ITEM 8.01. OTHER EVENTS.

On July 5, 2011, SunOpta Inc. (the “Company”) issued a press release announcing the completion of the final step in the divestiture of its Mexican frozen fruit assets with the sale of land and buildings in Irapuato, Mexico (the “Transaction”) to parties related to Fruvemex Mexicali, S.A. de C.V. (“Fruvemex”) for a purchase price of USD\$2.5 million. The Company received an initial installment of USD\$250,000 at the closing of the Transaction and the balance will be paid via a series of monthly installments over the next year including a balloon payment on the first anniversary of the closing of the Transaction. The land and buildings subject to the Transaction were previously leased to Fruvemex as part of an earlier transaction whereby Fruvemex purchased from the Company frozen fruit operations and processing assets located in Rosarito and Irapuato, Mexico.

Fruvemex is a privately owned Mexican entity headquartered in Mexicali, Mexico. The business has deep roots in frozen, refrigerated and dehydrated fruit and vegetable products including strawberries, mango, melons, hot peppers, bell peppers, tomatoes, onions and salsas and has been a supplier to the Company for several years. In connection with the Company’s sale of the operations and processing assets in Rosarito and Irapuato, the Company entered into a raw material supply agreement with Fruvemex for the provision to the Company of individually quick frozen (IQF) fruit and other products.
