This Amendment No. 4 (this Amendment No. 4) amends and supplements the Tender Offer Statement on Schedule TO originally filed with the Securities and Exchange Commission on March 31, 2015 (together with any amendments and supplements thereto, including that certain Amendment No. 1 filed on April 2, 2015, that certain Amendment No. 2 filed on April 8, 2015 and that certain Amendment No. 3 filed on April 13, 2015, the Schedule TO), by (i) LLIU100 Acquisition Corp., a Delaware corporation (Purchaser) and wholly owned subsidiary of Microsemi Corporation, a Delaware corporation (Parent), and (ii) Parent. The Schedule TO relates to the offer (the Offer) by the Purchaser to purchase all of the outstanding shares of common stock, par value \$0.01 per share (the Company Shares), of Vitesse Semiconductor Corporation, a Delaware corporation (the Company), at a purchase price of \$5.28 per Company Share, net to the tendering stockholder in cash, without interest and less any required withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase dated March 31, 2015 (together with any amendments and supplements thereto, the Offer to Purchase) and in the related Letter of Transmittal, copies of which are attached as Exhibits (a)(1)(A) and (a)(1)(B), respectively, to the Schedule TO. Capitalized terms used in this Amendment No. 4 but not defined herein shall have the respective meaning given to such terms in the Schedule TO.

Items 4 and 11

Items 4 and 11 of the Schedule TO are hereby amended and supplemented as follows:

Section 16 Certain Legal Matters; Regulatory Approvals. of the Offer to Purchase is hereby amended by deleting the last paragraph in its entirety and replacing it with the following paragraphs:

On April 14, 2015, members of the Company Board, Purchaser, and Parent were named as defendants in an alleged class action lawsuit brought by a purported Company stockholder challenging the proposed transaction, which was filed in the Court of Chancery of the State of Delaware, and captioned Paul Gordon v. Christopher R. Gardner, et al. (the Gordon Action). The Gordon Action purports to be brought individually and as a class action on behalf of the Company's stockholders and contains allegations similar to those set forth in the Lawsuits.

Also on April 14, 2015, the Court of Chancery of the State of Delaware granted an Order of Consolidation and Appointment of Co-Lead Counsel consolidating the Lawsuits, and any future-filed actions relating to the subject matter of the case, under the caption In re Vitesse Semiconductor Corporation Stockholders Litigation, Consolidated Case Number 10828-VCP (the Delaware Action), and designating the complaint filed in the Durbin Action as the operative complaint in the Delaware Action until a consolidated amended complaint is filed.

Parent believes that the claims asserted in the Delaware Action are without merit and intends to defend its position. However, a negative outcome in the Delaware Action could have a material adverse effect on the Parent if it results in preliminary or permanent injunctive relief or rescission of the Merger Agreement. In addition, although the Company has directors and officers liability insurance, the Company anticipates that it will incur significant expense within its self-insured retention under that insurance. Parent is not currently able to predict the outcome of the Delaware Action with any certainty. Additional lawsuits arising out of or relating to the Merger Agreement or the Transaction may be filed in the future. If additional similar complaints are filed, absent new or different allegations that are material, the Parent will not necessarily announce such additional filings.
