Dewan as Trustee of the Derek E. Dewan Irrevocable Living Trust II dated the 27th of July, 2010, Brittany M. Dewan, individually, Allison Dewan, individually, Mary Menze, individually, and Alex Stuckey, individually (collectively, the **Scribe Shareholders**). Pursuant to the terms of the SCRIBE Agreement the Company will acquire 100% of the outstanding stock of Scribe Solutions Inc., (**Scribe**) from the Scribe Shareholders for 640,000 shares of Series A Preferred Stock (the **Preferred Stock**) of the Company. In addition, the Company will issue warrants to certain warrant holders in Scribe for warrants to purchase common stock in the Company. This is all based on a valuation of Scribe of not less than \$6,400,000. Upon the closing of the transaction, the Company will issue 640,000 shares of Preferred Stock. The transaction has been unanimously approved by the boards of directors of the Company (the **Board**) and Scribe and a majority of their respective shareholders. The closing of the transactions set forth in the SCRIBE Agreement is subject to customary conditions to closing, and is expected to occur prior to March 31, 2015.

Each share of Preferred Stock is initially convertible, at the election of the holder, into 50 shares of the Company's common stock. The foregoing conversion ratio is subject to standard adjustment mechanisms, as set forth in the designation of preferences of the Preferred Stock, as filed with the Illinois Secretary of State (the **Designation**). The Designation provides the holders of the Preferred Stock with certain other preferences and rights, including, but not limited to:

1. The right to receive cumulative compounding dividends in the amount of 8% of the liquidation value of the Preferred Stock, per annum, payable in cash or additional shares of Preferred Stock, if and when declared by our Board;
2. The right to participate, on an as converted basis, in any distributions or dividends the Company declares on its Common Stock;

3. The right to a liquidation preference, over the holders of the Company's Common Stock, equal to the liquidation value of the Preferred Stock plus all accrued and unpaid dividends thereon, and thereafter to participate, on an as converted basis, with the holders of the Company's Common Stock in all additional distributions;
4. The right to appoint two directors to the Board;
5. The right to vote, as a single class, on an as converted basis, with the holders of the Company's Common Stock on all matters submitted to a vote of the holders of the Company's Common Stock; and
6. The Company may not take several actions, as set forth in the Designation, without the prior approval of the holders of a majority of the outstanding shares of Preferred Stock.

Scribe has made certain additional customary covenants, including, among others, to conduct its business in the ordinary course between the execution of the SCRIBE Agreement and the closing of the acquisition and not to engage in certain kinds of transactions during that period, subject to certain exceptions. We have agreed not to take certain specified actions without Scribe's consent during the time between execution of the SCRIBE Agreement and the closing of the acquisition. The SCRIBE Agreement is definitive between the Company and the Scribe Shareholders.

This summary of the material terms of the SCRIBE Agreement set forth herein is qualified in its entirety by reference to the SCRIBE Agreement, which is attached as Annex B to this Information Statement.

The Company's Common Stock is listed and traded on the NYSE MKT under the symbol JOB. Prior to the actual issuance of certificates representing 640,000 shares of Preferred Stock, which is initially convertible into 32,000,000 shares of Common Stock and a warrant to purchase up to 6,350,000 shares of Common Stock at a purchase price of \$0.20 per common share, the issuances must be approved by the shareholders in accordance with Sections 705 and 712 of the NYSE MKT Company Guide in order for the NYSE MKT to approve the application to list additional shares to be issued. Section 712 of the NYSE MKT Company Guide requires shareholder approval as a prerequisite to approval of applications to list additional shares to be issued when the present or potential issuance of Common Stock (or securities convertible into Common Stock) could result in an increase in outstanding common shares of 20% or more. The Company currently has outstanding 25,899,675 shares of Common Stock, exclusive of the Preferred Stock that is expected to be issued on or about January 7, 2015. Therefore, the issuance of 640,000 shares of Preferred Stock and warrants in the transactions set forth in the SCRIBE Agreement could result in the issuance of Common Stock greater than 20% of the currently outstanding number of shares of Common Stock.

Under Illinois law, our Board has the authority to issue shares of Common Stock of the Company in such amounts and for such consideration as the Board may deem appropriate under Section 6.25 of the IBCA.

The foregoing transactions were approved by our Board at a special meeting on December 9, 2014, and by two shareholders that hold a majority of our issued and outstanding Common Stock by a written consent.

This Information Statement is being mailed on or about January __, 2015, to our shareholders of record on December 10, 2014. The actions described in this Information Statement will not become effective until the 21st day after the Information Statement is mailed to our shareholders. On or after such time, the actual share certificates covering 640,000 shares of Preferred Stock and warrants to purchase up to 6,350,000 shares of Common Stock will be issued to the Scribe Shareholders upon the satisfaction of certain requirements set forth in the SCRIBE Agreement as set forth in Appendix B hereto.

Scribe Solutions Inc.

Scribe was incorporated in the State of Florida on December 30, 2008. Scribe Solutions was formed to meet the demands that physicians face with overcrowded waiting rooms, and to overcome the challenges presented by electronic medical records (EMR) and the rising cost of quality patient care. By providing physicians with personal assistants (medical scribes), Scribe offers turnkey programs where it recruits, qualifies, hires, and trains resources to serve as scribes at sites across the United States, and alleviates the burden of documentation and clerical duties. Scribe Solutions has developed a low cost staffing solution that improves productivity by providing scribe programs to emergency departments, physician practices, and outpatient and inpatient facilities. Scribe's principal office is located at: 13500 Sutton Park Drive South, Suite 204, Jacksonville, FL 32224.

Services Provided

Emergency departments are fast paced environments in which ED physicians take multi-tasking to the extreme, and they often find themselves performing data entry and clerical duties. As the emergency room physician takes more and more time to document in the electronic medical record (EMR) he or she spends less time caring for patients. In fact, ED physicians now spend 45 minutes of every hour documenting or performing clerical duties. This results in decreased productivity, decreased patient satisfaction, decreased relative value units (RVUs), decreased turnaround times (TAT) and poor patient care.

Scribe offers emergency department medical scribes to allow the ER physician to spend less time on clerical duties and more time caring for patients. Scribe's clinical information managers (scribes) provide specific emergency department services to aid doctors in documentation and minimize their clerical duties. Not only does Scribe offer physician assistant (medical scribe) services to emergency departments, but also to busy specialty physician practices and clinics. Physicians in these specialty practices and clinics benefit from scribe services by spending less time on charting and more time on providing quality patient care.

In addition, Scribe provides an online and live didactic series designed to develop quality scribes. Scribe's medical scribes have an excellent knowledge base and can adapt to any documentation system. The scribes also perform other emergency department services such as tracking labs, transcribing radiology reports, attending to patient needs, and helping physicians organize data.

The transaction will allow the Company to enhance its traditional staffing products with other non-traditional offerings as outlined above for which the Company can now offer a complete suite of products and services for corporate clients and staffing companies alike.

Reasons for the Actions Taken

The Company is a staffing company that is publicly traded under the ticker symbol JOB, with approximately \$40 million in revenue and has been losing money for the past several years. The staffing industry has more than \$100 billion in annual sales and is expected to grow at a rate higher than 10% per year. This outlook is only expected to improve with anticipated additional governmental regulation, such as the new health care requirements and as companies increase their use of staffing companies to augment their human resource requirements.

The staffing industry is highly competitive with few barriers to entry, other than access to working capital, as many of the companies strategically use their staffing companies to extend their own cash flow requirement for payroll. This has created a dynamic where more than 6,000 staffing firms in the United States have been open for more than one year. There are only a few staffing companies with more than \$100 million in revenue and the majority of staffing companies have less than \$5 million in annual revenue.

The Company is caught in the middle of the industry, not big enough to fully capitalize on economies of scale, however too big to not have a corporate reporting structure. The Company is also a public entity which increases its requirements for corporate governance, however also enables the Company to incentivize its employees with equity and align their focus with the Company's overall goals.

The Company is seeking significant growth in revenue and profitability over the course of the next two years through a series of acquisitions and internal expansion strategies. The Company seeks to acquire companies that (i) are cash flow positive and are accretive to the Company's net income, or that can be in less than 180 days from acquisition, (ii) provide additional services to sell through its current infrastructure, (iii) strategically align with the Company's culture, and (iv) provide or align with core technology, infrastructure and management.

The acquisition of Scribe meets all of these criteria. In addition, Scribe provides the Company entry into the medical staffing industry and significantly adds to its core executive management team.

GENERAL EMPLOYMENT ENTERPRISES, INC.

NOTES TO UNAUDITED PRO FORMA COMBINED FINANCIAL INFORMATION

1. BASIS OF PRO FORMA PRESENTATION

The unaudited pro forma combined balance sheet as of September 30, 2014, and the unaudited pro forma statements of operations for the years ended September 30, 2014 and September 30, 2013, are based on the historical financial statements of General Employment Enterprises, Inc. (the Company) and Scribe Solutions Inc., (Scribe) after giving effect to the Company's acquisition of Scribe, and reclassification and adjustments described in the accompanying notes to the unaudited pro forma combined financial information. The pro forma combined balance sheet also contains other adjustments for subsequent events to September 30, 2014.

The Company accounts for business combinations pursuant to Accounting Standards Codification ASC 805, *Business Combinations*. In accordance with ASC 805, the Company uses its best estimates and assumptions to accurately assign fair value to the assets acquired and the liabilities assumed at the acquisition date. Goodwill as of the acquisition date is measured as the excess of the purchase consideration over the fair value of the assets acquired and the liabilities assumed.

The fair values assigned to Scribe's assets acquired and liabilities assumed are based on management's estimates and assumptions. The estimated fair values of these assets acquired and liabilities assumed are considered preliminary and are based on the information that was available as of the date of acquisition. The Company believes that the information provides a reasonable basis for estimating the fair values of assets acquired and liabilities assumed, but is waiting for additional information, primarily related to estimated values of current and non-current income taxes payable and deferred taxes, which are subject to change, pending the finalization of certain tax returns. The Company expects to finalize the valuation of the assets and liabilities as soon as practicable, but not later than one year from the acquisition date.

The unaudited pro forma combined financial information is not intended to represent or be indicative of the Company's consolidated results of operations or financial position that the Company would have reported had the Scribe acquisition been completed as of the dates presented, and should not be taken as a representation of the Company's future consolidated results of operation or financial position.

The unaudited pro forma combined financial information should be read in conjunction with the historical consolidated financial statements and accompanying notes of the Company included in the annual report on Form 10-K for the year ended September 30, 2014.

Accounting Periods Presented

For purposes of these unaudited pro forma combined financial information, Scribe's historical year end December 31, have been aligned to more closely conform to the Company's year end of September 30, as explained below. Certain pro forma adjustments were made to conform Scribe's accounting policies to the Company's accounting policies as noted below.

The unaudited pro forma combined balance sheet as of September 30, 2014 and the statements of operations for the year ended September 30, 2014 and the year ended September 30, 2013, are presented as if the acquisition of Scribe had occurred on October 1, 2012 and were carried forward through each of the periods presented.

Reclassifications

The Company reclassified certain accounts in the presentation of Scribe's historical financial statements in order to conform to the Company's presentation.

2. ACQUISITION OF SCRIBE

On December 11, 2014, the Company entered into a Stock Exchange Agreement (the SCRIBE Agreement) with Brittany M. Dewan as Trustee of the Derek E. Dewan Irrevocable Living Trust II dated the 27th of July, 2010, Brittany M. Dewan, individually, Allison Dewan, individually, Mary Menze, individually, and Alex Stuckey, individually (collectively the Scribe Shareholders). Pursuant to the terms of the SCRIBE Agreement the Company will acquire 100% of the outstanding stock of Scribe from the Scribe Shareholders for 640,000 shares of Series A Preferred Stock (the Preferred Stock) of the Company. In addition, the Company will issue warrants to certain warrant holders in Scribe for warrants to purchase common stock in the Company. This is all based on a valuation of Scribe of not less than \$6,400,000. Upon the closing of the transaction, the Company will issue 640,000 shares of Preferred Stock. The transaction has been unanimously approved by the boards of directors of the company and Scribe and a majority of their respective shareholders. The closing of the transactions set forth in the SCRIBE Agreement are subject to customary conditions to closing, and is expected to occur prior to March 31, 2014.

Under the purchase method of accounting, the transactions were valued for accounting purposes at \$7.4 million, which was the estimated fair value of the Company at date of acquisition. The assets and liabilities of Scribe will be recorded at their respective fair values as of the date of signing the Scribe Agreement, and the following table summarizes these values based on the balance sheet at September 30, 2014.

\$664	Net Assets Purchased
5	Liabilities assumed
659	Net Liabilities Assumed

NO ACTION IS REQUIRED

Other than the shareholder written consent described above, no other votes are necessary or required to effectuate the transactions described in this Information Statement. The Company anticipates that the shareholder consent described in this Information Statement will become effective on or promptly after January , 2015.

Effects of the Proposed Issuance

In recent years, broad stock market indices, in general, and smaller capitalization companies, in particular, have experienced substantial price fluctuations. The issuance of a significant amount of Common Stock may further adversely affect the price of the Common Stock. The influx of such a substantial number of common shares into the public market could have a significant negative effect on the trading price of the Common Stock. As of December 10, 2014, approximately 25.7 million shares of Common Stock were outstanding. An additional approximate 640,000 shares of Preferred Stock which is convertible into 32,000,000 Common Stock will be outstanding upon the closing of the Scribe acquisition. Issuance of these shares of Common Stock may substantially dilute the ownership interests of our existing shareholders. The potential issuance of such additional shares of Common Stock may create downward pressure on the trading price of our Common Stock. After issuance, the shares of Common Stock contemplated by this Information Statement, will vote with the Common Stock on all matters submitted to the holders of the Common Stock.

No Dissenters Rights

The corporate action described in this Information Statement will not afford to our shareholders the opportunity to dissent from the actions described herein or to receive an agreed or judicially appraised value for their shares.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

As of December 10, 2014, the Company's directors, executive officers and principal shareholders beneficially own, directly or indirectly, in the aggregate, approximately 71% of its outstanding Common Stock. These shareholders collectively, and Mr. Schroering individually, have significant influence over the Company's business affairs, with the ability to control matters requiring approval by the Company's shareholders, including the written consent set forth in this Information Statement.

The following table sets forth certain information known to the Company regarding the beneficial ownership of the Company's Common Stock, as of December 10, 2014 by (a) each shareholder known by the Company to be the beneficial owner of more than five percent of the Company's Common Stock, (b) each of the Company's directors, (c) each of the Company's executive officers and (d) all executive officers and directors of the Company as a group. Except as set forth in the SEC Reports, the Company is in material compliance with the provisions of the Sarbanes-Oxley Act of 2002 currently applicable to the Company except where such noncompliance could not have or reasonably be expected to result in a Material Adverse Effect. The Company maintains, and will use commercially reasonable best efforts to continue to maintain, a system of internal accounting controls sufficient to provide reasonable assurance that (a) transactions are executed in accordance with management's general or specific authorizations, (b) transactions are recorded as necessary to permit preparation of financial statements and to maintain asset accountability both in conformity with GAAP and the applicable provisions of the 1934 Act, (c) access to assets is permitted only in accordance with management's general or specific authorization, and (d) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

The Company's certifying officers have evaluated the effectiveness of the Company's controls and procedures as of the end of the period covered by the most recently filed periodic report under the 1934 Act (such date, the **Evaluation Date**). The Company presented in its most recently filed periodic report under the 1934 Act the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the Evaluation Date. Since the Evaluation Date, there have been no significant changes in the Company's internal controls (as such term is defined in Item 308 of Regulation S-K for smaller reporting companies) or, to Company's Knowledge, in other factors that could significantly affect the Company's internal controls.

The board of directors of the Company has concluded, in its good faith business judgment that the issuance of the Preferred Shares is in the best interests of the Company. The Company specifically acknowledges that its obligation to issue the Preferred Shares and the shares of GEE Common Stock upon conversion of the Preferred Shares, is binding upon the Company and enforceable regardless of the dilution such issuance may have on the ownership interests of other shareholders of the Company or parties entitled to receive equity of the Company.

The Company will not be obligated to file more than one such registration statement during any six-month period.

The Company hereby agrees and covenants to use best efforts to obtain effectiveness of said registration statements (if any), and to maintain effectiveness of the same, continually for at least one (1) year following the effective date thereof.

(b) Registration Process. In connection with the registration of the Registrable Securities pursuant to Section 6.2(a), the Company shall:

(i) Prepare and file with the SEC the Registration Statement and such amendments (including post-effective amendments) to the Registration Statement and supplements to the prospectus included therein (a **Prospectus**) as the Company may deem necessary or appropriate and take all lawful action such that the Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, not misleading and that the Prospectus forming part of the Registration Statement, and any amendment or supplement thereto, does not at any time during the period commencing on the effective date of the Registration Statement and ending on the date on which all of the Registrable Securities may be sold to the public without registration under the Securities Act in reliance on Rule 144 (the **Registration Period**) include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(ii) Comply with the provisions of the Securities Act with respect to the Registrable Securities covered by the Registration Statement until the earlier of (A) such time as all of such Registrable Securities have been disposed of in accordance with the intended methods of disposition by each Scribe Shareholder as set forth in the Prospectus forming part of the Registration Statement or (B) the date on which the Registration Statement is withdrawn;

(iii) Furnish to each Scribe Shareholder and its legal counsel identified to the Company (A) promptly after the same is prepared and publicly distributed, filed with the SEC, or received by the Company, one copy of the Registration Statement, each Prospectus, and each amendment or supplement thereto, and (B) such number of copies of the Prospectus and all amendments and supplements thereto and such other documents, as the Scribe Shareholder may reasonably request in order to facilitate the disposition of the Registrable Securities;

(iv) Register or qualify the Registrable Securities covered by the Registration Statement under such securities or blue sky laws of such jurisdictions as the Scribe Shareholders reasonably request, prepare and file in such jurisdictions such amendments (including post effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof at all times during the Registration Period, take all such other lawful actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and take all such other lawful actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; *provided, however*, that the Company shall not be required in connection therewith or as a condition thereto to (A) qualify to do business in any jurisdiction where it would not otherwise be required to qualify, (B) subject itself to general taxation in any such jurisdiction or (C) file a general consent to service of process in any such jurisdiction;

(v) As promptly as practicable after becoming aware of such event, notify each Scribe Shareholder of the occurrence of any event, as a result of which the Prospectus included in the Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and promptly prepare an amendment to the Registration Statement and supplement to the Prospectus to correct such untrue statement or omission, and deliver a number of copies of such supplement and amendment to each Scribe Shareholder as such Scribe Shareholder may reasonably request;

(vi) As promptly as practicable after becoming aware of such event, notify each Scribe Shareholder (or, in the event of an underwritten offering, the managing underwriters) of the issuance by the SEC of any stop order or other suspension of the effectiveness of the Registration Statement and take all lawful action to effect the withdrawal, rescission or removal of such stop order or other suspension;

(vii) Take all such other lawful actions reasonably necessary to expedite and facilitate the disposition by the Scribe Shareholder of its Registrable Securities in accordance with the intended methods therefor provided in the Prospectus which are customary under the circumstances; and

(viii) Cooperate with the Scribe Shareholders to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold pursuant to the Registration Statement, which certificates shall, if required under the terms of this Agreement, be free of all restrictive legends, and to enable such Registrable Securities to be in such denominations and registered in such names as any Scribe Shareholder may request and maintain a transfer agent for the Registrable Securities.

(c) Obligations and Acknowledgements of the Scribe Shareholders. In connection with the registration of the Registrable Securities, each Scribe Shareholder shall have the following obligations and hereby make the following acknowledgements:

(i) It shall be a condition precedent to the obligations of the Company to include the Registrable Securities in the Registration Statement that each Scribe Shareholder wishing to participate in the Registration Statement (A) shall furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it as shall be reasonably required to effect the registration of such Registrable Securities and (B) shall execute such documents in connection with such registration as the Company may reasonably request. Prior to the first anticipated filing date of a Registration Statement, the Company shall notify each Scribe Shareholder of the information the Company requires from such Scribe Shareholder (the **Requested Information**) if such Scribe Shareholder elects to have any of its Registrable Securities included in the Registration Statement. If a Scribe Shareholder notifies the Company and provides the Company the information required hereby prior to the time the Registration Statement is declared effective, the Company will file an amendment to the Registration Statement that includes the Registrable Securities of such Scribe Shareholder *provided, however*, that the Company shall not be required to file such amendment to the Registration Statement at any time less than five (5) business days prior to the effective date.

(ii) Each Scribe Shareholder agrees to cooperate with the Company in connection with the preparation and filing of a Registration Statement hereunder, unless such Scribe Shareholder has notified the Company in writing of its election to exclude all of its Registrable Securities from such Registration Statement;

(iii) Each Scribe Shareholder agrees that, upon receipt of any notice from the Company of the occurrence of any event of the kind described in Section 6.2(b)(v) or 6.2(b)(vi), such Scribe Shareholder shall immediately discontinue its disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until the Scribe Shareholder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6.2(b)(v) and, if so directed by the Company, the Scribe Shareholder shall deliver to the Company (at the expense of the Company) or destroy (and deliver to the Company a certificate of destruction) all copies in the Scribe Shareholder's possession, of the Prospectus covering such Registrable Securities current at the time of receipt of such notice; and

(iv) Each Scribe Shareholder acknowledges that it may be deemed to be a statutory underwriter within the meaning of the Securities Act with respect to the Registrable Securities being registered for resale by it, and if a Scribe Shareholder includes Registrable Securities for offer and sale within a Registration Statement such Scribe Shareholder hereby consents to the inclusion in such Registration Statement of a disclosure to such effect.

(d) Expenses of Registration. All expenses incurred in connection with registrations, filings or qualifications pursuant to this Section 6.2, including, without limitation, all registration, listing, and qualifications fees, printing and engraving fees, accounting fees, underwriting discounts and the fees and disbursements of legal counsel, shall be borne by the Company.

(e) Indemnification and Contribution.

(i) Indemnification by the Company. The Company shall indemnify and hold harmless each Scribe Shareholder and each underwriter, if any, which facilitates the disposition of Registrable Securities, and each of their respective officers and directors and each Person who controls such underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the 1934 Act (each such Person being sometimes hereinafter referred to as an **Indemnified Person**) from and against any losses, claims, damages or liabilities, joint or several, to which such Indemnified Person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or an omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, not misleading, or arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Prospectus or an omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and the Company hereby agrees to reimburse such Indemnified Person for all reasonable legal and other expenses incurred by them in connection with investigating or defending any such action or claim as and when such expenses are incurred; provided, however, that the Company shall not be liable to any such Indemnified Person in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon (A) an untrue statement or alleged untrue statement made in, or an omission or alleged omission from, such Registration Statement or Prospectus in reliance upon and in conformity with written information furnished to the Company by such Indemnified Person expressly for use therein or (B) in the case of the occurrence of an event of the type specified in Section 6.2(b)(v), the use by the Indemnified Person of an outdated or defective Prospectus after the Company has provided to such Indemnified Person an updated Prospectus correcting the untrue statement or alleged untrue statement or omission or alleged omission giving rise to such loss, claim, damage or liability.

(ii) Indemnification by the Scribe Shareholders and Underwriters. Each Scribe Shareholder agrees, as a consequence of the inclusion of any of its Registrable Securities in a Registration Statement, and each underwriter, if any, which facilitates the disposition of Registrable Securities shall agree, severally and not jointly, as a consequence of facilitating such disposition of Registrable Securities to (A) indemnify and hold harmless the Company, its directors (including any person who, with his or her consent, is named in the Registration Statement as a director nominee of the Company), its officers who sign any Registration Statement and each Person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the 1934 Act, against any losses, claims, damages or liabilities to which the Company or such other persons may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in such Registration Statement or Prospectus or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in light of the circumstances under which they were made, in the case of the Prospectus), not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by the Scribe Shareholder or underwriter expressly for use therein, and (B) reimburse the Company for any legal or other expenses incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that such Scribe Shareholder shall not be liable under this Section 6.2(e)(ii) for any amount in excess of the net proceeds paid to such Scribe Shareholder in respect of Registrable Securities sold by it.

(iii) Notice of Claims, etc. Promptly after receipt by a Person seeking indemnification pursuant to this Section 6.2(e) (an **Indemnified Party**) of written notice of any investigation, claim, proceeding or other action in respect of which indemnification is being sought (each, a **Claim**), the Indemnified Party promptly shall notify the Person against whom indemnification pursuant to this Section 6.2(e) is being sought (the **Indemnifying Party**) of the commencement thereof; but the omission to so notify the Indemnifying Party shall not relieve it from any liability that it otherwise may have to the Indemnified Party, except to the extent that the Indemnifying Party is materially prejudiced and forfeits substantive rights and defenses by reason of such failure. In connection with any Claim as to which both the Indemnifying Party and the Indemnified Party are parties, the Indemnifying Party shall be entitled to assume the defense thereof. Notwithstanding the assumption of the defense of any Claim by the Indemnifying Party, the Indemnified Party shall have the right to employ separate legal counsel and to participate in the defense of such Claim, and the Indemnifying Party shall bear the reasonable fees, out of pocket costs and expenses of such separate legal counsel to the Indemnified Party if (and only if): (A) the Indemnifying Party shall have agreed to pay such fees, costs and expenses, (B) the Indemnified Party shall reasonably have concluded that representation of the Indemnified Party by the Indemnifying Party by the same legal counsel would not be appropriate due to actual or, as reasonably determined by legal counsel to the Indemnified Party, potentially differing interests between such parties in the conduct of the defense of such Claim, or if there may be legal defenses available to the Indemnified Party that are in addition to or disparate from those available to the Indemnifying Party, or (C) the Indemnifying Party shall have failed to employ legal counsel reasonably satisfactory to the Indemnified Party within a reasonable period of time after notice of the commencement of

such Claim. If the Indemnified Party employs separate legal counsel in circumstances other than as described in the preceding sentence, the fees, costs and expenses of such legal counsel shall be borne exclusively by the Indemnified Party. Except as provided above, the Indemnifying Party shall not, in connection with any Claim in the same jurisdiction, be liable for the fees and expenses of more than one firm of counsel for the Indemnified Party (together with appropriate local counsel). The Indemnified Party shall not, without the prior written consent of the Indemnifying Party (which consent shall not unreasonably be withheld), settle or compromise any Claim or consent to the entry of any judgment that does not include an unconditional release of the Indemnifying Party from all liabilities with respect to such Claim or judgment or contain any admission of wrongdoing.

(iv) Contribution. If the indemnification provided for in this Section 6.2(e) is unavailable to or insufficient to hold harmless an Indemnified Party in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each Indemnifying Party shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and the Indemnified Party in connection with the statements or omissions or alleged statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such Indemnifying Party or by such Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 6.2(e)(iv) were determined by pro rata allocation (even if the Scribe Shareholders or any underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 6.2(e)(iv). The amount paid or payable by an Indemnified Party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such action or claim. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(v) Limitation on Scribe Shareholders and Underwriters Obligations. Notwithstanding any other provision of this Section 6.2(e), in no event shall (A) any Scribe Shareholder have any liability under this Section 6.2(e) for any amounts in excess of the dollar amount of the proceeds actually received by such Scribe Shareholder from the sale of Registrable Securities (after deducting any fees, discounts and commissions applicable thereto) pursuant to any Registration Statement under which such Registrable Securities are registered under the Securities Act and (B) any underwriter be required to undertake liability to any Person hereunder for any amounts in excess of the aggregate discount, commission or other compensation payable to such underwriter with respect to the Registrable Securities underwritten by it and distributed pursuant to the Registration Statement.

(vi) Other Liabilities. The obligations of the Company under this Section 6.2(e) shall be in addition to any liability which the Company may otherwise have to any Indemnified Person and the obligations of any Indemnified Person under this Section 6.2(e) shall be in addition to any liability which such Indemnified Person may otherwise have to the Company. The remedies provided in this Section 6.2(e) are not exclusive and shall not limit any rights or remedies which may otherwise be available to an Indemnified Party at law or in equity.

(f) Rule 144. With a view to making available to the Scribe Shareholders the benefits of Rule 144, the Company agrees to use its best efforts to:

(i) comply with the provisions of paragraph (c)(1) of Rule 144; and

(ii) file with the SEC in a timely manner all reports and other documents required to be filed by the Company pursuant to Section 13 or 15(d) under the 1934 Act; and, if at any time it is not required to file such reports but in the past had been required to or did file such reports, it will, upon the request of any Scribe Shareholders, make available other information as required by, and so long as necessary to permit sales of, its Registrable Securities pursuant to Rule 144.

(g) Termination of Registration Rights. The registration rights granted in this Section 6.2 shall terminate with respect to a Registrable Security upon the date such security is first eligible to be resold without volume limitations pursuant to Rule 144 of the Securities Act.

7. PRE-CLOSING COVENANTS. The Parties agree as follows with respect to the period between the execution of this Agreement and the Closing.

7.1 Scribe Shareholders Pre-Closing Covenants.

(a) General. Each of the Scribe Shareholders will use his, her, or its reasonable best efforts to take all actions and to do all things necessary in order to consummate and make effective the transactions contemplated by this Agreement (including satisfaction, but not waiver, of the Closing conditions set forth in Section 8 of this Agreement).

(b) Notices and Consents. Scribe Shareholders shall cause Scribe to give any notices to third parties, and shall cause Scribe to use its reasonable best efforts to obtain any third party consents, referred to in Section 4.16 of this Agreement above and the items set forth in Section 4.16 of the Scribe Disclosure Schedule.

(c) Operation of Business. Scribe Shareholders will not cause or permit Scribe to engage in any practice, take any action, or enter into any transaction outside the Ordinary Course of Business.

(d) Full Access. Each Scribe Shareholder will permit, and Scribe Shareholders will cause Scribe to permit, representatives of GEE (including legal counsel and accountants) to have full access at all reasonable times, and in a manner so as not to interfere with the normal business operations of Scribe, to all premises, properties, personnel, books, records (including tax records), contracts, and documents of or pertaining to Scribe. GEE will treat and hold as such any Confidential Information it receives from any of Scribe Shareholders and Scribe in the course of the reviews contemplated by this Section 7.1(d), will not use any of the Confidential Information except in connection with this Agreement, and, if this Agreement is terminated for any reason whatsoever, will return to Scribe all tangible embodiments (and all copies) of the Confidential Information that are in its possession.

(e) Exclusivity. No Scribe Shareholder will (and Scribe Shareholders will not cause or permit Scribe to) solicit, initiate, or encourage the submission of any proposal or offer from any Person relating to the acquisition of all or substantially all of the capital stock or assets of Scribe (including any acquisition structured as a merger, consolidation, or share exchange); provided, however, that Scribe Shareholders, Scribe and its directors and officers will remain free to participate in any discussions or negotiations, furnish any information with respect to, assist or participate in, or facilitate in any other manner any effort or attempt by any Person to do or seek any of the foregoing to the extent their fiduciary duties may require.

7.2 GEE Pre-Closing Covenants.

(a) General. GEE will use its reasonable best efforts to take all actions and to do all things necessary in order to consummate and make effective the transactions contemplated by this Agreement (including satisfaction, but not waiver, of the Closing conditions set forth in Section 7 of this Agreement). Without limiting the foregoing, GEE will file the requisite documents and use its reasonable best efforts to obtain the approvals from the NYSE MKT and SEC that are listed as closing conditions in Section 8 of this Agreement.

(b) Notices and Consents. GEE will give any notices to third parties, and will use its reasonable best efforts to obtain any third party consents, referred to in Section 3.5 of this Agreement above and the items set forth in Section 3.5 of the Company Disclosure Schedule.

(c) Operation of Business. GEE will not engage in any practice, take any action, or enter into any transaction outside the Ordinary Course of Business.

(d) Access. GEE will provide Derek Dewan and Alex Stuckey (the Scribe Shareholders Representatives) with access as reasonably requested by the Scribe Shareholders Representatives to the books, records, contracts and documents of GEE. The Scribe Shareholders Representatives, each of whom is signing this Agreement, agree that they will treat and hold as such any Confidential Information it receives from GEE in the course of the reviews contemplated by this Section 7.2(d), and will not use any of the Confidential Information except in connection with this Agreement, and, if this Agreement is terminated for any reason whatsoever, will return to GEE all tangible embodiments (and all copies) of the Confidential Information that are in the Scribe Shareholders Representatives possession.

(e) Exclusivity. GEE will not solicit, initiate, or encourage the submission of any proposal or offer from any Person relating to the acquisition of all or substantially all of the capital stock or assets of GEE (including any acquisition structured as a merger, consolidation, or share exchange); provided, however, that GEE, its directors and officers will remain free to participate in any discussions or negotiations, furnish any information with respect to, assist or participate in, or facilitate in any other manner any effort or attempt by any Person to do or seek any of the foregoing to the extent their fiduciary duties may require.

7.3 Notice of Developments.

(i) Any Scribe Shareholder may elect at any time to notify GEE of any development causing a breach of any of the representations and warranties in Section 4 above. Unless GEE has the right to terminate this Agreement pursuant to Section 9.1 (ii) below by reason of the development and exercises that right within the period of 10 business days referred to in Section 9.1 (ii) below, the written notice pursuant to this Section 7.3 (i) will be deemed to have amended the Scribe Disclosure Schedule, to have qualified the representations and warranties contained in Section 4 above, and to have cured any misrepresentation or breach of warranty that otherwise might have existed hereunder by reason of the development.

(ii) Each Party will give prompt written notice to the others of any material adverse development causing a breach of any of his, her, or its own representations and warranties in Section 3 or 4 above. No disclosure by any Party pursuant to this Section 7.3 (ii), however, shall be deemed to amend or supplement any Disclosure Schedule or to prevent or cure any misrepresentation or breach of warranty.

8. CONDITIONS

8.1 Conditions Precedent to the Obligation of the Company to Close and to Issue the Preferred Shares. The obligation hereunder of the Company to close and issue the Preferred Shares to the Scribe Shareholders at a Closing is subject to the satisfaction or waiver, at or before such Closing of the conditions set forth below. - (i) GEE and Scribe Shareholders may terminate this Agreement by mutual written consent at any time prior to the Closing;
- (ii) GEE may terminate this Agreement by giving written notice to Scribe Shareholders at any time prior to the Closing in the event (A) any of Scribe Shareholders has within the then previous 10 business days given GEE any notice pursuant to Section 7.3 (i) above and (B) the development that is the subject of the notice has had a Material Adverse Effect;

(iii) GEE may terminate this Agreement by giving written notice to Scribe Shareholders at any time prior to the Closing (A) in the event any Scribe Shareholder has breached any material representation, warranty, or covenant contained in this Agreement in any material respect, GEE has notified Scribe Shareholders of the breach, and the breach has continued without cure for a period of 30 days after the notice of breach or (B) if the Closing shall not have occurred on or before April 1, 2015, by reason of the failure of any condition precedent under Section 8.1 hereof (unless the failure results primarily from GEE itself breaching any representation, warranty, or covenant contained in this Agreement); and

(iv) Scribe Shareholders may terminate this Agreement by giving written notice to GEE at any time prior to the Closing (A) in the event GEE has breached any material representation, warranty, or covenant contained in this Agreement in any material respect, any Scribe Shareholder has notified GEE of the breach, and the breach has continued without cure for a period of 30 days after the notice of breach or (B) if the Closing shall not have occurred on or before April 1, 2015, by reason of the failure of any condition precedent under Section 8.2 hereof (unless the failure results primarily from any Scribe Shareholder breaching any representation, warranty, or covenant contained in this Agreement).

9.2 Effect of Termination. If any Party terminates this Agreement pursuant to Section 9.1 above, all rights and obligations of the Parties hereunder shall terminate without any liability of any Party to any other Party (except for any liability of any Party then in breach); provided, however, that the confidentiality provisions contained in this Agreement shall survive termination.

10. REMEDIES FOR BREACHES OF THIS AGREEMENT.

10.1 Survival of Representations and Warranties and Covenants.

(a) All of the representations and warranties of Scribe Shareholders contained in Section 4 above shall survive the Closing hereunder (unless GEE knew or had reason to know of any misrepresentation or breach of warranty at the time of Closing) and continue in full force and effect for a survival period of six (6) months thereafter and then expire.

(b) All of the representations and warranties of GEE contained in Section 3 above shall survive the Closing and continue in full force and effect for a survival period of six (6) months thereafter and then expire.

(c) All of the covenants of the Parties shall survive the Closing and continue in full force and effect for a survival period equal to the applicable statute of limitations.

10.2 Indemnification Provisions for GEE's Benefit.

(a) In the event any Scribe Shareholder breaches any of his, her, or its representations, warranties, and covenants contained herein (other than the covenants in Section 1.2 above and Section 6 above, and the representations and warranties in Sections 4.1 and 4.2 above), and, provided that GEE makes a written claim for indemnification against any Scribe Shareholder pursuant to the notice provisions of this Agreement within the survival period (if there is an applicable survival period pursuant to Section 10.1 above), then

each Scribe Shareholder shall indemnify GEE from and against its Allocable Portion of any Adverse Consequences GEE shall suffer until the Adverse Consequences caused proximately by the breach (i) after GEE has suffered Adverse Consequences by reason of all such breaches in excess of a \$200,000 aggregate deductible (the Aggregate Deductible , only after which point Scribe Shareholders will be obligated to indemnify GEE from and against further such Adverse Consequences) or thereafter (ii) until and only to the extent the Adverse Consequences GEE has suffered by reason of all such breaches reach a \$1,000,000 aggregate ceiling (after which point Scribe Shareholders will have no obligation to indemnify GEE from and against further such Adverse Consequences).

(b) In the event any Scribe Shareholder breaches any of his, her, or its covenants in Section 1.2 above or any of his, her, or its representations and warranties in Sections 4.1 and 4.2 above, and provided that GEE makes a written claim for indemnification against such Scribe Shareholder pursuant to the notice provision of this Agreement within the survival period in Section 10.1 above, then such Scribe Shareholder shall indemnify GEE from and against the entirety of any Adverse Consequences GEE shall suffer through and after the date of the claim for indemnification caused proximately by such Scribe Shareholder's breach.

10.4 Matters Involving Third Parties.

(a) If any third party shall notify any Party (the **Protected Party**) with respect to any matter (a **Third-Party Claim**) which may give rise to a claim for indemnification against any other Party (the **Responsible Party**) under this Section 10, then the Protected Party shall promptly (and in any event within five (5) business days after receiving notice of the Third-Party Claim) notify each Indemnifying Party thereof in writing.

(b) Any Responsible Party will have the right at any time to assume and thereafter conduct the defense of the Third-Party Claim with counsel of his, her, or its choice reasonably satisfactory to the Protected Party; provided, however, that the Responsible Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third-Party Claim without the prior written consent of the Protected Party (not to be unreasonably withheld) unless the judgment or proposed settlement involves only the payment of money damages and does not impose an injunction or other equitable relief upon the Protected Party.

(c) Unless and until a Responsible Party assumes the defense of the Third-Party Claim as provided in Section 10.4(b) above, however, the Protected Party may defend against the Third-Party Claim in any manner he, she, or it may reasonably deem appropriate.
