**Item 1.01. Entry into a Material Definitive Agreement.**  
**Real Estate Sale and Leaseback**

On September 28, 2018, Union Electric Steel Corporation ( UES ), a wholly owned subsidiary of Ampco-Pittsburgh Corporation ( Ampco ), and Store Capital Acquisitions, LLC (the Purchaser ) consummated a sale and leaseback transaction, valued at approximately \$19,000,000, pursuant to which Purchaser purchased from UES certain of UES 's properties, including manufacturing facilities located in Burgettstown, Pennsylvania and Valparaiso, Indiana, and the corporate office and manufacturing facility located in Carnegie, Pennsylvania (collectively, the Facilities ).

In connection with the sale and leaseback transaction, UES entered into a Master Lease Agreement (the Lease ), dated September 28, 2018 (the Effective Date ), with Purchaser, pursuant to which UES will lease back the Facilities from Purchaser, subject to the terms and conditions of the Lease. The Lease provides for a 20-year term (the Primary Term ), commencing on the Effective Date, with four separate renewal terms of approximately five years each (each a Renewal Term ). UES is required to give written notice to Purchaser not later than 120 days before the end of the then current Primary Term or Renewal Term, as applicable, if UES desires to exercise its right to extend such term.

Subject to adjustment as set forth in the Lease, the annual minimum rent payable to Purchaser during the Primary Term and the first and second Renewal Terms is an amount equal to \$1,643,500 (the Base Annual Rent ), payable in equal monthly installments. On October 1, 2019 and each anniversary of such date prior to the third and fourth Renewal Terms, the Base Annual Rent will increase by the lesser of (a) two percent or (b) 1.25 times the change in the Consumer Price Index. During the third and fourth Renewal Terms, the Base Annual Rent will be the annual fair market rental rate, including annual rent increases, then being charged for comparable facilities in the markets in which the Facilities are located, with such annual fair market rental rate to be determined in accordance with the terms and conditions of the Lease.

The Lease contains certain representations, warranties, covenants, obligations, conditions, indemnification provisions and termination provisions customary for sale and leaseback transactions.

Pursuant to the terms and conditions of the Lease, UES has an option to purchase the Properties by delivering written notice to Purchaser no later than 45 days prior to the seventh anniversary of the Effective Date for a price equal to the greater of (a) 115% of Lessor 's Total Investment or (b) Fair Market Value (each as defined in the Lease).

In consideration of, and as an inducement to, Purchaser 's agreement to enter into the above described Lease, Ampco entered into an Unconditional Guaranty of Payment and Performance with the Purchaser (the Guaranty ), whereby Ampco has guaranteed the full payment by UES of all rent and other amounts and charges required to be paid by UES pursuant to the Lease, and the full performance of UES of all other obligations of UES to be performed under the Lease.

**Amendment to Credit Agreement**

In connection with the Lease and the Guaranty, on September 28, 2018, Ampco and its subsidiaries Air & Liquid Systems Corporation, UES, Alloys Unlimited and Processing, LLC, Akers National Roll Company, Union Electric Steel UK Limited, ASW Steel Inc., Åkers AB and Åkers Sweden AB (collectively the Corporation ) entered into a Third Amendment (the Amendment ) to the Revolving Credit and Security Agreement, dated May 20, 2016, as amended on October 31, 2016 and March 2, 2017, with certain lenders, the guarantors party thereto, PNC Bank, National Association ( PNC ), as administrative agent, and the other agents party thereto (collectively, the Credit Agreement ).

Pursuant to the Amendment, the Credit Agreement was amended to, among other things: (i) add certain additional reporting requirements regarding beneficial ownership of Ampco, (ii) revise the applicable interest rate margin by

increasing such margin by one-half percent per annum, and (iii) update certain schedules to the Credit Agreement. All other material terms, conditions, and covenants with respect to the Credit Agreement remain unchanged.

The foregoing descriptions of the Lease, the Guaranty and the Amendment do not purport to be a complete description of the parties' rights and obligations under the Lease, the Guaranty and the Amendment. The above descriptions are qualified in their entirety by reference to the complete Lease, Guaranty and Amendment, copies of which will be filed as exhibits to Ampco's Quarterly Report on Form 10-Q for the quarter ended September 30, 2018.
