Item 1.01 Entry Into a Material Definitive Agreement

On August 4, 2015, Premier, Inc. (Premier) announced that it and its consolidated subsidiary, Premier Healthcare Solutions, Inc. (PHSI), entered into a stock purchase agreement (the Stock Purchase Agreement) dated as of July 31, 2015 by and among PHSI, Premier, CECity.com, Inc. (CECity), the shareholders of CECity identified in the Stock Purchase Agreement (the Shareholders), certain related guarantors identified in the Stock Purchase Agreement (the Guarantors), and a representative of the Shareholders (the Shareholders Representative), pursuant to which PHSI has agreed to purchase all the outstanding shares of capital stock of CECity.

The aggregate cash purchase price is \$400.0 million and will be adjusted, on a dollar-for-dollar basis (i) upward or downward, as the case may be, to the extent working capital at closing is less than or greater than \$1,251,100, (ii) upward or downward, as the case may be, to reflect the actual cash and cash equivalents of CECity at closing and (iii) upward or downward, as the case may be, to reflect the actual indebtedness of CECity at closing. Premier expects to fund the acquisition with \$250.0 million of cash on hand and \$150.0 million of borrowings under the Premier s revolving credit facility.

CECity, headquartered in Pittsburgh, Pa., is a cloud-based healthcare solutions provider, specializing in performance management and improvement, pay-for-value reporting and professional education. As a leading software as a service (SaaS) provider in the healthcare industry, CECity offers turnkey solutions for clinical data registries, continuing medical education, maintenance of certification, performance improvement, pay-for-value reporting and lifelong professional development.

The transaction does not require the approval of Premier s shareholders and is not conditioned on receipt of financing by Premier or PHSI. The acquisition is anticipated to close during Premier s 2016 first fiscal quarter ended September 30, 2015, subject to the satisfaction of certain customary closing conditions. The Stock Purchase Agreement contains customary closing conditions for a transaction of this type, including obtaining applicable antitrust approvals, the accuracy of representations and warranties, and the absence of any events occurring after the date of the agreement that would have or be reasonably expected to have a material adverse effect on CECity.

The Stock Purchase Agreement contains customary representations, warranties and covenants. CECity s general representations and warranties will survive for one year, representations and warranties related to intellectual property will survive for two years, and certain additional fundamental representations and warranties, as well as claims of fraud and claims regarding pre-closing tax liabilities, will survive for seven years. CECity s indemnification obligation for breach of representations and warranties will be subject to (1) a \$100,000 per claim deductible with any claims over such amount being subject to an aggregate deductible equal to \$4.0 million, and (2) an aggregate cap of \$40.0 million (General Cap). The General Cap is subject to customary carveouts for breaches of certain fundamental representations and warranties, fraud and pre-closing tax liabilities and that provide for higher liability limitations for these matters.

The Shareholders and Guarantors are subject to employee non-solicitation provisions for a five-year period post-closing. In addition, within North America, the Shareholders and Guarantors are subject to non-compete provisions with respect to CECity s business for a five-year period post-closing. Further, the Shareholders and the Guarantors are subject to customer and supplier non-solicitation provisions for a five-year period post-closing.

Certain current CECity executive officers have executed employment agreements that become effective only upon the closing of the acquisition. PHSI currently expects, but is not required, to maintain CECity s primary operations in Pittsburgh, Pennsylvania. Premier expects to integrate CECity into Premier s performance services segment.

Either PHSI or the Shareholders Representative may terminate the Stock Purchase Agreement if the closing does not occur by October 15, 2015 or such other date as may be agreed upon in writing by the parties, and for other customary reasons related to a material breach of representations, warranties, covenants or other agreements.

The foregoing summary of the Stock Purchase Agreement and the transaction does not purport to be a complete description and is subject to, and qualified in its entirety by, the full text of the Stock Purchase Agreement, a copy of which is attached as Exhibit 2.1 hereto.

The filing of this Current Report on Form 8-K shall not be deemed an admission by Premier that the transaction described herein is material.
