### Item 1.01 Entry into a Material Definitive Agreement

On February 27, 2018, Addus HealthCare, Inc. ( "Addus HealthCare" ), a wholly-owned subsidiary of Addus HomeCare Corporation (the "Corporation" ), entered into a Stock Purchase Agreement (the "Purchase Agreement" ) with Michael J. Merrell and Mary E. Merrell, individually, Michael J. Merrell and Mary E. Merrell, as Trustees of the Merrell Revocable Trust UTA dated June 3, 2012, and Michael J. Merrell and Mary E. Merrell, as Trustees of the Ambercare Corporation Employee Stock Ownership Plan Trust (collectively, the "Sellers" ). Pursuant to the Purchase Agreement, Addus HealthCare has agreed to acquire all of the issued and outstanding shares of capital stock of Ambercare Corporation, a New Mexico corporation ( "Ambercare" ), for a cash purchase price of \$40.0 million, not including purchase price credit given for an estimated \$10.6 million in excess cash held by Ambercare at closing, and subject to customary adjustments (the "Transaction" ). Ambercare operates a personal care, hospice and home health services business through 15 locations located across New Mexico.

The obligations of the parties to consummate the Transaction are subject to the accuracy of the representations and warranties in the Purchase Agreement, compliance with the covenants in the Purchase Agreement and in the case of Addus HealthCare, the absence of a material adverse effect with respect to Ambercare, and receipt of certain third party consents (including regulatory consents), in addition to other customary closing conditions. Subject to fulfillment of the closing conditions, the Transaction is expected to close in the second quarter of 2018, but there can be no assurance that the Transaction will be completed.

The parties to the transaction have made customary representations, warranties and covenants, including with respect to the conduct of the Businesses during the period between the execution of the Purchase Agreement and the closing. The representations, warranties and covenants set forth in the Purchase Agreement have been made only for the purposes of such agreement and were solely for the benefit of the parties to the Purchase Agreement. Such representations, warranties and covenants may be subject to limitations agreed upon by the contracting parties, may have been made for purposes of allocating contractual risk, rather than as statements of categorical fact and may be subject to standards of materiality applicable to the contracting parties or their respective businesses, which may differ from what may be material to investors. The representations and warranties were made as of the date of the Purchase Agreement or such other date as may be specified in the Purchase Agreement and are subject to more recent developments.

The Purchase Agreement contains customary indemnification obligations by certain of the Sellers with respect to breaches of their respective representations, warranties and covenants, and certain other specified matters.

The foregoing summary of the Purchase Agreement is qualified in its entirety by reference to the actual Purchase Agreement attached hereto as Exhibit 10.1 and incorporated by reference herein.
