McDermott and CB&I Announce Conclusion of Competition Authority Reviews for Proposed Combination

HOUSTON and THE WOODLANDS, Texas March 14, 2018 McDermott International, Inc. (NYSE:MDR) and CB&I (NYSE:CBI) today announced that the companies have received antitrust clearance in Russia for their proposed combination. With this clearance, McDermott and CB&I have received all the required competition authority approvals for the transaction.

As previously announced on December 18, 2017, McDermott and CB&I agreed to combine in an all-stock transaction to create a premier vertically integrated onshore-offshore company with an enterprise value of approximately \$6 billion. The combination is expected to be completed in the second quarter of 2018. It remains subject to approval by McDermott's and CB&I's shareholders, completion of financing and other closing conditions.
