Item 1.01. Entry into a Material Definitive Agreement

On February 21, 2017, Mercer International Inc. (the Company) and its wholly owned subsidiary, (the Purchaser), entered into an asset purchase agreement and ancillary agreements with Klausner Holz Thüringen GmbH (the Seller) and certain affiliates (collectively, the Agreement), pursuant to which, among other things, the Purchaser will acquire from the Seller substantially all of the assets comprising a sawmill and bio-mass power plant located near Friesau, Germany (the Friesau Facility), for consideration of approximately \$55.1 million (52.0 million) plus defined working capital at closing, currently estimated to be approximately \$9.0 million. Additionally, in connection with the sale of the Friesau Facility and to ensure an orderly transfer thereof, an affiliate of the Seller has agreed to provide the Purchaser certain transitional services and sales and marketing services for a period of up to 12 and 24 months after closing, respectively, or such shorter periods that the Purchaser requires.

Closing under the Agreement is expected to occur around the beginning of the second quarter of 2017 and is subject to customary closing conditions, including, among other things, receipt of requisite regulatory approvals.

The description of the Agreement contained herein does not purport to be complete and is qualified in its entirety by reference to the Agreement that will be filed as an exhibit to the Company s Report on Form 10-Q for the quarterly period ended March 31, 2017.
