NOAH HOLDINGS LIMITED ANNOUNCES UNAUDITED FINANCIAL RESULTS FOR THE SECOND QUARTER OF 2016

SHANGHAI, August 15, 2016 Noah Holdings Limited (Noah or the Company) (NYSE: NOAH), a leading wealth and asset management service provider with a focus on global services for high net worth individuals and enterprises in China, today announced its unaudited financial results for the second quarter of 2016.

Starting from the fourth quarter of 2015, the Company changed its reporting currency from the U.S. dollar (US\$) to the Renminbi (RMB). The change in reporting currency is to better reflect the Company's performance, as the majority of the Company's operations are conducted in RMB, to align the Company's reporting currency with its underlying operations and to reduce the impact that the increased volatility of the RMB to US\$ exchange rate will have on the Company's reported operating results. This release contains translations of certain RMB amounts into US\$ for convenience purpose only¹. Prior period numbers have been recast into the new reporting currency.

SECOND QUARTER 2016 FINANCIAL HIGHLIGHTS

Net revenues in the second quarter of 2016 were RMB651.7 million (US\$98.1 million), a 12.8% increase from the corresponding period in 2015.

Total number of enterprise clients as of June 30, 2016 was 651, up from 354 and 645 as of June 30, 2015 and March 31, 2016, respectively.

Total number of individual clients as of June 30, 2016 was 324,267, up from 131,985 and 294,151 as of June 30, 2015 and March 31, 2016, respectively.

Mr. Kenny Lam, Group President of Noah, commented, "In the context of a challenging macro environment in our home market, volatile capital markets, and heightened risk aversion among investors, we are pleased to have delivered steady results in the second quarter. This sustained performance was due primarily to our continuous efforts in product and service differentiation and innovation. The current environment does present strong headwinds but we will continue to invest in building a leading wealth and asset management platform both in China and globally. We are focused on long-term sustainable growth and are very excited about our long-term prospects."

SECOND QUARTER 2016 FINANCIAL RESULTS

Net Revenues

Net revenues for the second quarter of 2016 were RMB651.7 million (US\$98.1 million), a 12.8% increase from the corresponding period in 2015, primarily due to increases in one-time commissions and recurring service fees.

Wealth Management Business

Net revenues from one-time commissions for the second quarter of 2016 were RMB291.9 million (US\$43.9 million), a 31.6% increase from the corresponding period in 2015. The increase was primarily due to the change in the product mix.

Net revenues from recurring service fees for the second quarter of 2016 were RMB194.7 million (US\$29.3 million), a 25.4% increase from the corresponding period in 2015. The increase was mainly due to the cumulative effect of financial products with recurring service fees previously distributed by the Company.

Net revenues from performance-based income for the second quarter of 2016 were RMB0.1 million (US\$20.9 thousand), compared to RMB64.4 million in the corresponding period in 2015, mainly due to a decrease in performance-based income from secondary market products compared to the corresponding period in 2015.

Net revenues from other service fees for the second quarter of 2016 were RMB18.4 million (US\$2.8 million), compared with RMB9.4 million in the corresponding period of 2015.

Asset Management Business

Net revenues from recurring service fees for the second quarter of 2016 were RMB109.7 million (US\$16.5 million), a 35.9% increase from the corresponding period in 2015. The increase was primarily due to the increase in assets under management by the Company.

Net revenues from performance-based income for the second quarter of 2016 were RMB23.6 million (US\$3.6 million), a 17.1% decrease compared with the corresponding period in 2015, mainly due to a decrease in performance-based income from secondary market products compared to the corresponding period in 2015.

Internet Finance Business

Net revenues for the second quarter of 2016 were RMB11.3 million (US\$1.7 million), a 34.3% decrease from the corresponding period in 2015, primarily due to the Company's internet finance business strategic change to focus more on standardized wealth management products.

Operating costs and expenses

Operating costs and expenses include compensation and benefits, selling expenses, general and administrative expenses, other operating expenses and government subsidies. Operating costs and expenses for the second quarter of 2016 were RMB457.6 million (US\$68.9 million), a 19.0% increase from the corresponding period in 2015. The increase was mainly driven by growth in compensation and benefits, increased rental and related expenses associated with the new head office building which was put into use in the first quarter of 2016 and increased marketing expenses.

Wealth Management Business

Operating costs and expenses for the second quarter of 2016 were RMB337.8 million (US\$50.8 million), a 20.0% increase from the corresponding period in 2015.

Compensation and benefits includes compensation for relationship managers and back-office employees. Compensation and benefits for the second quarter of 2016 were RMB251.6 million (US\$37.9 million), a 10.4% increase from the corresponding period in 2015. In the second quarter of 2016, relationship manager compensation increased by 7.2% from the corresponding period in 2015, primarily driven by an increase in the number of relationship managers and a change of product mix. Other compensation for the second quarter of 2016 increased by 15.0% from the corresponding period in 2015, primarily driven by an increase in the number of back-office employees.

Selling expenses for the second quarter of 2016 were RMB67.4 million (US\$10.1 million), a 51.0% increase from the corresponding period in 2015, primarily due to an increase in rental expenses and client marketing initiatives.

General and administrative expenses for the second quarter of 2016 were RMB31.9 million (US\$4.8 million), a 98.9% increase from the corresponding period in 2015, mainly due to an increase in depreciation, consulting fees and training costs.

Other operating expenses, which include other costs incurred directly in relation to the Company's revenues, for the second quarter of 2016 were RMB21.1 million (US\$3.2 million), an increase of 273.1% from the corresponding period in 2015. The increase was primarily due to the growth of other businesses within the wealth management segment.

Government subsidies represent cash subsidies received from local governments for general corporate purposes. The Company received RMB34.2 million (US\$5.1 million) in government subsidies for the wealth management business in the second quarter of 2016, compared to RMB12.8 million in the corresponding period of 2015.

Asset Management Business

Operating costs and expenses for the second quarter of 2016 included compensation and benefits and operation expenses of RMB66.4 million (US\$10.0 million), a 23.1% increase from the corresponding period in 2015.

Compensation and benefits include compensation of managers of institutional client relationships, fund managers and back-office employees. Compensation and benefits for the second quarter of 2016 were RMB44.0 million (US\$6.6 million), a 12.4% decrease from the corresponding period in 2015. The decrease was primarily due to a decrease in performance fee compensation related to performance-based income.

Selling expenses for the second quarter of 2016 were RMB4.4 million (US\$0.7 million), compared with RMB4.7 million in the corresponding period of 2015, representing a decrease of 5.6% year over year.

General and administrative expenses for the second quarter of 2016 were RMB18.4 million (US\$2.8 million), a 101.1% increase from the corresponding period in 2015, primarily due to increased conference fees.

Government subsidies represent cash subsidies received from local governments for general corporate purposes. The Company received RMB2.0 million (US\$0.3 million) in government subsidies for the asset management business in the second quarter of 2016, compared to RMB15.9 million in the corresponding period in 2015.

Internet Finance Business

Operating costs and expenses for the second quarter of 2016 were RMB53.4 million (US\$8.0 million), a 8.8% increase from the corresponding period in 2015, and represented the Company's expenses in human resources, marketing and internet infrastructure, as well as expenses incurred in promoting the Company's internet finance business. Operating costs and expenses for the second quarter of 2016 primarily consisted of compensation and benefits of RMB32.6 million (US\$4.9 million), selling expenses of RMB6.5 million (US\$1.0 million), general and administrative expenses of RMB8.0 million (US\$1.2 million) and other operating expenses of RMB6.4 million (US\$1.0 million).

Operating Margin

Operating margin for the second quarter of 2016 was 29.8% compared to 33.5% for the corresponding period in 2015.

Wealth Management Business

Operating margin for the second quarter of 2016 was 33.1%, compared to 37.6% for the corresponding period in 2015 and 28.7% in the first quarter of 2016. The year-on-year decrease was mainly because operating costs and expenses grew faster than net revenues in the second quarter of 2016, as compared to the second quarter of 2015.

Asset Management Business

Operating margin for the second quarter of 2016 was 50.9%, flat compared to the corresponding period in 2015.

Internet Finance Business

Operating loss for the second quarter of 2016 was RMB42.1 million (US\$6.3 million) compared to RMB31.8 million for the corresponding period of the prior year and RMB52.5 million in the first quarter of 2016.

Income Tax Expenses

Income tax expenses for the second quarter of 2016 were RMB48.5 million (US\$7.3 million), a 5.5% increase from the corresponding period in 2015, in line with the year-over-year growth in taxable income.

Net Income

Net Income

Net income attributable to Noah shareholders for the second quarter of 2016 was RMB182.3 million (US\$27.4 million), a 7.6% increase from the corresponding period in 2015.

Net margin for the second quarter of 2016 was 27.0%, compared to 29.6% for the corresponding period in 2015.

Net income per basic and diluted ADS for the second quarter of 2016 was RMB3.24 (US\$0.49) and RMB3.10 (US\$0.47), respectively, compared to RMB3.01 and RMB2.87, respectively, for the corresponding period in 2015.

Non-GAAP Net Income Attributable to Noah Shareholders

Non-GAAP net income attributable to Noah shareholders for the second quarter of 2016 was RMB197.9 million (US\$29.8 million), a 3.3% increase from the corresponding period in 2015.

Non-GAAP net margin for the second quarter of 2016 was 29.4%, compared to 33.5% for the corresponding period in 2015.

Non-GAAP net income per diluted ADS for the second quarter of 2016 was RMB3.37 (US\$0.51), compared to RMB3.24 for the corresponding period in 2015.

Balance Sheet and Cash Flow

As of June 30, 2016, the Company had RMB1,398.9 million (US\$210.5 million) in cash and cash equivalents, compared to RMB1,561.7 million as of June 30, 2015 and RMB2,480.3 million as of March 31, 2016.

Cash outflow from the Company's operating activities during the second quarter of 2016 was RMB750.0 million (US\$112.9 million). The decrease was mainly due to the temporary impact of other current assets and liabilities.

Cash outflow from the Company's investing activities during the second quarter of 2016 was RMB550.5 million (US\$82.8 million), primarily due to an increase in investments in affiliates and the temporary impact of amounts due from related parties.

Cash inflow from the Company's financing activities for the second quarter of 2016 was RMB197.8 million (US\$29.8 million), primarily due to the impact of other current liabilities.

2016 FORECAST

The Company estimates that non-GAAP net income attributable to Noah shareholders for the full year 2016 will be in the range of RMB690 million to RMB720 million, an increase of 14.4% to 19.4% compared to the full year 2015. This estimate reflects management's current business outlook and is subject to change.

DISCUSSION OF NON-GAAP FINANCIAL MEASURES:

In addition to disclosing financial results prepared in accordance with U.S. GAAP, the Company's earnings release contains non-GAAP financial measures that exclude the effects of all forms of share-based compensation. The reconciliation of these non-GAAP financial measures to the nearest GAAP measures is set forth in the table captioned "Reconciliation of GAAP to Non-GAAP Results" below.

The non-GAAP financial measures disclosed by the Company should not be considered a substitute for financial measures prepared in accordance with U.S. GAAP. The financial results reported in accordance with U.S. GAAP and reconciliation of GAAP to non-GAAP results should be carefully evaluated. The non-GAAP financial measure used by the Company may be prepared differently from, and therefore may not be comparable to, similarly titled measures used by other companies.

When evaluating the Company's operating performance in the periods presented, management reviewed non-GAAP net income results reflecting adjustments to exclude the impact of share-based compensation to supplement U.S. GAAP financial data. As such, the Company believes that the presentation of the non-GAAP net income, non-GAAP income per diluted ADS and non-GAAP net margin provides important supplemental information to investors regarding financial and business trends relating to the Company's financial condition and results of operations in a manner consistent with that used by management. Pursuant to U.S. GAAP, the Company recognized significant amounts of expenses for the restricted shares and share options in the periods presented. The Company utilized the non-GAAP financial results to make financial results comparable period to period and to better understand its historical business operations.
