Merger Agreement

On October 31, 2017, American Midstream Partners, LP, a Delaware limited partnership (AMID), American Midstream GP, LLC, a Delaware limited liability company and general partner of AMID (AMID GP), Cherokee Merger Sub LLC, a Delaware limited liability company and wholly owned subsidiary of AMID (Merger Sub), Southcross Energy Partners, L.P. a Delaware limited partnership (SXE), and Southcross Energy Partners GP, LLC, a Delaware limited liability company (SXE GP), entered into an Agreement and Plan of Merger (the SXE Merger Agreement). Upon the terms and subject to the conditions set forth in the SXE Merger Agreement, SXE will merge with and into Merger Sub (the SXE Merger), with SXE continuing its existence under Delaware law as the surviving entity in the SXE Merger and wholly owned subsidiary of AMID.

At the effective time of the SXE Merger (the Effective Time), each common unit of SXE (each, an SXE Common Unit) issued and outstanding or deemed issued and outstanding as of immediately prior to the Effective Time will be converted into the right to receive 0.160 (the Exchange Ratio) of a common unit (each, an AMID Common Unit) representing limited partner interests in AMID (the Merger Consideration), except for those SXE Common Units held by affiliates of SXE and SXE GP, which will be cancelled for no consideration. Each SXE Common Unit, Subordinated Unit (as defined in the Merger Agreement) and Class B Convertible Unit (as defined in the Merger Agreement) held by Southcross Holdings LP (Holdings LP) or any of its subsidiaries and the SXE Incentive Distribution Rights (as defined in the SXE Merger Agreement) outstanding immediately prior to the Effective Time will be cancelled in connection with the closing of the SXE Merger.

Each award of phantom units of SXE granted under the SXE 2012 Long Term Incentive Plan that are outstanding as of immediately prior to the Effective Time will be fully vested and settled in the form of SXE Common Units, which will be converted into the right to receive Merger Consideration at the Effective Time.

The completion of the SXE Merger is subject to the satisfaction or waiver of customary closing conditions, including: (i) holders of at least a majority of the outstanding SXE Common Units (except for those SXE Common Units held by SXE GP or its affiliates) voting as a class, at least a majority of the outstanding Subordinated Units voting as a class, and at least a majority of the Class B Convertible Units voting as a class for the approval of the SXE Merger Agreement and the transactions contemplated thereby, (ii) expiration or termination of any applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act), (iii) there being no law or injunction prohibiting the consummation of the SXE Merger, (iv) the effectiveness of a registration statement on Form S-4 relating to the Merger Consideration, (v) approval for listing of the AMID Common Units issuable as part of the Merger Consideration on the New York Stock Exchange (the NYSE), (vi) closing of the Contribution (defined below) in accordance with the terms of the Contribution Agreement (defined below), (vii) subject to specified materiality standards, the accuracy of the representations and warranties of each party, (viii) compliance by each party in all material respects with its covenants, (ix) the receipt by AMID of an opinion to the effect that for U.S. federal income tax purposes (A) no AMID entity should recognize any income or gain as a result of the SXE Merger (other than any gain resulting from any decrease in partnership liabilities pursuant to Section 752 of the Internal Revenue Code of 1986, as amended (the Code)), (B) no gain or loss should be recognized by holders of AMID Common Units as a result of the SXE Merger with respect to such AMID Common Units held (subject to certain exceptions) and (C) AMID is classified as a partnership for U.S. federal income tax purposes, and (x) the receipt by SXE of an opinion to the effect that for U.S. federal income tax purposes, (A) subject to certain exceptions, holders of SXE Common Units, Subordinated Units or Class B Convertible Units should not recognize any income or gain as a result of the SXE Merger with respect to such SXE Common Units, Subordinated Units or Class B Convertible Units held (other than any gain resulting from any actual or constructive distribution of cash, including any decrease in partnership liabilities pursuant to Section 752 of the Code, the receipt of any Merger Consideration that is not pro rata with the other holders of the same class of units (subject to certain exceptions), or liabilities incurred other than in the ordinary

course of business of SXE or its subsidiaries); provided that such opinion does not extend to any holder who acquired SXE Common Units, Subordinated Units or Class B Convertible Units from SXE in exchange for property other than cash, and (B) SXE is classified as a partnership.

SXE has agreed, subject to certain exceptions with respect to unsolicited proposals, not to directly or indirectly solicit competing acquisition proposals or to enter into discussions concerning, or provide confidential information in connection with, any unsolicited alternative business combinations. However, the board of directors of SXE GP may, subject to certain conditions, change its respective recommendation (i) in favor of the adoption of the SXE Merger Agreement if, in connection with the receipt of an alternative proposal, it determines in good faith, after consultation with its financial advisor

and outside counsel, that the failure to effect such a change in recommendation would not be in the best interest of SXE and would be inconsistent with its duties under SXE's partnership agreement and applicable law or (ii) if, in connection with a material event, circumstance, change or development that arises or occurs after the date of the SXE Merger Agreement and that was not reasonably foreseeable at the time of the SXE Merger Agreement, it determines in good faith that the failure to effect such a change in recommendation would be inconsistent with its duties under SXE's partnership agreement, as applicable, or applicable law.

AMID and SXE have made customary representations and warranties in the SXE Merger Agreement. The SXE Merger Agreement also contains customary covenants and agreements, including covenants and agreements relating to (i) the conduct of each of AMID's and SXE's respective businesses between the date of the signing of the SXE Merger Agreement and the closing date of the SXE Merger and (ii) the efforts of the parties to cause the SXE Merger to be completed, including actions which may be necessary to cause the expiration or termination of the waiting period under the HSR Act.

The SXE Merger Agreement contains certain termination rights for both AMID and SXE. The SXE Merger Agreement further provides that, upon termination of the SXE Merger Agreement, under certain circumstances, SXE may be required to reimburse AMID's expenses, subject to certain limitations, or pay AMID a termination fee equal to \$2 million less any previous AMID expenses reimbursed by SXE (the "Termination Fee").

The foregoing description of the SXE Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the SXE Merger Agreement, a copy of which is attached hereto as Exhibit 2.1.

Contribution Agreement

In connection with the SXE Merger Agreement, on October 31, 2017, AMID and AMID GP entered into a Contribution Agreement (the "Contribution Agreement" and, together with the SXE Merger Agreement, the "Transaction Agreements") with Holdings LP, a Delaware limited partnership. Upon the terms and subject to the conditions set forth in the Contribution Agreement, Holdings LP will contribute its equity interests in its new wholly owned subsidiary (SXH Holdings), which will hold substantially all the current subsidiaries (Southcross Holdings Intermediary LLC, Southcross Holdings Guarantor GP LLC and Southcross Holdings Guarantor LP) and business of Holdings LP, to AMID and AMID GP in exchange for (i) the number of AMID Common Units with a value equal to \$185,697,148, subject to certain adjustments for cash, indebtedness, working capital and transaction expenses contemplated by the Contribution Agreement, divided by \$13.69 per AMID Common Unit, (ii) 4,500,000 AMID Preferred Units (as defined in the Contribution Agreement), (iii) options to purchase 4,500,000 AMID Common Units (the "Options"), and (iv) 3,000 AMID GP Class D Units (as defined in the Contribution Agreement) (the transactions contemplated thereby and the agreements ancillary thereto, the "Contribution"). A portion of the consideration will be deposited into escrow in order to secure certain post-closing obligations of Holdings LP. Concurrently with the closing of the transaction, the agreement of limited partnership of AMID will be amended to reflect the issuance of AMID Preferred Units, and the GP LLC Agreement will be amended to reflect the issuance of such AMID GP Class D Units.

The Contribution Agreement contains customary representations and warranties and covenants by each of the parties. The closing under the Contribution Agreement is conditioned upon, among other things: (i) expiration or termination of any applicable waiting period under the HSR Act, (ii) the absence of certain legal impediments prohibiting the transactions and (iii) the conditions precedent contained in the SXE Merger Agreement having been satisfied and the SXE Merger having become effective substantially concurrently with the closing of the Contribution Agreement.

The Contribution Agreement contains provisions granting both parties the right to terminate the Contribution Agreement for certain reasons. The Contribution Agreement further provides that, upon termination by Holdings LP of the Contribution Agreement in the event of a Funding Failure (as defined in the Contribution Agreement), AMID may be required to pay a reverse termination fee in an amount up to \$17 million.

The foregoing description of the Contribution Agreement does not purport to be complete and is qualified in its entirety by reference to the Contribution Agreement, a copy of which is attached as Exhibit 2.2 hereto.

The foregoing summary of each of the Transaction Agreements has been included to provide investors and security holders with information regarding the terms of each of the Transaction Agreements and is qualified in its entirety by the terms and conditions of each of the Transaction Agreements. It is not intended to provide any other factual information about AMID, AMID GP, SXE, SXE GP or Holdings LP or their respective subsidiaries and affiliates. Each of the Transaction Agreements contains representations and warranties by each of the applicable parties to the agreement, which were made

only for purposes of such agreement and as of specified dates. The representations, warranties and covenants in each of the Transaction Agreements were made solely for the benefit of the parties to such agreement; may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to such agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of AMID, AMID GP, SXE, SXE GP or Holdings LP or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Transaction Agreements, which subsequent information may or may not be fully reflected in AMID's or SXE's public disclosures.

Item 3.02 Unregistered Sales of Equity Securities.

The description of the Contribution Agreement, the Contribution, the AMID Common Units, the AMID Preferred Units and the Options contained in Item 1.01 is incorporated by reference herein.
