**Item 7.01. Regulation FD Disclosure**

Diamond Offshore Drilling, Inc. (the Company ) hereby incorporates by reference into this Item 7.01 the summary report of the status, as of March 18, 2015, of the Company s offshore drilling rigs attached as Exhibit 99.1.

The information contained in Item 7.01 and Exhibit 99.1 to this report is being furnished in accordance with Rule 101(e)(1) under Regulation FD and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act ), and shall not be incorporated by reference into any previous or future registration statement filed under the Securities Act of 1933, as amended (the Securities Act ), unless specifically identified therein as being incorporated by reference.

Statements in the summary report furnished as Exhibit 99.1 to this report that are not historical facts are forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. Such statements include, but are not limited to, statements concerning drilling rig deliveries, operations and timing; contract effectiveness, effective dates and estimated duration; plans regarding retirement and scrapping of drilling rigs; expectations of future backlog, revenue, operating costs and performance; revenue expected to result from backlog; current term, future dayrates, future status, start and end dates and future contracts and availability; future contract opportunities and termination rights; contract noncompliance by customers and other third parties; letters of intent; utilization, surveys, downtime and other aspects of the Company s drilling rigs; statements concerning customer discussions and outcomes thereof and the impact of these and related events on the Company s operations and revenues; rigs being upgraded or to be upgraded and rigs under construction; and other statements that are not of historical fact. Forward-looking statements are inherently uncertain and subject to a variety of assumptions, risks and uncertainties that could cause actual results to differ materially from those currently anticipated or expected by management of the Company. A discussion of the risk factors and other considerations that could materially impact these matters as well as the Company s overall business and financial performance can be found in the Company s reports filed with the Securities and Exchange Commission, and readers of this report are urged to review those reports carefully when considering these forward-looking statements. These risk factors include, among others, risks associated with worldwide demand for drilling services, level of activity in the oil and gas industry, renewing or replacing expired or terminated contracts, contract cancellations and terminations, maintenance and realization of backlog, competition and industry fleet capacity, impairments and retirements, declaration of dividends, operating risks, changes in tax laws and rates, regulatory initiatives and compliance with governmental regulations, timing of construction of new builds, casualty losses and various other factors, many of which are beyond the Company s control. Given these risk factors, investors and analysts should not place undue reliance on forward-looking statements. Each forward-looking statement speaks only as of the date of such statement, and the Company expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement to reflect any change in the Company s expectations with regard thereto or any change in events, conditions or circumstances on which any forward-looking statement is based.
