Item 5.04. Temporary Suspension of Trading Under Registrant's Employee Benefit Plans

In connection with the proposed separation of Gannett SpinCo, Inc. (the Company) from Gannett Co., Inc. (TEGNA), more than 50% of the participants in the Company's 401(k) plans (collectively, the Plan) will be temporarily unable to make contributions to, transfer amounts from or obtain withdrawals from amounts invested in the Plan's Company stock funds. The blackout is necessary to enable the Plan administrator to update its records and accounting when shares of the Company are distributed to TEGNA's stockholders, including stockholders who hold TEGNA common stock under the Plan.

On June 18, 2015, the Company sent a notice (the Blackout Notice) to the persons who are, or will become upon completion of the spin-off, its directors and executive officers, informing them that a blackout will be imposed. The blackout is expected to begin after the market closes on June 25, 2015 and end by July 2, 2015.

Section 306 of the Sarbanes-Oxley Act of 2002 and Regulation BTR, issued by the U.S. Securities and Exchange Commission, generally impose restrictions on trading by executive officers and directors in the event that 50% or more of the issuer's 401(k) plan participants are so restricted. During the blackout, subject to certain limited exceptions, directors and executive officers will be prohibited from directly or indirectly purchasing, selling, acquiring or transferring any Company common stock or derivative security with respect to Company common stock acquired in connection with their service or employment as a director or executive officer of the Company.

On June 18, 2015, the Plan administrator delivered notice to the Company of the trading restrictions relating to the Plan pursuant to Section 101(i)(2)(E) of the Employee Retirement Income Security Act of 1974, as amended.

Attached hereto as Exhibit 99.1 and incorporated herein by reference is a copy of the Blackout Notice.
