Safe Harbor

This presentation contains "forward-looking" statements that involve risks, uncertainties and assumptions. If the risks or uncertainties materialize or the assumptions prove incorrect, our results may differ materially from those expressed or implied by such forward-looking statements. All statements other than statements of historical fact could be deemed forward-looking, including, but not limited to, projections of financial information, including statements about revenue growth; any statements about historical results that may indicate trends for our business; any statements of the plans, strategies, and objectives of management for future operations; any statements of expectation or belief regarding future events, potential markets or market size, technology developments, or enforceability of intellectual property rights; and any statements of assumptions underlying any of the items mentioned.

These statements are based on estimates and information available to us at the time of this presentation and are not guarantees of performance. These risks and uncertainties include, but are not limited to, the risk that Transmode shareholders fail to tender their Transmode's outstanding shares, that any other closing conditions are not satisfied, and that the transaction may not close; the risk that Transmode's and Infinera's businesses will not be integrated successfully; the risk that synergies will not be realized or realized differently than anticipated; the risk that the combined company will not realize on its financing or operating strategies; the risk that litigation involving either company or the transaction could arise; the risk that disruption caused by the combined company would make it difficult to maintain certain strategic relationships; the risks of competitive responses and shifts in the market; delays in the release of new products; changes in customer demand, changes in industry trends, and changes in the macro economic market. These risks and uncertainties also include

risks and uncertainties discussed in the offer document to be filed with the Swedish Financial Supervisory Authority and in the Statement on Form S-4 to be filed with the SEC, those risks and uncertainties identified under the heading "Risk Factors" in the Quarterly Report on Form 10-Q for the quarter ended March 28, 2015, filed with the SEC, and those risks and uncertainties identified in subsequent

Infinera Long-Haul Solution

Facebook Example

Infinera Selected by Facebook

for World's Longest Terrestrial

Multi-Terabit Route

The Infinera Intelligent Transport Network makes it easy for us to rapidly grow network capacity while keeping operations simple. Once the equipment is in place we are able to turn up as many terabits as we need.

2015 Infinera

This communication is neither an offer to purchase nor a solicitation of an offer to sell any shares. This communication is for informational purpose only. The exchange offer for shares of Transmode AB will not be made to, nor will exchanges be accepted from, or on behalf of, holders of shares in any jurisdiction in which the making of the exchange offer or the acceptance thereof would not comply with the laws of that jurisdiction. The acceptance period for the exchange offer for shares of Transmode described in this communication has not commenced.

In connection with the proposed combination of Infinera and Transmode, Infinera will file an offer document with the Swedish Financial Supervisory Authority and a prospectus and a Registration Statement on Form S-4 with the SEC.

Shareholders of Transmode should read the above referenced documents and materials carefully when such documents and materials become available because they contain important information about the transaction.

Shareholders of Transmode may obtain free copies of these documents and materials, any amendments or supplements thereto and other documents containing important information about Infinera and the transaction, once such documents and materials are filed or furnished, as applicable, with the SEC, through the website maintained by the SEC at [www.sec.gov](http://www.sec.gov). Copies of the documents and materials filed with the SEC by Infinera will also be available free of charge on Infinera's website at [www.infinera.com](http://www.infinera.com)

under the heading SEC Filings  
in the Company Investor Relations  
portion of Infinera's website. More  
information about the exchange offer, including the formal announcement of the offer and the offer document to be filed with  
and approved by the Swedish Financial Supervisory Authority, can  
be found on [www.infinera.se](http://www.infinera.se).
