## **Email to South Carolina Supporters**

**Dear Neighbor,**

Good partnerships matter. A partnership between Dominion Energy and SCANA isn't just a path forward for SCE&G customers, it would mean certainty, in what's been a very uncertain time. Plus it means a strong, reliable energy partner for South Carolina.

However, if the politicians in Columbia give in to those who oppose this partnership, SCE&G electric customers won't see guaranteed cash payments and rate reductions.

**ACT NOW: Don't let politicians in Columbia stand in the way of a brighter future for South Carolina.**

It's important that your representatives hear from **YOU** to understand the value of Dominion Energy and SCANA coming together.

**Two taps, it's that easy. Please email your elected officials today.**

**SCANA and Dominion Energy coming together would mean:**

A \$1.3 billion cash payment — about \$1,000 for the average residential electric customer.

Lower electrical rates — a minimum of 5 percent rate reduction for electric customers.

Edgar Filing: SCANA CORP - Form 425

Save customers more than \$10 billion by initiating a shorter recovery period for nuclear abandonment costs, reduced from 50 years to 20 years – a 60 percent reduction.

A million dollars a year more in charitable contributions in the communities we serve, for five years. As a customer and community member, it is critical that elected officials hear from you as they consider this proposal. Support a brighter energy future for South Carolina by contacting your elected officials today.
