Item 1.01 Entry into a Material Definitive Agreement

On October 19, 2017, IBERIABANK Corporation (IBKC), the holding company for IBERIABANK, and IBERIABANK entered into an Agreement and Plan of Merger (the Merger Agreement) with Gibraltar Private Bank & Trust Company (Gibraltar). Pursuant to the Merger Agreement, Gibraltar will merge with and into IBERIABANK (the Merger). Each outstanding share of Gibraltar s common stock is to be converted into the right to receive 1.9749 of a share of IBKC common stock at the effective time of the Merger (the Exchange Ratio), plus cash in lieu of any fractional share interest. The Exchange Ratio will be adjusted if the per share market price of IBKC common stock on the NASDAQ Global Select Market during the prescribed measurement period prior to the Merger falls below \$70.13 or rises above \$94.88, pursuant to the formula set forth in the Merger Agreement. At the effective time of the Merger, all unexercised Gibraltar stock options, whether or not vested, will be cashed out in connection with the transaction pursuant to the formula set forth in the Merger Agreement. In addition, at the effective time of the Merger, all Gibraltar restricted stock awards, whether or not vested, will vest and be converted into the right to receive shares of IBKC common stock at the Exchange Ratio.

The directors of Gibraltar have entered into voting agreements concurrent with the execution of the Merger Agreement (collectively, the Voting Agreements). The Voting Agreements provide that each director will vote his or her shares in favor of approval of the Merger Agreement. The Voting Agreements also restrict the transfer of the individuals Gibraltar shares during the period between the execution of the Merger Agreement and the completion of the Merger.

The Merger Agreement contains customary representations and warranties from both IBKC and Gibraltar, and the parties have agreed to customary covenants, including, among others, covenants relating to the conduct of Gibraltar s business during the interim period between the execution of the Merger Agreement and the completion of the Merger. The assertions embodied in those representations and warranties were made solely for purposes of the contract between IBKC, IBERIABANK and Gibraltar, and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating its terms. Moreover, the representations and warranties are subject to a contractual standard of materiality that may be different from what may be viewed as material to shareholders, and the representations and warranties may have been used to allocate risk between IBKC, IBERIABANK and Gibraltar rather than establishing matters as facts.

The Merger Agreement has been approved by the boards of directors of each of IBKC, IBERIABANK and Gibraltar. The closing of the Merger is subject to the required approval of Gibraltar s shareholders, the receipt of required regulatory approvals without the imposition of a materially burdensome regulatory condition, the effectiveness of the registration statement to be filed by IBKC with respect to the stock to be issued in the transaction, and other customary closing conditions.

The foregoing description of the Merger Agreement is included to provide you with information regarding its terms. It does not purport to be complete and is qualified in its entirety by reference to the complete text of the Merger Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K. The foregoing description should also be read in conjunction with the other information regarding IBKC and Gibraltar, their respective affiliates or their respective businesses, that may be contained in Forms 10-K, Forms 10-Q and other filings that IBKC may make with the Securities and Exchange Commission (the SEC).
