Item 8.01 Other Events.

On November 23, 2015, Air Industries Group and its wholly owned subsidiaries (collectively, the “Company”) entered into an amendment to its Amended and Restated Revolving Credit, Term Loan and Security Agreement with PNC Bank, N.A. (“Lender”) increasing the maximum revolving advance amount from \$28,000,000 to \$33,000,000. There are four term loans outstanding under the loan agreement in the aggregate principal amount of \$10,208,626 as of October 31, 2015. As a result of the amendment, the maximum loan amount under the loan agreement has been increased from \$38,020,856 to \$43,020,856, less repayments of the term loans. In addition, since the Company was not in compliance with the fixed charge coverage ratio covenant in the loan agreement as of September 30, 2015, the amendment provides a waiver of the covenant for the nine months ended September 30, 2015. The amendment also adjusts the measurement period for determining future compliance. The covenant requires the Company to maintain a fixed charge coverage ratio of not less than 1.25 to 1.00, tested quarterly on a consolidated rolling twelve (12) month basis; however, the amendment provides that compliance with the covenant for (i) the quarter ending December 31, 2015 will be tested based upon the prior three (3) months, (ii) the quarter ending March 31, 2016 will be tested based upon the prior six (6) months and (iii) the quarter ending June 30, 2016 will be tested based upon the prior nine (9) months.
