**Introductory Note**

This Current Report on Form 8-K is being filed in connection with the consummation on April 9, 2018 (the Closing Date) of the transactions contemplated by that certain Agreement and Plan of Merger, dated October 29, 2017 (the Merger Agreement), by and between Vistra Energy Corp., a Delaware corporation (Vistra Energy), and Dynegy Inc., a Delaware corporation (Dynegy, or the Company). Pursuant to the Merger Agreement, on the Closing Date, the Company merged with and into Vistra Energy, with Vistra Energy continuing as the surviving corporation (the Merger). The combined company will operate under the name Vistra Energy Corp. and will continue to be a Delaware corporation. The following events took place in connection with the consummation of the Merger:

**Item 2.01. Completion of Acquisition or Disposition of Assets**

On the Closing Date, Vistra Energy completed the Merger pursuant to the terms of the Merger Agreement. On the Closing Date, the Company merged with and into Vistra Energy, with Vistra Energy continuing as the surviving corporation. At the effective time of the Merger (the Merger Effective Time), each issued and outstanding share of the Company's common stock, par value \$0.01 per share (Dynegy Common Stock), other than shares owned by Vistra Energy or its wholly owned subsidiaries, held in treasury by the Company or held by a wholly owned subsidiary of the Company, was automatically converted into the right to receive 0.652 shares of Vistra Energy's common stock, par value \$0.01 per share (Vistra Energy Common Stock), and such ratio of Dynegy Common Stock to Vistra Energy Common Stock, the Exchange Ratio).

As of the Merger Effective Time, each outstanding Dynegy stock option was automatically converted into an option to purchase shares of Vistra Energy Common Stock, on the same terms and conditions that were applicable under such Dynegy stock option immediately prior to the Merger Effective Time (including any accelerated vesting provisions), equal to the product of (A) the total number of shares of Dynegy Common Stock subject to such Dynegy stock option and (B) the Exchange Ratio, rounded down to the nearest whole number of shares of Vistra Energy Common Stock. The per-share exercise price of each converted Vistra Energy stock option is equal to the quotient determined by dividing (1) the exercise price per share applicable to the Dynegy stock option by (2) the Exchange Ratio, rounded up to the nearest whole cent.

As of the Merger Effective Time, each outstanding award of restricted stock units with respect to shares of Dynegy Common Stock other than Dynegy phantom stock units (Dynegy RSUs) was automatically converted into a number of restricted stock units with respect to shares of Vistra Energy Common Stock (Vistra RSUs) equal to the product of (A) the number of Dynegy RSUs held by such holder immediately prior to the Merger Effective Time and (B) the Exchange Ratio, and remains outstanding on the same terms and conditions as were applicable to such award prior to the Merger Effective Time (including any accelerated vesting provisions).

As of the Merger Effective Time, each outstanding Dynegy performance stock unit (a Dynegy PSU) was automatically converted into the right to receive from Vistra Energy, at the Merger Effective Time, a number of shares of Vistra Energy Common Stock (and cash in lieu of fractional shares to be paid by the surviving corporation to the holder) equal to the product of (A) the total number of shares of Dynegy Common Stock that would be payable in respect of such Dynegy PSU (1) in the case of Dynegy PSUs with respect to which the Merger Effective Time occurred after the first twelve months of the applicable performance period, (x) at the actual level of performance applicable to such portion of such Dynegy PSU that relates to total stockholder return, as determined in accordance with the applicable award agreement, and (y) at the target level of performance applicable to such portion of such Dynegy PSU that relates to free cash flow, and (2) in the case of Dynegy PSUs with respect to which the Merger Effective Time occurred within the first twelve months of the applicable performance period, (x) at the target level of performance applicable to such portion of such Dynegy PSU that relates to total stockholder return, as determined in accordance with the applicable award agreement, and (y) at the target level of performance applicable to such portion

of such Dynegy PSU that relates to free cash flow, and (B) the Exchange Ratio.

As of the Merger Effective Time, each outstanding Dynegy phantom stock unit was automatically converted into phantom stock units relating to the number of shares of Vistra Energy Common Stock equal to the product of (A) one share of Dynegy Common Stock and (B) the Exchange Ratio, and remains outstanding on the same terms and conditions as were applicable to such award immediately prior to the Merger Effective Time.

As of the Merger Effective Time, the number of hypothetical shares of Dynegy Common Stock credited to the company deferral account of each participant in Dynegy's deferred compensation plan which company deferral account had an outstanding balance as of immediately prior to the Merger Effective Time was automatically converted into that number of hypothetical shares of Vistra Energy Common Stock equal to the product of (A) the total number of hypothetical shares of Dynegy Common Stock credited to such company deferral account and (B) the Exchange Ratio, and such company deferral account has the same terms and conditions as were applicable to such company deferral account immediately prior to the Merger Effective Time.

The foregoing description of the Merger and the Merger Agreement contained in this Item 2.01 does not purport to be complete and is subject to and qualified in its entirety by reference to the Merger Agreement, which was filed as Exhibit 2.1 to the Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission (the SEC) on October 30, 2017, and is incorporated by reference herein.

**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

The information provided in the Introductory Note and Item 2.01 of this Current Report on Form 8-K is incorporated herein by reference.

In connection with the completion of the Merger, the Company notified the New York Stock Exchange (the "NYSE") on the Closing Date that (i) each share of Dynegy Common Stock issued and outstanding immediately prior to the Merger Effective Time (other than those held in treasury by the Company or owned by any wholly owned subsidiary of the Company, or by Vistra Energy or any wholly owned subsidiary of Vistra Energy, which shares were automatically cancelled and ceased to exist) was cancelled and converted into the right to receive 0.652 shares of Vistra Energy Common Stock, (ii) Vistra Energy assumed the obligations of the Company as issuer of the 4,600,000 7.00% tangible equity units (the "Units"), comprised of (x) a prepaid stock purchase contract issued by the Company (the "Purchase Contract"), pursuant to which the Company will deliver to the holder of such Purchase Contract shares of Dynegy Common Stock based upon the applicable fixed settlement rate and (y) a senior amortizing note issued by the Company, and, as a result of the Merger and such assumption, the right to settlement of each Purchase Contract into Dynegy Common Stock was changed into a right of settlement into Vistra Energy Common Stock, as adjusted to reflect the Exchange Ratio, and (1) the Minimum Settlement Rate was adjusted to 3.2731 shares of Vistra Energy Common Stock, (2) the Maximum Settlement Rate was adjusted to 4.0421 shares of Vistra Energy Common Stock, (3) the Reference Price per share was adjusted to \$24.7393 from \$16.13, (4) the Threshold Appreciation Price was adjusted to \$30.5521 from \$19.92 and (5) the Fundamental Change Early Settlement Rates and Stock Prices set forth in the table included in Section 5.02(e) of the Purchase Contract Agreement, dated as of June 21, 2016, between Dynegy and Wilmington Trust, National Association, as purchase contract agent and attorney-in-fact for the holders, and as trustee (the "Purchase Contract Agreement"), were adjusted as set forth in the First Supplement to Purchase Contract Agreement, dated as of April 9, 2018, between the Registrant and Wilmington Trust, National Association, as purchase contract agent and attorney-in-fact for the holders, and as trustee (the "First Supplement"), in each case, subject to further adjustment from time to time as provided in the Purchase Contract Agreement (as amended by the First Supplement), and (iii) Vistra Energy assumed the obligations of the Company as issuer of 8,965,108 warrants (the "Warrants"), each of which, prior to the Merger Effective Time, entitled the holder thereof to purchase one share of Dynegy Common Stock at an exercise price of \$35.00 per share, and, as a result of the Merger and such assumption, the right to settlement of each Warrant into Dynegy Common Stock was changed into a right to receive, upon the exercise thereof, the equity securities to which the holder of the number of shares of Dynegy Common Stock then deliverable upon the exercise of conversion of such Warrant would have been entitled to receive upon the consummation of the Merger. The Company requested that the NYSE file a notification of removal from listing on Form 25 with the SEC with respect to the Dynegy Common Stock, the Units and the Warrants in order to effect the delisting of the Dynegy Common Stock, the Units and the Warrants from the NYSE. Such delisting will result in the termination of the registration of Dynegy Common Stock, the Units and the Warrants under Section 12(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Company intends to file a Form 15 with the SEC to terminate the registration of Dynegy Common Stock, the Units and the Warrants and suspend the Company's reporting obligations under Section 13 and 15(d) of the Exchange Act. On the Closing Date, Vistra Energy filed with the SEC registration statements on Form 8-A to register under Section 12(b) of the Exchange Act the Units assumed in connection with the Merger and the Warrants assumed in connection with the Merger. Trading of Dynegy Common Stock on the NYSE was suspended as of the Closing Date. Trading of the Units and the Warrants on the NYSE was suspended prior to the Closing Date to effect the assumption of the Units and the Warrants by Vistra Energy. Each of the Units and the Warrants, as assumed by Vistra Energy, will retain their listing on the NYSE and are expected to begin trading on or about the Closing Date: the Units will continue trading under their former ticker symbol, "DYNC", and the Warrants, which were traded under the ticker symbol "DYN.WS.A" prior to the Merger, will trade under a new ticker symbol, "VST.WS.A".

In addition, in connection with the completion of the Merger, on April 9, 2018, Vistra Energy assumed all of the Company's obligations under its 6.75% Senior Notes due 2019, its 7.375% Senior Notes due 2022, its 5.875% Senior Notes due 2023, its 7.625% Senior Notes due 2024, its 8.034% Senior Notes due 2024, its 8.000% Senior Notes due 2025 and its 8.125% Senior Notes due 2026, pursuant to various supplemental indentures described in Item 1.01 of the Current Report on Form 8-K filed by Vistra Energy with the SEC on April 9, 2018 and filed as exhibits thereto.
