Item 2.02 Results of Operations and Financial Condition.

On May 18, 2015, the San Juan Basin Royalty Trust (the Trust) issued a press release, a copy of which is attached hereto as Exhibit 99.1, announcing, among other things, that it will not make a monthly cash distribution to the holders of its units of beneficial interest for the month of May 2015. Normally a distribution would be made in May based principally upon production during the month of March 2015. However, due primarily to the low natural gas pricing and higher capital costs during the month of March, cash attributable to the royalties will be utilized to pay administrative expenses and to increase cash reserves. No cash distributions will be distributed by the Trust until future net proceeds are sufficient to pay then-current Trust liabilities and replenish cash reserves.

Item 9.01 Financial Statements and Exhibits.

99.1 Press release, dated May 18, 2015.
