**MEDIA RELEASE**

**Goodlace to Head Up Gold Fields Operations in South Africa**

**Johannesburg, 9 January 2007.** Gold Fields Limited (Gold Fields) (NYSE, JSE, DIFX: GFI) today announced that Mr. Terence Goodlace will replace the late Mr. Brendan Walker as head of its South African operations, with immediate effect. Mr. Walker was tragically killed in a car accident on 30 December 2006.

Mr Goodlace was previously head of Gold Fields' international operations.

Mr. Ian Cockerill, Chief Executive Officer of Gold Fields said:

“Terence’s appointment will ensure stability and continuity at a time when we face significant new challenges in South Africa. Terence, who is well known to and respected by the South African operations, has a deep insight into and understanding of the many and complex challenges facing our operations. He has filled various operational positions in the Group with distinction over the past 20 years and is a longstanding member of the Gold Fields Executive Committee. Before becoming head of the international operations he was head of strategic planning for the Group.”

Gold Fields’ South African operations include the Beatrix, Driefontein and Kloof Gold Mines, as well as the recently acquired South Deep Gold Mine.

Mr. Peter McArdle, currently head of technical and strategic planning for the international operations, will act as head of international operations while a global search is conducted to fill the position on a permanent basis.
