## **Information Concerning the Board of Directors**

### ***Board Leadership Structure and Risk Oversight***

The Board does not have a policy requiring separation of the roles of Chief Executive Officer and Chairman of the Board. Nevertheless, Michael N. Taglich is Chairman of the Board and Lou Melluzzo is Chief Executive Officer of the Company.

The Board has determined that a non-employee director serving as Chairman is in the best interests of our stockholders at this time. This structure ensures a greater role of non-employee Directors in the active oversight of our business, including risk management oversight, and in setting agendas and establishing Board priorities and procedures. This structure also allows the Chief Executive Officer to focus to a greater extent on the management of our day-to-day operations.

The Board of Directors as a whole is responsible for consideration and oversight of risks facing the Company, and is responsible for ensuring that material risks are identified and managed appropriately. Certain risks are overseen by committees of the Board of Directors and these committees make reports to the full Board of Directors, including reports on noteworthy risk-management issues. Members of the Company's senior management team regularly report to the full Board about their areas of responsibility and a component of these reports is risk within the area of responsibility and the steps management has taken to monitor and control such exposures. Additional review or reporting on risks is conducted as needed or as requested by the Board or one of its committees.

### ***Board Independence***

Our Board of Directors has determined that Robert Schroeder, David Buonanno, Peter Rettaliata, Michael Brand and Michael Porcelain are "independent directors" within the meaning of NYSE American Rule 803A(2).

***Director Compensation***

Non-employee Directors are entitled to receive compensation for serving as directors and may receive option grants from our company. Each Director also is entitled to be repaid or prepaid all traveling, hotel and incidental expenses reasonably incurred or expected to be incurred in attending meetings of our Board of Directors or committees of our Board of Directors or shareholder meetings or otherwise in connection with the discharge of his duties as a Director. The compensation committee will assist the directors in reviewing and approving the compensation structure for our directors.

The following table sets forth certain information regarding the compensation paid to, earned by or accrued for, our directors during the fiscal year ended December 31, 2017.

In determining the incentive component of CEO compensation, the Committee will consider, among other factors, the Company's performance and relative stockholder return, the value of similar incentive awards to CEOs at comparable companies, the awards given to the CEO in past years, and such other factors as the Committee may determine to be appropriate;

- reviewing and approving the compensation of all other executive officers of the Company, such other managers as may be directed by the Board, and the directors of the Company;

- overseeing the Board's benefit and equity compensation plans, overseeing the activities of the individuals and committees responsible for administering these plans, and discharging any responsibilities imposed on the Committee by any of these plans;

- approving issuances under, or any material amendments to, any stock option or other similar plan pursuant to which a person not previously an employee or director of the Company, as an inducement material to the individual's entering into employment with the Company, will acquire stock or options;

## Executive Compensation Policies as They Relate to Risk Management

The Compensation Committee and management have considered whether our compensation policies might encourage inappropriate risk taking by the Company's executive officers and other employees. The Compensation Committee has determined that the current compensation structure aligns the interests of the executive officers with those of the Company without providing rewards for excessive risk taking by awarding a mix of fixed and performance based or discretionary bonuses with the performance based compensation focused on profits as opposed to revenue growth.

During the years ended December 31, 2017 and 2016, less than 1% of the total compensation paid to employees was paid in performance-based compensation, including commissions and bonuses.

### Equity Incentive Plans

We have four equity incentive plans, the 2017 Equity Incentive Plan (the “2017 Plan”), which our Board of Directors adopted on July 24, 2017, and our stockholders approved on October 3, 2017, the 2016 Equity Incentive Plan (“the “2016 Plan”), which our Board of Directors adopted in June 2016 and our stockholders approved on November 30, 2016, the 2015 Equity Incentive Plan (the “2015 Plan”), which our Board of Directors adopted in March 2015 and our stockholders approved in June 2015, and the 2013 Equity Incentive Plan (the “2013 Plan”), which our Board of Directors adopted in May 2013 and our stockholders approved in July 2013. The Plans are virtually identical, except that the 2017 Plan authorizes the issuance of 1,200,000 shares of common stock, the 2016 Plan and the 2015 Plan authorizes the issuance of 350,000 shares of common stock and the 2013 Plan authorizes the issuance of 600,000 shares.

The Plans permit the Company to grant stock awards and non-qualified and incentive stock options to employees, directors and consultants. The Plans are administered by the Compensation Committee of the Board and each has a term of ten years from the date it was adopted by the Board.

We adopted the Plans to provide a means by which employees, directors, and consultants of our Company and those of our subsidiaries and other designated affiliates, which we refer to together as our affiliates, may be given an opportunity to purchase our common stock, to assist in retaining the services of such persons, to secure and retain the services of persons capable of filling such positions, and to provide incentives for such persons to exert maximum efforts for our success and the success of our affiliates.

### **Item 13. Certain Relationships and Related Transactions and Director Independence**

#### ***Our Policy Concerning Transactions with Related Persons***

Under Item 404 of SEC Regulation S-K, a related person transaction is any actual or proposed transaction, arrangement or relationship or series of similar transactions, arrangements or relationships, including those involving indebtedness not in the ordinary course of business, to which we or our subsidiaries were or are a party, or in which we or our subsidiaries were or are a participant, in which the amount involved exceeded or exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years and in which any of our directors, nominees for director, executive officers, beneficial owners of more than 5% of any class of our voting securities (a “significant shareholder”), or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest.

We recognize that transactions between us and any of our Directors or Executives or with a third party in which one of our officers, directors or significant shareholders has an interest can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations other than the best interests of our Company and stockholders.

The Audit Committee of the Board of Directors is charged with responsibility for reviewing, approving and overseeing any transaction between the Company and any related person (as defined in Item 404 of Regulation S-K), including the propriety and ethical implications of any such transactions, as reported or disclosed to the Committee by the independent auditors, employees, officers, members of the Board of Directors or otherwise, and to determine whether the terms of the transaction are not less favorable to us than could be obtained from an unaffiliated party.

*Transactions*

The following includes a summary of transactions since January 1, 2017, or any currently proposed transaction, in which we were or are to be a participant and the amount involved exceeded or exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years, and in which any related person had or will have a direct or indirect material interest.

From time to time when needed, we have borrowed funds from Michael Taglich and Robert F. Taglich, as discussed below. In addition, as discussed below, Taglich Brothers, of which Michael Taglich and Robert F. Taglich are principals, has acted as placement agent for offerings of our securities and provided us with other investment banking and advisory services.

On February 7, 2017, we sold to Robert F. Taglich our 8% Subordinated Convertible Note due January 31, 2019 in the principal amount of \$250,000 (one of a series of our 8% Subordinated Convertible Notes due January 31, 2019, hereinafter referred to as the “2019 Notes”), together with a five year warrant to purchase 19,230 shares of common stock for a purchase price of \$250,000. The 2019 Note issued to Robert F. Taglich has a conversion price of \$3.71 per share, and the warrant issued to Robert F. Taglich has an exercise price of \$3.71 per share. The conversion price of the 2019 Notes and the exercise price of the warrants, as well as the number of shares issuable upon conversion of the 2019 Notes and the exercise of the warrants, are subject to certain anti-dilution and other adjustments, including stock splits, and in the event of certain fundamental transactions such as mergers and other business combinations. The warrants may be exercised until January 31, 2022 and may be exercised on a cashless basis for a lesser number of shares depending upon prevailing market prices at the time of exercise.

As compensation for its services as placement agent for the private placement in February 2017 of the 2019 Notes, we issued to Taglich Brothers, in lieu of cash payment of sales commissions, 2019 Notes in the principal amount of \$80,000 (of which a 2019 Note in the principal amount of \$20,000 has a conversion price of \$3.71 per share and a 2019 Note in the principal amount of \$60,000 has a conversion price of \$4.45 per share). We also issued to Taglich Brothers five-year placement agent warrants to purchase 29,816 shares of common stock at an exercise price of \$4.45 per share having the same terms as the warrants issued to purchasers of the 2019 Notes in the February 2019 private placement.

On March 8, 2017, we sold to Robert F. Taglich a 2019 Note in the principal amount of \$100,000, together with a five year warrant to purchase 7,692 shares of common stock for a purchase price \$100,000. The 2019 Note issued to Robert F. Taglich has a conversion price of \$3.30 per share, and the warrant issued to Robert F. Taglich has an exercise price of \$3.30 per share. The conversion price of the 2019 Notes and the exercise price of the warrants, as well as the number of shares issuable upon conversion of the 2019 Notes and the exercise of the warrants, are subject to certain anti-dilution and other adjustments, including stock splits, and in the event of certain fundamental transactions such as mergers and other business combinations. The warrants may be exercised until January 31, 2022 and may be exercised on a cashless basis for a lesser number of shares depending upon prevailing market prices at the time of exercise.

As compensation for its services as placement agent for the private placement in March 2017 of the 2019 Notes, we issued to Taglich Brothers, in lieu of cash payment of sales commissions, 2019 Notes in the principal amount of \$96,000 (of which a 2019 Note in the principal amount of \$44,400 has a conversion price of \$3.30 per share, a 2019 Note in the principal amount of \$43,600 has a conversion price of \$3.78 per share and a 2019 Note in the principal amount of \$8,000 has a conversion price of \$3.25 per share) and five-year warrants to purchase a total of 7,386 shares of common stock (of which warrants to purchase 3,416 shares have an exercise price of \$3.30 per share, warrants to purchase 3,354 shares have an exercise price of \$3.78 and warrants to purchase 616 shares have an exercise price of \$4.00). We also issued to Taglich Brothers placement agent warrants to purchase a total of 36,877 shares of common stock, of which warrants to purchase 17,030 shares have an exercise price of \$3.30 per share, warrants to purchase 16,770 shares have an exercise price of \$3.78 and warrants to purchase 3,077 shares have an exercise price of \$4.00, and having the same terms as the warrants issued to purchasers of the 2019 Notes in the March 2019 private placement.

On March 17, 2017, we borrowed \$200,000 and \$300,000 from each of Michael N. Taglich and Robert F. Taglich, respectively, and issued our promissory notes in the principal amounts of \$200,000 and \$300,000 to evidence our obligation to repay that indebtedness (the “Taglich Notes”). The Taglich Notes bear interest at the rate of 7% per annum and are payable on March 17, 2018. The Taglich Notes were subsequently amended to provide for the automatic conversion of the indebtedness evidenced thereby into shares of common stock at a conversion price of \$1.50 per share, the public offering price of the shares of our common stock sold in the public offering completed in July 2017 (the “Public Offering”), and upon stockholder approval of the Restructuring Transactions on October 3, 2017 were converted into a total of 346,992 shares of common stock, of which 138,797 were issued to Michael Taglich and 208,195 were issued to Robert Taglich.

On May 2, 2017, we borrowed \$500,000 from each of Michael N. Taglich and Robert F. Taglich, and on May 10, 2017 we borrowed an additional \$250,000 from each of Michael N. Taglich and Robert F. Taglich (collectively, the “Taglich Loans”). The Taglich Loans were exchanged for an equal principal amount of our Subordinated Convertible Notes due May 2019 (the “May 2018 Notes”).

On May 12, 2017 each of Michael N. Taglich and Robert F. Taglich acquired \$774,217 principal amount of our May 2018 Notes, together with warrants to purchase 93,279 shares of our common stock, in consideration for the cancellation of the indebtedness related to the Taglich Loans. On May 19, 2017, a partnership of which Michael N. Taglich and Robert F. Taglich are partners (the “Taglich Partnership”), acquired \$205,780 principal amount of May 2018 Notes and warrants to purchase 24,792 shares of our common stock for a purchase price of \$199,786. The warrants, when issued, were exercisable at an initial exercise price of \$2.49 per share until May 12, 2022, and may be exercised on a cashless basis for a lesser number of shares based upon prevailing market prices when exercised. The exercise price of the warrants is subject to anti-dilution and other adjustments, including stock splits, and in the event of certain fundamental transactions such as recapitalizations, mergers and other business combination transactions. In accordance with the terms of the warrants, the exercise price has been reduced to \$1.50 per share, the public offering price of the shares of common stock sold in the Public Offering. We have agreed to pay Taglich Brothers \$176,155 in sales commissions in connection with the May 2018 Note financing.

The May 2018 Notes owned by Michael N. Taglich, Robert F. Taglich and the Taglich Partnership were subsequently amended to require stockholder approval for the conversion thereof to comply with applicable rules of the NYSE MKT, and upon stockholder approval of the Restructuring Transactions on October 3, 2017, were converted into a total of 1,169,475 shares of common stock, of which 516,144 shares were issued to each of Michael Taglich and Robert Taglich, with the remaining 137,187 shares issued to the Taglich Partnership.

In connection with the Public Offering, on July 12, 2017, we amended the Certificate of Designation authorizing the issuance of the Series A Preferred Stock, to provide for the automatic conversion of the outstanding shares of Series A Preferred Stock into shares of common stock at a conversion price of \$1.50 per shares, the public offering price of the shares sold in the Public Offering, subject to stockholder approval in accordance with the applicable rules of the NYSE MKT, including the automatic conversion of 298,968 shares of Series A Preferred Stock beneficially owned by Michael N. Taglich and 105,696 shares of Series A Preferred Stock beneficially owned by Robert F. Taglich, into 1,993,120 shares and 704,640 shares, respectively, of common stock. Upon stockholder approval of the Restructuring Transactions on October 3, 2017, the outstanding shares of Series A Preferred Stock were converted into shares of common stock.

On November 29, 2017 we entered into a Placement Agency Agreement with Taglich Brothers, Inc., as placement agent (the “Placement Agent”), pursuant to which the Placement Agent agreed to offer on behalf of the Company, on a best efforts basis, up to 1,600,000 shares of the Company’s common stock (the “Shares”) to accredited investors (the “Offering”), together with five-year warrants to purchase 24,000 shares of common stock for each \$100,000 of Shares purchased (the “Warrants”), in a private placement exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”). The Offering commenced November 29, 2017, and terminated on January 9, 2018.

Under the terms of the Placement Agency Agreement, the Placement Agent is entitled to a placement agent fee equal to 8% of the gross proceeds of the Offering, payable at the Company’s option, in cash or additional shares of common stock and warrants having the same terms and conditions as the Shares and Warrants.

On November 29, 2017 Michael Taglich and Robert Taglich purchased 144,927 shares and 72,463 shares, respectively, of our common stock, together with warrants to purchase an additional 48,000 shares and 24,000 shares, respectively, of common stock, for a purchase price of \$200,000 and \$100,000, respectively, as part of a private placement of our equity securities exempt from the registration requirements of the Securities Act. The purchase price for the shares and warrants purchased by Michael Taglich and Robert Taglich was \$1.38 per share, the closing price of a share of common stock immediately prior to the purchase. The warrants have an exercise price of \$1.50 per share, subject to certain anti-dilution and other adjustments, including stock splits, and in the event of certain fundamental transactions such as mergers and other business combinations, and may be exercised on a cashless basis for a lesser number of shares depending upon prevailing market prices at the time of exercise. The warrants may be exercised until November 30, 2022.

Taglich Brothers, Inc., which acted as placement agent for the sale of the shares and warrants, received a placement agent fee equal to \$56,000 (8% of the amounts invested), payable at the Company's option, in cash or additional shares of common stock and warrants having the same terms and conditions as the shares and warrants issued in the offering.

In April 2018, Michael and Robert Taglich advanced an aggregate of \$1,150,000 to be applied to a private placement on terms to be determined.

Taglich Brothers or its affiliates may in the future provide investment banking, commercial banking and/or other services to us from time to time, for which they may in the future receive customary fees and expenses.

The foregoing transactions were reviewed and approved by the Audit Committee or our Board of Directors. We believe that the terms of each transaction were not less favorable to us than those terms that could be obtained from an unaffiliated third party.
